Message from the Chief

Arthur L. Jones
Chief of Police

It is with great pleasure that I present to you the Milwaukee Police Department's 2002 Annual Report. Public Safety is of great importance to the men and women of the Milwaukee Police Department. This report will detail their commitment and the commitment of several community based organizations to reduce crime and enhance the quality of life in our neighborhoods.

Members of the Department collaborated with the Milwaukee County District Attorney's Office, Milwaukee Women's Center, Task Force on Family Violence, Wisconsin Humane Society, Child Protection Center, Milwaukee County Department on Aging, Legal Action of Wisconsin, Sojourner Truth House, Latina Resource Center and the Judicial Oversight Initiative to implement a comprehensive plan to eradicate family violence and its effect on our community. This collaboration resulted in a renewed effort to prevent family violence.

The Department's ability to promptly respond to and address problem areas was greatly enhanced with the addition of improved technological capabilities. Some of the new technological enhancements include Wide Area Network, Automated Fingerprint Identification System, Computer Imaging, Computer Aided Dispatch and Records Management System. This technology will unquestionably increase officer availability and efficiency.

Members of the Milwaukee Police Department will continue to work with the community to develop comprehensive initiatives and strategies to reduce crime and enhance the quality of life in our community.

A handwritten signature in cursive script that reads "Arthur Jones".

THE OFFICE OF THE CHIEF CONSISTS OF THE INTERNAL AFFAIRS DIVISION, BUDGET AND FINANCE DIVISION, PUBLIC INFORMATION OFFICE, AND RESEARCH AND DEVELOPMENT. THESE ENTITIES PERFORM A VARIETY OF STAFF FUNCTIONS AND REPORT DIRECTLY TO THE CHIEF OF POLICE.

Internal Affairs Division

Steven M. Pettingsgaard
Commander—Internal Affairs Division

The Internal Affairs Division is responsible for investigating complaints against all Department members. Complaints stem from citizens or other Department members and may include allegations of criminal conduct or violations of Department rules. During 2002, in addition to investigating complaints, members assigned to the Internal Affairs Division created and administered a training curriculum for new supervisors that aided in the proper reporting and processing of complaints.

investigated. Totals indicate that there were 351 criminal cases investigated in 2002 compared to 381 in 2001.

Most Investigated Rule Violations

- 3/250.35 (A) Failure to notify dispatcher in change of status or location.
- 2/115.00 Failure to properly investigate/Failure to be efficient.
- 2/225.00 Failure to appear in court.
- 2/165.00 Late for Duty

Internal Affairs Division Clearance Rate

- Internal investigations were cleared within 164 days from the time the complaint was received, compared to 243 days in 2001. This was a 33% reduction.

New Training Curriculum

- The Internal Affairs Division established a successful training curriculum for new supervisors, which was presented during new supervisors training at the Police Academy in late 2002.

Mary Hoerig
Captain of Police—Internal Affairs Division

Number of Complaints/Allegations

- In 2002, the Internal Affairs Division received 1,421 complaints and 2,377 allegations compared to 1,704 complaints and 2,639 allegations in 2001.
- Statistics kept by the Internal Affairs Division indicate an approximate 47% decrease in complaints received by the District Stations between 2001 and 2002.
- In 2002, there was an 8% reduction in the number of criminal cases that were

Personnel Investigative Envelope (PIE)

- In an effort to improve the completion time on internal investigations, and to assist supervisors in submitting complete investigations, the Internal Affairs Division developed the Personnel Investigative Envelope (PIE).
- Investigators using the PIE will have a readily available checklist of documents required before turning in their preliminary investigative reports.

Office of the Chief

Barbara Butler
Budget Manager
Budget & Finance Division

Budget and Finance Division

THE BUDGET & FINANCE SECTION OVERSEES THE DEPARTMENT'S ACCOUNTING, BUDGETING AND PURCHASING ACTIVITIES. THE BUDGET & FINANCE SECTION'S GOAL IS TO PROVIDE THE BEST POSSIBLE SUPPORT TO THE DEPARTMENT IN ITS QUEST TO REDUCE CRIME AND ENHANCE THE QUALITY OF LIFE IN MILWAUKEE.

The Police Department relies on four sources of funding:

The city's operating budget

This is the amount of the property tax supported budget that is allocated to the Police Department. A full 93% of this budget funds salaries. Clearly, this makes other sources of funds crucial to acquiring the equipment and technology necessary to making Department employees more efficient and effective.

Capital Projects

The City borrows money for large, one-time projects with a long useful life. In 2002, the Department received \$4.0 million to complete the technology for the Data & Communications Center, \$1.5 million to purchase an Automated Fingerprint Identification System (AFIS) and \$2.1 million to continue remodeling of the Police Administration Building.

City Tax-Supported Operating Budget	2001	2002
Salary	\$120,762,252	\$120,577,238
Equipment, Services, Supplies	\$10,855,762	\$10,903,423
Non-Budgeted Sources of Funds		
Capital Projects	\$9,693,544	\$9,862,914
Asset Forfeiture Funds	\$495,980	\$849,000
State and Local Grants (non-salary)	\$5,050,708	\$7,684,253
Total Police Department Funding	\$146,858,241	\$149,876,828

State and Local Grants

In 2002, the Department was awarded \$4.7 million in grant funding for equipment and new technology (this includes \$3.8 million dollars for replacement of the MPD's 1970's era radio system).

Asset Forfeiture Funds

Federal courts award as much as 80% of the funds seized in drug-related arrests to the arresting Department which, in turn, may spend those seized funds on any law enforcement purpose,

subject to federal guidelines. The Milwaukee Police Department uses these funds to supplement its operating expenditures in areas such as training, tactical equipment and other specialized law enforcement needs.

Office of the Chief

Public Information Office

The Public Information Office (PIO) disseminates information to the public

and interdepartmentally using various methods. The PIO's objective is to

inform, educate and expound on a wide range of topics.

Crime Analysis

The Crime Analysis Section is a sub-component of the Research and Development Section for the Office of the Chief. A sergeant and five police officers are assigned to the unit.

Members assigned to the Crime Analysis Section use desktop computers and GIS software to geographically encode crime information obtained from our department's mainframe database. The data is overlaid on an electronic city

map to clearly depict what geographic areas are most impacted by crime.

The Crime Analysis Section produced numerous documents consisting of maps, power point slides and statistical reports. The reports provide crime data visualization that makes it easier to detect emerging geographical crime patterns. District and bureau commanders use the crime maps to determine what resources and deployment strategies to use in

order to address crime problems. The results of the strategies are evaluated during weekly crime analysis meetings to determine the effectiveness of crime reduction initiatives, resource allocation, and saturation patrols.

Additionally, the Crime Analysis Section processed special requests for maps and statistical data and provided support to other Department entities.

Research and Development

Members assigned to the Research and Development Section perform a variety of staff functions for the Chief of

Police. Duties include drafting all of the Department rules and standard operating procedures, maintenance of the

Department's website, vehicle seizures, and research of police technology.

Safety Division

Pamela K. Roberts
Safety Director—Safety Division

The Safety Division is responsible for programs relating to safe driving, as well as school programs promoting safety to students. Members of the Safety Division coordinate federal grants for traffic enforcement, as well as administer the defensive driving classes and the School Crossing Guard Program. The Safety Division monitors and maintains statistics on vehicle collisions, injuries and fatalities.

During 2002, the Safety Division participated in the following campaigns:

- Operation ABC Mobilization- "America Buckles Up Children"
- National Drunk and Driving Prevention Month

- International Walk Our Children To School Day
- Neighborhood Speed Sign Program
- "Click It! Why Risk It?"

Regarding the Public Passenger Vehicle Test and Defensive Driving Courses:

- 46 classes were held
- 1,099 participants in the Defensive Driving Courses
- 381 participants took the Public Passenger Vehicle Test
- \$30,428 collected in fees

THE UNIFORM PATROL BUREAU IS THE LARGEST AND MOST VISIBLE COMPONENT OF THE MILWAUKEE POLICE DEPARTMENT. MEMBERS ASSIGNED TO THE PATROL BUREAU PROVIDE A VARIETY OF SERVICES TO THE COMMUNITY. THE CRIME REDUCTION AND PREVENTION EFFORTS OF THE UNIFORM PATROL BUREAU HELP TO STABILIZE NEIGHBORHOODS AND INCREASE THE QUALITY OF LIFE IN THE CITY.

District One

During 2002, the officers and supervisory staff at District One performed admirably and met or exceeded several goals, including:

- 6.4% decrease in part one crimes
- 8% decrease in crime within the Crime Reduction Area.
- Improved relationships with the various organizations, associations and business groups in the downtown area.

Several "Safe Street Initiatives" were conducted in District One with the most successful being "PATCH", Police Against Truancy and Crime – For Higher Education. This initiative resulted in the following activity:

- 540 Truants
- 123 City arrests
- 44 State arrests
- 15 Shoplifters

- 1 C.C.W – Gun
- 2 C.C.W – Knife
- 1,075 Field Interviews
- 1,251 Business Contacts
- 730 Parking Citations
- Numerous other citations
- The discovery of five cases of child neglect, as a result of follow up investigations.

The following goals were met:

- A "Safe Streets" operation that revealed a large problem of downtown employees misusing handicap permits.
- The Prisoner Processing Section has improved the booking process of both adults and juveniles on all shifts.
- Total prisoner conveyances were 26,429.

DURING 2002, DISTRICT TWO PARTICIPATED IN SEVEN DIRECTED PATROL MISSIONS. THE DIRECTED PATROL MISSIONS EFFECTIVELY REDUCED ROBBERIES, BURGLARIES, AUTO THEFTS, VIOLENT CRIME AND OTHER QUALITY OF LIFE OFFENSES. MEMBERS ASSIGNED TO DISTRICT TWO WORKED WITH DILIGENCE TO IMPROVE THE QUALITY OF LIFE IN NEIGHBORHOODS BY ABATING IN EXCESS OF 100 NUISANCE PROPERTIES.

The seven directed patrol missions resulted in the following:

- 606 State Arrests
- 1,466 City Arrests
- 10,897 Field Interviews
- 3,026 Traffic Citations
- 949 Warning Cards
- 1,337.00 grams of Marijuana Seized
- 304.53 grams of Cocaine Seized
- 1.37 grams of Heroin Seized
- 37 Loitering-Drug Related Arrests
- 7 Guns Recovered
- 2 other Weapons Recovered
- 107 Curfew Violations
- 118 Public Drinking Citations
- 46 Burglaries Cleared

*A database for daybook entries was implemented in the shift commander's office. Major crimes can be accessed for crime trend analysis, reducing between 12 - 20 hours per week normally used for data entry and analysis. A separate database was created for tracking wanted suspects, gang members, missing persons, and persons on probation and parole in District Two.

*Crime trend and crime prevention information was disseminated to parts of the community when a trend or pattern developed in a geographical area of the community. Utilization of "Community Partners", neighborhood associations, community based organizations, and the religious community helped to distribute this information on a weekly basis.

*Weekly contact occurred between the district community liaison officers, squad officers, Community Partners, Block Watch captains, Probation and Parole personnel, business association representatives, community based organizations and several other social service agencies to discuss distribution of crime prevention and crime trend information.

District Three

District Three operates out of the new District Three / Communications Operations Center located at 2333 N. 49th Street. A satellite of District Three, known as Avenues West, is located at 2100 W. Wells Street.

Very early during 2002, operational changes were incorporated to include a realignment of squad patrol areas and the establishment of several foot patrols in selected areas to address crime and nuisance problems. In addition, a District Area Saturation Patrol (ASP) unit was created. The ASP unit is primarily responsible for saturating "Hot Spot" areas throughout the District while the majority of District Three squad officers address the daily calls for service. ASP units also conduct Safe Streets Initiatives with members of the Vice Control Division's District Knock and Talk teams. A District Three School Squad was added to further enhance lines of communication with school administrators, to provide consistent enforcement and to allow squads the opportunity to respond to demands for service. These changes contributed to improved and timely service from our officers.

Below are the results of the Third District crime fighting strategies during 2002:

- 48% reduction in homicides
- 42.8% reduction in shooting incidents
- 18.2% reduction in aggravated assaults
- 19.6% reduction in forcible sex offenses
- 17.5% reduction in burglary incidents
- 6.3% reduction in theft offenses
- 1.1% reduction in robbery incident
- 2.7% reduction in arson incidents
- 8.1% reduction in major crimes

OVERALL, 2002 WAS A PRODUCTIVE AND SUCCESSFUL YEAR FOR THE MEMBERS OF THE FOURTH DISTRICT. THEIR EFFORTS DEMONSTRATE THEIR COMMITMENT AND DEDICATION TO THE COMMUNITY IN WHICH THEY SERVE.

Below is a list of some of District Four's accomplishments for 2002:

- Crime was successfully reduced by 25% due in part to the Targeted Investment Neighborhood (TIN) and Catalytic Project Areas (CPA) crime initiatives.
- As part of the Holiday Presence Directed Patrol Mission, 3,700 business contacts were made, over 1,300 parking citations were issued and 74 persons were arrested on 82 state charges and 92 violations.
- Successfully addressed cruising in District Four
- Successfully utilized the nuisance premises ordinance
- In conjunction with District Seven, successfully hosted a National Nite Out, which had over 600 persons in attendance.
- Increased the number of school squads in order to address the increasing number of calls for service in the schools.
- Organized a block watch in the "Woodlands" Condominium area.
- Successfully increased our contact with the Community Learning Centers.
- Alleviated juvenile problems in and around public libraries.
- Successfully fostered a relationship with the Jewish Temples in the District.

District Five

District Five had many successes during 2002, which included:

Crime Reduction Initiative Area:

- Began in June 2002.
- Encompasses Holton Street to Dr. Martin Luther King Drive, Brown Street to Keefe Avenue.
- Showed 15.3% reduction in crime, as compared to 2001.
- This initiative now includes the 2003 Violent Crimes Task Force.

United South, Weed and Seed Grant:

- Allowed District Five to supplement basic squads facilitating the Area Specific Squads to saturate Hot Spot areas and conduct Safe Street Initiatives.

District Five

2920 North 4th Street, Milwaukee, WI 53212

Targeted Investment Neighborhood (TIN) & Catalytic Project Area (CPA) Directed Patrol Mission:

- Addressed criminal activities and quality of life issues.
- Included Harambee TIN (E. Clarke to E. Meinecke Avenue, N. 1st to N. Pierce Street), and the Lindsay Heights CPA (Locust to Walnut, N. 16th to N. 11th Streets)
- TIN area had initial 45% reduction of reported offenses; CPA area had a 68% reduction.
- There continues to be over a 30% reduction of reported offenses in these areas.

University of Wisconsin Milwaukee (UWM):

- District Five collaborated with UWM in producing "Slow Down" lawn signs.
- Signs make motorists take notice to slow down in targeted neighborhoods.
- UWM distributed a total of 500 signs citywide.

Patrol Bureau

Gary Meyer
Captain of Police

District Six

During 2002, District Six personnel worked to improve the quality of life of our residents.

- The Community Prosecution Project is now underway. The Sixth District houses Assistant District Attorney Jeff Altenburg as part of the project. His presence has been invaluable in dealing with nuisance properties not to mention the rapport that has developed with the officers being able to readily obtain opinions.
- Facilitated a meeting to start dialog between the Asian Community and the Police Department. The meeting was well attended by leaders of the Asian Community and members of the Command Staff.
- Hosted a luncheon to bring together community based organizations and citizens groups to improve communication not just between the organizations and the police, but between the organizations themselves. A second luncheon is planned for this spring.
- Scripted an MPD produced burglary prevention video and worked with the Milwaukee Christian Center's Neighborhood Improvement Project to provide actual demonstrations of residential target hardening techniques.
- The Sixth District Neighborhood Advisory Council produced and distributed a 2003 Crime Prevention Calendar.
- The Sixth District Auxiliary Christmas Program provided food, clothing and gifts to approximately 200 families.

District Six received recognition in the form of awards from the following organizations:

- National Exchange Club
Outstanding Citizen Involved in Crime Prevention: Marty Calderon
Outstanding Youth Involved in Crime Prevention: Richard McMillan
- U.S. Department of Justice /Federal Bureau of Investigation Director's Community Leadership Award:
P.O. Mark Dudenhoefer
- Community Services Division

District Seven

In 2002, District Seven successfully implemented a new city ordinance that deals with chronic nuisance premises. It is a proactive way to reduce police calls for service at any given address, thus enabling officers to patrol more in their respective areas. This ordinance was utilized to identify over 70 nuisance properties, several drug houses, a gas station, a motel, convenience stores and a nightclub. The deliberate use of the chronic nuisance ordinance resulted in the club losing its license and closing its doors, much to the delight of hundreds of residents adversely impacted by the nightclub.

In 2002, several new crime prevention initiatives were implemented. To combat garage burglaries, the Operation Identification program was initiated whereby residents living in a block watch neighborhood could have their property engraved by the Community Liaison Officer or district auxiliary officers. A new Operation ID sign was developed that is larger and brighter than the stickers that were formerly used.

District Seven strengthened its involvement with community-based organizations and the SDC-Community Partners, which resulted in a district wide clean-up day involving over 30 neighborhoods.

District Seven's National Night Out celebration attracted over 500 residents. District Seven collaborated with the Felmers Chaney Correctional Institute on community events, and inmates from the facility assisted at our clean-up and National Night Out celebration.

Through our community education efforts, an additional 25 block watches were started. District Seven assisted in developing business associations, such as Operation Arrow and the 30th Street Industrial Corridor Corporation. Both were named 2002 Outstanding Business Associations of the Year. District Seven block watches bordering Center Street near North 64th Street joined forces with similar groups in Wauwatosa, developing the Park Watch located in Center Street Park. This is the first time two jurisdictions joined forces to plan events and prevent crime.

District Seven auxiliary officers had another outstanding year, donating over 1,300 hours of service to the department. In addition to routine assignments, they started a summertime reading program on the front lawn of the district. Throughout the summer, children walked over from nearby day care centers and listened to stories being read by District Seven personnel. They were given treats and books to take home. Our auxiliaries formed an alliance with the children attending Jackie Robinson Community Learning Center, providing homework helpers, computer monitors and chaperones on field trips.

Community Services Division

The major initiatives of the Community Services Division during 2002 are follows:

- CSD members conducted 108 public appearances on safety and drug awareness issues
- The G.R.E.A.T. Program was completely re-organized in 2002. All G.R.E.A.T. Officers were trained and certified in the new curriculum, which increased from 9 weeks to 13 weeks. Over 3,200 Milwaukee Public School, (MPS) students received instruction and graduated from the 2002 core middle-school curriculum.
- Two hundred eighteen children participated in the G.R.E.A.T. Summer Program during a six-week, program of activities and classroom instruction that reinforced the key concepts taught in the nine-week regular classroom curriculum. The activities included community service projects, field trips, AWANA games (character and team building competitive games) and graduation ceremonies complete with a family picnic.

Police Athletic League (PAL)

Approximately 270 children participated in the PAL "I Play Because I Learn" summer program.

The educational component of the program was conducted at two Milwaukee Public Schools.

Recreational activities were used as incentives and included sports, movies, arcade games and field trips. Over 1,500 children participated in organized sports and other educational activities.

The following goals were met:

Milwaukee Police Athletic League
Todd Wehr Center

- The Milwaukee Police Athletic League Todd Wehr Center is nearing completion. An administrator was retained to manage the facility and employees. MPS accepted occupancy and began teaching classes in the building this semester. The PAL Executive Director/Officer relocated from the Training Academy to the new facility and has begun programming responsibilities from there.
- PAL Continues to offer various organized sports, educational and recreational activities. The football season ended October 12th and basketball leagues are being formed.

Police Officer Auxiliary Program

The Department has 453 auxiliary police officers. Twelve new auxiliary officers completed the basic 32 hour Auxiliary Police Officer Program. Ten auxiliary officers completed the sixteen hour Squad Certification Training. Twenty-five new auxiliaries began training in October.

Auxiliary officers participated in the following events:

- 20 parades/runs
- 21 recruiting events
- Special Olympics
- Wings Circus
- Community Safety Coalition Picnic
- Holiday Food and Gift Drive
- Fireworks in the Park
- Teddy Bear Program at Children's Hospital
- MPD Band Concert

Patrol Bureau

Community Services Division

United Way Campaign

In 2002, the Community Services Division was responsible for coordination of the United Way Campaign. The CSD provided training in collaboration with Milwaukee Fire Department personnel to all of the Department's solicitors and is managing the solicitation efforts of each division and bureau.

Crime Prevention

In cooperation with the local media, CSD personnel developed a public service announcement pertaining to burglary target hardening. An informational pamphlet pertaining to city ordinances on "safes" was developed for small businesses in collaboration with the Health Department. Officers created and distributed 34 Crime Trend Bulletins. Officers conducted monthly landlord tenant training seminars, conducted quarterly robbery deterrence training seminars for convenience store owners and created a crime trend poster.

Safe and Sound

Officers assigned to the CSD worked a total of 1,151 hours at Safe and Sound Sites. The Safe and Sound grant included a new component involving members of the Police Band. Funding was provided for musical equipment to be shared with children. The program was so popular that the Program Manager for Safe and Sound, Debbie Rodriguez, recommended that the budget for this initiative be doubled in 2003.

Milwaukee Police Band

The band worked in concert with Marquette University to provide instructional clinics to school age children, culminating in a grand concert comprised of students, police officers, college students and guest performers.

The following accomplishments were met:

- Free concert at the Pabst Theatre
- Conducted 17 grade school interactive performances
- Performed 17 community concerts
- Performed in 12 parades, including the G.R.E.A.T. Circus Parade and Chicago's Thanksgiving Day Parade
- Five festivals
- Twelve other department sponsored events

School Safety Program

The Community Services Division manages the School Safety Program. District officers assigned to the program attended a two day in-service on how to conduct presentations regarding gun safety, drug abuse/awareness, anger management and conflict resolution. Officers presented the program to 186 schools, 3,700 classes and 84,000 students.

Operation Teddy Bear

During 2002, CSD personnel delivered over 1,000 teddy bears to Children's Hospital. An additional 1,000 were distributed to disabled/mentally challenged adults during the Wings Circus event. Throughout the year, this program coordinates with other divisions and community groups to provide teddy bears to children in crisis.

Community Liaison Officers

CSD officers support the district community liaison officers in several areas. The officers assist with public appearances, operate the talking squad, conduct community meetings, provide literature, and play McGruff, the Crime Dog.

Special Operations Bureau

Robert Puente

Captain of Police—Intelligence Division

Criminal Intelligence Division

During 2002, the Intelligence Division accomplished several goals including the following:

- Administration of the Milwaukee Police Department's Operation Ceasefire Program. This program seeks to aggressively prosecute individuals who illegally possess firearms in our community. During 2002, there were 705 people charged with illegal gun possession by the District Attorney and U.S. Attorney. This compares to 657 people charged in 2001. This was a 7.31 % increase over 2001.
- Members of the Intelligence Division participated in the Ceasefire Task Force along with members of the Bureau of Alcohol, Tobacco and Firearms. They successfully dismantled a ring of five individuals who were selling machine guns in our community. A total of 11 machine guns were seized. Four of the five individuals plead guilty and are awaiting sentencing for their roles in this ongoing criminal enterprise. The fifth individual is awaiting trial.
- The Milwaukee Police Department received a recognition award at the National Youth Crime Gun Initiative Conference in Nashville, Tennessee as one of the top three cities in the country for gun tracing efforts. The accurate tracing of guns is important for the prosecution of those who illegally sell or possess firearms.
- The Intelligence Division played an active role in Project Safe Neighborhoods (PSN), a new national strategic approach to firearm violence. The PSN strategy in Milwaukee encompasses the application of resources from the Bureau of Alcohol, Tobacco and Firearms, the United States Attorney's Office, Milwaukee County District Attorney's Office, Department of Corrections, Probation and Parole, the Firearm Injury Center at the Medical College of Wisconsin and the Milwaukee Police Department. This is a proactive effort designed to stem gun violence in our community.

THE CRIMINAL INVESTIGATION BUREAU IS COMPRISED OF THE HOMICIDE DIVISION, CRIMES AGAINST PERSONS DIVISION, SENSITIVE CRIMES DIVISION, AND THE CRIMES AGAINST PROPERTY DIVISION. THESE SEPARATE BUT UNIFIED UNITS INVESTIGATE AND MANAGE THE CRIMINAL CASES IN THE CITY OF MILWAUKEE IN THEIR RESPECTIVE AREAS OF RESPONSIBILITY.

Homicide Division

Brian O. Koefe

Captain of Police—Homicide Division

- During 2002, there were 108 UCR reportable homicides.
- This total is a 15% decrease over the 127 homicides experienced in 2001.
- The average number of homicides for the years 1991-2002 was 132. The 108 homicides we experienced in 2002 is 18.2% below the 12-year average.
- The Milwaukee Police Department continues to enjoy one of the highest clearance rates in the nation for homicides. The 2002 MPD UCR clearance rate of 78.7% compares to a national UCR clearance rate of 54.5% (2001) for cities policing a population between 500,000-999,999.
- Our clearance rate is 24.2% above the national average for cities our size when compared to the 2001 clearance rate.
- The clearance of 14 homicides that occurred in previous years is exceptional. This number speaks well of the dedication and effort put forth by the detectives and lieutenants in working "cold" cases and bringing resolution to the victims' families.

Crimes Against Persons Division

Crimes Against Persons Division

The Crimes Against Persons Division is responsible for investigating all robberies and felony assaults that occur in the City of Milwaukee. The division consists of two units: the Robbery Squad and the Violent Crimes Squad.

ROBBERY SQUAD

During 2002, the Robbery Unit investigated robbery 3,193 offenses. Decreases in robbery offenses were realized in five of the seven police districts with the largest percentage of decrease (17.5%) in District One.

For the second straight year, robberies of financial institutions decreased. Seventeen robberies and attempt robberies of financial institutions occurred in 2002 as compared to 21 in 2001. This translates to a 19% decrease for the year and is down from 48 offenses in 2000. Detectives cleared 13 financial institution robberies for a clearance rate of 81%.

VIOLENT CRIMES SQUAD

The Violent Crimes Unit investigates felony assaults that occur in our community and assists other divisions at major crime scenes including homicides and suspicious deaths.

Shooting incidents dropped 3%, from 620 in 2001 to 603 in 2002. All assaults declined in 2002.

During 2002, members of the Robbery and Violent Crimes Units assisted with training Department members at the Safety Academy during in-service and recruit training. Instruction was provided on topics that included crime scene preservation, suspect interviews and interrogation. We intend to continue this cooperative effort with the training staff to enable all officers to better service the citizens of this city.

Linda Harpnes
Captain of Police
Crimes Against Property Division

Crimes Against Property Division

The Crimes Against Property Division is charged with the responsibility of investigating all felony property-related crimes.

The Crimes Against Property Division investigates property-related crimes and offers assistance to other Department entities regarding miscellaneous investigations. Aggressive enforcement and prosecution of property crimes helps to deter more serious personal crimes and improves the quality of life. Though society understands the trauma associated with violent crime, many fail to recognize the negative impact and feeling of violation that property crime victims endure.

During 2002, the Department targeted

identity theft as an enforcement priority. The Financial Crimes Unit maximized their efficiency by working with other criminal justice system participants and the private sector to prevent financial and identity crimes. Reporting of financial and identity crimes was simplified.

Graffiti crimes often result in felony damage to property. These highly visible property crimes seriously impact local neighborhoods and their quality of life. During 2002, there was a considerable decrease in the number of reported graffiti crimes in Milwaukee. This is a result of the strict enforcement at the district level and the investigations conducted by the Crimes Against Property Division.

High Intensity Drug Trafficking Area

*T*HE MILWAUKEE POLICE DEPARTMENT PARTICIPATES IN SEVERAL CRIME FIGHTING INITIATIVES WITH OTHER LOCAL, COUNTY, STATE AND FEDERAL LAW ENFORCEMENT AGENCIES. THESE PARTNERSHIPS ARE DESIGNED TO CONTRIBUTE TO AN OVERALL EFFORT TO REDUCE CRIME AND ENHANCE THE QUALITY OF LIFE IN MILWAUKEE.

HIDTA (High Intensity Drug Trafficking Area) This is a federal program that provides an intelligence center, investigative resources and funding to prosecutors, federal, state and local law enforcement officers in an effort to reduce drug trafficking, drug use and violent crime associated with drug activity. This program contributed to the incarceration of numerous drug traffickers in Milwaukee, seizure of 42 firearms and disruption of drug supplies within and to Milwaukee.

MMDEG (Milwaukee Metropolitan Drug Enforcement Group) This is a federally funded state administered program that unites local law enforcement within Milwaukee County in an effort to investigate drug offenses in the City of Milwaukee and the surrounding suburbs. This program uses education and prevention as a tool to educate our citizens about the dangers of drug use.

ATF (Bureau of Alcohol, Tobacco and Firearms) The Milwaukee Police Department has teamed with the ATF to form a task force to address the prob-

lem of illegally sold and possessed firearms within the community. Officers and their ATF partners investigate gun related crimes and the source of illegal guns in an effort to reduce the negative impact that illegally possessed guns have on the community.

JTTF (Joint Terrorism Task Force) The Milwaukee Police Department has joined with the local FBI office to assist in investigating domestic and international terrorist concerns in the Milwaukee area.

DEA (Drug Enforcement Administration) The Milwaukee Police Department participates on this task force to focus on large-scale drug traffickers, their interstate and international drug sources that operate within the City of Milwaukee. Multiple large-scale drug trafficking organizations have been successfully prosecuted as a result of this collaboration. Additionally, this task force concentrates on removing the assets of drug traffickers to reduce the incentive of drug trafficking.

Captain of Police
Sensitive Crimes Division

Sensitive Crimes Division

THE YEAR 2002 BROUGHT CHANGES TO THE SENSITIVE CRIMES DIVISION THAT WERE DESIGNED TO EFFECTIVELY ADDRESS THE NEEDS OF CRIME VICTIMS AND TO MAKE INVESTIGATIONS OF A SENSITIVE NATURE LESS INTRUSIVE.

- The Sensitive Crimes Division worked jointly with the Child Protection Center, the Bureau of Milwaukee Child Welfare, Milwaukee Public Schools and other community based organizations to develop a joint protocol for investigations involving physically and sexually abused children. The protocol is designed to limit the number of times a young victim is subjected to interviews relating to the offense. One interview of a child/victim is conducted thereby reducing the stress and trauma experienced by the victim.
- The standard operating procedures relating to family violence and juvenile procedures were reviewed and rewritten. As a result, the Sensitive Crimes Division implemented a Family Violence Unit to address family related crime. When operational in 2003, the Unit will investigate most - and ultimately track all - incidents of domestic violence in our city. Enhanced evidence-based investigations should result in more domestic violence related cases being charged. The ultimate goal of the Domestic Violence Unit is to reduce domestic violence incidents and domestic violence related homicides in our community.
- During 2002, the scientific advances in the area of DNA made it easier to identify suspects based on physical evidence left at a crime scene. In

2002, Wisconsin Regional Crime Laboratory testing resulted in 44 "hits" which linked evidence in their DNA data system to a suspect.

The Sensitive Crimes Division investigated the following cases in 2002:

Sexual Assault:

- 1,528 sex related crimes
- 1,337 or 88% were cleared
- 1,307 felony sexual assault investigations
- 221 of which were misdemeanor sexual assault investigations
- 205 UCR reportable sexual assaults
- 168 or 82% were cleared

Crimes Against Children:

- 537 physical abuse/neglect of a child
- clearance rates for these crimes is regularly at 100%

Missing Persons:

- 4,618 reported missing persons
- 468 were deemed "critical"

TABS (Truancy Abatement and Burglary Suppression)

- 6,509 investigative stops
- 3,676 truants conveyed to TABS Center
- 1,350 total arrests
- 4 weapons confiscated

expanded maintenance capacity.

- The selection and the installation of a new department wide AVAYA telephone system
- After much research, the selection of the TIBURON company as the vendor for a new Computer Aided Dispatch / Records Management System (CADS/RMS); the new system will allow the Communications Division to make use of state-of-the-art technology
- Development and publishing for bid a Request for Proposals to replace our aging radio infrastructure; the new system will facilitate voice and radio communications as well as interoperability with other emergency response agencies.

OPEN RECORDS SECTION

The Open Records Section is responsible for the compilation, review, and dissemination of Milwaukee Police Department records as mandated by Wisconsin State Statute pursuant to the Open Records Law.

- The Open Records Section processed 41,953 requests resulting in the release of 177,723 records.

Technical Services Bureau

Michael Campbell
Captain of Police—Identification Division

Identification Division

THE IDENTIFICATION DIVISION SERVES AS THE CRIME SCENE INVESTIGATION UNIT FOR THE DEPARTMENT. MEMBERS ASSIGNED TO THE IDENTIFICATION DIVISION DOCUMENT AND PRESERVE EVIDENCE FROM CRIME SCENES THROUGH PHOTOGRAPHY. IN ADDITION TO DOCUMENTING THE SCENE THROUGH PHOTOGRAPHY, VARIOUS FORMS OF PHYSICAL EVIDENCE ARE COLLECTED INCLUDING FINGERPRINTS, BLOOD, FOOTPRINTS AND HANDWRITING EVIDENCE. MEMBERS ATTEMPT TO LINK SUSPECTS TO THEIR CRIMES BY IDENTIFYING THE PHYSICAL EVIDENCE FOUND AT THESE SCENES. THE IDENTIFICATION DIVISION MAINTAINS A COMPUTERIZED AUTOMATED FINGERPRINT IDENTIFICATION SYSTEM (AFIS), HANDWRITING ANALYSIS ARCHIVE, MUG SHOT GALLERY OF ARRESTED INDIVIDUALS AND OPERATES A COMPLETE PHOTO LAB.

During 2002, Identification Technicians responded to 14,999 crime scenes. They processed evidence in 5,586 of these cases, attempting to obtain latent impressions. The Forensic Identification Section was successful in positively identifying 1,128 of the recovered latent prints. These identifications provided leads to the Criminal Investigation Bureau that resulted in arrests and subsequent convictions for many of the offenses.

The Document Section examined 1,368 documents for handwriting and fingerprint evidence. The Prisoner Processing Section identified 971 arrested persons as using someone else's name in addition to processing 40,679 prisoners arrested by the Milwaukee Police Department.

The division continued to expand the use of digital imaging throughout the Department. In all, the Photo Lab processed and retained 157,756 images. The Identification Division has access to the FBI IAFIS computer system, allowing the Department to search latent impressions in the FBI database in addition to the local and states systems.

Administration Bureau

Raymond Pucik

Deputy Inspector—Administration Bureau

The Administration Bureau reviews proposals to enact or change current Wisconsin State laws or City of Milwaukee Ordinances and considers their impact on our citizens, the criminal justice system, and the Department. Representatives of the Administration

THE ADMINISTRATION BUREAU PROVIDES SUPPORT SERVICES FOR THE MILWAUKEE POLICE DEPARTMENT. THE ADMINISTRATION BUREAU INCLUDES THE PERSONNEL DIVISION, PROPERTY CONTROL SECTION, PRINTING AND STORES SECTION, BUILDING AND FLEET MAINTENANCE SERVICES SECTION, LICENSE INVESTIGATION UNIT, MEDICAL SECTION, PAYROLL SECTION, AND THE BACKGROUND INVESTIGATION UNIT. THESE AREAS PROVIDE A COORDINATED EFFORT AIMED AT THE EFFICIENT AND EFFECTIVE OPERATION OF THE DEPARTMENT.

During 2002, the Administration Bureau continued to examine costs asso-

ciated with Department operations and in a number of areas was able to reduce expenditures. This effort shall continue to ensure that efficiency, economy, and effectiveness are achieved.

Personnel Division

Valarie Watson

Personnel Administrator—Personnel Division

THE PERSONNEL DIVISION IS COMPRISED OF THE BACKGROUND INVESTIGATION UNIT, PAYROLL SECTION, MEDICAL SECTION, AND THE RECRUITING SECTION.

This Division guarantees that the Department is in compliance with all labor contracts. Members of the Personnel Division attend all contract negotiations and represent the Department at meetings involving labor unions, arbitration and litigation as well as unemployment compensation hearings.

Members of the Personnel Division process promotions, demotions, appointments, separations, terminations, leaves of absence, suspensions and off-duty employment requests as well as publishing Department personnel orders involving personnel transactions.

In addition to the staffing and recruitment of all civilian employees, the Personnel Division is a resource for commanding officers when developing, organizing and preparing vacancy notices when staffing needs arise.

Administration Bureau

Joanne Bielinski

Payroll Supervisor—Payroll Section

Payroll Section

The Payroll Section is responsible for processing and transmitting data, which is used to issue Department members' bi-weekly payroll checks. To ensure that the data is processed accurately and in a timely manner, the Payroll Section upgraded the People Soft Human Resources System from version 7.1 to 8.3. A new electronic Daily Duty

Assignment Report (PD-2) was created and overtime data was transferred to the City's on-line time payroll system. Members assigned to the Payroll Section will continue their quest to provide up to date and friendly service to all Police Department personnel.

Property Control Section

Ronald Quakenbush

Lieutenant of Police—Property Control Section

The Property Control Section is responsible for the proper storage and accounting of all property and evidence coming into the possession of the Milwaukee Police Department. During 2002, the Property Control Section accomplished the following:

- An audit was conducted of all items in storage. An excess of 40,000 pieces of property were destroyed, sent to the City for auction or redirected for Department use.
- Over one million dollars in US currency was deposited with the City Treasurer's Office.

- Disseminated informational memos which helped to reduce errors on inventory reports.
- A re-organization of evidence made it less difficult and time consuming to locate old system items. This re-organization helped to increase the amount of space available for storage of additional property.

Recruiting Section

Members assigned to the Recruiting Section are actively involved in the recruitment of potential candidates for employment with the Milwaukee Police Department. The officers work coopera-

tively with the Fire and Police Commission to facilitate the application and testing process.

During 2002, the Recruiting Section visited local high schools, colleges and

attended job fairs in an effort to disseminate information about career opportunities with the Milwaukee Police Department.

Administration Bureau

Mercedes Cowan

Administrative Lieutenant—Medical Section

Medical Section

The Medical Section is responsible for the management of the Department's most valuable resource, it's people. Members assigned to the Medical Section work in concert with other Department Divisions and Bureaus to monitor the status of personnel who are on sick leave, injury leave, FMLA leave, limited duty status and all persons requiring employment related examinations. Members assigned to the Medical

Section are also responsible for OSHA statistics, emergency detentions and protective custody transportation & care.

The Medical Section works closely with the Office of Employee Benefits, the Employee Assistance Program, the Police Officer Support Team and mental health providers to ensure that resources are available for Department members.

Printing and Stores Section

Raymond E. Celke

Printing & Stores Supervisor—Printing & Stores Section

The Printing & Stores Section is responsible for the printing of all department materials and maintaining an "in-house" stores facility for the distribution of office and medical supplies. The Printing Section provides four-color printing capabilities and produces many community relations pamphlets and crime prevention bulletins. A graphic designer assigned to this section develops and implements creative designs for our printed media.

During 2002, the Audiovisual Section was incorporated into the Printing &

Stores Section. This section is responsible for the production and filming of training videos and department roll call tapes. Also, new in 2002 was the creation of "Milwaukee's 10 Most Wanted"; a production that is produced in-house and features the department's 10 most wanted criminals. This production is filmed each month and aired on the City Channel (25) on a daily basis. Other productions furnished by our studio to the City Channel are "Not on our Streets" and the summer, fall, winter and spring editions of various crime prevention informational materials.

Background Investigation Unit

The Background Investigation Unit is responsible for investigating the background history of individuals that apply for employment with the Milwaukee Police Department. Academy recruit and in-service police training are mandated and guided by the State of Wisconsin, Law Enforcement Training and Standards Board. The Board has statutory authority adopted from Wis. S.S.165.85. The board assists law enforcement by establishing minimum standards for recruitment and recruit training, and by encouraging and supporting other programs designed to improve law enforcement. The board oversees, guides, and assists with State mandated police recruit training. It is specifically responsible for the unified tactical subjects: Defense and Arrest Tactics, Emergency Vehicle Operation, Firearms, Vehicle Contacts and Professional Communications.

*T*HE MISSION OF THE TRAINING ACADEMY IS TO PROVIDE ALL DEPARTMENT MEMBERS WITH THE KNOWLEDGE, SKILLS AND ABILITY TO MEET PRESENT AND FUTURE JOB PERFORMANCE CHALLENGES.

MEMBERS ASSIGNED TO THE TRAINING ACADEMY STRIVE TO USE ADULT LEARNING PRINCIPLES, MULTIPLE LEARNING METHODS AND STRATEGIES, MULTI-MEDIA PRESENTATIONS AND THE 20/40 RULE: 20 MINUTES LECTURE AND 40 MINUTES OF INTERACTIVE EXERCISES.

The following is a synopsis of the 2002 Training Bureau Team accomplishments:

- Developed and implemented guidelines for reserving rooms and audio-visual equipment in the Academy.
- Identified computer, software, and equipment needs which hamper job performance excellence.
- Conducted quarterly budget meetings with Training Bureau staff and MPD Budget Office to provide accountability for the budget.
- Conducted meetings with Badger Uniforms to improve ordering, purchasing, delivering, tracking and accounting process for uniform garment ordering procedures.
- Updated the Field Training Officers' Program, Rules and Procedures 3/270.00.
- Updated the instructor list for certified unified tactical subjects (DAAT, EVO, Firearms, Vehicle Contacts and Professional Communications).
- Provided certification and recertification training for police instructors in unified tactical subjects and instructor development.
- Improved the organizing and tracking of training materials (lesson plans, instructor resumes, class roster and attendance, and student evaluations) for training provided for recruits, in-service, specialized and regional training center classes.
- Improved the acquisition of all training material and resumes for outside instructors and adjunct instructors.
- Acquired monies from the State LESB specialized training fund to pay for first time training initiatives, at no cost to MPD, such as:
(1) ExecuTrain Computer Classes
Franklin Covey's Seven Habits of Highly Effective People, and Five University of Wisconsin-Milwaukee Supervisory/ Management Workshops given by PhD level professors.
- Assisted the Office of the Chief with the annual Citizen and Police Officer Award Ceremony.
- Processed numerous Training/ Travel Requests for department members. Additionally, processed 85 training and travel requests using State LESB funds from January 1 through December 31, 2002 for a total of \$28,830 dollars. These costs are comprised of registration and

Training Bureau

lodging expenditures.

- Processed 50 registration requests for Training & Development, Department of Employee Relations classes held at City Hall.

2002 RECRUIT SECTION - ACCOMPLISHMENTS:

- Class 3-2001, which commenced November 26, 2001, graduated April 24, 2002. Fifty-four officers graduated. Alderman Willie Hines (17th Aldermanic District) served as the class sponsor.
- Class 1-2002 commenced April 1, 2002 and graduated September 4, 2002. Fifty-eight officers graduated. Common Council President Marvin Pratt served as the class sponsor.
- Class 2-2002 commenced September 16, 2002 and graduated February 21, 2003. Sixty-five officers graduated. City Attorney Grant Langley served as the class sponsor.
- Class 3-2002 was sworn-in on December 9, 2002 and graduated May 17, 2003. Twenty officers graduated. Special Agent-in-Charge of the Milwaukee FBI Office David Mitchell served as the class sponsor.

The Recruit Section is participating in a pilot project for the Law Enforcement Training and Standards Board. The State LESB will be increasing the number of hours required for all State recruit training programs from 440 hours to 520 hours. Although our recruit training is currently at 872 hours, our participation necessitated increasing our training hours in specific areas of instruction to coincide with the LESB's 520 program requirements.
