**THREATENED SPECIES CONSERVATION ACT 1995 No 101**

**Notice of Final Determination and Amendment of Schedule 1 to Act**

The Scientific Committee established under the *Threatened Species Conservation Act 1995* has, in pursuance of Division 3 of Part 2 of that Act, made a final determination to insert the following population in Part 2 of Schedule 1 to that Act (Endangered populations) and, accordingly, that Schedule is amended as set out in Annexure "A" to this Notice:

**Plants**

**Rhamnaceae**

*Cryptandra longistaminea* F. Muell.      *Cryptandra longistaminea* in the vicinity of Ellandgrove Road, South Grafton.

The final determination to insert this population in Schedule 1 has been made because the Scientific Committee is of the opinion that this population has been reduced to a such critical level and its habitat has been so drastically reduced that it is in immediate danger of extinction, it is disjunct and at the limit of the geographic range of the species and its disjunction and regional rarity make it a population of significant conservation value.

Copies of the final determination may be inspected at:

The Information Centre (Level 1)  
National Parks & Wildlife Service  
43 Bridge Street  
HURSTVILLE NSW 2220

and at all District Offices of the National Parks and Wildlife Service during business hours.

Signed at Sydney, this 28th day of August 1998.

Dr Chris Dickman  
Chairperson  
Scientific Committee

**1998 No 542**

Threatened Species Conservation Act 1995 No 101—Final  
Determination

---

**Annexure “A”**

Schedule 1 to the *Threatened Species Conservation Act 1995* is amended by inserting in Part 2 in alphabetical order under the heading “Plants” the matter:

**Rhamnaceae**

*Cryptandra longistaminea* F. Muell.      *Cryptandra longistaminea* in the vicinity  
of Ellandgrove Road, South Grafton.
