

Organizational Overview

Joe Billingsley – Director of Strategic Engagement

12 August 2020

Agenda

- Purpose
- Mission and Vision
- History
- Value Proposition
- Thought Leadership
- Academic Programs
- Way Ahead
- Discussion

Admiral Ryan (Commander of USCG Cyber Command) with Dr Lewis (CIC Acting Chancellor)

Purpose

The purpose of this presentation is to provide an overview of the College of Information and Cyberspace (CIC) at National Defense University (NDU) to facilitate potential cooperation in the future.

Mission and Vision

- **NDU Mission:** NDU develops joint warfighters and other national security leaders through rigorous academics, research, and engagement to serve the common defense.
- **CIC Mission:** CIC educates joint warfighters and national security leaders in order to lead and advise national security institutions and advance global security within the cyberspace domain and through the use of the information instrument of national power.
- **CIC Vision:** CIC is the premier senior national security educational institution focused on the information environment. CIC is the desired educator of leaders who perform national and military actions within the cyberspace domain using the information instrument of national power.

College History

- 1964: DoD Computer Institute
- 1981: Joined NDU (est. 1976)
- 1990: Renamed Information Resources Management College
- 2011: Rebranded as iCollege
- 2017: Renamed CIC in NDAA

Steve Forbes
at IRMC

Unique Value Proposition

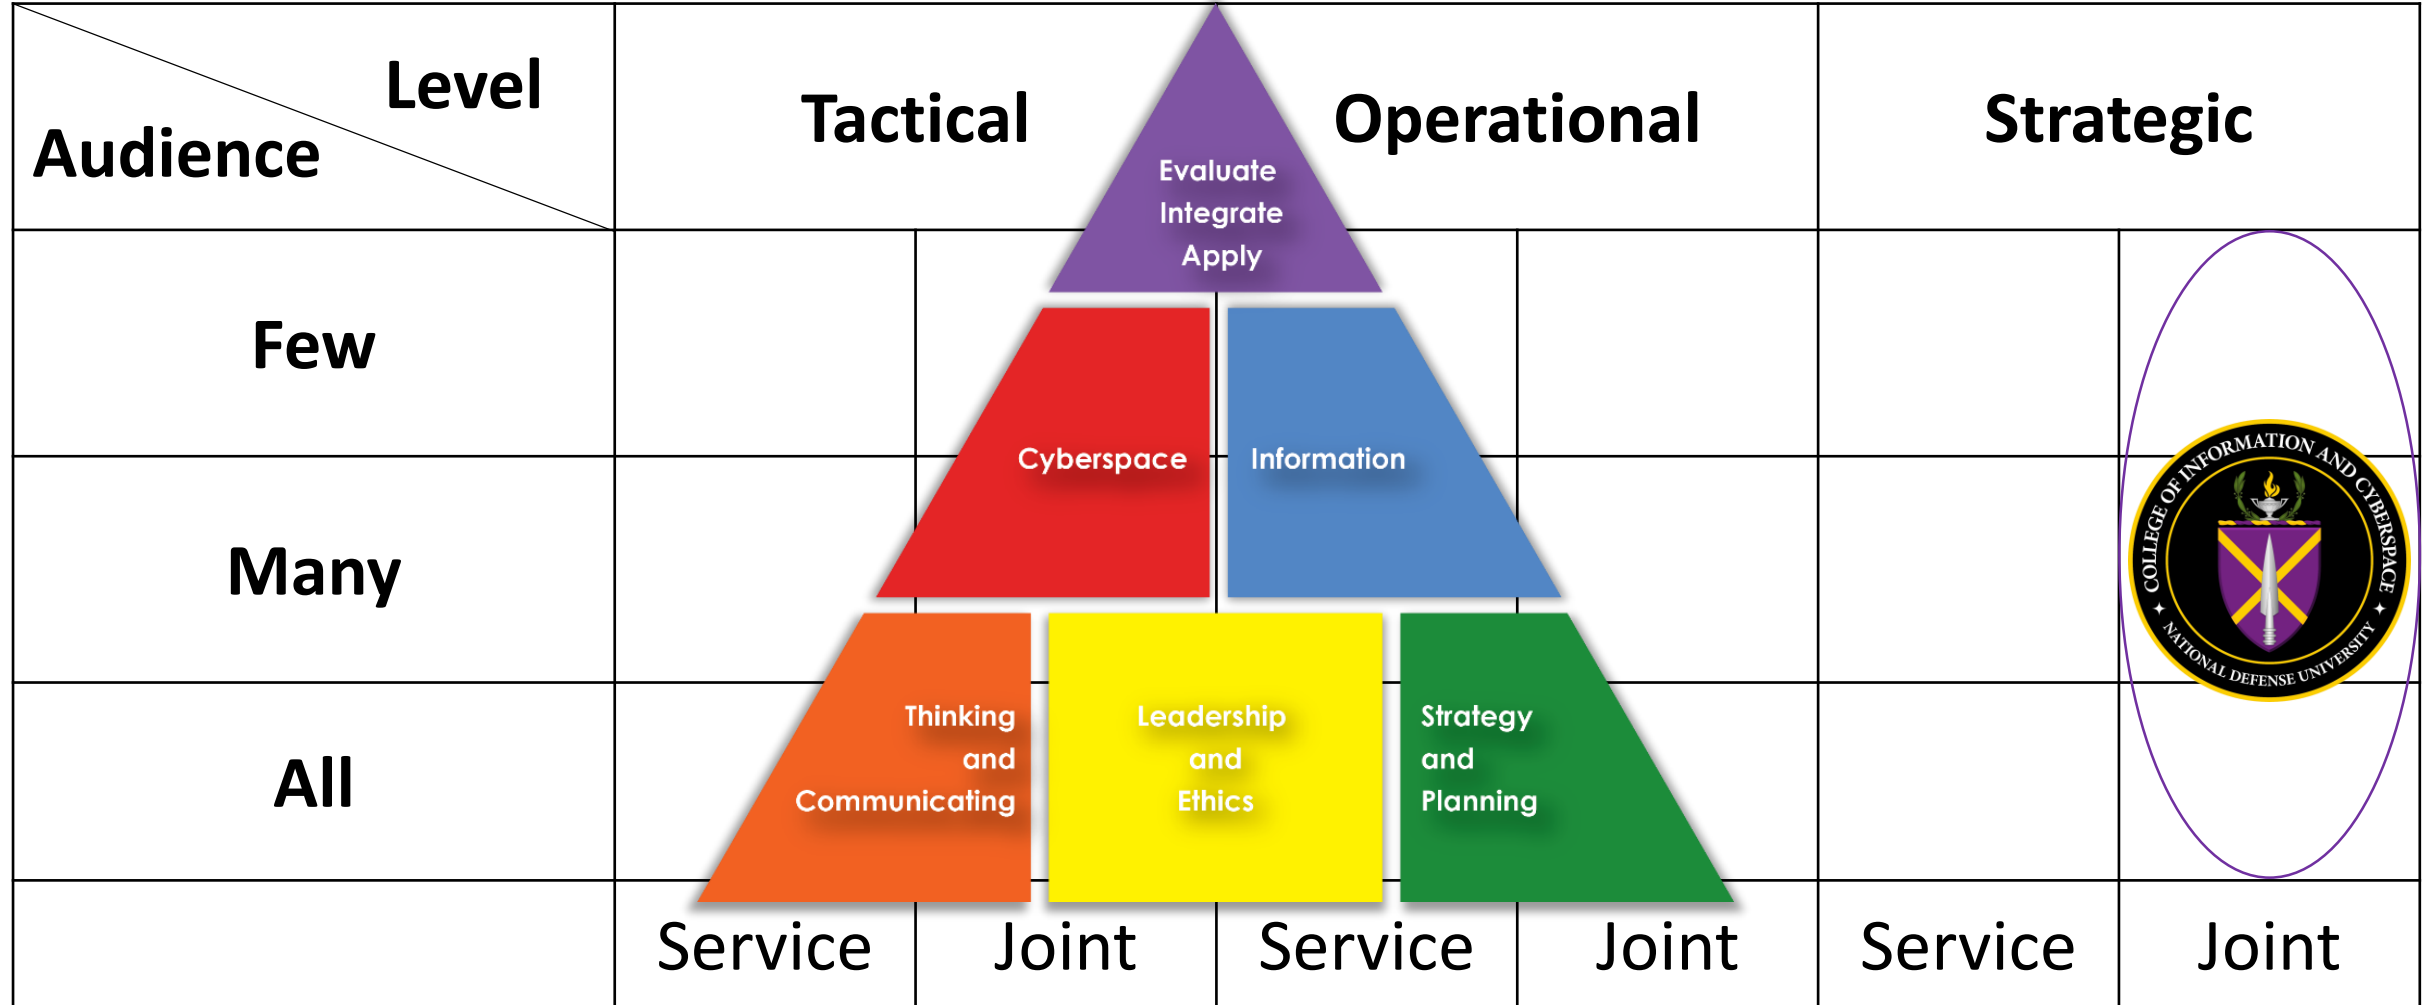

- Curriculum centered on the
 - **cyberspace** domain
 - **information** element of national power
- Only **War College** level program centered on understanding how to
 - integrate the “I” in DIME
 - leverage the cyberspace domain
- Rigorous and **Accredited** Curriculum
 - **MS** degree accredited by Middle States
 - **TS-SCI** National Security and Cyberspace concentration War College JPME II
 - **faculty** populated by PhDs and experts
 - diverse professionals as **classmates**
 - close **proximity** and **relationships** with NSC, Pentagon, Hill, WH, CYBERCOM, embassies, corporate HQs, world-class universities, etc.
