WHEREAS, pursuant to the provisions of the Local Government Bonding Act, Title 11, Chapter 14, Utah Code Annotated 1953, as amended (the "Act"), the Municipal Council (the "Council") of Logan City, Utah (the "Issuer") has authority to issue bonds payable from the net revenues of its sewer treatment system for the purposes set forth in the Act; and

WHEREAS, by resolution adopted February 16, 2016 (the "Parameters Resolution"), the Issuer approved the issuance of not more than \$110,000,000 of Sewer Treatment Revenue Bonds (the "Authorized Bonds"), established parameters therefore and directed the publication of a "Notice of Public Hearing and Bonds to be Issued"; and

WHEREAS, the State of Utah acting through the Department of Environmental Quality, Water Quality Board (the "Water Quality Board") has agreed to purchase the Series 2016 Bonds upon the terms and conditions herein set forth; and

WHEREAS, in order to allow the Issuer (in consultation with the Issuer's Municipal Advisor, George K. Baum & Company (the "Municipal Advisor")) flexibility in setting the pricing date of the Series 2016 Bonds to optimize debt service savings to the Issuer, the Council desires to grant to any one of the Mayor or the Mayor Pro Tem or the Finance Director (collectively, the "Designated Officers") of the Issuer the authority to approve the final interest rates, principal amounts, terms, maturities, redemption features, and purchase price at which the Series 2016 Bonds shall be sold, and to set forth the final terms of the Series 2016 Bonds, and any changes with respect thereto from those terms which were before the Council at the time of adoption of this Resolution, provided such terms do not exceed the parameters set forth for such terms in this Resolution (the "Parameters").

NOW, THEREFORE, it is hereby resolved by the Municipal Council of Logan City, Utah, as follows:

Section 1. For the purpose of (a) financing the Project, and (b) paying costs of issuance of the Series 2016 Bonds, the Issuer hereby authorizes the issuance of the Series 2016 Bonds which shall be designated "Logan City, Utah Sewer Treatment Revenue Bonds, Series 2016" in an amount not to exceed of \$70,000,000, which bonds are to mature in not more than thirty (30) years from their date or dates, to be sold at a price not less than ninety-eight percent (98%) of the total principal amount thereof, and bearing interest at a rate or rates not to exceed five percent (5.00%) per annum. The Series 2016 Bonds shall bear interest, shall be dated, shall be issued as fully registered Bonds, and shall mature as provided in the Indenture.

Section 2. The Series 2016 Bonds shall be sold to the Water Quality Board.

Section 3. The Indenture in substantially the forms presented to this meeting and attached hereto as Exhibit B, is hereby authorized, approved, and confirmed. The Mayor and the City Recorder are hereby authorized to execute and deliver the Indenture in substantially the forms and with substantially the content as the forms presented at this meeting for and on behalf of the Issuer, with final terms established within the Parameters set forth herein, and with such alterations, changes or additions as may be necessary or as may be authorized by Section 4 hereof.

Section 4. The appropriate officials of the Issuer are authorized to make any alterations, changes or additions to the Indenture, the Series 2016 Bonds, or any other document herein authorized and approved which may be necessary to conform the same to the final terms of the Series 2016 Bonds (within the Parameters set by this Resolution), to correct errors or omissions therein, to complete the same, to remove ambiguities therefrom, or to conform the same to other provisions of said instruments, to the provisions of this Resolution or any resolution adopted by the Council or the provisions of the laws of the State of Utah or the United States.

Section 7. Upon their issuance, the Series 2016 Bonds will constitute special limited obligations of the Issuer payable solely from and to the extent of the sources set forth in the Series 2016 Bonds and the Indenture. No provision of this Resolution, the Indenture, the Series 2016 Bonds, or any other instrument, shall be construed as creating a general obligation of the Issuer, or of creating a general obligation of the State of Utah or political subdivision thereof, or as incurring or creating a charge upon the general credit of the Issuer or its taxing powers.

Section 8. The appropriate officials of the Issuer, and each of them, are hereby authorized and directed to execute and deliver for and on behalf of the Issuer any or all additional certificates, documents and other papers (including but not limited to tax/disclosure compliance policies and an escrow deposit agreement as permitted under the Indenture) and to perform all other acts they may deem necessary or appropriate in order to implement and carry out the matters authorized in this Resolution and the documents authorized and approved herein.

Section 9. After the Series 2016 Bonds are delivered to the Water Quality Board and upon receipt of payment therefor, this Resolution shall be and remain irrevocable until the principal of, premium, if any, and interest on the Series 2016 Bonds are deemed to have been duly discharged in accordance with the terms and provisions of the Indenture.

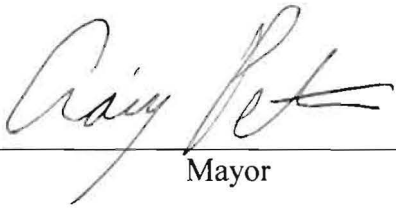

Section 10. It is hereby declared that all parts of this Resolution are severable, and if any section, clause or provision of this Resolution shall, for any reason, be held to be invalid or unenforceable, the invalidity or unenforceability of any such section, clause or provision shall not affect the remaining sections, clauses or provisions of this Resolution.

Section 11. All resolutions, orders and regulations or parts thereof heretofore adopted or passed which are in conflict herewith are, to the extent of such conflict, hereby repealed. This repealer shall not be construed so as to revive any resolution, order, regulation or part thereof heretofore repealed.
