AGENDA ADDITIONS

PUBLIC HEARING: DRAFT RECREATION MASTER PLAN (2017-2021)

PUBLIC COMMENTS: (Please fill out a comment card and submit to the Superintendent - you have 4 minutes to speak)

CONSENT AGENDA:

Approval of Minutes

1. Regular Board Meeting January 23, 2017

Finance:

1. Payment of Bills - \$190,638.23

Reports:

- 1. Superintendent
 - a. MERS Budget Benefit Impact

2. Community Development Coordinator

a. Building 220/AT&T Lease Renewal

SUB COMMITTEE REPORTS: (As Available)

REPORTS:

1. Superintendent ------ Stalker

- a. Refuse Disposal Contract Agreement
- b. Bed-Mounted Salt Spreader Purchase
- c. Fire Department Tanker Truck Disposal
- d. Furtaw Field Property Use Request/Public Property Use Committee Composition

2. Community Development Coordinator ----- Richards

- a. 6121 Perimeter Road/Preliminary Offer to Lease
- b. Michigan Natural Resources Trust Fund Grant # TF15-0144/Property Acquisition

RESOLUTIONS & ORDINANCES:

- 1. Resolution No. 2017-03 RE: Adoption of Recreation Master Plan (2017-2021)
- 2. Resolution No. 2017-04 RE: Authorization for the Signing of Conveyance Documents Concerning the Purchase of Property
- 3. Ordinance No. 2017-259 RE: Restricting Hunting and Erection of Deer Blinds (Introduction and Publication Authorization)

OTHER:

- 1. Board of Review Alternate Appointment Consideration
- 2. Rezoning Request and Recommendation (Parcel # 066-028-300-006-00)
- 3. Proposed Zoning Ordinance Amendments (Sections 6.2.4 and 6.2.1(3)

1. HSRUA Operating Report – January 2017

2017 - 2021 Oscoda Charter Township Parks and Recreation Master Plan

DRAFT 2/8/2017

Acknowledgments

The participation and cooperation of community leaders, residents and members of civic organizations in the preparation of the 2017 Oscoda Township Parks and Recreation Master Plan is greatly appreciated. In particular, we acknowledge the efforts of the following individuals:

Oscoda Township Board of Trustees

Aaron Weed, Supervisor Jaimie McGuire, Treasurer John Nordeen, Clerk Timothy Cummings, Trustee Martin Gayeski, Trustee Jim Baier, Trustee William Palmer, Trustee

Township Superintendent

Robert F. Stalker, II

Adoption

The 2017 Oscoda Township Parks and Recreation Master Plan was adopted on February 13, 2017 by the Township Board of Trustees.

Introduction

Oscoda Township has developed this Parks and Recreation Master Plan to serve as a guide to future decision making regarding recreation facilities improvements, and development of new recreation opportunities. Therefore, this document is the basis for policy implementation of improvements and new initiatives that will meet the recreational goals and interests for Oscoda Township and its constituents. The Oscoda Township Board of Trustees has been fundamental in providing information about the community and guidance for the direction of the recreation plan throughout the planning process.

Before any Recreation Plan is adopted and enacted it is critical to have an understanding of the needs of the residents, the recreation opportunities that are already available, the demographic characteristics of an area, and the programs, projects, and facilities that are best suited to the community. This information is all based on public input and careful consideration of the input and suggestions from Township residents, Township officials, and other community stakeholders. Community input was a critical component to this plan, and all of the voices in the Township have united to develop a Recreation Plan with the overall goal of enhancing the

quality of life for the community members and visitors of Oscoda Township.

The foundation for the development of the Oscoda Township Parks and Recreation Master Plan was based on the following goals:

- Involve the community throughout the process of updating the Parks and Recreation Master Plan.
- Identify and map existing Township owned/operated recreation facilities.
- Build common ground among the Oscoda Township residents and stakeholders in addressing the future recreational needs, increased safety at parks, and priorities of the Township.
- Enable the Township to be eligible for financial assistance based on the Recreation Plan.
- Facilitate interagency collaboration in establishing parks and recreation goals, objectives, and actions.
- Support the implementation of improvements for barrier-free, Universal Access to Township parks and recreational sites.

Overall, the Township officials intend to use this plan to guide their work on all future recreational and parks projects within the Township. It is also a strategic document that articulates specific goals in consideration to parks and recreation acquisition and improvement projects. This plan is developed in accordance with the guidelines for *Community Park, Recreation, Open Space, and Greenway Plans* published by the Michigan Department of Natural Resources (MDNR). A five-year, MDNR-approved Recreation Plan is necessary for Oscoda Township to pursue MDNR-administered grants. This Recreation Plan is written for Oscoda Township and covers all aspects of recreation within the community over a five-year period from January 2017 – December 2021.

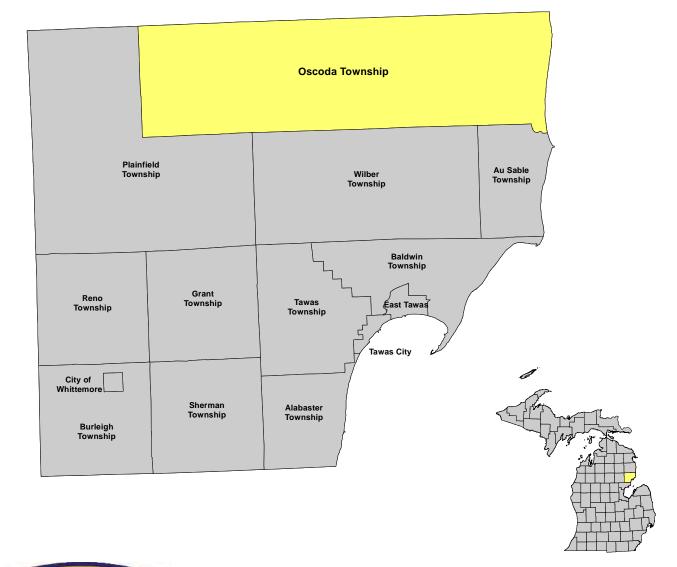

Community Description

The jurisdiction of this plan is solely for Oscoda Township located in losco County, Michigan. The Township boundaries are depicted in Map 1 below. This plan will serve as the Township's Recreation Plan for the next five years and encompasses all aspects of recreation and programming for the Township.

Regional Location

Oscoda Township is located in northeast Michigan's losco County. It is one of eleven townships in the County; the other townships are Alabaster, Au Sable, Baldwin, Burleigh, Grant, Plainfield, Reno, Sherman, Tawas and Wilber. It is bordered by Alcona County to the north, Plainfield Township to the west and southwest, and by Wilber and Au Sable Townships to the south; Lake Huron forms its eastern border.

Map 1 – Location

With a land area of 121.8 square miles, Oscoda Township covers more than 22% of the County's total land area. US 23 is the major north-south highway; it follows the shoreline and links to I-75 (50 miles south of the Township) for access to downstate areas. In the western-most section of the Township, M-65 enters the Township's northern border and proceeds south until it crosses the Au Sable River at the Five Channels Dam area; then it travels west to the Township's western border. Highway F-41 proceeds southeast from the northern border of the Township until it intersects with US 23 south of Van Etten Lake. River Road and Bissonette Road provide local east-west travel routes.

Besides Lake Huron, the major waterway is the Au Sable River, which crosses the Township from east to west. The Huron National Forest covers large portions of the Township; a significant amount of Township land area is in the Au Sable State Forest. Consumers Energy Company operates four dams on the Au Sable River and holds a considerable amount of land along the riverbanks. Oscoda Township was the home of the former Wurtsmith Air Force Base; this Base closed in 1993. The major population concentration is the unincorporated community of Oscoda.

Demographics

Select Census Data for Oscoda Township, losco Township, and Michigan				
	Oscoda Township	losco County	Michigan	
Population- 2010 Census	6,997	30,209	9,883,640	
Population- 2014 estimate	-	-	9,922,576	
% of Population 65 & older	26.4%	26.1%	13.8%	
% of Population under 19	19.6%	19.6%	26.8%	
% of Civilian non- institutionalized population with a disability	23.5%	22.2%	13.9%	
Median Age	50.9	51	38.9	
% with a Bachelor's Degree or higher	16.3%	14%	25.7%	
Median Household Income	\$33,869	\$36,236	\$47,175	
Per Capita Income	\$22,775	\$22,047	\$24,997	
Average Household Size	2.14	2.17	2.49	
Median Housing Value	\$79,600	\$102,300	\$119,200	
Renter-occupied housing as % of total Occupied Units	22.8%	18.3%	27.3%	
Seasonal Housing as % of total vacant housing units	76%	82.7%	39.9%	

Table 1 – Demographics

Based upon the analysis of demographic and social characteristics above, there are 5 specific population groups who have distinct needs for recreational facilities and programs. However, before each specific population is explained, it is important to consider the median household income in Oscoda Township. Of the three jurisdictions, the Township has the smallest median income. Individuals and families with smaller incomes have less discretionary and disposable spending money, meaning they have an even smaller percent of money to spend on recreation. Therefore, it is important that the residents have good quality public recreation options close to home, because there is a smaller chance that these individuals will be able to seek out more expensive options further from home.

The five populations to consider are as follows:

Youth – The younger population makes up just under 20% of the population in Oscoda Township. However, this number is not representative of the youth population in the summer. Many of the seasonal residents are families who bring their children. This will create a more intense need for youth recreation activities in the high season. It is also important to note that these two populations have somewhat different recreation needs. While the seasonal residents need recreation amenities in the summertime, permanent youths will need year-round activities, amenities, and programs. Youth populations benefit from recreational options and organized or unorganized athletic activities, providing them with opportunities for exercise, community engagement, and education.

Senior Citizens – The senior citizen population in Oscoda Township represents over a quarter of the population. This is only representative of the permanent residents; this group of individuals is another that will exponentially increase in the high season. Seniors have different needs in recreation facilities than other age groups (for example, pathways vs playgrounds), and those on fixed incomes may need low-cost recreational opportunities.

Population with a disability – The population with a disability makes up 23.5% of the population in the Township. Disabled populations are often the most unheard voice, and are also most reliant upon government to advocate for their needs. These individuals need park facilities that are accessible to their needs and the Township will need to work to provide equal access recreation opportunities.

Residents in multi-family housing, apartments, and renters in general - Residents in highdensity housing or multi-family housing have a greater need for open space and recreational facilities compared to those in single-family households because they often do not have large yards or open areas of their own. Twenty-three percent of the population in Oscoda Township rents property, therefore they will need access to high quality recreation.

Seasonal population – Of all of the vacant housing units in the Township, 76% are categorized as seasonal housing. This means that over three-quarters of vacant housing in the Township, are second homes. Often seasonal visitors are families and bring in three or more individuals to the Township. Additionally, the majority of individuals have second homes in Oscoda Township because of the beauty of the area and the existing recreation options. Because these people are such a strong economic driver for both the Township and the region, it is important that the

recreation facilities remain up to the standards they have come to expect.

Parks have the ability to create a multigenerational link between individuals in these four groups, and across all demographic groups. They provide gathering places, make exercise opportunities available, promote civic participation, and improve the quality of life in an area.

Administrative Structure

The Charter Township of Oscoda is governed by a Board of Trustees whose members are as follows:

Aaron Weed, Supervisor Jaimie McGuire, Treasurer John Nordeen, Clerk Timothy Cummings, Trustee Martin Gayeski, Trustee Jim Baier, Trustee William Palmer, Trustee

The Supervisor serves as the Chairperson of the Board. All members, except for the Superintendent, are elected officials. The Superintendent, presently Robert F. Stalker II, is appointed by the Board; in that capacity he carries out functions and duties prescribed by the Board necessary for the governing of the Township. Recreation implementation efforts concerning land acquisitions, recreation planning and financial accommodations are also the direct responsibility of the Superintendent.

The Charter Township of Oscoda Parks and Recreation Department falls under the Parks and Recreation Director, however other Township employees and officials may also give direction to any type of specific project that the Township may wish to pursue or investigate the feasibility of any particular need or desire of the public.

If there is a particular recreation need the job may be bid out to an available contractor(s) to perform said installation of the project parameters, The Building and grounds department may also be called upon to perform certain project installations or site preparations if needed.

Volunteers and Programming

Volunteer labor is not a regular or ongoing part of the Parks and Recreation Department. However, we will utilize such labor if it is available and or desired. However, the Township provides site direction and programming assistance with the following:

- Little league Baseball which have Minor and Major league teams divided into age appropriate teams
- AYSO Soccer Leagues are mixed (boys and girls) participation divided into age appropriate teams
- Youth girls softball, which are divided into age appropriate teams

Collaboration

The Township has ongoing relationships with the following local organizations utilizing Township owned parks and open spaces. This is of course a sampling and not intended to be all inclusive:

- Huron East Knothole League Utilizes Township Baseball fields for Youth Baseball and Girls softball.
- The Chamber of Commerce- Utilizes Old Orchard Park for the Snow-Box derby, Furtaw field for the Paul Bunyan Festival and the Oscoda Beach Park for Art on the Beach.
- American youth soccer Organization (A.Y.S.O.) Utilizes Township soccer fields for youth Soccer
- The Rotary club Use The Oscoda Beach Park band shell for their Thursday Night music concert series.
- The Lions Club- Partners in various special projects
- Spirit Line Woodcarving and Truly Yours Utilize the Oscoda Community Center for their wood carvers and local artist show.
- The Downtown Development Authority (D.D.A) and the Oscoda/AuSable convention and visitors Bureau (C.V.B) utilize the Oscoda Beach Park for their weekly Movies under the stars.
- Special Olympics Utilize Old Orchard Park for their 5K run.
- Oscoda School District swim and dive team
 Utilize Riverbank Park for their Fun/Run walk
- Relay for life- Utilize Furtaw field for their Bark for life for the American cancer society
- Shelter Inc. Utilize Furtaw field for the awareness walk for domestic violence.
- Compassionate Friends Inc Utilize Furtaw field for the memory walk

Funding and Budgets

Sources of funding would be the General fund, Property O&M Operations fund, any available grant funding, Old Orchard Park Capital improvement funds and donations if needed and or applicable. Parks and Recreation expenditure budgets for the current Fiscal Year 2016 and upcoming Fiscal Year 2017 for the Charter Township of Oscoda are listed in the chart below. The numbers are estimated by category and include all municipal parks, Foote Site Park, Ratliff Park, Old Orchard Park campground and the Oscoda Community Center.

2016 - 2017 Oscoda Township Parks and Recreation Budget			
	2016	2017	
Operation and Maintenance	\$972,500	\$977,730	
Capital Improvements	\$191,500	\$112,000	
Programming	\$6,100	\$5,600	
Total	\$1,170,100	\$1,095,330	

Recreation Inventory

Oscoda Township felt it imperative to go beyond the required inventory of natural resources and recreational opportunities to allow the Michigan Department of Natural Resources to get a full understanding of the numerous natural resources and activities in its approximate area that it must work with and expand upon to offer its residents and tourists the most complete recreational experience.

Over 80% of all land in the Township is held as Federal or State land designated for multipurpose use, including recreation. Of the 77,952 acres (121.8 square miles) in the Township, approximately 46,542 acres are held as part of the Huron-Manistee National Forest; this represents 76.8% of all Township land. Another 14,000 acres (4.7%) are held in the AuSable State Forest and as other State-owned land. In addition, 3,565 acres of property belonging to Consumers Energy are open to public recreation use. Not only do these lands provide abundant recreation opportunities, they also bring tourist dollars to the region and contribute to the region's image as an attractive and enjoyable place to live and recreate.

Van Etten and Cedar Lakes and the many streams expand the Township's theme of "fun with water" to many more areas within the Township. The opportunity to enjoy fishing, boating, swimming and relaxing with water is extended to those in the interior regions of the Township.

This inventory of property was edited by the Planning Consultant and reviewed by the staff at Oscoda Township. Appendix F has a list of awarded past grants.

Township-Owned Property

OSCODA TOWNSHIP BEACH PARK - Located on River Road on Lake Huron in Oscoda. This 9.6acre park has approximately 1,000 feet of Lake Huron frontage. Because of its popularity as a public beach, it serves the entire region and beyond.

This park has a basketball court, skate ramps on a concrete slab, a wooden band shelter, a shuffleboard court, an accessible pavilion, boardwalk, sunbathing deck, children's play equipment, picnic tables, grills, and benches. The site has an accessible bath house with showers and restrooms; there is also a blacktopped parking area. This park is home to the "Dock Reserve" (site of a dock prior to the Fire of 1911) that is now an historic area.

The Township recently received a Michigan Natural Resources Trust Fund Grant to develop a 465' combined boardwalk/fishing pier in this park.

The site is well-used. This Park also serves as the site of the Oscoda Art-on-the-Beach Arts and Crafts Show every summer.

PIETY HILL - located on 1.2 acres along Dwight Street where the water tower used to be. This site has approximately 225 feet of frontage on the Au Sable River. It has a stairway and a handicap access to a fishing pier, which was funded through the Michigan Department of Natural Resources Inland Fisheries Grant. This is a small special use park. Its service area is the greater Oscoda area.

Oscoda Huron Sunrise Park -Located approximately three miles north of Oscoda adjacent to Three Mile Park. This 14-acre beach park offers gravel parking along the side of the road, and offers accessible trails for bicycling along the Lake Huron Shore. These trails directly feed into Three Mile Park, which is owned and operated by the Michigan Department of Transportation. Accessible and additional parking can be obtained through this roadside park. Service area is region wide.

OSCODA RIVERBANK PARK - Located on the Au Sable River near the River Road Bridge near the downtown Oscoda area. This 5.2-acre park offers accessible paved trails for bicycling and walking, vault restrooms, picnic tables and direct river access for swimming, fishing and canoe launching/take out purpose, and gravel parking. Service area is region wide.

These improvements were funded through the Michigan Department of Natural Resources Waterfront Redevelopment Grant.

FURTAW FIELD - Located in downtown Oscoda on US 23 this 3.3 acre property was recently transferred to Oscoda Township by the Oscoda Area School District. It functions as a town gathering spot that boasts a famous Paul Bunyan statue and is currently being utilized for community events. Service area is region wide.

OSCODA-WURTSMITH AIRPORT - When Wurtsmith Air Force Base closed in 1993, 700 civilian jobs were eliminated and thousands of military personnel were transferred from the area. losco and Alcona counties were faced with the monumental challenge of completely redefining their economic futures. The community responded to this challenge with an aggressive strategy to maximize its assets, which now includes the vacated air base and other available industrial sites and organize all the resources available to regenerate quality jobs.

The 50,000 square-foot former commissary building is now used by private industries. The base library facilities are now a public library. Military aircraft runways are now being utilized as a public airport. Alcona Health Center is operating an outpatient clinic in the former military hospital.

Township-owned properties as listed below are a direct result of the land and recreational facilities acquired from the base closure.

OSCODA COMMUNITY CENTER - This building has 1,200 sq.ft. of lease/rental space available. It is fully accessible and it is host to trade shows which can bring visitors from across the state. The service area for the facility is the greater Oscoda region. This facility offers numerous amenities:

- Two full service Gymnasiums Includes bleachers, insulated wall covering, scoreboards, and all-purpose athletic floors, that were improved within the last three years before base closure. It is used for basketball, volleyball, and pickleball. There is a roll-out floor covering for other uses (boxing, wrestling, etc.). Full locker room with showers are also available.
- Racquetball courts (3)
- Exercise/Equipment Room Full Nautilus capability. There are approximately 15 machines of various types in this room, including elliptical machines, stationary bikes, and treadmills.
- Banquet/meeting room
- Activity Room Center with pool tables, foosball, bumper pool table, air hockey table, ping pong table and big screen television with viewing area

SPORTS COMPLEX – This 49.4 acre sports complex park has existing sports facilities and the Township has recently completed a Development Plan for adding more features to the existing complex. The Development Plan is shown in Appendix A. The service area is the greater Oscoda area. This complex features:

- 5 Little League fields each with two small sets of portable bleachers
- 1 Softball Diamond
- 5 Youth Soccer fields each with two small sets of portable bleachers
- BMX Track
- Concession stand
- Restrooms
- Open air pavilion
- Maintenance garage

KEN RATLIFF MEMORIAL PARK – located on County Road F-41 on Van Etten Lake this park has approximately 3,000 feet of Lake frontage and comprises of approximately 11 acres of land. This park has an enclosed pavilion known as the Warrior Pavilion, two accessible open air pavilions, two accessible boat ramps, groomed swim beach, children's play equipment, picnic tables, grills, and benches. A snowmobile trailhead accessing miles of trails is also located at this park. The site has an accessible restroom facility; there is also a blacktopped parking area.

WARRIOR PAVILION - With an outdoor deck on three sides, it sits close to the beach. This facility has been used for wedding receptions and other large parties. There is a full service kitchen as well as restrooms. Although the beach in this area appears to be shallower than it is, the safe swimming area is well-marked and buoyed. Service area is region wide.

Accessibility for Township-owned Properties

Appendix B contains the accessibility survey of each of these Township-owned properties. This survey was done by Township staff. The Township Hall is fully accessible and was not included within this survey.

Oscoda Township Leased Properties

OLD ORCHARD PARK - located on River Road in Oscoda Township. This campground/park is owned by Consumers Energy, but maintained by Oscoda Township. Located on 193 acres which follow the National River Road Scenic Byway for over two miles, the park offers a wide variety of recreational opportunities. The Park contains 525 licensed camp sites; 300 are primitive; 225 are modern. Part of this park is used as a rustic horse camp for riders using the Michigan Shore-to-Shore trail. Picnic tables are located, in generous supply, throughout the park. There are pavilions, trails, two hard surfaced boat launches, and boat docks. Water, showers, and restrooms - both flush and vault type - are available. There is also a children's playground, fully accessible fishing pier, designated beach and swimming area, boat rentals, and a grocery store. This park is in good condition and receives high usage.

A Winter Fun Park is being developed just west of this site. Presently, two sledding hills are in place. The annual Snowbox Derby (a unique winter event in which businesses, organizations and individuals compete on sleds made from cardboard boxes) is held at this site. Service area is region wide.

FOOTE SITE PARK - located above the Foot Site Dam on the Au Sable River, along River Road National Scenic Byway. The three-acre site itself is owned by Consumers Energy; it is maintained and operated by the Township. This is adjacent to the area where the Au Sable River Queen (privately owned) docks. There is also a privately owned concession / gift shop located adjacent to this site. This park has four privy toilets, paved parking, two boat launches and a children's play area. Service area is region wide.

Township staff evaluated Old Orchard Park and Foote Site Park and ranked them both as "2 some of the facilities/park areas meet accessibility guidelines". As improvements and upgrades are made to these facilities, the Township plans to work to make the parks fully accessible.

Other Public Property in Oscoda Township

U.S. Property

HURON-MANISTEE NATIONAL FOREST -Approximately 59,884 acres of Huron-Manistee National Forest (HMNF) are located within Oscoda Township. This land represents almost 80% of all land in the Township. The renewable

resources in the National Forest, such as timber and oil are used in an environmentally sound way to provide resources for the surrounding areas and create jobs and a stable economy. At the same time, these resources are managed in such a way as to improve the wildlife habitat of species, such as the endangered Kirtland's Warbler. The forest's resources also provide a mecca of recreation opportunities. Among these opportunities are hunting, fishing, camping, snowmobiling, cross-country skiing, hiking, swimming, canoeing, bird watching, and other kinds of nature observation. The majority of these activities are free except for required hunting and fishing licenses or a small camping fee. Some of the opportunities are detailed below.

RIVER ROAD: NATIONAL FOREST SCENIC BYWAY - Perhaps the main attractions in the Township are along the river corridor. Designated a "National Forest Scenic Byway" in 2005, this beautiful highway is doing much to enhance tourism in the Township. This road is not U.S. owned. It is a certified county road and is under the control of the losco County Road Commission. It is placed in this section of the inventory because such a large number of U.S. properties are located along this route. Between 125,000 and 130,000 people travel this road yearly, and the numbers of visitors seem to be increasing. To reveal the advantages of the area, three short wave radio transmitters are installed along this road with information about the Scenic Byway, the surrounding area, and local information. One of the transmitters is at the East Gate; one at

West Gate; and one at Lumberman's Monument. The 22-mile road from Oscoda to M-65 follows the beautiful and historic Au Sable River. It provides some spectacular views from high sand bluffs overlooking the river and is an excellent showcase for the natural flora and fauna of the area. The monuments and interpretive sites along this road pay tribute to the early uses of the Au Sable River by Indians and French explorers and the importance of lumbering and logging in the area's earlier days. Some of the recreational opportunities along this road are listed below.

Recreation Inventory | 14

LUMBERMAN'S MONUMENT VISITOR CENTER - located at the intersection of River Road and Monument Road. This 7.2-acre site is owned and operated by the U.S. Forest Service (USFS). The grounds contain a monument and lumbering displays, and information center, picnic grounds, and views of Cooke Pond. The monument features a nine-foot bronze statue by Robert Ingersoll Aitkin of three lumbermen with lumbering tools; there are other displays describing the early history of the area. The information center provides details on the nature and history of the area. It is the only visitor information center in the Huron-Manistee National Forest. There are steps down the steep bank to the Au Sable River. Modern restrooms are available. The site is handicapped accessible. Parking space for more than 50 cars is available. A handicapped accessible trail leads from this monument to the High Banks area (an area with large sand dunes). The High Banks area has a wooden observation tower. A campground is also located at this site.

CANOE MEMORIAL SCENIC OVERLOOK (Also known as Eagles' Nest Overlook) - located a mile and a half west of Lumbermen's Monument on the River Road National Scenic Byway. Oscoda Township maintains only the stone monument site. The white stone monument for which the site is named is about 200 feet above the Au Sable River; it features a lone paddler surveying the scene. It was erected in memory of a young man who lost his life while participating in a canoe race. In the past, bald eagles built a nest at this site and were visible from this vantage point.

KIWANIS MONUMENT - Located about one-quarter of a mile south of Lumbermen's Monument on Monument Road. The stone monument of approximately 15 feet sits amidst great stands of Norway Pines. It was constructed in 1931 in honor of Kiwanis Clubs of Michigan who donated 7,000,000 seedlings planted by the Civilian Conservation Corps. The pyramid is composed of stones from all over the State carved with the names of clubs and individuals who contributed to the reforestation project. Today the forest they planted covers nearly 10,000 acres. The site is maintained by the Kiwanis Clubs.

IARGO SPRINGS INTERPRETATIVE SITE - Located on River Road National Scenic Byway. The fiveacre site, which is owned and maintained by the U.S. Forest Service, identifies an area which has been recognized for more than 400 years as a natural spring with pure water. The 30 foot high observation deck with a breathtaking view of the Au Sable River is handicapped accessible. Handicapped accessible toilets are also available. Approximately 265 steps lead down to the area where springs seep from the ground.

FOOTE POND OVERLOOK - Located on River Road National Scenic Byway, between Lumbermen's Monument and Oscoda. A parking lot and an observation deck has been constructed which is handicapped accessible. This is an excellent vantage point to observe the annual Au Sable River Canoe Marathon in July.

HMNF HOPPY CREEK CANOE LANDING – This is a primitive access site near the midpoint of the Alcona Dam to Loud Pond segment of the Au Sable River. It is primarily used as a take-out access for canoes put in at Bamfield Road. It is located on top of a bank about 15-foot-high and requires canoers to carry their canoes up a steep wooden stairway. Access to the site is by a narrow unsurfaced road, and aside from the stairway the site is undeveloped and unimproved. It is not handicap accessible. Funding for annual operations and maintenance is provided by Consumers Energy.

HMNF ROLLWAYS CAMPGROUND AND PICNIC AREA - This is a HMNF recreation area that is located on top of a high bluff overlooking Loud Impoundment. It contains a small picnic area and shelter, 19 rustic campsites with no hook-ups, vault toilets and hand pumps for water. It meets standards of accessibility, but because it sits so high above the pond it does not provide access to the pond. Funding for annual operations and maintenance is provided by Consumers Energy.

HMNF WEST GATE SCENIC BYWAY ENTRANCE STATION - This is a HMNF site located on a high bluff overlooking Loud Impoundment. The site provides visitors coming into the area from the south and west with an introduction to the River Road National Scenic By-Way and scenic views of Loud Impoundment. The site contains a paved parking area, vault toilets, interpretive signing and two viewing decks. There are user developed pathways to the waters edge that are causing erosion problems. The site meets the standards for accessibility. Funding for annual operations and maintenance is provided by Consumers Energy.

HMNF PINE ACRES BOAT LAUNCH - This is a small, gravel surfaced, boat launching and docking site, located on the north side and at the upper end of Cooke impoundment. Prior to 1986, when it was purchased by the USFS, this site was operated as a Consumers Energy leased facility called Vince's Landing. It is now commonly referred to as Pine Acres. The USFS is responsible for O&M. It is used as an upper impoundment launch, and the USFS also provides some permitted boat docking for area residents. Access to the site is via a narrow, unsurfaced road, and unorganized parking is available for 15-20 vehicle/trailer units. The site does not meet the standards for accessibility. Funding for annual operations and maintenance is provided by Consumers Energy.

HMNF IARGO SPRINGS INTERPRETIVE SITE - This is a HMNF site located on top of a high bluff

overlooking the south side of Cooke Impoundment, and one of several scenic attractions located on the River Road National Scenic By-Way. The site contains interpretive signing, a paved parking area, vault toilets, portable water, a deck that allows visitors to look out over Cooke Impoundment, a long stairway down to the pond and a series of wooden walkways and decks for viewing the springs that are along the shoreline at the base of the bluff. The facilities on the bluff are accessible, but due to the height and steepness of the bluff, disabled access is not provided to springs at the bottom.

This site was reconstructed in 1991 and no new capital improvements are needed. Funding for annual operations and maintenance is provided by Consumers Energy.

HMNF CANOER'S MEMORIAL - This is a HMNF site located on top of a high bluff that overlooks Cooke Impoundment, and one of several scenic attractions located on the River Road National Scenic Byway. The site provides visitors with a scenic view of Cooke Impoundment. The site contains a paved parking area and a monument to the sport of canoeing, which has the names of several deceased canoeing enthusiasts. This site meets accessibility standards. This site was reconstructed in 1993 and no new capital improvements needed. Funding for annual operations and maintenance is provided by Consumers Energy.

HMNF LUMBERMAN'S MONUMENT VISITOR CENTER - This is a HMNF Recreation Area and a major tourist attraction. The recreation area sits on top of a high bluff overlooking Cooke Impoundment and is one of several scenic attractions located on the River Road National Scenic Byway. The area contains interpretive displays of early logging activity, a statue commemorating the lumber barons of the late 1800's, a visitor information center with modern bathroom facilities, a mini-theater pavilion, a gift shop, large paved parking areas and sidewalks, picnic grounds, scenic overlooks, foot trails along the top of the bluff and a long stairway down to the pond. The facilities on the bluff meet the standards for accessibility. Due to the height and steepness of the bank, access for the disabled is not provided down to the impoundment. Funding for annual operations and maintenance is provided by Consumers Energy.

HMNF LUMBERMAN'S MONUMENT CAMPGROUND - Located adjacent to the Lumberman's Monument Visitor Center, this is a 20 unit, rustic campground with gravel interior roads and camping spurs, vault toilets and water pumps. This site does not meet the standards for accessibility. Funding for annual operations and maintenance is provided by Consumers Energy.

HMNF SAWMILL POINT CAMPING AREA - This is an area, located in the upper half along the shoreline of Cooke impoundment, that has been heavily used for unfacilitated camping for many years. In 1991, because this portion of the Cooke impoundment is being managed to provide users with a semi-primitive recreational experience, the USFS established a permit system to control where people camped and the level of use the area received. Specific sites were designated where camping could occur, and persons wishing to camp at one of these sites have to obtain a permit. The designated sites at Sawmill Point are still unfacilitated, and access is provided by an unsurfaced, poor quality sand road. This site does not meet the standards for accessibility. In addition to the Sawmill Point area, there are also designated camping locations on Loud, Five Channels and the lower Cooke impoundments where use is controlled under the same permit system. Funding for annual operations and maintenance is provided by Consumers Energy.

HMNF FOOTE POND OVERLOOK - This is a HMNF site located on top of a high bluff overlooking Foote impoundment, and is one of several scenic attractions located on the River Road National Scenic Byway. The site provides visitors with scenic views of Foote impoundment, and contains a paved parking area and paved walking for viewing the pond. The site meets accessibility standards. This site was constructed in 1993 and no new capital improvements are needed. Funding for annual operations and maintenance is provided by Consumers Energy.

Trails

IRON BELLE TRAIL - Oscoda Township is currently working with losco County, Au Sable Township, Consumers Energy, and the U.S. Forest Service on the development of the first phase of the losco Exploration Trail which will run from the Au Sable River westward to the Oscoda Schools Complex. The losco Exploration Trail is planned to run from Oscoda to Hale and it is part of the statewide Iron-Belle Trail.

MICHIGAN'S SHORE TO SHORE RIDING/HIKING TRAIL - Stretches from the Lake Michigan shore on the west to the Lake Huron shore on the east. Its route across the Michigan peninsula traverses through stately pines and hardwoods and along forest trails and scenic highways. Parts of the trail parallel two of the country's most beautiful rivers: the Boardman in the western part of the State and the Au Sable in the eastern part. The section of approximately 30 miles which

diagonally bisects losco County enters Oscoda Township at its southwestern border and passes through the Huron-Manistee National Forest before crossing down into Plainfield Township, and eventually Oscoda. The Forest Service maintains trail camps along the trail and provides signage. The trail itself is jointly maintained, by the U.S. Forest Service and the Trail Riders Association. It is for use by hikers and horseback riders; mountain bikes are also permitted. Public trail camps and private facilities are available for trail users. Special sites are prepared for the horses. In Oscoda

OSCODA TOWNSHIP

Naturally.

Township, the back part of Old Orchard Park is designated as the trail camp. It is a primitive group camping site; group rates are available.

EAGLE RUN CROSS-COUNTRY SKI AND NATURE TRAIL - Located on River Road on Huron-Manistee National Forest land. This cross-country ski area offers 11 miles of trails. They were developed through the cooperation of many local governmental agencies, local businesses and the Michigan Youth Corps. Located in marsh and meadow along the Au Sable River, this area offers opportunities to observe birds, beaver, and various types of wildlife. The main parking area and starting point is at East Gate, located at the east entrance of the Scenic Byway (in the southeast corner of Section 32, T24 R9E). Handicapped accessible toilets are available at this east entrance.

HIGH BANKS TRAIL - Located 14 miles west of Oscoda. This marked, but ungroomed crosscountry trail system begins at largo Springs and traverses through Lumbermen's Monument and Canoe Memorial and ends at Sidtown. Though not heavily used, this trail system offers spectacular views of the Au Sable River from a bank 200 feet above the water.

ORV TRAILS - Officials from the Huron-Manistee National Forest indicate that there are about 200 miles of ORV trails throughout the Huron-Manistee National Forest. In Oscoda Township, the Old State House ORV Trail listed under "State Owned properties" contains approximately 36 miles of trails for ORV usage. The Federal ORV trails are seasonal and cannot be used in the winter. However, there are 25 miles of snowmobile trails are located on National Forest Service land in Oscoda Township, named the Huron Snowmobile Trail. One section of these trails is located to the south of River Road and runs mostly parallel to it. Another section begins at the Ken Ratliff Park traveling through the former WAFB north to the Au Sable River and stretches through the central portion of the Township to M-65. Sections of this trail are located on Consumers' Energy property through a license with the County Parks and Recreation. The trails are marked; they are groomed by the Michigan DNR Snowmobile Grant sponsors, with the current sponsor being losco County Parks and Recreation Board. (This trail is part of the 91 mile losco County Snowmobile Trail system. Please note, ORV's are not allowed in certain areas of environmental sensitivity, such as near nesting areas of the Kirtland's Warblers.

Camping

Camping is permitted in the National Forest. In most areas, unless the area is specifically posted against the activity, camping is permitted without fees or regulations. In 1987, the National Forest acquired a large amount of riverbank acreage which had previously been owned by Consumers Energy. In order to control usage in this area and protect the environment by reducing impact on the shoreline, reducing litter, etc., the Forest Service began a system of camping by permit only at designated sites.

80 DESIGNATED SITES - At present in the area between River Road and Bissonette Road, from Foote Pond to Loud Pond, there are about 80 designated and numbered campsites at which camping is permitted and regulated. Beginning in 1992 a small fee has been charged for each permit; each permit allows a maximum stay of seven days. These sites have no facilities, but some of the more heavily used drive-in sites have wilderness-type latrines. This system appears to be working well. In these "camping-by-permit-only" sites and at "designated site only" areas on the entire River corridor, there are no restrictions on day use activities, such as sightseeing, berry picking, hunting, hiking, and similar activities. Firewood gathering is permanently prohibited between River Road and the Au Sable River.

In addition to the primitive camping sites, some sites are partially developed.

LUMBERMAN'S MONUMENT CAMPING SITE - This Huron-Manistee National Forest recreation site contains 20 developed camping units. Facilities include a pressure water system and four pit toilets. Each site has a picnic table and steel fire ring. The access road is graveled. The campground is located adjacent to Lumbermen's Monument Visitor Center on the River Road

National Scenic Byway. There is no access to Cooke Pond, but a handicapped accessible trail leads from the Visitor Center to a spectacular overlook on Cooke Pond.

Boat Launches

WHIRLPOOL BOAT ACCESS - This site, owned and maintained by the U.S. Forest Service, is located off River Road National Scenic Byway, three miles west of Oscoda. Access is by a gravel road. Facilities include a double-wide concrete boat launch, a canoe unloading area, gravel parking lot for 60 cars/trailers, and handicapped accessible restrooms. Use is light to moderate.

SAWMILL POINT BOAT ACCESS - Located on Sawmill Point, on Cooke Pond. Access is off River Road National Scenic Byway, north one and a half miles on Cooke Dam Road. This primitive boat access is owned and maintained by the U.S. Forest Service. The site will accommodate 7-10 cars/trailers. The

parking lot and boat ramp are not surfaced; no other facilities are present. This is a popular site for local residents and those using the adjacent National Forest primitive campsites.

M-65 COOKE POND BOAT ACCESS (PREVIOUSLY VINCE'S LANDING) - This site was acquired by the USFS from Consumers Energy in 1987 and was previously licensed to a local resort for operation. It is now open to the public. Neither the boat ramp nor the parking area, which will accommodate approximately 30 cars/trailers, is surfaced. No facilities are present; the site is considered a primitive access site by National Forest standards. Since it has been opened to the public, the site has received consistently high usage because of the shallow gradient of the site in relation to the water level and the lack of a strong current at the launch site.

State of Michigan Property

AU SABLE STATE FOREST - 3,906 acres of Township land are held in the Au Sable State Forest and as other State-owned land. This state forest, as all state forests in Michigan, is managed under a multiple-use philosophy: it provides timber, wildlife, minerals, watershed protection, and aesthetic benefits, as well as recreation. Hunting, fishing, camping, berry and mushroom picking, hiking, and various forms of nature observation are some of the opportunities afforded on these lands.

LOWER HIGH BANKS FISHING ACCESS SITE -Located in T24N, R8E, Section 35, on the Au Sable River - on the River Road Scenic Byway (about one-half mile east of Foote Site). At this site there are stairways and overlooks available for public use. Off-road parking spaces are available.

CEDAR LAKE BOAT LAUNCH - Located on Cedar Lake Drive. The site is managed by the Recreation Division,

Department of Natural Resources. The boat launch features a hard-surfaced ramp for launching small and medium-sized boats. The site features parking for 25 cars.

VAN ETTEN LAKE BOAT LAUNCH - Located at Van Etten State Campground; maintained by the Forestry Division of the MDNR. The gravel-surfaced ramp accommodates small and medium-sized boats. There is parking for about six cars.

VAN ETTEN LAKE STATE CAMPGROUND - Access site to the lake. The site contains 62 primitive camping sites, pit toilets, and a boat launch facility on Van Etten Lake.

THREE MILE PARK - located on U.S. 23, three miles north of Oscoda. This park is operated by the State of Michigan, and has .2 mile of Lake Huron frontage and is currently a rest area park. The four-acre park features 17 picnic tables, seven pedestal grills, wooden boardwalk and litter barrels. There is a pump for drinking water and pit toilets.

THE OLD STATE HOUSE TRAIL - Located in the eastern section of the Township, above the Au Sable. This is a 16 mile marked ORV trail, with an additional 20 miles of marked trail roads for ORV use. This trail is administered by the Michigan Department of Natural Resources.

SEVEN MILE HILL TRAIL - A 20-mile section of snowmobile trail located in the Au Sable State Forest. Located on a hill known as "Old Orchard Hill" and also as "Wilber Resort Hill," this trail is part of the "losco County Parks and Recreation Commission" Trail.

Iosco County Property

HURON SNOWMOBILE TRAIL - This 91-mile snowmobile trail is spread throughout the County, with sections of it being located on National and State Forest land and Consumers Energy property in Oscoda Township. The trail is groomed and well- marked. Parking areas are located at various places along the trail route. The parking areas are signed, plowed and have toilet facilities.

Consumers Energy Property

Consumers Energy owns 3,514 acres of land in Oscoda Township fronting the Au Sable River.

This property listing includes the four dams that are owned and operated by Consumers Energy in the Township. The dams are Loud Dam, Five Channels Dam, Cooke Dam, and Foote Dam. Canoe portages are provided at each dam.

- Foote Dam is 39 feet high; the accompanying impoundment has 1,702 surface acres.
- Cooke Dam is 39 feet high; Cooke pond has 1,613 surface acres.
- Five Channels Dam is 35 feet high; Five Channels Pond has 212 acres.
- Loud Dam is 27 feet high; Loud Pond has 743 acres.

The properties belonging to Consumers Energy include the following recreational properties, which are owned, developed or maintained by Consumers Energy.

Loud Project Existing Facilities

LOUD IMPOUNDMENT BOAT LAUNCH - Access is off M-65, and two miles down Loud Dam Road. This is an undeveloped, unimproved site that provides access for small watercraft to Loud Impoundment. The site is a relatively large flat sandy area located at the south end of the dike. It does not meet accessibility standards.

In order to protect the semi-primitive recreational experience and eagle habitat found within the Loud Project, no improvements are proposed for this site. Consumers Energy is responsible for O&M of this site.

LOUD DAM CANOE PORTAGE - The canoe portage is located near the north end of the dike and consists of a wooden platform attached to the corewall and a grassy path about 220 feet long leading down to the dam's tailrace area. It does not meet accessibility standards. Due to the low use the portage receives, the area's semi-primitive ROS designation, and concerns about protecting eagle habitat, no improvements are proposed for this facility. Consumers Energy Company is responsible for Operations and Maintenance (O&M) of this site.

Five Channels Project Existing Facilities

FIVE CHANNELS IMPOUNDMENT BOAT LAUNCH - Access is west of M-65, immediately after the Au Sable River when traveling north. It consists of a small gravel parking area with a narrow (12') and rather steep concrete launch ramp. It is suitable for launching only small watercraft and does not meet accessibility standards. To preserve the semi-primitive recreational experience and eagle habitat in the Five Channels project area, no improvements will be made to this facility. Consumers Energy is responsible for O&M of this site.

FIVE CHANNELS DAM CANOE PORTAGE - The Five Channels Canoe Portage is located south of the powerhouse, and consists of a vault toilet, paved driveway, and parking area, a wooden portage staircase, and a hard plastic take-out platform. It runs down to a dirt road that provides unfacilitated access to the tailwater. This facility does not meet the standards for accessibility. Due to the low use this site receives and the area's management objectives, no improvements are proposed for this facility. Consumers Energy is responsible for O&M of this site.

Cooke Project Existing Facilities

COOKE IMPOUNDMENT BOAT LAUNCHES - This is a Consumers Energy boat access located near the south end of the dike for Cooke Dam. It consists of a small graveled surface parking area with a narrow concrete ramp suitable for launching small watercraft. It contains no other improvements and does not meet the standards for accessibility. Consumers Energy is responsible for

the O&M at his site.

COOKE DAM CANCE PORTAGE - This portage is located on the east side of the dam and consists of a wooden platform attached to the corewall and an elevated wooden stairway, about 100 feet long leading down to the tailrace area of the dam. This site does not meet the standards for accessibility. No plans are proposed for improving this portage. Consumers Energy is responsible for O&M at this site to ensure user safety and adequate sanitation.

CANOE TAILWATER ACCESS SITE – The site consists of a downstream gravel boat launch, fishing shelter, vault toilet, and paved parking.

Foote Project Existing Facilities

FOOTE POND FISHING ACCESS SITE - Located downstream of Foote Dam. The 245 acre day use site is owned by Consumers Energy and is leased and maintained by the State of Michigan. The area includes Foote Tailwater Access Site and Rea Road site. At the Tailwater Access Site facilities include a recently remodeled, ADA accessible, fishing pier, with a gravel parking lot, and vault toilet. The Rea Road area facilities include a hard surfaced boat launch, a vault toilet, and a gravel parking area for approximately 50 cars. Parking and trails are located about one-half mile downstream of the dam. Facility use is very high during the spring and fall salmon/steelhead seasons; use at other times is lighter.

FOOTE DAM CANOE PORTAGE - This portage is located on the west side of the dam. This site does not meet the standards for accessibility. No plans are proposed for improving this portage. Consumers Energy is responsible for O&M at this site to ensure user safety and adequate sanitation.

THE RIVER QUEEN AND BLUE HORIZON SCHOOL CAMP – Both sites are located near Foote Site Park and the Foote Pond Access Sites. The land is owned by Consumers Energy.

Privately Owned / Maintained Recreational Property

Unique Areas

GOODWIN GERSHAM SITE (ARCHAEOLOGICAL SITE 20 IS 8, IOSCO COUNTY) - Located north of Oscoda in Section 34 of T24N, R9E off Hughes Street. This is also known as the Pine River Bluff Site. Although this site is privately owned and not presently available to the public, it is listed as a site of historic value. The site is a Native American burial site dating from approximately 1150 B.C. For about 3,000 years (1150 B.C. to 1860) the site was occupied by Native Americans. For part of this time it was a spit of land between the Au Sable River and Lake Huron. Various artifacts have been found on the site, including projectile points, bone, debit age from various quality flint materials, an abundance of pottery pieces, and an archaic, red ochre burial from 1150 B.C. Although most major artifacts have likely been recovered from this area, its preservation and protection as a site commemorative of the area's Native American heritage would be valuable.

Golf

LAKEWOOD SHORES GOLF COURSE - Located on Cedar Lake Road, north of Oscoda. This recreational site contains three golf courses. The first, an 18 hole golf course 6,806 yards in length, features nicely contoured greens, areas of mature hardwoods, pines and new plantings and plenty of open water. The second, known as "The Gales," is a Scottish links-style course with deep pot bunkers and long fescue rough. The third is known as "Blackshire", located north of County Line Road in Greenbush Township.

Campgrounds

YMCA CAMP NISSOKONE - Located on the shores of Van Etten Lake, off F-41; 50 cottages and a dining hall are available.

CAMP CHERITH - Located at 1154 W. River Road in the Huron-Manistee National Forest near Lumberman's Monument. This privately owned summer camp allows for tent camping on pallets. There is also a pool, dining hall, nature center (museum), and stables. This camp is usually used as an all-girls' facility; occasionally, other groups use it.

Marinas and Boat Launches

THE LANDING - Located at 680 W. River Road. This facility has served the area over the years as a boat launch, and a convenience store.

Water Excursions

AUSABLE RIVER QUEEN - Located six miles west of Oscoda on the River Road National Scenic Byway on property leased from Consumers Energy. Excursions on the Au Sable are provided by the Au Sable River Queen. With a capacity of 130 people, this boat showcases the scenic and natural intrigue of the Au Sable and the surrounding area in a nostalgic river journey. Fall color tours, conducted twice a day, attract full-capacity crowds. During the rest of the season, the tours average about 50 passengers and run once a day.

Boat Charter Services

Many private boat owners offer fishing and specialty charter service both on Lake Huron and on the Au Sable River. Sailing charter service is also available.

Farm Markets

CHAMBER OF COMMERCE – The chamber sponsors a Farmer's Market periodically during the growing season.

Cultural/Programmed Events

In addition to these properties, Oscoda Township features many cultural and program activities. A local group called the Shoreline Players perform several times a year. Over 50 different clubs and organizations offer something for every age and interest. The Township is also host to or shares sponsorship of many events which stretch from the beginning of the year to its end.

Township/Community Sponsored Offerings

Klondike Canoe Race	Concerts on the Beach
Au Sable River Days	Business Expo
Harry Curley Canoe Race	Starry Nights at the Pier
Art on the Beach	Paul Bunyan Days
Northern Lights Christmas Parade	Fourth of July Parade and Fireworks
Fishing Tournament Woodcarvers Show	Au Sable River International Canoe Marathon
Woodcarvers Show	Veterans' Day Parade and Celebration
Oscoda Community Center Step Aerobics	Volleyball
Pickleball	Wallyball
Spinning	Roller Skating
Community Mini-Seminars	Stretching and Abs
Yoga	
Old Orchard Campground Weekend Hayrides	Snow Box Derby
Arts and Craft Show	Renaissance Festival
Bike Parade	Sand Volleyball
Music at Pavilion	Cardboard Box Race
Jamborees	Group Events Area
Camping Groups	

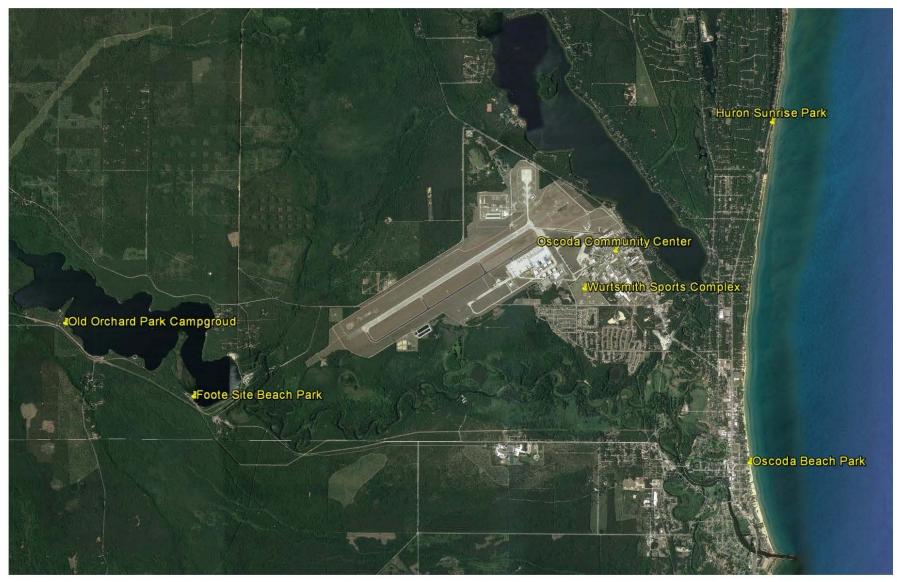

Oscoda Township Parks and Recreation Master Plan

Map 3 – Oscoda Township Parks

Accessibility

Creating a park system that is safe, accessible and usable to all individuals, including those with disabilities, is essential. A grading system, outlined in the table below, has been developed by the Michigan Department of Natural Resources (DNR) to easily identify those parks and facilities which are most and least handicap accessible and usable, based on the ADA guidelines. The accessibility grading system uses a five-point system ranging from one (none of the facilities/park areas meet accessibility guidelines), to five (the entire park was developed/renovated using the principals of universal design).

As noted in the inventory listing, some of the parks do not meet all criteria for handicap accessibility. Oscoda Township is dedicated to continuing its efforts towards improving accessibility at each of its parks when improvements are made. This includes accessible parking, paths, restrooms, activity areas, amenities and signage. Appendix B has the accessibility assessment for all Township owned parks.

Accessibility Grade	Definition
1	None of the facilities/park areas meet accessibility guidelines.
2	Some of the facilities/park areas meet accessibility guidelines.
3	Most of the facilities/park areas meet accessibility guidelines.
4	The entire park meets accessibility guidelines.
5	The entire park was developed/renovated using the principles of universal design.

Table 2 - MDNR Accessibility Ratings

Public Input Process

One of the most important aspects of a community's Parks and Recreation Master Plan is the inclusion of the resident's opinions about how they view the future of their parks and recreation system. Oscoda Township created a community survey that pertained to both, the update of the Master Plan and the Update of the Recreation Plan. The survey was in place to gather the information which would guide the Township master plan policies and parks and recreation program. A complete tabulation of the results is available for review in Appendix C. The text below provides a description of the significant results for the questions pertaining to recreation.

Overall, the survey had 29 questions, and there were a total of 930 responses. Of those 29 questions, 9 questions were specific to parks and recreation. The Township advertised the community input survey on the Township website and put out a targeted advertisement on Facebook. The online survey was available from 6/2/2016 to 7/24/2016, at www.oscodasurvey.com.

A second means of input was provided during the required public review period fron January 13th to February 13th, 2017, and the public hearing February 13th, 2017.

Survey Respondents

The following questions explain the demographics of the survey respondents. These questions are included in this explanation to have a better understanding of the participation in the survey. The questions specific to recreation will follow in the next sections of this chapter.

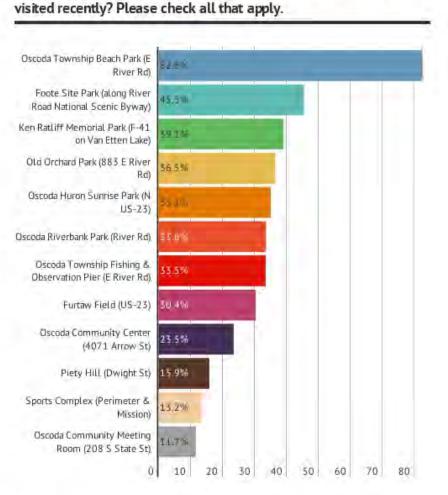

Of the 930 responses to the survey, 66% of respondents were a resident of the Township, of the 34% of respondents who indicated they were not residents, 38% stated they were a seasonal resident. Of all the respondents the top three age groups who participated in the survey were 55 - 64 years old (25%), 25 - 34 years old (17%), and 65 – 74 years old (15%).

Recreation Survey Results

Respondents were asked which of the Oscoda Township properties they had visited recently, and were encouraged to choose more than one answer. Figure 1 on the following page, represents the responses to this question. The top three most visited parks were Oscoda Township Beach Park, Foote Site Park, and Ken Ratliff Memorial Park.

Figure 1 - Recently visited parks

19) Which of the following Oscoda Township properties have you

Community input survey results from www.oscodasurvey.com between 6/2/16 - 7/24/16.

(690 responses)

Next respondents were asked why they visited public parks and recreation facilities in the Township? The top 5 responses included:

1. Enjoying Nature

4. Boating

- 2. Beach access and swimming
- 3. River Access

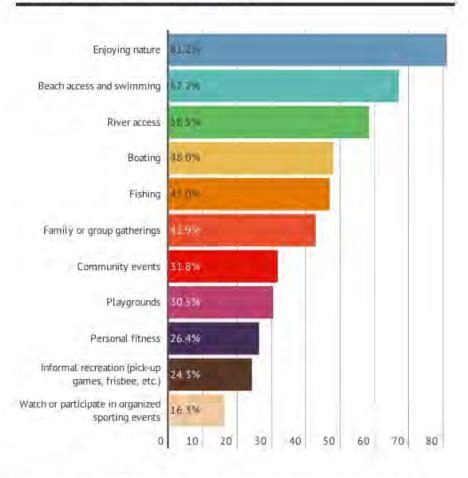

5. Fishing

Figure 2 on the following page, represents all of the responses to this question.

Figure 2 - Reasons you visit parks and recreation facilities

Community input survey results from www.oscodasurvey.com between 6/2/16 - 7/24/16.

(711 responses)

Finally, respondents were asked what kind of additional recreation and support facilities are needed in Oscoda Township. The top ten answers for this question included:

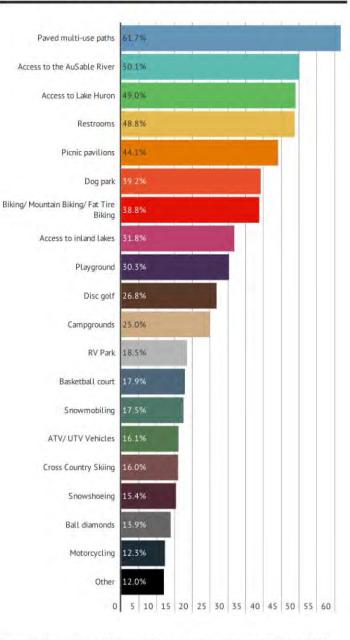

- 1. Paved multi-use paths
- 2. Access to AuSable River
- 3. Access to Lake Huron
- 4. Restrooms
- 5. Picnic Pavilions
- 6. Dog Park

- 7. Biking (Biking/Mountain biking/Fat Tire Biking)
- 8. Access to inland lakes
- 9. Playgrounds
- 10. Disc Golf

Figure 3 below, represents a complete list of the responses for this question.

Figure 3 - Additional Recreation Options and Facilities

23) What kind of additional recreation and support facilities are needed in Oscoda Township? Please check all that apply.

Community input survey results from www.oscodasurvey.com between 6/2/16 - 7/24/16. (676 responses)

Finally, respondents were also able to type in an "other" answer to this question. There were 81 additional responses and Table 3 below illustrates those answers.

Responses	Number
Year Round Community Center	11
Fitness Training Equipment	4
Indoor activities/recreation options	4
Pickle Ball Courts	4
Recreation programs	4
Year round sports complex	4
Theme Park	3
Basketball Courts	2
Concession stand at the beach	2
Dog sledding trails	2
Farmers Market	2
Horseback trails/riding	2
Ice skating rink	2
Improve access at Lake Huron	2
Improved skate park	2
More access to Foote Pond	2
Multi-use trail along Cedar Lake Rd	2
Tennis Courts	2
Accessible access at beaches	1
Birding and Wildlife viewing	1
Community Garden	1
Concerts	
Develop Furtaw with courts, playground, and walking path	1
	1
Disc golf	1
Free access to all waterways	1
Free boat launches for Township residents	1
Handicapped accessible beach access Harbor	1
	1
Improve Old Orchard	1
Kayaking/Canoeing/Paddle boarding	1
Maintain facilities	1
Maintain Township parking	1
Maintenance on beach	1
More activities at Lake Huron Park	1
More and improved fishing access	1
More handicapped accessible fishing options	1
Multi-use pavilions	1
Multi-use trail along F41 to downtown	1
Multi-used trail along the river and lake	1
Non-paved nature trails	1
ORV Off Road Park	1
Outdoor meeting center	1
Parks for young kids and teens	1
Seasonal lake activities (rentals, slides, climbing activities)	1
Snowboarding/Skiing	1
Snowmobiles allowed in downtown	1
Splash pad	1
Sporting Clays and Trap Facilities	1
Street hockey	1
Swimming pool	1
Volleyball Nets	1

Goals and Objectives

The Goals and Objectives listed on the following pages were developed by Oscoda Township after considering the public input, demographic factors, other related plans, and determination of need by Township staff and officials. The goals are broad and address general needs, and establish the basis for expanding its programs, and facility objectives. The objectives are measurable results that the community works toward accomplishing.

Goal 1: Continue to provide and improve recreational and support facilities that inspire community pride.

Objective:	Continue to provide a high level of cleanliness and upkeep/maintenance of existing facilities.
Objective:	Improve existing facilities that need improvements or become outdated.
Objective:	Focus on improving access to water at relevant Township Parks.

Goal 2: Continue to preserve, protect, and enhance the variety of water and natural forest resources in Oscoda Township and the recreational opportunities that they provide.

- Objective: Develop strategies for controlling invasive species in the parks.
- Objective: Work with state, and federal agencies to maintain and improve water and shoreline quality.
- Objective: Work with other public recreation providers to coordinate and collaborate woodland and water opportunities and avoid duplication of effort.

Goal 3: Promote and provide diverse recreational opportunities that are functional for a variety of uses and are able to satisfy all age groups and levels of ability.

Objective:	Provide recreational opportunities for people with disabilities. Remove existing barriers to recreation facilities.
Objective:	Add new amenities to Oscoda Township park facilities based upon community input and need.
Objective:	Examine opportunities for increased recreational programming in Oscoda Township. Work with local municipalities, arts and culture organizations, schools, private property owners and service clubs where possible.
Objective:	Create new programs to enhance physical fitness and health.
Objective:	Create programs that provide inter-generational interaction between seniors and youth/preschoolers.
Objective:	Plan for development and construction of expansion of the Oscoda Sports Complex in the Wurtsmith District as outlined in the Outdoor Sports Complex Master Plan with consideration for future updates in the overall plan.
Objective:	Investigate ways to increase motorized pathways and trail development in the Township.
Objective:	Pursue additional funding sources to sustain the maximum use of the Oscoda Community Center.

Goal 4: Create community awareness of Oscoda Township recreational opportunities and promote them to citizens and visitors.

Objective:	Work on website, social media, and develop other online opportunities to communicate with the public about Oscoda Township park facilities and events.
Objective:	Consider other opportunities for advertising and promotion.
Objective:	Utilize Beach Park Kiosk to announce organized activities.
Objective:	Work with Chamber of Commerce and other organizations to help promote recreation opportunities in the Township.

Goal 5: Focus on developing pathway and trail opportunities.

Objective:	Utilize the Non-Motorized Pathway Plan and plan for the projects outlined therein.
Objective:	Continue to pursue the development of the losco Exploration Trail/Iron Belle Trail
Objective:	Link with other organizations to develop Blueways.
Objective:	Plan for future water trails.

Goal 6: Investigate innovative ways to fund implement this plan.

Objective:	Seek grants from the DNR.	

Objective: Seek grants form other entities.

Goal 7: Create mechanisms to maintain positive public relations.

- Objective: Provide regular opportunities for public input.
- Objective: Continue working with and developing partnerships with organizations involved in recreational opportunities.
- Objective: Continue and improve coordination with schools.

Action Items

This Chapter of the plan is the culmination of a comprehensive planning effort that began with the thorough analysis of the needs and desires of the community. With goals and objectives in place, Oscoda Township was able to develop a 5-year action program to work toward accomplishing the goals and objectives. The Action Program details the direction the community wishes to take over the next five years in order to maintain and improve the quality and diversity of area park and recreation opportunities.

Potential projects were assigned a priority of 1 through 5 with 1 being most important and 5 being least important. Each action item relates to one or more of the numbered goals from the previous section. Potential capital improvements described in this Plan have been established not only to provide a framework for decision makers but also to enable the Township to apply for grant funding for these proposed projects.

The project list is not a fixed element and it is neither all-inclusive or exclusive. Future circumstances, especially availability of funding, may change priorities or require reprioritization of items.

The Action Items are listed to correspond to each of the sections in the Goals and Objectives section: Facilities, Programming, Access to Facilities, and Administration and Organization.

The Action Plan for Oscoda Township Parks is shown on the following page.

Financing Potential Improvements

Funding for parks and recreation capital improvements can come from a myriad of local, state, and federal programs. Grant funding is available for parks and recreation projects. However, applicants need to target potential funding agencies and programs very carefully so as to meet

the specific criteria required. Appendix D contains a current listing of programs and agencies that can provide funding for parks and recreation projects.

Table 4 – Action Items

Oscoda Charter Township Recreation Plan Action Plan									
Project	Relates to Goals	Priority							
Oscoda Beach Park									
Resurface basketball courts and update hoops.	1, 3	2							
Additions to fishing pier.	1, 3	3							
Fixture improvements: trash cans, playground, grills, horseshoe, volleyball, install pet waste receptacles, bike racks.	1, 3	1							
Install outdoor shower/foot rinse stations.	1, 3	5							
Bath house improvements/concession stand development/opportunities.	1, 3	2							
Improve entrance with landscaping, possible water feature, gateway to the Beach Park, use landscaping to better define use areas, and parking lot improvements.	1, 2, 3	1							
Pursue grant opportunities for the development of vacant beach front land to the north of existing Township property.	1, 2, 3	1

Develop an on-line reservation and registration system for park facilities	4, 6	3					
Investigate ice skating park	4, 7	4					
Investigate routes and signage for local snowmobile trail.	2, 5	5					

Planning Process

In an effort to provide quality recreational opportunities for its citizens, Oscoda Township has developed this Parks and Recreation Master Plan as a tool to guide the development of recreation facilities over the next five years. This plan represents an ongoing commitment by the Township to establish recreational goals for the community. The plan will also provide Oscoda eligibility for grants from the Department of Natural Resources to assist the Township in reaching its recreational goals.

Oscoda Township contracted with Spicer Group of Saginaw to assist the Board of Trustees with the completion of this plan. Spicer Group consultants met with the staff and the staff and Township officials 2 times during 2016 while working on the plan.

Data was collected about Oscoda Township, including demographics, natural features inventory, and an inventory of the parks and facilities owned and operated by Oscoda. This data was gathered from a number of resources including Township officials, the 2011 Oscoda Township Five year Parks and Recreation Master Plan, the Board of Trustees, and research of aerial images.

Two opportunities for input and participation were provided during the development of this plan, the results of which were described in an earlier section of this plan. Based upon the existing information and the public input, Township staff and the Board of Trustees developed goals for parks and recreation in Oscoda Township. The Board of Trustees also created an action program to accomplish the goals of the plan.

Spicer Group completed a draft recreation plan which was subsequently available for review at the _____, and on the Township's website. The 30-day Notice of Review was published in the _____ on ____. The final opportunity for community input occurred at the advertised public hearing held prior to adoption of the plan, which was held on _____. After this public hearing, the Board of Trustees passed a resolution recommending adoption of the Parks and Recreation Master Plan. Finally, the plan was transmitted to the Township Board for its review. The Board

of Trustees approved a resolution to adopt the recreation plan at the Township Board meeting on _____. Copies of the recreation plan were transmitted to losco County, Eastern Michigan Council of Governments, and the Michigan Department of Natural Resources in _____. Copies of the notification advertisements, the public hearing minutes, and the resolution, are included in Appendix E.

family homes?

11) The Township should plan for the following housing choices

(check all that apply).

Community input survey results from www.oscodasurvey.com between 6/2/16 - 7/24/16. (714 responses) 11) Other (61 responses): The Township should plan for the following housing choices (check all that apply).

Responses

- 1. Not site condos!
- 2. Fix what's already here. Make it more appealing!
- 3. as long as we have Kalitta, we will need affordable housing ASAP
- 4. Motor Home/ RV Camping
- 5. greedy landlords like double z properties llc need to be removed from oscoda
- 6. Custom homes help distinguish our town
- 7. There are houses empty, plan on filling them first
- 8. no more condos
- 9. N/A
- 10. way to many properties for sale, no need to build more housing
- 11. Should get rid of the old trailer homes that are not up to code , fire hazards and blight and do code enforcement and enforce keeping homes and yRds nice even if rented
- 12. None, there are enough empty houses
- 13.
- 14. Allow zonig changes to build small homes
- 15. Enough with this being a old folks town fuck!
- 16. houses with decent size lots
- 17. combination
- 18. None
- 19. The township should stay out of the housing business
- 20. None...there are plenty of empty homes, focus on filling them
- 21. Dog parks.
- 22. rental housing
- 23. SNF
- 24. Oscoda needs more high paying jobs, better schools to drive more families to the area who have money to help stimulate local businesses. We also need new younger board members who understand business development to help grow a community who have a fresher outlook on up-to-date ideas to implement proper growth and stimulation in our local economy.

25.

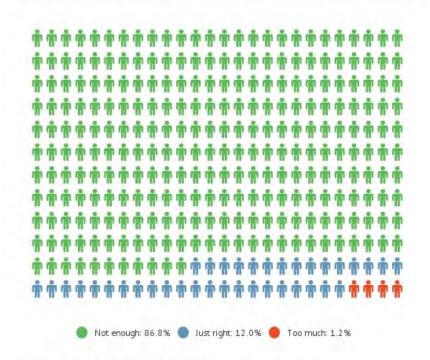

- 26.
- 27. Regular homes, no subdivisions.
- 28. All of these would be nice...if they are affirdable and kept up.....we dont need crime or more rundown areas
- 29. Downtown campground or hotel
- 30. Homes for the homeless
- 31. Single Family homes
- 32. Mixed use downtown
- 33. I don't know what the township base to do with it.

Results of the Oscoda Township Community Survey - July 26, 2016

- 34. rental properties for temp workers
- 35. none, just look at the number of houses for rent or for sale
- 36. Income-based housing and homeless shelters
- 37. very hard to find a 3/bedroom...that will allow pets!!!!
- 38. More camping areas
- 39. ActiveAffordable Senior Housing with recreational access to Lakes, Rivers, Pools and maintenance free. Many wish to remain living independently but the out of door upkeep gets more difficult with age and disabilities.
- 40. Residential home to house those who need good quality housing for new jobs
- 41. Sell the existing inventory of homes already on the market for 2+ years
- 42. No mobile home parks, just look at how the township has allowed Jordanville to become so trashy
- 43. Less government funded housing for the poor
- 44. Tiny Homes or Off Grid Homes allowed
- 45. no mobile home parks, small scale multiple family rental properties
- 46. Single family homes only
- 47. None of the above
- 48. renovate existing opportunities
- 49. None
- 50. none
- 51. Condos
- 52. Improve existing homes
- 53. Single Family Housing
- 54. definetly no mobile home parks the ones we have are nothing but junk holes
- 55. no opinion
- 56. homes for the homeless
- 57. mobile home camping park on beach like Tawas
- 58. demolition of vacant/blighted properties.
- 59. expand trailer-seasonal camp grounds
- 60. RV Park on the beach
- 61. help sell the homes that are for sale now

12) Which describes how you view the amount of commercial

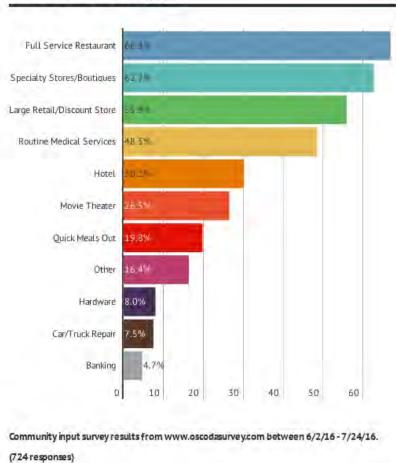

businesses (retail and services) in Oscoda Township?

Community input survey results from www.oscodasurvey.com between 6/2/16 - 7/24/16.

(749 responses)

13) Oscoda Township needs more of the following commercial

services (check all that apply).

13) Other (119 responses): Oscoda Township needs more of the following commercial services (check all that apply).

Word Cloud Summary

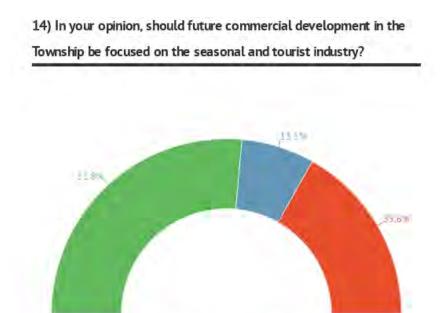

Responses

- 1. Lumber yard
- 2. Sporting goods and clothing stores
- 3. Sporting goods shop
- 4. ER Medical
- 5. Bring Arby's back for God sake
- 6. Mijer, Walmart or something like that.
- 7. Bigger Dairy Queen steak house
- 8. any decent business that would employ residents or bring in tourists
- 9. clothing stores, craft/hobby supply store
- 10. look at tawas and then make it like a tri city
- 11. All of these services would grow to serve the area if township officials would be more open to seeing more growth, and progressive thinking.
- 12. Urgent Care center
- 13. You need all of the above to give residents a constant income and stop depending on the airbase
- 14. Need to be like Tawas
- 15. Drag strip
- 16. Family recreational indoor/outdoor
- 17. dollar tree, home depot, game rooms, rolling skating, more recreational opportunities
- 18. Indoor recreational facilities
- 19. Clothing
- 20.
- 21. Business services copy, printing
- 22. Resturaunt if can hire a qualified chief
- 23. Grocery store
- 24. Our
- 25. A mall, casino, anything this community is full if drugs and hooligans because the town consil doesnt do shit but make this town more and more boring
- 26. Ponderosa
- 27. lumber yard
- 28. Lacks in entertainment, late night food, quality dining (see tawas), and general service places not found here but in alpena
- 29. anthing to foster employeement for current and future generations. Playing to seasonal employment lends to rural poverty and economic instability.
- 30. Any thing for entertainment (Drag strip)
- 31. Something more than a K-mart.
- 32. Big Retail
- 33. Amenties that attract young people aged 20-35
- 34. grocery; bakery
- 35. New and existing businesses need to be self supporting, not propped up with government help
- 36. lumber yard, casino, Costco
- 37. Allergy friendly eating establishments. Gluten free
- 38. Farmers market building and a banquet hall
- 39. A target or meijer
- 40. Entertainment for younger generations
- 41. More things for kids. Indoor roller skating, arcade, go carts
- 42. A mall or something to attract people aside from the beach
- 43. Another Pharmacy
- 44. clothing stores
- 45. College campuses, casino, brewery, festivals to attract large crowds to the area which will help stimulate local business.
- 46. clothing and shoe store
- 47. Coffee shops
- 48. Outdoor stores and home improvement stores
- 49.
- 50. Agricultural tourism
- 51. Just fill all of the empty buildings to attract tourists
- 52. casino';s these are the type of business that will draw new residents and increase our population which will increase our housing demand.

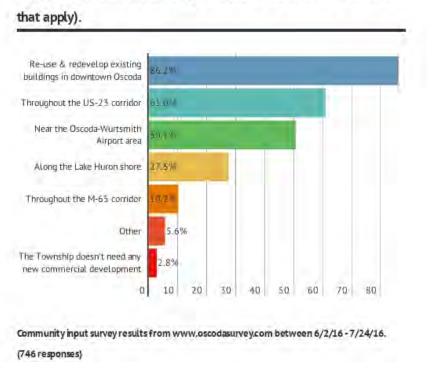

- 53. Things for people age 0-30 to do other than go to the river or bar. We have young children, every weekend we go down state. Nothing to do here for them. The beach park play equipment is in aweful shape to the point that I wont let my children play on it. Look at tawas they have new play equipment that is similar to saginaw. Clean, safe and respectable looking. Try to bring in new business with new ideas other than for the senior citizens. The summer people on a raining day have nothing to do but go to kmart or tawas. Tawas' newman street should be a model for you very inviting and not full of insurance companies and hardwares. On our main stretch on the weekend most everything is closed. Not very walkable or enviting.
- 54. Casino
- 55. ER Medical
- 56. hunting fishing supply stores
- 57. recreational
- 58. entertainment
- 59.
- 60. Shops need to stay open later during tourist season.people want something to do after spending the day on the water or touring.
- 61. Game store (gamestop)
- 62. Casino/hotel
- 63. Campground
- 64. Strip mall/small shops in one Irger building
- 65. There is no pet stores or any stores for any type of electronics
- 66. activity centers (ie. paintball, archery tag, airsoft, go karts...etc as well as more touristy shops
- 67. no more hardwares.... or bars
- 68. Adult Store
- 69. Resort hotels as a draw to vacationers
- 70. ER
- 71. Homeless shelters
- 72. In my opinion, this small town is overrun by chain stores. We get a decent amount of tourists in the summer especially around the holidays. When I go somewhere, I like going places that I wouldn't see or be able to go to at home.
- 73. Doctors, Dentists
- 74. We definitely need a big brand store such as a Meijers or Target that carries all personal and household items to be competitive with pricing with the few choices we have currently. This would bring many jobs to the area also they are needed.
- 75. Lounges/clubs
- 76. Large Box Retail Store (Target, Best Buy, Home Depot, Meijers)
- 77. Small/medium retail shops
- 78. Pet stores
- 79. Wish there was a Trader Joes or a Costco closer...an organic food store would be great too
- 80. Groceries like kroger
- 81. Places to shop with competitive prices so residents can shop local!
- 82. Casino on the Lake Huron shore
- 83. Child/family entertainment, Dog park
- 84. too many vacant properties, get them filled up first!
- 85. A real sports and recreation complex.
- 86. Electronics, Pets, Gaming stores
- 87. ER medical
- 88. Oscoda needs more large employers such a factories, manufacturing plants, or corporate headquarters
- 89. A grocery store that doesn't price gouge the residents and sell outdated food
- 90. A Target or any other big store
- 91. Something for the young kids to do beside go to fire in the woods and drinking ,that what this town has to offer our youngththis town broad needs to think what this has for our kids ,you keep sending all big company out to others town we need jobs here to learn this town we the people need to teach our young to work and get them ready for the world.
- 92. Better shopping choices for home, apparrel, shoes. We currently have very little options for home goods of quality, women's clothing and shoes, trendy shops and nice restaurants.
- 93.
- 94. Family wage jobs
- 95. We need stores that have reasonable prices and aren't price gouging the residents. This goes for groceries, gasoline, restaurants, etc
- 96. Community Center to be open year around like other communities
- 97. Shoe store, bike shop, wild birds unlimited, women's clothing boutique, art gallery for local artists
- 98. Landscape services, grocery store not as expensive as Family Fare, discount retail that is fully stocked
- 99. Quality Clothing Store
- 100. Activities that will draw people to the area.

- 101. Mejjer store
- 102. improved hospital capabilities
- 103. None.
- 104. Need large resort on ausable or Huron to bring in regular crowd
- 105. We need an oscoda version of tawas's ben Franklin. Something that has a bit of everything and is a destination in itself.
- 106. urgent care
- 107. Oscoda is getting boring! Need development! Need things to do! There is nothing to do in Oscoda! There is no shopping and no competition to keep prices competitive! Give people a reason to come to Oscoda! I go to Tawas for restaurants and shopping! I love Neimans grocery store! Put one in Oscoda! Family Fare is aweful!
- 108. casino or race track on base sight some thing to bring people in from out of town or how about drag boat races on vanetten lake
- 109. none
- 110. art gallery
- 111.
- 112. We need something stable (a year round business) that will bring professionals in like a hospital or medical center of some sort
- 113. Retail; clothing, shoes, housewares, etc.
- 114. Would be nice to support movie theater, we have stores close because no younger people come in. Keep them going- Great Northern Books-latest example!
- 115. Dry Cleaners
- 116. Modern, clean, updated motels. We only have one.
- 117. Availability to medical doctors NOT physician assistants.
- 118. Donut/Coffee shop
- 119. bakery/coffee shop downtown

Agree/Strongly Agree No Opinion Disagree/Strongly Disagree Community input survey results from www.oscodasurvey.com between 6/2/16 - 7/24/16. (746 responses)

15) Future commercial development should be located: (check all

15) Other (42 responses): Future commercial development should be located: (check all that apply).

Word Cloud Summary

Responses

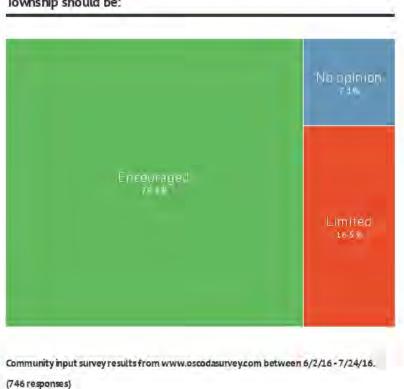

- 1. Very nice beach, should either extend existing or develop new with shops near the area for tourists, focusing on pristine beaches, restaurants with beach side dining. fix bottleneck on 23 @ river
- 2. On the wurtsmith property.
- 3. Property owners downtown need to put more effort in their property appearance and stop thinking the township needs to do it for them.
- 4. NO development on the beach!!
- 5. redevelopment south of bridge and north of River Rd (23 corridor)
- 6. develop the entire town
- 7. Older building should be removed, so new building / opportunities may be built. Many new codes have changed the construction industry.
- 8. Up F41 towards the base
- 9. down river road, similar to the Tawas area
- 10. Need to tear down old building build new... drive though town all ready 50 building empty... and up 41 pretty sad..
- 11. Need to be seen fron US 23 traffic
- 12. Need to focus around beach development. More middle class summer rentals for tourists. More volleyball nets at the beach, remove skate park and add nice basketball courts and more volleyball nets. Or move volleyball nets to the actual beach where people can have easier access to other people for pick up games.
- 13. Keep commercial development away from the lake shore, it just takes away from the natural beauty. Look at Tawas with a McDonalds and Walmart over looking the lake, it looks cheap and tacky- a huge waste of a direct visual of the lake.
- 14. put the farmers market in empty lot by Oscoda city beach.
- 15. Just make it proper commercial development. Stores, children museums, coffee shops, play parks, not car repair, hair salons, and hardwares.
- 16. Use the base

17.

- 18. The AuSable River should be utilized also
- 19. We need a year round rec center.
- 20. why waste money when buildings are there....some just need a facelift
- 21. We have a lot of empty buildings. Let's pretty them up and use them!
- 22. Reuse would require plans that have buildings meeting design codes that have similar architect.
- 23. Checkout redevelopment efforts of Port Huron, St. Clair, Marine City, Algonac, all on waterfronts.
- 24. Nicest beach around and used to 5 % of potental
- 25. so many abandon buildings..... let's do something with them!!!!
- 26. F41
- 27. Fill the empty storefronts that we have but consider a nice strip mall near or on the base.
- 28. You can't use the Lake Huron shore are as there is housing there now

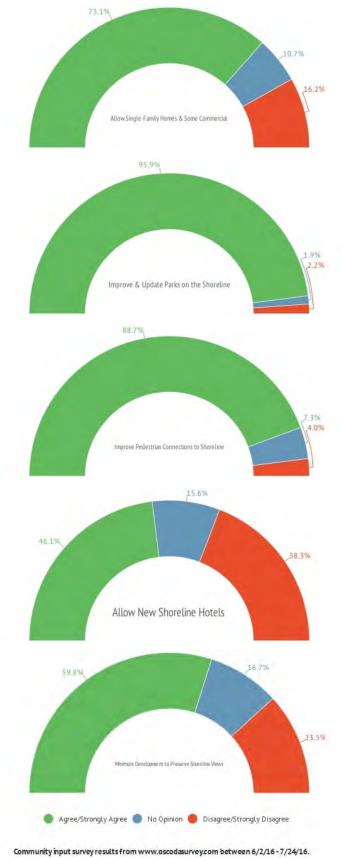

- 29. The many empty buildings in Iscoda are a true eye sore. They should be torn down if no one interested in utilizing them for business purpose
- 30. Need some more tree lined streets downtown and parks like rotary park. Why not put a sidewalk around Burshaw Park and light it for walkers to use. Add some benches and flowers. Not everyone walks the beach.
- 31. On the old WAFB. Maybe the township should have a new convention facility there. Industrial development on the old WAFB
- 32. Oscoda is beginning to look like a Ghost Town with all of their old and empty buildings! Reuse, fix them up, and make them look nice!
- 33. Along Ausable riverv
- 34.
- 35. should restore downtown parking on US23 for downtown business (min one side north or south side parking) a lso US23 should be divided for north /south traffic using Lake st for north traffic
- 36. Too many empty buildings downtown--looks very bad
- 37. A nice restaurant with a lake view
- 38. Some of our downtown needs to be leveled! But, would it be rebuilt?
- 39. Pack House-redevelop and open
- 40. Open some type of "quick stop" shop in/on Village of Oscoda.
- 41. Oscoda needs a harbor.
- 42. At the airport. A large department store to here easy access on US-41.

16) Looking to the future, industrial development in Oscoda

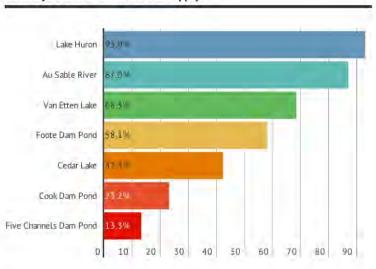

Township should be:

17) Currently, the Lake Huron shoreline in Oscoda Township contains a mix of single-family residences, parks, and some commercial. Please indicate your opinion about the following statements regarding shoreline land use.

(725 responses)

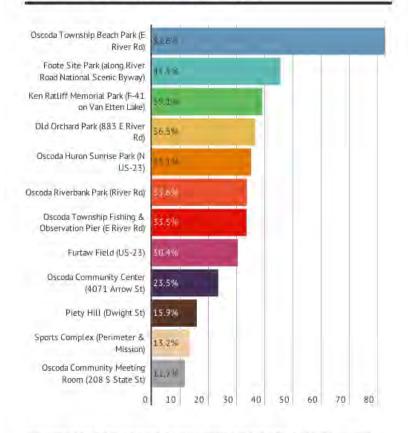

18) Which of the following bodies of water have you visited

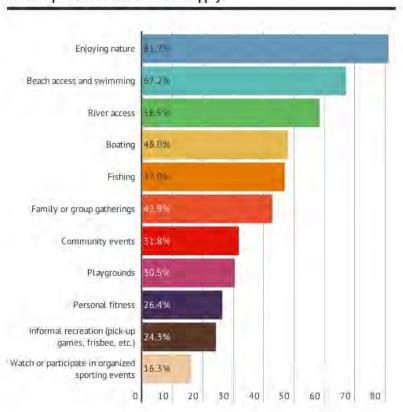

recently? Please check all that apply.

Community input survey results from www.oscodasurvey.com between 6/2/16 - 7/24/16. (724 responses)

19) Which of the following Oscoda Township properties have you visited recently? Please check all that apply.

Community input survey results from www.oscodasurvey.com between 6/2/16 - 7/24/16. (690 responses)

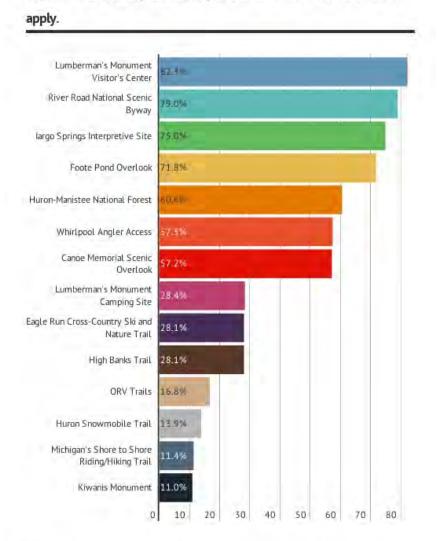

20) Why do you visit public parks or recreational facilities in the

Township? Please check all that apply.

Community input survey results from www.oscodasurvey.com between 6/2/16-7/24/16.

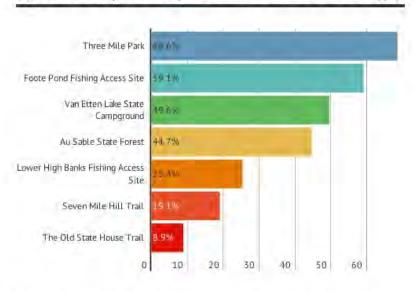

(711 responses)

21) Which National parks have you visited? Please check all that

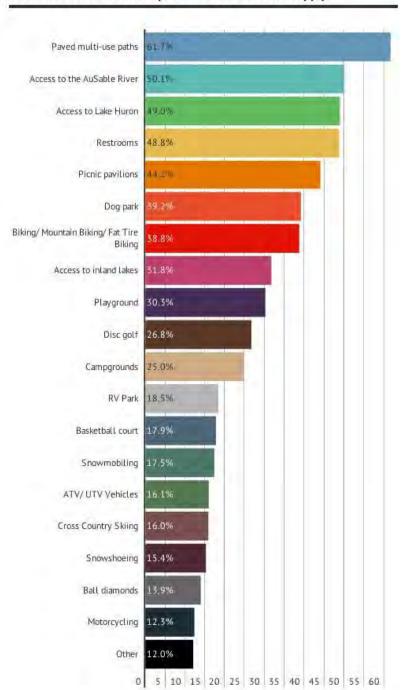

Community input survey results from www.oscodasurvey.com between 6/2/16 - 7/24/16.

(691 responses)

22) Which State parks have you visited? Please check all that apply.

Community input survey results from www.oscodzsurvey.com between 6/2/16 - 7/24/16. (570 responses)

23) What kind of additional recreation and support facilities are

needed in Oscoda Township? Please check all that apply.

(676 responses)

23) Other (81 responses): What kind of additional recreation and support facilities are needed in Oscoda Township? Please check all that apply.

Word Cloud Summary

Responses

- 1. Keep the Community Center open year around. Limited hours in the summer.
- 2. Open OCC all year round
- 3. Indoor and Outdoor Pickleball Courts, Basketball and Fitness Training Equipment. Year round community center access is a must!
- 4. Need recreation park for our young kids and teens
- 5. activities that can be done indoors in case of bad weather
- 6. wheelchair access to township beach and other points
- 7. If you develop an Off road park similar to a Bundy Hill Jerome Mi or Rocks and Valley in Harrison mi you would encourage tourism also
- 8. We need to think tourist! This brings money in. Whatever happened to allowing snowmobiles up town? When tourists come to the north to ride their snowmobiles they don't want to walk the town they want to ride. I also think everything in Oscoda is to far spread out. Start with one area and expand outwards. Like the center of town from Lake Huron access down River Rd.
- 9. Year round indoor recreation facilities
- 10. N/A
- 11. Horseback trails
- 12. disc golf is a MUST!!!!!!
- 13. Need more access to Foote pond
- 14.
- 15. Activities at Lake Huron park... Kayak, paddle boards, etc
- 16. Outdoor meeting center. By that I mean a nice open space with the items used for a meeting such as: tables, chairs, trash cans etc.
- 17. Volleyball nets and year round sports complex
- 18. Snowboarding/skiing
- 19. Building a skatepark worth coming too. This beach continues to be an eyesore.
- 20. Tennis courts!!
- 21. Public tennis courts, free boat launches/discontinue twp fees
- 22. Theme parks. Stores. Mall.
- 23. FREE ACCESS TO ALL WATERWAYS .
- 24. Nothing additional is needed.

- 25. More boat launches at the Footesite launch
- 26. Fitness events like tough mudders, color run, etc
- 27. Dog sledding trails
- 28. Community Garden
- 29. year round upgraded community center w/classes, swimming pool
- 30. Any new ideas
- 31. non paved nature paths

32.

- 33. more handycap fishing sites
- 34. Year round rec center for basketball pickle ball exercise classes.
- 35. how about you take some of the land on the old base and make a amusement park. the one major thing that town is missing is stuff to do for the younger generations. not to mention it will create jobs and bring in more tourist. but then again you all had the chance back years ago but decided to keep it a retirement town. your loss. which is why people cant wait to move out of oscoda.
- 36. a better skatepark for a-dults
- 37. I have no time to visit crap in this town
- 38. A place where amusement rides could run at least through the late Spring, Summer and early Fall would do well, a water park with a slide and splash pad for children, roller and ice skating rink, mini race car track for families such as the park they have in Alpena, a nicer movie theater.
- 39. Year round community center
- 40. Utilize Furtaw for a playground area, basketball courts, pickleball/tennis courts, paved walking path around the perimeter etc. There is plenty of space and it is wasted at this point.
- 41. Horse back riding
- 42. Seasonal lake activities like sun chair rentals, water slide and climbing activities on the water and a small outdoor food shake with good and spirit's!
- 43. Ice skating park and groomed sled hill
- 44. New exercise equipment at the community center
- 45. Beachfront RV overnight, developed, sights. Lakefront bar/dining, refreshment facilities at the pier.
- 46. better marked township parking that is maintained
- 47. have more than enough facilities, just maintain what you have!
- 48. More indoor and outdoor Pickleball courts
- 49. Year round access to indoor recreational center (OCC)
- 50. Year-round community center and places for more community-based commerce (farmer's market)
- 51. Dog sledding trails
- 52. Improve old orchard
- 53. A multi-use paved path/trail along the river or lake would be ideal
- 54. Three mile park need away for the local to get down and people in wheel chair can't even get down to see and feel the water.
- 55. Fitness Parks
- 56. Birding and wildlife viewing access
- 57. street hockey
- 58. community center should be open in summer when the populations quadruples. make no sense that it isn't
- 59. Health/Recreation center programs and promotion!
- 60. Pickle ball courts
- 61. Your pavillions should be multi-use. Large enough for gatherings...family or class reunions....with surfaces that encourage recreation that is protected from weather.
- 62. Outdoor Yoga, Private Yoga Studios, Concerts, Farm Markets
- 63. Indoor recreation area in the summer
- 64. Community Center to be open year around like Hale and Tawas
- 65. To have the receipt center on the Base open all year round.
- 66. Summer indoor recreational opportunities
- 67. Indoor basketball
- 68. None
- 69. Fishing and fishing sites need to be improved. Fishing brought my family up here 60 years ago.
- 70. sporting clays, trap facilities
- 71. Bike/Foot Path along F41 from county line to downtown
- 72.
- 73. Make people want to come to Oscoda! By improving Oscoda, people will want to visit Oscoda! There will be more businesses which will generate more TAX dollars for Oscoda! We have very little in Oscoda! There is not much of a reason to come to Oscoda! Not much to do!
- 74. winter sports complex

- 75. community center open year round
- 76. Would greatly like a bike/hike trail on Cedar Lake Road--cars whizz by at 55 mph and we take our life in our hands!!
- 77. Extended access to OCC!
- 78. Safer access to lake huron.
- 79. Improve Lake Huron access. Build a harbor. Enlarge historical museum.

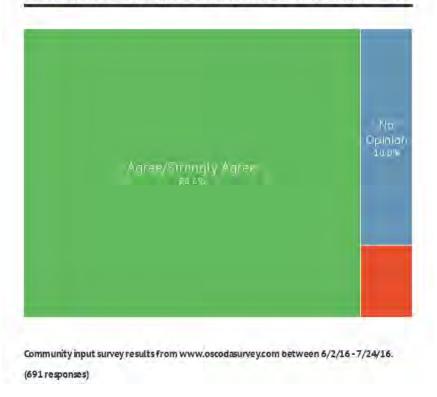

80.

81. Pickleball

24) I support the development of the Iron Belle/Iosco Exploration Trail which will extend from River Bank Park and generally follow the River Road Scenic Byway and M-65 to Hale.

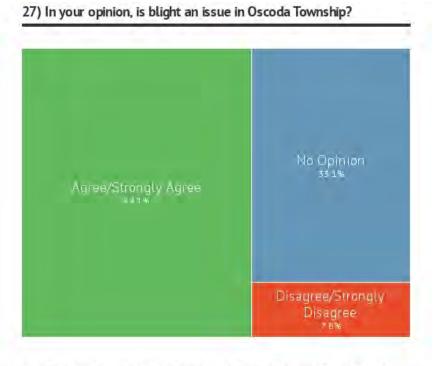

Community input survey results from www.oscodasurvey.com between 6/2/16 - 7/24/16. (702 responses)

25) I support the development of a year-round Community Center.

26) How important are the following issues to you?

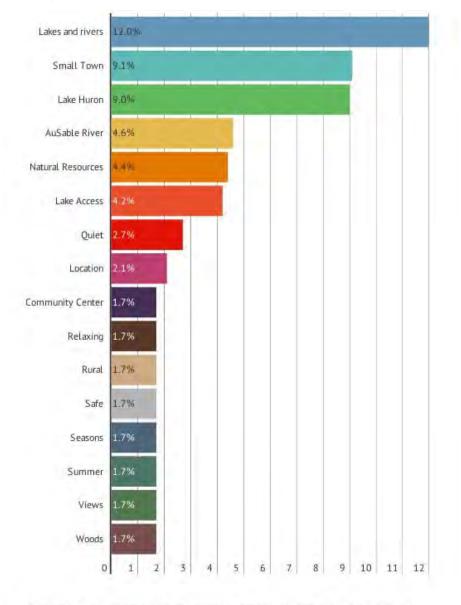

Community input survey results from www.oscodasurvey.com between 6/2/16 - 7/24/16.

(685 responses)

28) What do you like best about Oscoda Township? (509 Responses)

Summary of Top Ideas

Community input survey results from www.oscodasurvey.com between 6/2/16 - 7/24/16.

Responses

1.	I live on Lake Huron and love it. I am retired and have met many great people at the Community Center. I could not live here in the winter without the Community Center. It is a great asset to the township but the township does very little to promote it.
2.	We love living on Lake Huron, where I grew up as a child in the summers. Like the slow pace and the friendly people here. Love walking the beach and swimming.
	The Community Center and the Library are very important to me. I cannot imagine living here without them, especially in the winter. We get much needed exercise at the community center and meet and share time with friends there. It helps us stay healthy, physically and mentally.
	The library is a welcoming place for readers as well as housing several groups I belong to. The staff is excellent.
3.	Fire protection, First Responders, Police protection are all top notch. Natural resources and access to them are great.
4.	Scenery & lakes.

5.	Lakes & scenery.
6.	The National Forrest and scenic over looks. The beach and Thursday night concerts.
7.	Friendly community, special events like the light parade, Lake
0	Huron shoreline. Scenic views and the water.
8.	
9.	The abundance of natural beauty with good friends and neighbors.
10.	The people, the service clubs, the beauty of the natural resources the friendly giving people
11.	Nature, Canoeing, the Lakes-Huron, Van Etten, The AuSable River, fishing. The beauty is astounding!
12.	Lakes and river. Still small town atmosphere.
13.	River Rd beach is the best around, ausable river always has been amazing, lots of aquatic beauty
14.	The access to woods and water.
15.	sunrises at the beach.
16.	It's home
17.	It's not too big, but need to grow a little more.
	In the survey you missed having an option of having visited Loud Pond. I have been there recently also.
18.	Small town feel
19.	Lakes & River
20.	The water access:)
21.	The natural resourcesriver, inland lakes and beautiful, sandy Lake Huron beaches. Also the being near the senic rolling
00	countryside just to our north.
22. 23.	I think we have done a nice job improving the 23 downtown area. Water
23. 24.	The natural beauty of the Ausable River and the lakes.
24.	The natural beauty, friendliness, access to parks, river, forest.; visibility of lake Huron along U.S.23
20.	היה המנמים שטמנץ, היסרמוריסט, מטטטט נס צמרוס, חיסר, וסרסנג, יוסוטוונץ טרומוכ דומוטוד מוטוץ ט.ט.בט
	There are many activities, various interest groups that are welcoming-; SSLL has been a big asset to the community and
	area
26.	The small town, community feel. The hard work put into the community by different organizations to keep the town
	looking nice.
27.	Lake Huron: relaxed atmosphere and access to clean beaches! Ease of finding dining and shopping.
28.	Great place to raise a family, however, drugs are rampant in our community and the police seem to turn a blind eye to
29.	what they KNOW is happening. Get this CRAP out of our homes and community. I like the small town feel.
29. 30.	born and raised here its in my bloodfamily
31.	This is home My roots are in this area, and I will always have this connection here, but over the past decade I have
51.	been discouraged at how little the township has progressed. There seems to be an ongoing problem with making Oscoda
	a community where people want to settle, start a business, and thrive. The downtown development is a sad site of empty
	store fronts, and inconsistent look and upkeep of business store fronts.
	When I see other towns to the north and south of Oscoda and the renewal and development going on it makes me
	wonder why there isn't more that our township officials are doing to make this area and our amazing natural resources a place where people want to visit and live.
32.	The feel of community from people in town. The foliage improvements to the central town area. The drive for more
52.	improvement from local business owners.
33.	Being so close to nature
34.	The overall beauty of Oscoda Township is grand. The beautification teams around Oscoda bring a pride to the US 24
	corridor to enhance its beauty.
35.	Lake Huron
36.	We have access to a river, a great lake, and inland lakes. Down town beach is beautiful please don't put any kind of
0-	camping there
37.	Access to Lake Huron & the AuSable River
38.	I have been coming up here since I was a child. Have lived her 3 separate times. Just love the community.
39.	I loved living there thru high school in the late 90's. But the reliance on the airbase is to heavy. Not enough other
40.	economic advantages for the average person to raise a family and stay in the area, Great place to live.
40.	Old Orchard Park Campground.
41.	The small community! atmosphere! Great fire and Police protection! My family has always felt safe in this town of Oscoda!
43.	I love the community and abundance of lakes, rivers, woods, etc.
44.	The peaceful life here.
	•
45.	It's location and beauty.
46.	Friendliness of people.
47.	I like the people, the beautiful natural environment, lakes, rivers, the community center, feeling of community, the schools.
48.	Lake Huron with the beautiful sandy beaches
49.	The Lakes and AuSable River
50.	The Lakes and AuSable River Small town feel but you need places to bring people back.
50. 51.	The Lakes and AuSable River Small town feel but you need places to bring people back. It's up north and less busier or chaotic than E Tawas and Alpena
50. 51. 52.	The Lakes and AuSable River Small town feel but you need places to bring people back. It's up north and less busier or chaotic than E Tawas and Alpena Beach, river, people
50. 51.	The Lakes and AuSable River Small town feel but you need places to bring people back. It's up north and less busier or chaotic than E Tawas and Alpena

55.	Oscoda is a beautiful place. I think we are behind the times. We have beautiful Rivers and a great Lake. So much potential. What good is a lovely sign if we have nothing to offer that the town people and tourist want? What is there for young ones to do? We have a skate park which is a step in the right direction. Add to it.
56.	I love the water! The river, the lakes. I love to go and be able to go to a park and be able to be by the water with little trouble to do so.
57.	I love the lakes, river, access to outdoor venues. I wish I didn't have to run to Tawas for shopping.
58.	The natural sites
59.	The quiet life
60.	Small town atmosphere. Lake Huron beaches. Ausable River. Concerts at the beach. Outdoor recreation
61.	It's a quaint community. LOVE the rivers and lakes. Lots of nature to experience.
62. 63.	It is a family orientated community. Lake Huron and the Au Sable River are by far our best attributes and need to be treasured and used even more than they
	are now.
64. 65.	nature, water access The area is awesome in the summertime! So much to do and it's a great place for families to live and visit!
66.	I love Oscoda. I raised my children here and it will always be home. The natural beauty and outdoor opportunity it offers is
67.	amazing I love the Beaches and all the Bike trails and the Campsites. The People who Live here. Its a great place to live. But there
69	needs to be more careers to keep people up here. Beach rivers
68. 69.	The hometown feel and the water
70.	Small rural town, surrounded by natural beauty.
71.	It is a peaceful town. I have been here over 30 years, love Oscoda.
72.	scenic rivers
73.	Location
74.	River lakes
75.	Oscoda is a wonderful place to raise a family. We have so many assets - the AuSable River, Lake Huron, extensive trail systems, a great location; these are just a few examples. My family loves it here!
76.	Environment, lakes
77.	Desi's
78.	The nature and citizens Need to grow for employment si we can keep families here .
79.	I like the small town feel, I grew up going to Oscoda schools. I like how people are down to earth and willing to help each other.
80.	Very quite and friendly peoplem
81. 82.	Up north small town atmosphere. The water
83.	The small town feel and the people.
84.	I like the year round fishing and wish some issues on the AuSable river would be addressed.
85.	Close to family, access to fishing, boating and Orv activities.
86.	The beach
87.	It's home
88.	Lake Huronbeing the sunrise side !
89.	Lakes and rivers
90.	Oscoda township brings a sense of peace, harmony, and all around a great day everyday. As I have previously stated I've lived here my entire 21 years of life and I plan to always have a home In This town.
91.	The nature and access to the shoreline.
92. 93.	The small town atmosphere. The people, for the most part are friendly to one another. Lakes, river, and beach. I love taking my boat out and floating down the river.
93. 94.	I love that it is my escape away from home, and a nice place to visit family. We love that there are many things to do and all are family friendly.
95.	It's a beautiful place for all outdoor activities.
96.	Natural surroundings
97.	The woods and water. Small town living filled with great people.
98.	I like the access to Lake Huron and the Ausable River.
99.	
100.	Quiet & low traffic(most of the time!
101. 102.	The river and lake view. Wild life. The fishing is good here. Natural resources and sense of community
102.	Small town life. 2 street lights!
103.	Fresh water
105.	I love the beach.
106.	The nature, the small-town feel.
107.	River
108.	We love living here because of the friendly atmosphere. As we continue to grow here in this lovely town, we notice the younger generation is vastly decreasing. Which means population and development is limited. Township needs to add variety to our little Nook we call home. Let people be proud to come from Oscoda, Mi!
109.	The beautiful beaches and rivers!
110.	Nature
111.	The small town feel, four seasons, family, work
-	

112.	Concerts in the park. The streets decorations flowers and side walks look great.
113.	Scenic overlooks, close knit community
114.	I like the area and how everything natural is preserved and how many options of bodies of water there are.
115.	Everyone is connected in some way and I always feel like home. Even when I'm gone for 6 months.
116.	Small town feel
117.	Location - access to woods, Lake Huron, and the Ausable River
118.	There are a lot of beautiful things here.
119.	The beauty of our forests, the AuSable River, inland lakes, and Lake Huron are Michigan's best kept secret. The majority
110.	of citizens are caring and friendly.
120.	Where I live is nice right on the lake Huron
121.	Small town feeling. Laid back and relaxing.
121.	Friendly residents, ease of getting around town, forward thinking township officials.
122.	
123.	The community but it is slowly turning into just a retirement home. Elder people don't want to see the town turn into anything bigger they want it to be a calm place they can Retire in. This is cool but for the future and anyone else that plans to live here you're setting them up for failure. there are few jobs you can get here that require a college degree. Prep yourself to work in a shop or talking on the phone all day.
124.	l love our beach
125.	I have grown up here and have chosen to raise my family here. When you look to the tawas area and Alpena they just seem to have something that we don't. Our family travels to both of these communities just to hang out for a day. I think that Oscoda has more to offer than both of these communities as far as outdoor and tourism but we just can't seem how to use it.
126.	The nature and serenity found throughout
127.	Downtown beach, Three Mile, Community Center,
128.	The natural resources of the area
129.	Small town aspect.
130.	Community & Beauty
131.	Small community, safety, family friendly
132.	My friends here
152.	my mones note
133.	not much
134.	downtown area is inviting even w it so many empty storefronts
135.	The community
136.	Small town feelingfriendly people
137.	The beauty that I get to call home, the wonderful people.
138.	The water, fishing and beaches.
139.	The beach.
140.	It was an excellent place to grow up as a kid with access to many different venues for outdoor recreation. Now it is a great place to vacation, for outdoor activites.
141.	The fact that I will probably not live long enough to see this community be further ruined by the politicians .
142.	Small town, rural, mostly safe place to live, raise a family and/or visit. Friendly people. Nature and wildlife.
143.	Everything you need is in a fare distance and you have a good safe area for a family and children.
144.	The relaxed beauty, access to many natural attractions, not as uppity feeling as Tawas.
145.	Nature
146.	I love the peaceful, community feeling. The river and lake are major assets to our community and need to be protected.
147.	Everything about Oscoda in the summer is great, winters can be very boring.
148.	It's a calm, quiet community that you can feel comfortable living in, and is a beautiful place to live.
149.	opportunity for improvement
150.	the accessibility to Lake Huron and the AuSable River
151.	Nature, nothing much else.
152.	River, Lakes, beach park, camping, low crime, and natural scenic beauty.
153.	The Beach
154.	I like the nature to be able to go out enjoy the beach and playgrounds with my kids on warm days I love to be able to take a short walk in the woods and teach my kids the good and the bad
155.	Located on the shores of Lake Huron.
156.	Surrounded by beautiful scenery and friendly, helpful people
157.	It's Home
158.	It's charm, Great schools , close community.
150.	The large amounts of nature that can be accessed in Oscoda is its best characteristic.
160.	I love the lake and downtown park, but feel the park has not been kept up. The table, play equipment, etc., aren't in good shape. The park usually looks dirty and neglected. The beach is a very strong asset for Oscoda, yet at any given time you can find far too many dogs w/o leashes running and pooping near very small children. The grass should be watered and maintained. The downtown area also is shabby. When you drive into town everything is either beige (ugh), and a pukey green shade.
	The little plants way high on the poles are really not attractive. Incentives (money & supplies) should be given the merchants to try to maintain and spruce up their buildings. I especially like the community (people), but NOT the elected officials who keep their heads in the sand.

161.	The natural beauty of the area. Having the tourist season allows for many of the seasonal businesses to thrive and yet we
160	still have the off season for the peace, solitude and serenity that comes with living in northern Michigan.
162.	The lake and the opportunities that we can make Oscoda out to be Beautiful lake Huron beachesAuSable river overlooks
163. 164.	The nature
164.	
165.	The scenery and nature. Four Seasons, woods and lakes
167.	l love the small town feel.
168.	camp nissokone
169.	Home to me but think we need some change.
170.	Nothing
171.	Close knit people, the beauty it has to offer.
172.	The lakes, we need more stores.
173.	The ausable access for fishing tubing and kayaking.
174.	Access to water and nature
175.	the lakes
176.	The beauty, the beach, the sun rises
177.	Down town and school
178.	Nature
179.	I like that people can easily get to places when needed. Everyone knows each other and helps others. It's a family oriented town.
180.	All the nature around us.
181.	I enjoy the outdoor activities.
182.	I like that so many people come up here to visit during the summer because we have one of the greatest lakes; and we
	get to call this place home. Unfortunately some people take it for granted because there's not a whole lot to do but one
400	day they'll realize there wasn't anything to complain about.
183.	I like the natural beauty and access to river, beach, and lakes.
184. 185.	The people! I like the endless amount of water access. Me being a huge fisher, I love the bodies of water we are near.
186.	Oscoda is beautiful, I love coming up here to relax. The fish is fantastic and the beaches are amazing.
187.	The river, lakes and beach.
188.	Where old friends and family meet and play on the water or in the beautiful woods
189.	People
	Atmosphere
190.	The outdoors
190. 191.	The outdoors Nature is outside your door
	The outdoors
191.	The outdoors Nature is outside your door Love watching sunrises and sunsets at our scenic and beach areas The beauty in our area is amazing. We need some unique shops so visitors have places to visit. See small town Harbor Spings. Beauty combined with small town town

Natural resources I has everything you need, beautiful little town, amazing views, amazing people, lakes, rivers, great fishing and hunting, food, bars, beaches. It's perfect The people and lake huron. That I can go boating and fishing I't's home. My family has been her for 65+ years The people are the greatest, the natural resources are the best in the state, the township services (police and fire) are great. The service clubs are well organized and community involvement is great. Beaches and parks Nature. Downtown Oscoda. It's such a beautiful place that deserves some more recognition and improvement. Lake Huron Sunrises and being close to nature The natural environment.

216.	Lake Huron
	Canoeing
	Tait's Bill of Fare
	Bike Night in Dwight
	Upgrades of in town park and pier
217.	the rural feel of the area
217.	I like the water and all of the scenic trails and access we have.
210.	People
220.	community, safety, and the water.
221.	the beautiful nature and lakes.
222.	Small town easy to get anywhere.
223.	Small town living
224.	The people of Oscoda Township are full of life and ideals.
	The nature is very beautiful yet subtle at the same time.
225.	Noture
	Nature I like the climate here and the access to the area's natural amenities.
226. 227.	Small town, with great natural resources
227.	That it was where I grew up and is a good memory of what it use to be!
229.	Lakes and rivers.
230.	I love that you can walk 15-20min from anywhere and hit water or forest. The natural beauty of this land is something you
200.	rarely find these days (and I've lived all over the world)
231.	Friendliness of people
	Affordability of housing
	Proximity to the Tawases
	Places to bike and walk on base
	Library Volunteer first responders
	911 service & fire department
232.	I love the fact that Oscoda is a community where everyone knows everyone. Small and personal is what I loved most
	about it. The town has beautiful scenery as well as a great area for tubing get togethers.
233.	The cheap housing for everyone on welfare.
234.	It is a wonderful rural community.
235.	I can relax
236.	We have lived here full time for 6 years, but have been seasonal visitors for over 40 years. As residents we love the
	people in our community. We love the small town feel, the gorgeous beaches and waterways. As seasonal visitors, we
	camped at Old Orchard park and now all of our 4 children and grandchildren camp also. There is no other place on earth that touches our hearts like the AuSable and the Pond.
237.	The water choices, the natural enviroment.
237.	People are friendly
239.	Natural resources, especially the AuSable River, and the beautiful sandy beaches on Lake Huron.
240.	We are a community! It is peaceful. Great scenary.
241.	The easy access to Lake Huron and the Ausable River.
242.	Being able to raise my kids in the same town I was raised in we love the beach by far we have one of the best beaches in
	this state
243.	low crime
244.	People in the community are great I like all the outdoor year round I would like the rec center year round with pickle ball
	indoors And paved bike trail on river road Sports activities will bring people in money to the town
245.	Being "up north"
246.	The fact that I don't live there anymore. Before the base closed it was a very nice thriving town. But since then it has
247.	because a hole in the map. Old orchard park
247.	I love the beaches and being able to go swimming anytime during the summer, or being able to tube down the river
240.	whenever.
249.	The surrounding areas of forestry the fishing and camping ,need more areas of those, the friendly people and bunnies and
	owner's.
250.	The views.
251.	Beachpiersmall town.
L	
252.	The beach. Great Emergency services. Nice community.
253.	It's my home
254.	I love that I am so close to nature and that there isn't blight. We don't have alot here but that is okay with me. We have
255.	what God put here. The ausable river
255. 256.	There is a lot of focus on summer recreational options in the community.
256.	Beach, community center
257.	I love that it's not a huge city.
259.	The scenery
260.	Everything is local and easy to get to and it's a beautiful community.
-	

261.	It's beautiful year round natural recreational area. Friendliness of the people and helpfulness of the community as a whole.
262.	The people
263.	River access lake access
264.	Lake Huron access, a ausable mouth access, foote and Cooke ponds
265.	Van Etten Lake, The pier and beach park, concerts in the park the splash pad for kids
266.	Slow paced , easy going town.
267.	Small quant town. A breakaway from the down state hustle bustle.
268. 269.	I like living in a rural area. The small town vibe
269. 270.	The beach.
270.	I don't like anything about oscoda
272.	River and lakes
273.	1. Beaches, although this year I felt Huron beaches had a lot of weeds and looked unkept on Memorial Day.
	2. Fresh air.
	3. Large trees and our history with the lumbering industry.
274.	We love the low key not fancy lifestyle. Very relaxing and an easy drive from downstate.
275. 276.	Available natural resources. Nothing theres nothing here that is good all it has is nothing
270.	We are a beautiful town, and everybody knows everybody. We're kind of like one big family.
278.	The vast opportunity to do and see so many different things.
279.	The Beach
280.	The Environment (Woods & Water) & the People (sense of community).
281.	I like that Oscoda is a friendly place where everybody knows you.
282.	The natural surroundings, lakes, rivers, beauty of the land.
283.	Splash pad
284. 285.	Lake huron access Oscoda is beautiful in the summertime and I was able to get a very inexpensive summer home due to the poor economic
200.	conditions in Oscoda. There has been no development to speak of since the Base closed and the businesses that have
	come on the base have been too few. What a waste for that base to be this dilapidated. It makes me sad. I go to Tawas
	and Harrisville and they are thriving on summer tourism and Oscoda has not done anything to promote Tourism. It makes
	me sad to see the lack of progress and the lack of motivation and vision with the township. Oscoda has so much potential to thrive and be an actual destination town, rather than the place you go because you couldn't get a room in Tawas or
	to thrive and be an actual destination town, rather than the place you go because you couldn't get a room in Tawas or Harrisville.
286.	to thrive and be an actual destination town, rather than the place you go because you couldn't get a room in Tawas or
286. 287.	to thrive and be an actual destination town, rather than the place you go because you couldn't get a room in Tawas or Harrisville. The nature in all seasons, the slower pace of life. Four seasons - however the trail system for both ATV/Snowmobiles are limited access unless it trailered. I believe that

	The DDA directed is hot too!
311.	We have sugar sand beaches and access to the ausable river. Can be created into a great destination location.
312.	Outdoors recreation
313.	Small community
314.	Beautiful area lots of areas for growth. Nicest river system and beach in Northern MI.
315.	The people
316.	Very nice place to live, quiet and nice for retirees.
317.	People and nature
318.	It's where I was born and raised, the beauty is amazing, I love bringing my children to experience all the natural beauty.
510.	plan to someday retire there. It will always be my home.
319.	It's a peaceful area and a great place to raise children.
320.	Its laid back
321.	Natural features - lakes, river, forests
322.	It's not highly commercialized and has a naturistic feel. A place to retreat from the city and unwind.
323.	This township is blessed with natural beauty and everyone, from township board members to elderly retirees and
	everyone in between, expresses their love of this beauty.
	Quality of Living is what you get as a "reward" for moving into this area, and we cannot expect to keep this "a secret".
	When they come (and they will), let's welcome them the way my wife and I have been welcomed!
324.	I like that my way of life is a bit slower here. It's a beautiful town with so much to offer.
325.	I like that it's a town that hasn't really changed over 30yrs but that is a detriment in today's world. Small town, light traffic and our people are friendly. I like being next to the big lake and all of the recreational activities.
326.	quiet and safe living.
326. 327.	There is a lot of nature. And most commercial and recreation is focused around downtown, and easily accessible by foot
521.	(as long as you live in the area)
328.	Naturepeople
329.	It's a small town feel, but we don't have any real draws (bring money to area) and sometimes people want a few more
	conveniences. So we also feel like we are slowly fizzing out.
330.	beach AuSable river
331.	Nature
332.	The friendleness.
333.	Small relaxed environment. I'm from a small town so this a great place.
334.	Peaceful, good amount of police for safety. Scenic areas are great as well. The dollar stores.
335.	Lakes and river access
336.	The natural beauty.
337.	Small town feel.
338.	It's home. The small town atmosphere with a short drive to tens of thousands of acres of forests and streams
339.	Natural resources
340.	Water near by
341.	I love all of the outdoor activities Oscoda has to offer! It's an outdoorsmen's dream!
342.	The lake, the people, the seasons! The lake
343. 344.	Great beach and parks.
345.	I like the community and the schools and the lake access.
345.	The beaches and the wilderness
347.	Should need more to do for the visited, my guess go alpena/ tapas they don't spend money here what wrong if other town
547.	has more to offer than this town.
348.	The fact that our Wilderness has been preserved and valued. The few quaint shops that we do have and the friendliness
	of many of the shop owners.
349.	It is safe. In often am called out in the middle of the night for work and you rarely see any sort of loitering. I feel safe
	walking my dogs. This is very important.
350.	The natural beauty and the people are the best part of our town. Economic development is a must to keep our town
	growing and with that comes the necessary housing and services contingent on the type of business/industry that will be
	forthcoming.
	Preservation of our shore line and it's beauty is imperative - it is our one outstanding feature and must be carefully guarded. A balance of industry and tourist based business should be considered in everything that is put forward for
	OScoda
351.	all the lakes
352.	Small township, everybody's friendly
353.	The people, the attitudes of people, the quality of life and of course all the natural resources
354.	The way of life and access to water. Safety is also huge having kids.
355.	We enjoy living downtown and full access to Lake Huron. I enjoy the small town feel - however would love nothing more
L	then to see us grow and thrive.
356.	Beauty
357.	Basic safe living
358.	The overall feeling of heing cofe
358. 359.	The overall feeling of being safe the people
359. 360.	Location near lake
361.	Van Ettan Lake

362.	I like that we have an amazing river and several lakes in the area.
363.	I like small town living and the closeness of the lakes and rivers. I like the beautiful natural setting that surrounds the township. I like being close to Lake Huron and I like that I feel relatively safe living here as opposed to a larger area. I like the doctor we have found here and also the dentist, eye doctor etc.
364.	lower temperatures than downstate safe
365.	small population
366.	Close access to so many and diverse natural resources.
367.	Not much river and lakes
368.	Love the string and the people.
369.	nice people woods and water
370.	Van Ettan Lake
371. 372.	Sun rises & Lake Huron Friendly businesses like Louie's. Everyone says hello when you walk in. They are always friendly and helpful, plus their
572.	prices are reasonable. The township office staff are always friendly and helpful, even when you see them out and about.
373.	We keep trying
374.	Nothing. Make it better please.
375.	It doesn't change fast. Some is good. Constant and immediate changes going on elsewhere in our world is not always better.
376.	The lakes and community.
377. 378.	Quiet, Historic, Nature, So many beautiful places to visit within an hours drive. Friendly helpful people.
379.	Natural resources
380.	I love the Occ community center !!! It gets me out to bed , Monday We'd. Fri . I wish we had it open year found. Most of all health reasons!!! Please!
381.	I like that it is a quiet not overly touristy place. I am an occasional visitor to a cabin and I always feel like I am going home, not on a trip. I love all the options, it has a little bit of everything
382.	Beautiful Lake Huron, the nature and the level of safety we feel there.
383.	the recreational opportunities in nature. Conversely, I'm used to being able to go to a community center whenever I wanted and can't understand why the community center here is only open for 6 mos. a year.
384.	Recreational activities, tranquility, fishing, boating not a lot of traffic
385.	Cute resorts, historic character, beautiful Lake Huron, small shops
386.	ORV trails, Oscoda beach and the lakes.
387. 388.	Getaway from everyday life and a chance to experience the beauty of the surrounding area. The beauty and affordability.
389.	The family atmosphere. Scenic view. Slower pace from the big city in Phoenix AZ.
390.	Access to lakes, rivers, beaches.
391.	Lake Huron
392.	Local feel. Closeness to lakes.
393.	The overall atmosphere, the quaint feeling of the town and Lake Huron and the Au Sable River.
394.	In the fall the Community Center, the friends we have here, the lakes and river and our community
395.	Lakewood Shores development. This should be promoted it is a great community for the money. The concerts downtown in the summer the flowers and signs in town. Fourth of July community spirit. The beach park is always kept beautiful and so clean!! It is a wonderful place to live!
396.	The quiet, the lakes, the views, the people,
397.	I like being able to get to nature and enjoy it.
398.	Lake Huron
399.	The natural beauty.
400.	Family Beaches
401.	Location is a naturalistic, beautiful area. The beach is beautiful and well kept. The park and activities at the park are nice and well maintained.
402.	has an "up north" feel to it . Also, services are available for those in need - these programs are primarily church based, but to some extent, the community does lend support - like FISH and St Vincent dePaul Emergency Food Pantry, Baby Pantry, Food Giveaways.
	The people are very friendly and willing to help out - for example, charity events to raise funds for a good cause.
	And, of course, our three great water resources - Lake Huron, VanEtten Lake, and Ausable River
403.	The friendly people and the quiet environment,
404.	IAKES , RIVER ACESS, SMALL TOWN ATMOSPHERE
405.	The people are warm and friendly.
406.	THE PEOPLE ARE FRIENDLY; THE AREA IS BEAUTIFUL; THE RECREATIONAL OPPORTUNITIES ARE GREAT, SOMETHING FOR EVERY AGE GROUP. We enjoy Lake Van Etten, and have been coming due to family having an cottages here for 60 years. It is much shorter
407.	travel time than going to northwest lower Michigan. However, it doesn't seem that the elected officials have had a plan in

	place to upgrade the area. Having been involved in economic development in the northern suburbs of Macomb County for
	many years, it takes a devoted, compromising, and caring core group to enhance and beatify the area. It's a lot of work
	that can be made very satisfying.
408.	Small town feel. The lakes and beaches. Some of the restaurants. People living here.
409.	The lifestyle, living on the lake, the beaches and parks. We do have do keep the town updated so it can thrive.
410.	The people are wonderful
411.	I love the rural setting of Oscoda Township and all the natural resources that are here.
412.	Small town feel, friendly, and nature.
413.	Low cost of living (low taxes),
414.	The small town atmosphere.
415.	Quiet and the closeness of the lakes, recreational opportunities.
416.	Waters
417.	It is like a second home to me, been coming here for 67 years. People are friendly.
418.	Environment, close proximity to lakes and rivers
419.	Friends & family have places here. Same business owners for decades- Lamrock, Wellmans, Red Barn love it.
420.	The Huron Forest, Lakes, fishing and trails
421.	I like the small town atmosphere and slower pace of year round residence, along with all of our natural beauty and
	resources.
422.	The easy going atmosphere. The friendliness of the area. The diverse outdoor activities.
423.	I enjoy what is left of the natural environment.
424.	The forest land, Oscoda beach, Van Etten, Lake Huron, AuSable River attractions
425.	the variety of water experiences available and the fact that it is not overrun with tourists.
426.	Love the lakes and water ways for boating fishing and swimming. Also like the available hiking trails. Available golfing and
0.	other recreational opportunities.
427.	It is relaxing, guiet and beautiful.
727.	People wave to each otherI enjoy that.
	I further appreciate the affordability of the "sunrise side".
428.	I have been a summer resident for 66 years and in the last month moved here permanently. I have always loved Oscoda
720.	but I am sorry to say it has changed.
429.	Lakes, rivers, and forests
430.	Up north feeling
431.	The lakes and park facilities.
432.	It has every thing you want . Live on a lake and have the rivers and Huron all in 5 miles of you.
433.	Its slower pace, I can get almost anything i need there or close by. Peaceful. Scenic
434.	All the things that you can do in the area,hunting,fishing,boating
435.	VanEtten lake
436.	scenic
437.	Natural eviroment, inland lakes and Lake Huron access. The people of the area are regular down-to-earth people as
	opposed to some other areas in Michigan!
438.	Overall all a great place to live. The pier and township beach area is outstanding! Overall all we think the township
	leadership board should be given more credit. Hat is especially off to Bob Stalker!!
	I would hate to see the beach area add camping areas even near the cirrent beach. It is our real treasure in our
	community! I lived here when we had a park there before. It took thr M O B to properly deal with the problem. Keep on
	course. Keep improving what you are doing.
	I hope gathering and acting on this survey will prove helpful.
439.	Van Ettan Lake
440.	Peaceful small town living.
441.	The beauty and access to the lakes.
442.	Up north feel with good amenities. Mature trees. Have a cottage on Van Ettan for overs 22 years and have had good
1	times up here. Good restaurants. Like that they are trying to get the weeds out of the lake
443.	The m; any lakes and the AuSable River as well as the nature trails available to enjoy God's creation are very important to
	me. The friendly community and staff at the Township level is also a plus.
444.	Thinking
445.	been going there since I was a little kid 52 years.
446.	Outdoors mans paradise
440.	small community by lakes
	close to lakes and national forests
448.	
449.	People, close to hunting, fishing recreation., need to expand more to bring in more people from downstate, out of state,
1	tourism is a huge, huge revenue for our area
450	The feetingle and Van Etter Lake
450.	The festivals and Van Etten Lake.
451.	Scenic views
452.	Seems to be experiencing some economic growth.
453.	We enjoy part-time summer living on an inland lake, Van Etten.
454.	Van Etten Lake.
455.	Northern beauty.
456.	hunting fishing boating rural peace quiet
457.	Family memories.
458.	Location
.00.	

459.	Access to so many bodies of water and natural areas
460.	Great place to live.
461.	I love the lakes and forest
462.	Small town w/ quiet atmosphere
463.	Access to recreational facilities. The people.
464.	Amount of access to outdoor recreation
465.	Location between Lake Huron and the Ausable River and the State and National Forests.
466.	The lakes and lake shore
467.	people are nice - helpful in stores and friendly
407.	people are nice - neipiur în stores and menury
	close to Lake Huron for swimming and walking
	close to Lake Fution for swithining and waiking
	lots of restaurants
	good fishing stores
468.	potential
469.	
-	The beautiful surroundings and the great people
470.	Some of the serene areas, VanEtten Lake. Most ppl are friendly and helpful. Availability of the Huron Forest.
471.	We like it mostly just like it is.
472.	I love the small town feel and all of the lovely places to enjoy nature.
473.	Access to sandy beaches and Ausable river.
474.	natural resources, easy access to shopping via US23
475.	The natural beauty of the area and access to lakes and rivers.
476.	Access to beautiful Lake Huron - the GREAT lake- as well as the smaller lakes and rivers, particularly Van Ettan.
477.	Like the small town feel.
478.	I appreciate the smallness and quaint feeling in Oscoda. I love the lakes and protection of our natural resources and
	conservation. It promotes a more personal and friendly experience.
479.	Overall access to varied outdoor activities. Boating, kayaking, hiking, nature viewing, fishing, motorcycling, beach
475.	concerts and events.
480.	The "up north" feel
481.	The natural resources, the beaches, the pier.
482.	quiet fair priced lots of opportunities to do outdoor activities
483.	Attached to Oscoda as coming here since 3, years old and love big lake. Have cottage on Loud drive . however its not
	what is used to be. Have option of inland .lake river and Lake Huron
484.	feeling of privacy
485.	Love the Up North feeling and not being in Metro Detroit
486.	The scenic nature atmosphere and the fact it is a small town.
487.	I enjoy the natural beauty, peace and tranquility of Oscoda Township. I enjoy visiting the scenic over looks several times
	a year. I am very grateful that we have such a nice community center that is affordable, clean, and convenient.
488.	I like the area with all the lakes and the AuSable River for fishing, swimming and boating. I hope to retire to Oscoda.
489.	Living near Lake Huron, Community organizations and individuals who do so much for the community, and support
	system. Movie theater and shoreline, concerts, restaurants.
490.	I particularly like the scenery, the access to nature and the recreational opportunities.
491.	Rural Living but still some city trappings, access to Lake Huron, smaller lakes and a great river. Close community
	relationships.
492.	The natural beauty (we have some of the best beaches on Lake Huron, and the Au Sable River is a gem!)
493.	Comfort, safety, county fresh air, and fresh drinking waters, access to nature and convenience to services needed.
494.	The access to water on all fronts. Ausable River, Van Ellen and Cedar Lakes, and Lake Huron.
494.	Beautiful beaches.
496.	Smart enough to know your neighbors and township personnel. Hunting and fishing access. Open beaches.
497.	Lack of traffic and the potential for good fishing and hunting.
498.	Recreation on the lakes, rivers, woods. Living rural, yet close to town.
499.	It's quiet, safe, has beautiful scenery, but needs more activities and jobs to keep younger people here.
500.	Slower way of living and the quiet, peaceful living!
501.	Relaxed atmosphere and access to lake Huron.
502.	Convenient place to live and enjoy retirement. If Oscoda doesn't have it, 16 miles to Tawas and 50 to Alpena and their
	mall.
503.	The community atmosphere
504.	The people and the outdoor lifestyle
505.	Quiet small town atmosphere, recreational opportunities.
506.	It's peaceful and quiet most of the time. Friendly
500.	A place to live. Keep it the way it is. Just fix it up! Don't try to make it something it isn't. You
507.	have to realize that it's never going to be what it was. Young people just don't come up every
	weekend to use the rental cabins and resorts, you have to entertain them - Oscoda is like
	been that once, don't need to do it again - what other things can we do. When the Township
	tries to be like the Tawas's they just waste money.
	Definitely the city beach. My family and I spend most of recreational time there even though our cottage has a private
508	
508.	
508.	access to both Lake Van Ettan and Lake Huron. We also love Kayaking on the Ausable, but not on the weekends - to
508. 509.	

29) What would you recommend to improve Oscoda Township? (531 Responses)

Word Cloud Summary

Responses

1.	I feel that changes need to be made in the township leadership. Also, changes need to be made in the running of the Community Center.
2.	A more progressive governing body who do not cater to tourists to the detriment of residents.
	I would like to see the Oscoda Community Center promoted and offer much more to people of all ages. It is a hub of the community and a priceless resource. The township does not do enough to make it all it could be.
	I feel the Community Center should be just as important as the parks and not be treated as a burden. With more offerings and activities and motivated management, it could draw in many more people.
3.	Have more places to go and fun things to do.
4.	Welcome the establishment of new "industry" ideas. Think a little more up to date. We cannot be the Oscoda of 1965 anymore.
5.	More businesses,more restaurants, community activities, blithe removal on Cedar Lake Rd. Concerning mobile homes & neglected houses. More medical facilities. Promote Oscoda as the best place to be on Lake Huron & our town.
6.	Businesses, businesses, restaurants, theater, community activities, more medical facilities, removing blight, especially on Cedar Lake Rd., mobile homes & abandoned homes. Bring in a sporting goods store. Promote beautiful Oscoda along Lake Huron.
7.	The OCC needs to be open all year round for the kids and tourists. The kids in Oscoda would have something to do under supervision during the summer months and keep them off the streets. On a rainy day the tourists would have a place to go too and enjoy family activities for a fee.
8.	The township board needs to be open to ideas presented by the community. They need to be fiscally responsible. The community center needs to be open year round. More acrivities should take place at the center. Better maintenance of roads.
9.	Hire a new Township Superintendent that values recreation and serves the township board in a transparent manner with integrity. Seek a qualified community advocate to pursue recreational Grants that are based on what the whole community would value instead of a select few making major decisions in this regard. Make a sincere effort at promoting our Community Center that should be open year round with competent management and vision.
10.	The blight, the downtown, the poor areas of the community need to be cleaned up more focus on grants for housing for seniors and poor. Year round community center and senior center relocated to serve all the community not tucked away in one corner.

11.	Take the natural amenities of the area and build on them. Get employment opportunities to keep your citizens here.
12.	Expand your medical facilities. We really need a "med express" type facility!!! Lived, worked and raised our children here for 23 years. Now we are looking to move outside the township due to over
12.	reaching and archaic ordinances. You on the planning commission keep saying you are working on them and you are
	aware they need improving, yet continue to enforce them? Starting petty wars among neighbors. shame. There is some
	blight in Oscoda. It's like porn, we know it when we see it. Making ordinances based on what might, someday, possibly,
	couldturn into blight is just over reaching and ridiculous.Out buildings have to all be "matchy matchy" with the main
	residence??? This is not Lakewood Shores or an housing association. No carports or steel buildings? It's almost like you
	don't know where you live. People move here to enjoy the woods and water and they have toys which need to be stored.
	Wake up and stop victimizing your own residents. We're moving to Tawas or Harrisville, because you've ruined the peace and tranquility of our neighborhood.
13.	Food booth at beach.
15.	Dances for young people like those once held in the old auditorium.
	Sidewalks cleared of snow in winter by township. I lived in Reed City and the sidewalks were cleared by a ride on mower
	type vehicle with a large snow shoot. Certainly helped the elderly.
14.	Downtown at River in 23, the traffic situation is retarded with the bottle neck that backs everything up everyday, and lot of
	urban blight along 23 is spreading, tear that crap down and plant grass or something. Another epic, well groomed beach
	on the north end of town or wherever would set up the scene for even more tourist dollars and more much needed Ling of
	sight to the lake
15.	We have a gold mine out on the old base. We need to develop that area with things like a college campus, Casino, other
	medical options, large stores/shopping center and more manufacturing companies to bring jobs and wealth to the area.
	Just look at what tawas has done and you'll know what Oscoda is no longer on the map.
16.	fix US 23 going thru town. If your going to have a left hand turn at the stop light at river road then you need to add a green
	arrow for left turns. The traffic back up at the light at river road is COMPLETLEY unnecessary. us 23 should go back to
47	being a 4 lane road.
17.	Grow like every other communuty around us. Oscoda is stuck as a retirement community and does not have enough for kids and families to do. For a family fun night out or shopping our money goes to other community's when it should stay in
	our hometown.
18.	For the DDA to develop a long range plan for the downtown.
19.	Don't be afraid to grow. Let more business in.
20.	Better shopping choices more entertainment and thing for our youth to do all I hear from kids. Is its boring here
21.	Do more to bring development/jobs/reuse of downtown businesses.
22.	Disc golf and dog park
23.	More stores and more attractive stores downtown. Activities for locals and tourists for inclement weather such as craft
04	store with activities, indoor water park, more shopping, possibly arcade.
24.	Too much blight. Cheap rentals and north and south of the main upgrades on 23 look rough and uninviting. Pulling into town from river Rd and n &s on 23 all could look more attractive. Few shopping opportunities make me travel to alpena,
	west branch or the tri cities more often than not.
25.	More lively downtown
26.	Turn F41 campground into an RV park with electric and water AND advertise! We don't travel to places and hope to find
	an RV park. We search it out ahead of time. Our days of rustic / primitive camping are behind us, we enjoy the
	conveniences but still enjoy getting out in the forests and lakes. We spend money everywhere we travel and folks would
07	do the same here in Oscoda.
27.	Year round community center, better communication of activities (including locations), clearing of downtown sidewalks in winter, downtown development (it is hard for shop owners to make a profit, given
	small and seasonal populationeven Tawas has difficulty-, but it would nice not to have empty store fronts.).
	Do not cut the trees around the township building to build a parking lot or other building!! Get the parking lot agreement.
	(Seems absurd!)
	(Seems absurd!)
	(Seems absurd!) Cutting trees and eliminating lawn area around township hall would destroy the the friendly, open small town feeling of

38.	Keep attracting SMALL businesses
	Develop things to attract visitors off season.
39.	Developing a much better way to move traffic through downtown and on into town. The backup at the stoplight at River Road and US-23 is ridiculous and very frustrating.
40.	Get the old board out get new blood in with new ideas. Stop no computation because they own a business.
41.	Economic options for residents that does not rely on Wurtsmith. They have to be jobs that low skill worker can expand there skills and support their family or the continued lose of the next generation will continue to leave and be like me and
42.	only be occasionally tourists visiting family on the way thru. Get new politions with new attitudes and ideas.
43.	Stop taking money from Old Orchard Park to the general fund and start invested back into the park a little more. Shame
	on Consumers Energy for changing the rule that all profits go back into the park, as it was for decades.
44.	Need to re-use all the empty business buildings downtown! If possible tear down the bulding that was dynamite Deals and build something more appealing to that part of town!
45.	I would recommend putting our money into better things and bringing in businesses.
46. 47.	Keeping the community center open year round. More caring officials who care about the township and it's welfare for the long term not just their own agendas.
48.	Younger people involved in governmental organizations.
49.	Our township board needs to get behind and support innovative change and a new direction for improving our
	infastructure, our downtown business corridor and creating a destination where there is a vital, thriving atmosphere that brings families and visitors to reside, shop, and invest in this awesome community. We need a new vision and an encouraging,supportive atmosphere from our leadership that encourages every individual and creative ideas. We need to invest in our community through the community center by revitalization and creative development. It is a community treasure that we need to invest in every aspect. People need to feel valued at every level and we need to encourage and involve our youth through volunteerism and partnerships with businesses and organizations. They are the future of Oscoda.
50.	Develop the downtown area to get more foot traffic and draw attention to the area as a great place to vacation or move to.
51.	A downtown like Tawas so you enjoy walking to the shops and along Lake Huron. Been coming up there for many many years. It needs improvements
52.	Clean up and improve the commercial corridor on 23. Start at finish line and go north just past Mcdonald. No further commercial development on f-41. By enhancing this area you will have growth.
53.	We need something special. Something like an orv park similar to Bundy hill or The Mounds. So many auto fans, and mechanics live in Oscoda who work at Kalitta and Cooper Standard. Why not build a drag strip or something auto related?
54.	Quit squashing peoples desire to make the town better, get your head out of your ass, look how good Tawas is doing at capitalizing and growing their community is such a shame how far Oscoda lags and our community leaders are so incredibly short sighted and simpletons
55.	Bike path, walking path along the shore line like they have in tawas More specialty shops in the downtown area, as well as restaurants.
56.	Bike trail
57.	 Well, let's see. Allow snowmobiles through town. You want business in the winter? Let people, town folk and tourist alike to snowmobile the roads. You say too much danger? Okay, then we should eliminate motorcycles, bicycles and maybe cars and trucks. Everything has danger. Just take a tour to some out of the way little towns in the winter and notice the fifty - sixty snowmobiles outside the restaurants and businesses. Expand our town in another direction. Try to get businesses to open the closed stores up town at whatever cost, like no taxation for 2 years. This would allow the business to get a good foot hold. Why dress a window up with a front if it's closed? How deceifful! Start with the center of town and expand in all four directions. Our town is like a blink of the eye, 5 minutes and they think they seen it all. Yes we have quite a few places to visit but the stretch between them is miles. We should be expanding from town outward toward these places. When I first moved up here, this town seemed like it was going to boom. But, they have taken all the recreational fun away from here. No longer do I see huge boats upon boats being towed behind luxury cars and trucks. Or, snowmobiles going from business. No more huge condos until the ones that are built are almost full. No more motels and hotels until we can fill them all, on a daily basis, at least in the summer months. No more signs unless we have comething to advertise. How about a business or two for the kid? A pin ball arcade, a skating rink, a place to play some pool and/or a place for chat time and refreshments (of course with internet connection). Now I've heard tell that the last couple times a business like this opened, it drew drugs. I am totally against drugs, but it is not the business that attracts the drugs. If a person is into drugs and alcohol, they will get it whether it is at the lake, in a park or even in the woods. You won't stop this by shutting down the business. BY THE WAY - WHERE DO YOU GO
58.	I would like to see some growth. I think that if we don't continue to try to grow and improve that Oscoda Township will
	deteriorate. I think that bringing some money in by tourists will help keep the community going. There are a lot of families out there that need jobs. It may help them to help their families. I also like the idea of bringing more activities to

	the area that would give the families free or low cost activities to do. It may help keep some of the minor crimes down among the youth and young adults if they have something better to do with their time. I think it would be a win-win
	situation for everyone.
59.	Downtown development, year round indoor recreation especially for adults, nicer full service restaurants. It's hard to take visitors to a nice dinner in town. We used to go to Au Sable Inn but the quality has declined in the past 1-2 years. Unless you want burgers or pizza, there is no place nice to go. Though considered part time residents, we spend a lot of time there and over the 25 years we have sadly seen the decline of downtown shopping. The streets and pocket parks look nice but there is no reason to "hang out" there. As we look at retirement, a year round indoor use community and recreation center would be ideal!
60.	Build an indoor recreational field for winter use
61.	Have the businesses keep longer hoursneed a 24 hr restaurant
62.	Find more use for airbase
63.	The education system needs much improvement. Bring more businesses into the downtown area.
64.	N/A
65.	Replace the DDA director with someone who works more with the community instead who is too much of a bull in a china shop to get real positive outcomes.
	We need to use the lake and river more, we need more campsites and hotels that utilize those locations.
66.	more draw to the downtown area, open past 6pm
67.	Year-round community center access, please!!
68.	We need the community center to be open year-round! That is one of the best places for families to keep their routine in their fitness together! We need more kid friendly activities. Stop focusing on just downtown! There are so many more areas in Oscoda that could use attention, like 3-Mile park! It's a great beach area but because it is not maintained no one wants to use it. Trim the trails back, put signage up in town
	directing people there, add a playground, clean the beach from all the reeds, apply mosquito control because it is bad! Oscoda is such a great little town! The community year-round residents is what keeps this place running, not just the tourists. If you focus on keeping the year-round residents happy, it will get around how awesome of a place this is which will in turn bring their long lost relatives in for a visit. Word of mouth keeps the tourists coming back. All in all, this is such a great community and I don't ever want to leaveas long as there are jobs of course! Thank you for
	putting the survey together and I hope you take some of the suggestions and do something with them!
69.	get rid of the dirt roads in the residential areas. I would never buy or rent a home on a dirt road
70.	Having more Jobs. Motels. Shops. Hospital. senior housing. bed and breakfast places would be great to have here. Place up Town for kids and teens to hang out after school or on weekends to stay busy doing activitys such as exercises, playing games(video- or board games doing homework on computer if they need to ect) Basket ball/football practice so good size property to have for these sports-nice gym for anyone who wants to work out as well. Another fire Department on river road by the Forest -should be 2 other fire departments since this area is so big, and more Police departments
	also. Just my thoughts.
71.	More businesses/more community activities
72.	Again get rid of blight in the downtown AND the surrounding subdivisions, ENFORCE codes for blight!
73. 74.	Preserve our natural resources. More tourist type events Change the zoning, so people across US-23, do not have beach access. My road has HUGE problems with people that
74.	come across. These people are rude, they do not pick up after themselves when they are at the beach, they leave their children unsupervised at times.
75.	Addition of a disc golf course.
76.	better movie theater
77.	More family dining maybe a nice buffet style. More affordable shopping .stop only catering to tourists. Remember there are plenty of year-round people!
78.	I would recommend that our leadership in Oscoda learn to no more open to change. Most leadership in this community has been in their positions for several years and don't seem to be open to change within our small community. Although it would be nice to keep our little town lust like it is, if we don't learn to adapt and accept change their community will continue to see a decline in everything. There are so many opportunities and ideas that could bring businesses and individuals alike into our community. At this time, we can't help but wonder why our youth all leave. The only young individual who seem to be staying in this community seem to the the ones that cause problems. We should be doing anything and everything possible to promote the growth of this town into something that will be sustainable in the long term.
79.	Since the closure of the base, our area has struggled to develop any kind of sustainable business growth. We need to attract some kind of company, a hospital or university, or some kind of manufacturing company, or SOMETHING to bring employment opportunities to Oscoda. More affordable housing should be developed as well. There really isn't any type of resort along the Lake Huron shoreline in Oscoda, and I think encouraging that kind of opportunity would boost the local economy. More people in the area, whether they're here to work or vacation, bring more money. I know the Oscoda area has so much to offer, but I think we are poorly marketed and the land we have available is under utilized. Poor management of community development is a huge hurdle for our area as well.
80.	Bigger stores like a Target or some other big stores to enhance the job market. Maybe even a Big Lots! Also there are
04	too many pizza places get rid of G's
81.	find ways to encourage businesses and decrease empty buildings
82. 83.	GROW business, tourism draws I believe if we updated the current buildings and houses that are not being used that their would be more thing for families
83.	to do, keep kids out of trouble and create homes for peoplemoving to the area. more public transportation
04.	

85.	More downtown businesses. Lake and or river front restaurants. Bicycle trails.
86.	Bike racks at the Oscoda beach park and various places around Oscoda
87.	Stop discouraging new businesses by delaying processing of approvals by questioning every little detail in their request. Over requirement of permits and cost of permits. I think our township officials could take some lessons from East Tawas.
88.	Allow for smaller business to open and allow smaller shops to be the base of business here. like downtown Alpena
89.	Restaurants, coffee shop, shopping and downtown parking.
90. 91.	Something for people to do! 3 mile park on 23 be updated and get rid of all the weeds and make a better beach
91. 92.	Refurbing what we already have
93.	Take better care of the lawnsweed and feedkeep things trimed. If Township Hall can't be kept weed free and watered it makes our town look bad! We have a beautiful fountain surrounded by weeds! It would be money WELL spent! Do we have sprinkling system ? PLUS Memorial Day is past where are our flower baskets ?
94.	Do more to make Oscoda a destination. More shopping, restaurants, beach activities. Give people a reason to bring their family here for a week and be able to walk around, spend their money, and enjoy!!
95.	there are many outdoor recreational things to do in oscoda but there arnt really enough recreational things indoors to keep a good balance. For example when it rains or snows or there's bad weather there arnt very many options you have for recreational use.
96.	More public access to the shoreline and shoreline camping.
97.	We need economic improvement. People have a difficult time getting jobs here. ;
98.	Bloody good clean up of all of the empty stores/commercial buildings. Need more than 1 path down to lake for people with disabilitiesget rid of drug housesthere are many and have been for years?
99.	I would add more sporting complexes so that there are more active young adults. Adding volleyball nets to the beach would draw tourists to the beach as well as help get this town more active. Making the rec center year round would help with the basketball that goes on all year. The youth leave this town as soon as they can because it gets dull. The ones that remain are not the motivated type and usually cause trouble. If this town keeps on focusing on retirees amd not the youth, all there will be is retirees and drug addicts while the good people leave. Development is important for any beautiful city. Just look at Grand Rapids, Portland Oregon, or Ann Arbor and see what they have done.
100.	The township is too focused and determined on turning this area into a vacation and tourist spot. However, this only forces the younger generation to leave because there are very few employment opportunities. How can a community survive when an entire generation moves away? The consequences of this is becoming more and more apparent, as the number of commercial and residential buildings are becoming vacant.
101.	Abandoned buildings everywhere!
102.	Help preserve the woods, and water. Lake huron is a huge tourist attraction.
103.	Better business atmosphere, including food trucks, craft shops, coffee shops, without interference from existing businesses.
104.	Bigger business to help the city grow and thrive
105.	always room for improvement! clean parks, street signs,& festivals and art fairs!
106.	Cater more to the working class and businesses instead of only the retired citizens So we can revive our terrible economy and attract more fiscal opportunities. Also, expand the recreational opportunities for the children and adolescents in the area and perhaps they will find other pathways in life outside of crime and drug addiction.
107.	More jobs for our youth to keep them in the area. This town needs more stores that people can afford to shop at.
108.	Allocate financial resources to improve the lives of year round residents. For example, a lot of money has been put into the beautification and road ways of down town, yet other roads, such as colbath, are neglected. Also, the base gym is severely outdated. I would like to see a community sports complex built with an indoor pool, tennis court, track, weight room, basketball court, and so on.
109.	A downtown shopping district. Good restrauant.
110.	More jobs
111.	I feel as though we as a community should deny anyone or anything to bring more life to our little town, to let it expand and become the best up north vacation spot possible. People who go on vacation love shopping and that's what we lack here, not department store, but little small businesses should be brought in. Also an idea for the river is to somehow make a swimming area that's nice.
112.	Honestly, the worst part about it is knowing that drug use is so prevalent in such a nice town. Fix the schools. Fix the attitudes and the corruption. Please don't ruin one of the most beautiful areas in this country with over-development.
113.	Housing that is affordable for anyone, not just for Kalitta workers. More business in town to fill up the empty buildings
114.	Drag strip
115.	We love living here because of the friendly atmosphere. As we continue to grow here in this lovely town, we notice the younger generation is vastly decreasing. Which means population and development is limited. Township needs to add variety to our little Nook we call home. Let people be proud to come from Oscoda, Mi!
116.	Anything that would prevent traffic from blowing thru town. Removal of " on street " parking was a big mistake.
117.	I am definitely in support of the rail trail and other opportunities such as the community center open year round. The rail trail would be so important around the school towards town. I also feel it is important to provide more housing options for families. We have people continuously moving to the area for Kalitta who have no housing options. Most housing is income based and this ultimately sends good families to other communities and their kids to other schools.
118.	More to do. Better movie theater, restaurants, nightlife, etc
119. 120.	Bring small business to the down town
120.	More business opportunity Softball Tournaments, support and build the bike paths. Nice dining and cocktails along the shoreline. Marina
141.	Rejuvenation. More businesses. Jazz/Blues Festival more lodging.

122.	More department/clothing/shoe stores, small stores like dollar treeetc., sit down restaraunts
123.	More varieties of businesses in downtown.
124.	The access to the river and access to sidewalks.
125.	More businesses downtown or on base
126.	Amenties, activities, Family-friendly fitness places (I.e. YMCA) that attract people aged 20-35. We need to take advantage of our location and natural resources to support the economy.
127.	Developed downtown area, better food options (more "real" food, healthy options, less fast food). Improved retail options, especially in the foot traffic areas downtown. Buildings that are empty should be maintained and not look abandoned.
128.	New parking lot at Oscoda Beach Park.
129.	Fill the empty buildings in town with some shops and/or restaurants. We travel north to find places to eat.
130.	Repair of roads and sidewalks must be a priority. Focus on infrastructure and public safety. Recruit self-funded businesses of quality to the area. Eliminate the office of economic development and let the private sector, free-market economy work to our benefit.
131.	Get rid of the drugs even the ones that I know for a fact that opd is letting run around because the snitch on other people I have a drug dealer that lives by me uses my road to sell and buy drugs caught them on camera and opd never did anything so when my daughter finds or picks up a needle or pills ops will be picking up his body I'm sick of it do your job oscoda police please and thank u
132.	Stores and restaurants down at the beach- and also more tourist stores
133.	Another named brand hotel.
134.	Would like to see trash bins in state forest, river and lake areas. Memorial weekend, my friends and I picked up 3 trash bags worth of garbage from the 3 pipes area.
	Restaurants sh be remain open a little later. Restaurants need to improve menus and update décor. Try sitting in the Chinese restaurant and look out the front window. Not appealing.
	Store fronts need to be unified, look inviting, get rid of sandwich signs
135.	We need a better economy. Bigger stores and ways to get more traffic coming through.
136.	More businesses, coffee shops, parks, trails, advertisement
137.	So much, my goodness. I've lived in Oscoda most of my 26 years being alive and and have heard the opinions of every generation of people living in Oscoda. The biggest changes that need to occur Re-do the Oscoda Beach Park. It has
	literally been the same since the nineties. Oh you added a pavilion that never gets used and a useless Pier. I lived at the
	beach park, not in a literal sense, but it was my go to destination during the summer throughout my adolescent years. We
	need to rip up the old Boardwalk, due to splintering boards and bee hives developing underneath. We need to renew the
	park in general, by replacing much of the dated play equipment. Put in a decent skate park. Not only is this a great tourist
	attraction but also there is a great community of skaters here in Oscoda that aren't able to enjoy it to their fullest. Attract
	more vendors for Art on the Beach. This annual event has gone so down hill from when I was younger, it hardly feels like
	an attraction to begin with. Open a skate rink. When I was younger and we had open skating at the Community Center, it
	was the best. Utilize the base. There is so much under used space here that could be office businesses or sports complexes. Invest in the Library. Seriously, the library remains unchanged since the early nineties. Whether that means
	building onto it or building a completely new one, you're responsible for the under wealth of the children and adults in the
	area. Families continue to move away from Oscoda due to many reasons. Not enough employment opportunity, bad
	schooling (see you have to invest in the library since OHS doesn't have one), terrible choices on what to die with tax
100	payers dollars. Invest in your people. We like that.
138.	Get businesses downtown (tax breaks for small businesses?), please build a bridge at Three Mile so we don't have to wade in the swamp to get to the lake, encourage bigger businesses and employment opportunities to move into the area. We are a tourist destination with little to offer, more entertainment and events would encourage more to the area
139.	Total change in leadership. So many narrow minded people who live by can't and won't. Sad.
140.	I live the bike path idea. It's safe for families without having to worry about all the driveways and crossing with young kids.
	Improving the school district ethics. I don't appreciate the affairs by those in administration and staff relationships that are affecting the rest of the district. When there are low moral standards we shouldn't be surprised at the over all amount of staff currently seeking alternative employment. So sad!!
141.	Fill empty stores downtown!!!!!!
142.	Allowing more small business, furtaw field install a large wooden playground with surrounding paved path, notify (in
4.15	writing) upcoming road work to houses on that road, recycling center
143.	Need more things for the young to do
144.	More full convice restourante. More estivities for the young people
145.	More full service restaurants. More activities for the young people. Encourage business to open downtown.
145.	Get rid of the skate park!!!! A lot of bad things happen down there! Yes there are some good but a lot more bad kids doing
140.	drugs are right next to families and little kids at the splash pad!
147.	More businessessome more fast food restaurantse.g. Jimmy johnschick filetfamily type like dennysihopget some
	competion in this townreuse of the base bowling alleysave a lottawas is more busier than this town with more to domore businessesmore summer activities
148.	More things to do. I always find it hard to do things in the winter especially with my family & kids.
149.	Need to get more businesses in the area to attract more people! This town has so much potential but the own towns
	people are holding it back. Look at everything Tawaa has to offer, Oscoda has the same potential!
150.	Bring more stores/shopping. Like malls, grocery stores. Recreational activities, theme parks. Target, Meijer.
	The housing. Very cheap and the housing is awful.
	The quality of the schools. Very awful and too much favoritism.

151.	Oscoda needs more entertainment venues for teens/young adults to draw in a younger crowd who would have the
1011	potential to improve and revitalize the economy.
152.	Let more business open. Like casinos Wal-Mart or a target. Something for this community.
153.	STOP Paying for surveys and listen to the permanent residents!!!!
154.	Better training for service-tourism-hospitality careers. Better access to better health care services. Better educational opportunities in general. Better sense of community pride, especially from our youthand better assimilation of new citizens (e.g. Kalitta's transient employees).
155.	Make unoccupied buildings look attractive and not dissapointing.
156.	Make the downtown store more visually appealing.
157.	Need more jobs, not just seasonal. People need to be able to make a decent living, that will improve things such as blight, the residents would be able to afford to makeep improvements on their properties and downtown shops and restaurants would thrive because not only tourists but residents could afford to shop there. Don't bring in too many corporate businesses and keep their locations away from the main streets/hubs/lake shores, etc as to not sully the natural beauty and local culture which will attract tourism.
158.	More to do for young or college aged kids
159.	We need to be willing to take some chances to optimize our community. Sometimes we play it too safe. Tawas has made some great changes and made the most of their natural resources. Empty buildings fronts and the failure to maintain property detracts from everyone's property values and how others perceive Oscoda.
160.	I think our biggest issue is drugs, they are becoming more and more prominent in our community which will lead to big problems down the road.
161.	Development
162.	Whatever it takes to provide jobs so people can support themselves here, so our young people don't have to move away to earn a living
163.	Better choice in cops who truly stay professional & care about the meaning of their jobs, Clothing stores! Like a mini outlet & a star bucks because I guarantee they'd stay in business or a fro-yo shop also maybe a few buildings that only consist of gaming things as in go cart racing, lasar tag, zip lining etc.
164.	I recommend development of more shops, department stores, and recreational activities for family's and people of all ages. Less focus on tourists and more on the year round residents.
165.	There needs to be a LOT more opportunities for younger generations looking to begin their careers. We need a better school system; ***get rid of the homeless shelter***; quit making Oscoda a haven for low income families who do not want to work and contribute to society; vacant buildings need to be fixed up or demoed; more festivals to attract larger crowds that will help stimulate our local businesses; Oscoda should strongly consider a college campus in order to attract high paying jobs, bring more educated people to support local businesses and develop Oscoda into a more opportunistic area: this will be the biggest driving factor in bringing back a community plagued by dollar stores, thrift shops, and car repair shops. Oscoda needs to make some serious changes before we become small town Detroit.
166.	I think there needs to be more for the teenagers to do to keep them from the life of crime somewhere they can go and just hang out I also think there needs to be more for the young generation to do for example indoor water thing for the winter or a inside bounce place we are also in need of a good and proper pet storebigger named places to eat in or dine a place for seafood would be greatwe are based on bars gas stations and fast food we need more jobs and the place that do hire need to be more openand give people the chance I am only speaking because I was on of them kids and I do my best to make it day to day because of my past choices but it's hard to get a foot in when no one will let you we need more opportunities here and also stop slapping these druggies on there hands it needs to be controlled I have lost 5 people this year because of the addiction
167.	Be more open to change and competition. Consider people who live here year round not just tourist.
168.	More rental housing, restaurants, stores
169.	Revitalize downtown Oscoda.
170.	The lack of things to do in the winter is the worst. The emty buildings in the middle of town are an eyesore. We need more cute little shops to make our down town more attractive.
171.	Stop spending money on Development planners. Nothing changes when all is said and done, and it has become a waste of money. The paper reported that the last representative of such company praised all the work that had been done. Really? Almost 15-20 empty buildings in the downtown area alone. We need something to draw people in. Something like a waterpark, or sports complex with year round events. Something to draw people in. NOT a trailer park on the beach downtown. How ridiculous to put that on our one great asset. I've heard that there is a rainy day fund. Well, it is pouring poverty. Our poor town is sad looking. Even township hall looks shabby around the windows, etc. Maybe develop the Van Etten beach area. Furtaw Field looks shabby also. Yellow/brown grass looks terrible. A color theme could be implemented downtown and bring back the murals. They were beautiful. Close off a block of downtown from the bookstore to Hallmark so people could cross the streets. Switch the highway over to Lake St. Maybe bring back downtown parking. If a bldg. is empty, at least have a code where the windows need to be covered up with clean white paper. Sadly, our town just looks dumpy. Look at all the things going on in East Tawas. They always have grants, etc. Their town looks so inviting. Maybe develop the AuSable river to accomodate more boats and docks.
172.	Revamp much more of the old base to bring more businesses. Market the area for more tourism and improve the downtown area so the tourists have something to do in the evening after enjoying our wilderness all day. There are few choices of resteraunts and almost no evening activities. Most importantly, put much more emphasis on improving the schools. There are many people who pay more to live in Tawas than Oscoda because of the education.
173.	Revive Oscoda's downtown! Do what Tawas did and bring in a lot of tourism!
174.	Need more businesstownship officials need to actively pursue new businesses in downtown and other area; All new business seems to go to Tawas area. Study what they are doing to create a thriving downtown business area. Oscoda has such potential but seems to be slowly dying when it could be a destination for tourists and locals. I think twp.officials fear competition to local businesses but there aren't many left/competition can be healthy.
175.	I believe we need something for kids to do!!! Roller rink, place to do lock ins, arcade, something! A safe and fun place to hang out!!!!!

176.	Bring more resources for the people that stay here year round. Including new stores and updated equipment for the kids
177.	at parks and more access for fisherman at the piers. Oscoda is a vacation destination. The city needs to capitalize on this, improving opportunities for those who visit, and
	providing more activities of that kind.
178.	Find profitable businesses to occupy and improve the empty store fronts. These should be businesses that would encourage travelers on US23 to stop and develop a favorable opinion of Oscoda.
470	Spruce up the visual appeal of the town
179. 180.	Reuse old buildings We need more activities for the children in the winter.
181.	big lots store
182. 183.	Turn lake st into a walkable business district. More events to bring in people here Reductions in both the corruption of the law enforcement departments and the ongoing drug issues in the community should be our first priority.
184.	more stores. Better cleanliness. More housing. More restaurants.
185.	Keep the town cleaner, and keep it interesting for year round residents along with seasonal
186.	Jobs, intertainment for tourist.
187.	Encourage and profit from tourism
188.	Be more open minded to new business. I believe that if you build it they will come. If they come, they will open their wallets, and very possibly stay. Even for a night. Maybe a summer. And if they love the township as much as I do, a life time. It will boost our economy. I say grow, grow, grow. Say yea, not nay!
189.	year round community center and better downtown
190.	Using all the abandoned buildings on base to bring something useful to this town. It provides jobs, ways for kids to stay out of trouble, provides more options, and brings more people.
191.	In the summer, tourists bombard the town. There needs to be development of attractions for people and find a way where the town isn't so congested. Oscoda needs to improve the schools. Is the water on base an issue still?talking about improvementDon't sweep issues under a rug! If there's an issue, take care of it! (Improving means not wasting money on another "fishing" pier)
192.	Less drugs
193.	The town needs to be allowed to grow and expand.
194.	I would like to see the empty stores fronts on 23 being occupied.
195.	I definitely think that we need more commercial businesses and maybe new places for kids to hang out because I think they get bored with the few things that are around.
196.	Encourage businesses to start up in the vacant buildings and empty lots.
197.	Fill the existing vacant buildings before building more.
198.	There's not much to do for the younger crowd. Maybe add in some fun things to do other than bowling like lazer tag, or something else. Also, if you are going to open a business, make sure it will last Like the building by McDonald's. Having that made into a Wendy's or a different food place would be smart because it wouldn't go out of business. Also having vacant buildings all over makes Oscoda look very poor and tacky.
199.	Clean up the blight and redo the Fit strip.
200.	To much drugs not enough police officers to cover the shifts. There used to be 2 part time officers in the summer to help during the busiest season, what happened to them? We need them back. Oscoda has cheap housing and drags in the welfare folk. Let's have higher standards like in Tawas.
201.	Development!!! Cater to tourists, that's how Oscoda will grow!
202.	More jobs.
203.	Promotion of Agricultural Tourism
204.	More job opportunities
205.	Connecting the bike path to Main towns such as Tawas. Development of downtown area with no privatized parking. Enhance, beautification of parking areas. Encourage industry or possibly a casino to provide local jobs.
206.	Shopping and entertainment
207.	Help bring small business to the empty buildings on State St to attract tourists. Fun events like Tawas does on Newman Street. Also, unemployment & poverty in Oscoda is terrible!!!
208.	Businesses. More restaurants(better). More jobs.
209.	better development of the old wurtsmith air base. this place should have been a booming opportunity when the township inherited it. seems that some of the old farts just don't like new opportunities that will affect their business's that they own. also better control on the cost of gas in the town, it is out of control and has been for several year, 15 to 25 cents hiring
	that surrounding communities is totally unacceptable, they do it cause they can. Need better medical facilities, we need to find was to keep our younger adults this can be done by more job opportunities, need huge business growth without bias oppinions from our elected government leaders, they need to start listening to the people who put them in office to better our community as a whole not what is good for their own personal agenda.
210.	I feel the township has moved in reverse on updating the infrastructure by returning roads to dirt. I love my dirt road.
211.	It wouldn't hurt to add more business to oscodabring in more jobs for local residents. I live right behind the old Oscoda elementary that building just sits there it should be used for something.
212.	The play equipment at the township park, make happenings in the township be well rounded not just old music at the
	park, not just old car shows. Give our educated youth a reason to come here/stay here. Give me a reaaon to not load my family in a car and go to Saginaw every weekend for shopping, food and fun at parks and children museums. Give tax breaks to new businesses that are going to bring something new to us not another car repair shop. We have thought of moving due to lack of outdoor safe play areas, we would like gymnastics for our children. Rent a space at the community
	center for this to a qualified person. Make our weekends come alive here. Tawas has an air of being alive, we do not. Do something with the area after the ausable bridge by charter communications to the down town area on the right side of

	the road. Looks a mess, dates and depressing. When crossing the bridge it should be inviting ":-) we are in Oscoda" We
213.	are looking to buy a larger home, we are currently undecided if it will be in Oscoda or East Tawas. Allow attractions such as casino and big industry. We will never be a big town so don't be afraid of losing the small town
	feel.
214.	Downtown area, transportation, bring in jobs, more housing opportunity.
215.	More retail stores, like big name stores. And different types of fast good places
216.	Blight, have people clean their houses up.
217.	Blight in all communities but Jordanville and surrounding areas is bad. The downtown business district is real bad. Empty store fronts that are neglected next to a business that is trying to survive. Slum landlords are tearing this community
04.0	apart, drugs unemployment run hand in hand we must break the cycle. Another splash padwater activities for toddlersshady beaches for parents with older kids and babies
218. 219.	Unable to properly answer this.
213.	More development in town
221.	More scenic turnouts along the river and lakes
222.	Less low income housing (i.e. Old Air Force base)
	Preservation of our beautiful natural sites
	Improvement of old orchard park (i.e. Bathrooms, less tolerance for noise and unruly campers, more handicapped friendly, level sites)
	Year round community center with programs for kids after school
223.	Continued development without any detriment to nature or minimal environmental impact.
224.	more shopping options, better quality in restaurants (NOT fast food), handicap-conscious access to scenic areas, and
	especially more housing options for low-income families
225.	Involve young people in the planning process.
226.	More shopping. Centers salvation army store
227. 228.	CLEAN it upI have lived here my whole life and it embarrassing. Keep it friendly to visitors and residents.
220.	
229.	I think we could add some more stuff to do, because a lot of kids in this town are bored most of the time. We just need more places to go. I would suggest more food choices, maybe little shops on the beach, and just more businesses. Tawas has all of the little stores on Newman street which is a huge thing and if we could be like that I think a lot more
230.	people would come visit. Get rid of the drug dealers
230.	more resteraunts, more activities for kids in the winter.
232.	we need more businesses and fun activities to bring people here. more jobs for a bigger and better community.
233.	More traffic lights.
234.	More economic development
235.	Improve area economy options.
236.	Economic development, especially in downtown Oscoda. Population increase is a must, but could be done by economic means, such as providing more jobs.
237.	Better cellphone reception More economic growth
	Get a regional airline into the base (delta, American Airlines, United) to promote travel.
	Allow new development
	Build new homes/ apartments
	Add more "name brand" shopping centers
	Housing would be foremost the most important at the moment. Many people at my work have no where to permantly stay. And are forced to stay in hotels. Many people only last a month until they leave because of the housing issue
238.	I know a lot of people would disagree, but I strongly feel that the area needs industrial and larger-size retail development. Travelers that come here expect to have access to many of the same type of businesses that they enjoy in the city, and the local residents shouldn't be taking their dollars out of town to purchase elsewhere because prices/selection are so limited here.
	We need more affordable, family friendly, pet friendly rental housing in the area. I know that low-income housing is a touchy subject for many because of the effect on property values, but if we want people to pump money into this town year-round then we need to expand industry and those workers and their families will need a place to live.
	The idea that the town can survive just on snow-birds and the seasonal tourists is ludicrous. Who would clean the resorts? Who would cook or serve at the restaurants? Who would cashier the gas station. We need to focus this town's development around permanent, year-round residents while doing what we can to preserve the town's natural beauty and amenities for the tourism dollars. Growth has been a taboo word around here for too long.
239.	Change the US23 lanes back to the way they were 10 years ago. Ann Richards ruined the economy and the natural flow of our town. Now some survey is supposed to help. Good one clowns. Put the road way back. Also, it'd be nice if we got rid of the trailer park at the mouth of the river. One of THEE single greatest economic growth locations is covered with a trailer park. Eminent domain that eye sore and let's start over.
240.	Anything! It's a ghost town and is dying! Allow a college or an amusement park or a raceway be on the base! You are sitting on a gold mine that could change oscoda amazingly! If we let change happen!
241.	Bring in more businesses and make use of vacant buildings.
242.	Revitalize the downtown by bringing in a few diverse buisnesses like a coffie/ sandwich shop (starbucksish), gamestore, art/pottery do it yourself studio (like wine and canvas type place), a full time restraunt like texas roadhouse or buffalo wild wings, and update the movie theater. Create more jobs for the year round population in doing so. Do something with the
	rotting school closed on river road like converting it to apartments or demolish it to make way for a children's park. Create a dog park at the lake that people can take their dogs to cool off and play. Develop more access to the river like Lansings

	river walk project. Host a few events durring the summer such as a car show or large scale trail run for a good cause.
242	Bring a Mijers up here and get rid of that horrible kmart.
243.	Pay first responders Warning system for tornadoes
244.	More rental homes for low income people. More community get togethers. More charity options. Oscoda does have a lot
	to offer. I recently just moved away after living there my whole life. Their just isn't enough to do in town. More activities
	needs to come into play so we can have more fun on the town after dark. A lot of businesses close at 6pm. We need more to want to live on the area rather than just to visit.
245.	Finding more ways to waste money.
246.	Blight is awful. We also need to develop the tourist industry.
247.	Hotel and casino could lower taxes and create over 4000 job from casino and provide jobs for local businesses
248.	Employment opportunities for blue collar workers.
249.	Small businesses downtown, of course. Industry and commercial business on the base. Honestly, if we are speaking about tourist dollars, Old Orchard Park must have updates to accommodate the owners of the new, larger trailers that want to stay in our community and spend their money. 40 years ago, when electricity was put on the west side of the park, the majority of campers had tents and pop ups. Now rigs that come in are in the \$75,000 to \$200,000 range. The electrical supply in the park is woefully inadequate! The families who camp spend money in our town. Yurts are great, but for the past few years there have been many electrical problems, more frequent outages, and some boxes can only run three plugs when four rigs need power. Newer rigs have 50 amp needs, the park only has 30 amps. If we do not upgrade, people with money to spend will not come here. The park beings tremendous revenue to our town. Do not let a great opportunity pass by.
250.	A few more store choices, some type of evening entertainment.
251.	Get rid of old buildings and build new!! To get there act together, like tawas!!!
252.	Better parking for those exiting the AuSable at the River Park. In the summer it is crazy and sometimes you get pinned in, by people with trailers and trucks just leaving them illegally parked in the lot for hours. Maybe off site parking by the former Ace Lumber for all leaving a vehicle and/or trailer, while they go down the river. It is a short drive and or walk to pickup kayaks, tubes, or canoes.
253.	Business owners need to improve their exteriors. Some roads need redone even if they are in a coldasac! I don't live down them and I get agravated!
254.	Re-opening the base
255.	Roads need improved and they need to clean up the town of riff raff push more law enforcement
256.	More business and more jobs.
257. 258.	need more buisinesses and jobs To be more open to ideas to make the town better
259.	Develop the downtown area, more stores!
260.	DO MORE FOR THE KIDS IN THAT TOWN !!!!! quit worrying about your own pleasantville dreams of that town and focus on doing more for the youth of oscoda . maybe if you decided to think of the kids , most of them wouldn't be hooked on drugs or grow up to just set at the corner bar. Bring in more jobs so the town can start to rebuild. The only way to move up in that town for almost any business is to either be related to someone or be life long friends of a family that has pull in that town. Oscoda used to be such a wonderful town . I remember growing up having the arcade and the roller rink, lake theater . the parents knew where their kids was. It is nothing but a empty shell of a once great town. Good luck with trying to rebuild, but in all honesty oscoda is nothing more then a lost cause . best advice I can give any kid there is to move out as soon as possible.
261.	More things for young people or families to do. Yes there is a lot of outdoor nature things, but what about when the weather is bad? There needs to be more options.
262.	Maintain the old or chat park a lot better!!!!!
263.	I would recommend more things to do for Teens in the winter.
264.	More areas for kids to fish from shore lines,more up to date business like lows, Sam's club or something on that line,most of that the people have to drive down state to get the stuff they need wich takes the money out of town in stead of in town where it would help the community.
265.	More store options including restaurants, fast food, gift shops, book stores, etc.
266.	Improve roadsempty buildings
267.	Stronger drug task force with emphasis on teaching community about drugs and effects.
268.	Kid friendly areas
269.	Keep community center open for recreation 12 months a year.
270.	
	I would like to see a horse shoe area. I think it could bring residence together. We could have a league.
271.	Business.
272.	Business. Organized youth and adult activities. Such as yoga, martial arts, camping/scouts.
	Business.

		Jason Kear
	275.	It's beauty from the Great Lake, to surrounding lakes and wildlife. The rivers are beautiful. There is a great need for employment and increased importance on tourism. We have the most beautiful beach in the State, but can't be seen from 23.
ľ	276.	More economic development
ľ	277.	I recommend improvements down at the old Air Base in Oscoda.
ľ	278.	I love Oscoda as it is.
	279.	More things to do. Laser tag, turn furtaw field into a baseball diamond, better places to eat that're open 24/7, better basketball courts, maybe even an ice rink.
L	280.	Downtowntoo much blight
L	281.	revise dowtown. Invest in good restaurants hotels and access to water activity
ŀ	282.	blight in community and downtown, roads are deteriorating, fix the downtown lack of stores.
ŀ	283.	More activities for the younger crowds
	284. 285.	More business's, restaurants, and retail shopping. Restore some RV camping in the down town area to get people walking around town like they do in East Tawas. I believe it would revitalize our down town area. People camping at Old Orchard and Van Etten campgrounds do not visit our downtown area unless the weather is bad. Camping within walking distance of the downtown area would bring shoppers and then additional shopkeepers and eliminate empty buildings. I also feel that the current meeting building should not be sold for a medical facility. There are other empty buildings that could be utilized for that purpose ie: old ace hardware building or building next to Dairy Queen.
	286.	Oscoda township desperately needs to be revitalized and allow some big businesses in the area. We need a better quality of people living in the area. Big businesses and employment opportunities would help with that.
L	287.	More large companies putting jobs here to encourage residents. Open airport for public airliner use.
ļ	288.	More organized activities for young children.
ŀ	289.	The people
	290.	We need shopping downtown, to many vacant buildings. Other communities have hundreds of people downtown, we have next to none. Very embarrassing!
ŀ	291.	More business, shops, restaurants downtown.
ŀ	292. 293.	Redevelopment of downtown area to encourage new business and to create a pedestrian friendly environment. The skate park needs bigger ramps a better play ground a better basketball hoop roads need to be better that is what
	293.	they can improve.
	294.	More shops that you can only find in Oscoda. We need to start a volunteer service that picks up trash on the side of the road. I'm going to let you in on a secret, I love this town but I don't know what it is (maybe because we have barely anything to do here) all of these kids are turning to drugs & partying instead of focusing on their future. Because of how many drug problems we have here (I know these issues are everywhere, but it also seems every time I turn around someone I know is thinking they're cool because they smoke) and also half of this town is full of people who don't try in life. This is the main reason I don't want to come back on my future with my children. This is a small town surrounded by small towns (the nearest city that teens like to go to is two hours away). There are people who can't even hold jobs at McDonald's that live here, and although you can find those people anywhere Oscoda seems like there are quite a bit. We need to get these people motivated and proud of the town we live in.
ľ	295.	Snow removal in winter. First year I was up here in 2013 they did a great job. It's been downhill since then.
	296.	More shops, boutiques, restaurants in downtown area. Places to attract people to walk from store to store and shop. Perhaps clothing, shoe stores.
	297.	Whether it's tourist income or industrial revenues we need economic improvement more than anything. Also more/better medical related locations & professionals so locals can be treated locally.
ŀ	298.	There should be more community events. Music festivals etc
	299.	Shoppingknow where to shopeveryone goes to Tawas for the "Newman" street shopping. More businesses, there are some dumpy areas in which blight needs to be enforced. Do more things with the base; change perspectives of the township board in keeping Oscoda a "small town" you can still have a small town feel with more things to do. The chamber needs to have more activitieswhat ever happened to the red, white, and blue festival. The chamber needs to be more involved in planning activitieswe have the same old ones.
ļ	300.	Showers at beach for rinse
ļ	301.	More shopping and restaurants
	302.	I would recommend getting some folks with fresh insight to come in and consult the Township. There is potential for so much more walking paths and events to name 2. During the canoe marathon there are literally hundreds of people in Oscoda who would not normally be there, why is the township not coordinating events to coincide with this timeframe and show off the potential of this lovely town? Maybe partner with local businesses and set up booths have some, have some of the local restaurants come down and sell there food at the finish line for some much needed revenue. I can think of all kinds of things to promote this beautiful town. have a carnival at the same time of the marathon, there will already be hundreds of people that would not normally be there, tap into some of the revenue. Overall this township needs a makeover in leadership as it is lacking, at best.
	303.	We do need more businesses most especially would like to see a big brand store like a Super Meijers or Super Target to have better priced products and provide many jobs to thus area. Heck, at 60 years old I may even like to work there. Been hoping for this for years as there is no place to buy clothing here other than Kmart or the expensive gift shogs. Usually I will travel to Tawas or downstate for shopping.
	304.	First is to fix the blight of our downtown. Landmark, Gilbert, Ausable River Trading Post, Ausable Inn have committed to improve the looks of downtown. The other business must be forced to meet architectural guidelines to upgrade their store fronts or rebuild. 2nd the economic development needs to get off their rear ends and start marketing to Large/Medium Box Retail Stores and Developers (Strip Malls) and create an area that attract these these companies instead of letting Tawas and Alpena beat us to the punch. 3rd - Fire who ever is dumping the large amount of fund into Old Orchard Park, letting our back roads become a mess which leads to more blight because the residence don't think they care so why should they and bring in someone that has real life experience in developing businesses and communities!

305.	I believe the currant superintendent guides board in wrong direction. the township seems to do nothing for tax-payers ie roads garbage, the currant water and sewer employees still do not know system and need help from ex employees but they get a 5 year contract
306.	Better walkways at 3 mile park to access the lake without having to hike through swampy weeds and muddy water. It is disgusting.
307.	I would like to see the community center open all year long.
	I like the downtown areaI don't want a busy place like Tawas, but I'd like to see the empty stores and resterants filled not empty
308.	Utilize Furtaw. It is an ideal location for a playground, paved walking around the perimeter, tennis/pickleball courts, basketball courts, picnic area all that could be seen from 23 and feel inviting. The skate park is not a place for activity. It is a place to hang out and quite unbecoming to the 'family crowd'. We want families to feel comfortable in town because they spend money. It is my belief that many many drug deals take place and have taken place at the skate park, which is tucked away from normal police patrol pathways. A nice family park in the middle of town that is thoroughly planned out and well designed would greatly enhance the feel of a welcoming community, which would bring families back.
309.	Attract more businesses. Enforce ordinances meant to oblige homeowners to keep up their properties (cut grass, remove unlicensed vehicles, etc). Oscoda needs to have more summer events to attract visitors and bring in revenue.
310. 311.	Less hardware, and auto repair shops. Repurpose old buildings into businesses that'll help the citizens, not the tourists. Crime has been a problemespecially theft associated with drug use.
312.	bring in shops and boutiques to bring in tourists
313.	We need to be a forward thinking community. Able to share our great natural resources easily and quickly with visitors.
314.	Continue to improve access to our great natural resources.
315. 316.	Need outside waterfront dining. Always have been amazed in Michigan the lack of. Clean up blight. Freshen up the down town area. Make it look a little more inviting. Looks like a bunch of mushrooms
	mash now. Not attractive at all.
317.	More housing and doctors offices
318.	Let's start by getting a quality food store like a Kroger, Rogers has been a fine addition but we still need competition. Let's figure out a way to get the stores in downtown up and running with parking, buy em, doze em but get going, a boardwalk on the river would be nice
319.	Not turning streets back to gravel. Improve the look of 23, clean windows of buildings whether it's a current business or a closed one. Have the auto repair shops park the vehicles in a manner that does not look like a bunch of junk cars strewn about.
	Housing blight in the downtown area should be addressed, in fact, blight throughout the township should be addressed. The one thing the township can't do is have "some" of the local businesses change their pricing ways. More residents would shop local then. Some businesses need to be friendlier and more helpful to their customers. But, the township has
	no control over that, so people won't shop local.
320.	Tennis courts at beachdislocate that mess at the north side of river mouth, return that to the community!!
321.	Tennis courts at beachdislocate that mess at the north side of river mouth,return that to the community!! Encourage businesses to locate here and utilize the base for more development
	Tennis courts at beachdislocate that mess at the north side of river mouth,return that to the community!! Encourage businesses to locate here and utilize the base for more development And "at your own risk" outdoor workout space.
321.	Tennis courts at beachdislocate that mess at the north side of river mouth,return that to the community!! Encourage businesses to locate here and utilize the base for more development
321. 322.	Tennis courts at beachdislocate that mess at the north side of river mouth,return that to the community!! Encourage businesses to locate here and utilize the base for more development And "at your own risk" outdoor workout space. A restaurant on lake Huron right next to the pier.
321. 322. 323.	Tennis courts at beachdislocate that mess at the north side of river mouth,return that to the community!! Encourage businesses to locate here and utilize the base for more development And "at your own risk" outdoor workout space. A restaurant on lake Huron right next to the pier. Easier routes of traffic Better use of tax money. Rather than purchase of new beach property money would be better spent maintaining what we have. New business and new residents are not attracted to a town that does not maintain roads but rather turns them back to dusty/muddy rutted gravel. This is not progressive thinking. We don't have money for police/fire or sewage project but we have money to purchase swampy beach property and remove it from the tax rolls. This property doesn't seem too desirable to other buyers as it has been on the market for
321. 322. 323. 324.	Tennis courts at beachdislocate that mess at the north side of river mouth,return that to the community!! I would like to see the job economy get better so that families will stay and can make a living bring more business and population to the community A winter sports park .would be an asscet. I don't necessarily think that big commercial hotels are the solution. However, investing in our quant cottage community and building up the lake Huron side of downtown with shops and restaurants will help make oscoda more of a destination. People leave here, even tourists, to go to tawas and enjoy their downtown. Let's create a space that they don't want to leave. Also, take advantage of what we do have, like the canoe marathon.grayling pulls Ten thousand plus visitors at the start. We should do something to get that business here and make people want to stay for a visit after the marathon.
321. 322. 323. 324. 325. 326. 327. 328. 329. 329.	Tennis courts at beachdislocate that mess at the north side of river mouth,return that to the community!! We should do something to get that business here and make people want to stay for a visit after the marathon. Deals at restaurants, deals at the cottages. Group deals whatever. That is an untapped existing resource. Allow improvement which will increase visitors and provide more enjoyable experiences to locals and those visiting our town. Hold townsh

	to get some of the vacant buildings filled. Start to give business a break rather that making more rules and regulations.
	This is a small township, actually try to help, rather than hinder, the people that already live here. Have the trustees and
	supervisors get off their dead asses and take a good look around - the place is dying and they're sure not doing anything
	to help.
334.	Term limits with all political offices. Federal investigations with possible misappropriated funds from governments closing
	of Wurthsmith Air Force Base, and lack of community input. Immidiately hire a new Township Superintendent that serves
	the Township board and community instead of self serving.
335.	I think keeping the natural beauty of the many amazing visitor locations. Keeping all those places clean and inviting.
336.	A year-round civic center where in can walk comfortably.
337.	More little shops/businesses
338.	Full-service restaurants and varied shopping opportunities
339.	More leisure activities. Better restaurants. Cheaper groceries. Basketball courts/ tennis courts
340.	A year-round Oscoda Community Center access makes so much sense now, and will only be of more value in the future,
	as more people come to this township to enjoy the "Quality of Living".
341.	We need growth and are at a point we can't be too picky about that growth. We have so much to offer but make it so hard
	for new business to come and get established. If we are encouraging growth we also need places for people to live and
	there appears to be a rental shortage.
	Perhaps the Township should encourage economic growth through tax abatement or other incentives. We have the DDA
	and it has done a few nice things but is truly meant for a larger governmental body and isn't very effective for our small
	town.
342.	More social activities for people of all types. Show that Oscoda is inclusive of people if all walks of life even the LGBT
012.	members. I moved up here because I loved the area but didn't think of the complete lack of social activities for me up
	here. We need a chain restaurant or two because there are only 3 local ones that I'd suggest to people. Build a Disc Golf
	Park for the kids. We have hardly any activities for kids. I saw the small update to the skate park but that it's an outdated
	design and basically looks very cheap. Get the buildings leading into town rented and businesses in them even the
	historical building by the Finish Line that's priced way out if market. Take care of the water issue from the base, don't
	fight your residents when they say the water is not safe and productive persistent with the Air Force to get them to help
	make things right. Finally, get along with the Tawases so we can work together and build this area up. Oscoda is
	beginning to look like Detroit and that's not very appealing to people coming up here to get away from Detroit.
0.40	
343.	More Drug enforcement,
344.	There needs to be more recreation and less commercial, especially for the rather large potulation of teens and young
	adults here: there are too many things catering towards the elder generations, and not enough to satisfy younger people,
	tourists and residents alike; utilize existing, unoccupied buildings and modify as necessarry before constructing new;
	more living and home opportunities for lower-income people; open up a adequately-sized homeless shelter with
	accompanying employment or community service opportunities (the brick schoolhouse on w. michigan-river road could be
	a good place); food and ice cream trucks that periodically circle the beach or residencies during the tourist season could
	be fun; our school needs to adjust its priorities: allocate less spending toward sports, more towards improving classroom
	conditions, peer support communities, and TRUE sex education (abstinence-only courses and scaring teens with STD
	stories arent working; teach them about birth control and protection, about body autonomy and consent, pleasure, teach
	them comprehensive information about their bodies and parts, and have boys and girls learn that information about each
	others'. and stop shaming people whove done it, especially girls.); more public transportation options should be
	implemented, like bus stops for the transit thoughout locations in and around town, and have the transit run 24/7;
345.	We need business!!! Put somethinganything in those empty building's!
346.	Bring something that may bring more tourism or visitors to our area.
347.	more shops, no empty buildings, tear down bad downtown buildings
	But what I would like to see is a walking path on the beach so us elderly who cannot walk in the sand can get to the water
	like the one in Au sable township beach I would really like to go to Oscoda beach but is to hard to walk down the sand I
	am 63 years old carrying a chair and everything else I really have to give Au Sable township credit for what they have
	done on there beach
348.	More trails for dog owners
349.	GET RID OF THE DRUGS!
350.	More bigger shopping stores to give more choices. And to make prices more competitive.
351.	Need a few more fast food choices, less pizza places. Arbys, Wendys. Red Robin or something of that nature would be
	great too. Need more traffic lights like by Admiral and the Hull Island only exit. Hull Island area needs paved where it does
	not cost the residents out of their pocket. It is still in city limits.
	Need more jobs for the younger people and basically for everyone. Many have a hard time finding jobs in the area. There
	are a limited number of apartments and rentals. If you are elderly or very low income, then you get help.
352.	Improve downtown Oscoda making it comparable to Tawas
353.	A more vibrant downtown.
354.	Improve downtown. Do something with vacant buildings. Occupy them and improve them, or condemn them and tear
	them down.
355.	clean up the derelict buildings. Cash in on" Paul Bunyan" lore and use it to townships favor. Other towns in other states
000.	do, but Oscoda is the official birthplace of the legend. Why do we pass up the opportunity? Theme the downtown as such.
	Gaylord is known for their Alpine inspired storefronts.Oscoda could be themed for the logging industry that built this town,
250	and use Paul Bunyan lore as the inspiration
356.	Downtown and blight.
357.	Impeovements i. The EMS and First response system
358.	Improve down town area shopping dining and old orchard
359.	I was born and raised in Oscoda, but after graduating college, chose to live downstate. I would love to move back to
	Oscoda and raise my family, but Oscoda lacks medium to high-paying jobs. My husband and I don't feel like we could find

	jobs in the Oscoda area to earn enough money to live comfortably. We love the area and truly hope it makes a come back!		
360.	I think development of the downtown.		
361.			
362.	and unused.		
363.	now it's just dead. We need a bigger store in this town just look a tawas it got a Wal-Mart and now the town is thriving. V just need a target, or a meijers.		
364. Put a arcade in for the teens			
365. Yes ?			
366.	6. We need better shopping options and not strictly low end merchandise. Downtown shopping looks cheap, uninviting and too many of the same types of businesses. It would be nice to have an entire section of various types of shops to stroll through by either tourists or residents with quaint little restaurants peppered in betweenoutdoor cafe'smake it a great place for it's residents even when tourists leave but a town to be proud of when company comes. Also, better management of the River, especially on Holidays and weekends. Too many high powered boats, jet skis, etc., with no respect for other boaters or the damages they cause due to their wakes, especially on Foote Pond.		
367.	67. New face lift downtown. Bring in more stores or opportunities- make it cozy- make me want to keep my money on the community. We don't even have a coffee shop to visit with anyone.		
368.	368. Steady can cautious growth. Let's not succumb to the almighty dollar.		
369.	. fill or get rid of the empty buildings		
370.			
371.	Bringing in business to existing empty buildings and promoting out downtown similar to how Tawas does with Newman St.		
372.	. We need to revitalize our downtown area! Bring back business & restaurants (with outdoor seating). More community events to bring people to town. We really need to punch up the town and get our tourists back.		
373.	Growth		
374.	Listen more to your public. Think outside the box more on activities		
375.	Clean up blight and renew downtown		
376.	Build and encorage any businesses to the area and housing / apartments for the average family not low income		
377.	Better use of river frontage, with walkways and small business stores. Oscoda should work on getting so called Main St. (Off) of US 23		
070	People now whiz through Oscoda heading North or South, they are not going to look for parking behind buildings.		
378.	More specialty shops, more good paying job opportunity for year round residents		
379.	Oscoda is stagnant. I would like to see the bike path come in, more fairs and festivals, perhaps a renaissance festival? 5k's are very popular also. These things bring people by the thousands. They are seasonal events, but perhaps could lead to something bigger.		
	As far as the community is concerned we need to at least keep the people we already have here. Is there anything we can do to compete with bigger cities to get companies that do come to MI to even just look at our area? Good jobs and decent wages are a reason for people to stay. At this time, I don't feel we have enough reason		
380.	I think more small businesses would be nice of a variety. Would like to see either a Kroger or another major store to help bring down costs. I'm a junk shop shopper, so more thrift and bargain stores would be nice, however not so much as to lose the small town feel. That's what I like most about living here.		
381.	replace township superintendent and staff w/ people who are interested in attracting high paying jobs w/ healthcare and benefits		
	low income part time jobs do not build a community		
	disappointed in lack of leadership since Wurtsmith closed in 1993		
	next time have someone who understands questionnaires design it		
	improve the quality of the schools		
	a bronze award does not mean anything		
	encourage businesses to develop the airport business park fix up downtown, it looks like a cheap strip mall		
380			
382. Develop strong development, economic and recreational goals with significant and proactive, diverse citizen an inputs. Think outside the box. Get expert assistance from several consultants and other community leaders si Oscoda.			
383.	Not much for a beautiful area. You would think there would be more economical growth an a blooming place like traverse city, Alpena or even tawas.		
384.			
385.	Oscoda township seems to be committed to gasoline powered recreation activities. My family would like to have a functional bike path and cross country trails and more and easier accessible hiking trails.		
386.	Clean up the weeks in Van Ettan Lake		
387.	Better educated residence, reduce poverty by industrial incentives for companies to move into airbase		
388.	More consumer friendly shops that don't price gouge. Oscoda could have more locals shopping local if the local merchants didn't charge almost two to three times as much as other places. Example: Family Fare always has prices higher than say Neiman's and look how big a chain Family Fare is than Neiman's! Some restaurants are gouging, Wiltse's with their new menu. \$10.95 for a BLT! You can shop in Tawas and run into a lot of Oscoda residents who don't want to be taken advantage of by shopping local, including members of the DDA! There needs to be more for the kids, young and teens, to do. Kids need more than the beach, hunting and fishing. Our		
	local movie theater needs work. The bathroom is horrible and the place needs to be refurbished. 23 should be street cleaned more often to make things attractive and empty stores and businesses should at least clean their windows. Take		

	a good look at the empty store showcasing the photographer in Oscoda! More should be done to make the township look inviting. The zoning person should do much more to get rid of the blight, old cars, tires in the yard, junk, wood stacked every which way, etc We do have ordinances!
389.	Need more local shopping options for clothing items. If Kmart goes, we will not even be able to find shoes in Oscoda! Enough "Dollar" Stores though!
390.	Nice restraunts with good healthy food, not bar food. No dollar stores. High end retail shops. Less fast food. Less auto body shops. Update old buildings & make them usable. Get over the fact that the base is gone. Stop talking about the good old days. Improve schools.
391.	Hire an active program planner/promoter of existing community elements and services. Make their pay/bonus based on performance, but give them a rolling 3 year contract to give them a chance to succeed
392.	Encourage business growth in the area that could provide services to the community plus create jobs.
393.	Fill the empty buildings.
394.	Adequate affordable housing. Tourist destinations- sops and restaurants.
395.	More stores, and bring in the year round activities the area has provided with us.
396.	I would like to see the empty shops filled and revitalized.
397.	I recommend making the downtown more attractive for tourist, like Tawas. Also using the buildings that are already in place for businesses. The empty builds are an eye sore. A big negative we are noticing over the last decade is the influx of very poor Americans. It truly looks like Oscoda is a destination place for the poor. I think we need to make Oscoda more appealing to individuals who will spend money and help businesses survive.
398.	I think a good start would be to really apply yourselves to using the survey results.
399.	More shopping facilities. (Aldis) Downtown improvements more signs to advertise Oscodas beautiful public beach. A fresh produce market.
400.	Clean contamination at Wurtsmith!!!! Clean the environment, get Federal Funds. The pollution is why we are afraid to buy property or spend more time there. Don't just do a PR campaign. Clean the mess! At the very least, plant things that can clean the mess naturally. http://www.resilience.org/stories/2014-08-11/using-plants-to-clean-contaminated-soil
	http://www.environmentalcouncil.org/priorities/topic.php?x=142
401.	I have bee coming up to Oscoda for over 30 years. The down town area is in need of some more updating to compete
401.	with Tawas.
	Oscoda beach is has been updated a lot over the years and is one of the most important
	locations to keep maintained and beautiful in Oscoda. I was up the weekend of 6/18/16 and the splash zone was not
	working and the beach was not groomed to remove branches and garbage. I was up memorial weekend and the grass
	wasn't cut. Please maintain this gem better.
402.	Maybe even put some sort of food and drink unit there like Tonys tacos at Tawas beach. Keep Oscoda community center open year round
402.	Revitalize the downtown shopping area!!!!!!!!!!!!
400.	It looks like a ghost town. Compared to East Tawas during the Memorial Day weekend you couldn't tell it was a holiday here. There are no longer the shops and stores for residents to shop at, The town is dying and something needs to be done sconer rather than later.
	If we loose more stores we loose revenue. The biggest store is Gilbert's and I rarely shop there.
	We need to add more parking so businesses will come back in. Board members that are open and want change. I have
	been coming here as a young child and now my grandchildren come here. Sad to say if something isn't done tourists will
	bypass Oscoda all together. Yes we are 6 mos residents but I am a taxpayer and want my opinon to be heard and considered like full timers.
404.	Allow the development of things that would grow the economy (ie. Walmart, casinos) There is plenty of space out on the
1011	base that is going to waste.
405.	Oscoda community center should be open year round!!!!
406.	Year round community center. An upscale resort.
407.	
408.	Just to limit the amount of commercial Lake Huron frontage. Would rather see parks or private homes than commercial buildings.
	buildings. Take the money from the sale of the building downtown and use it to keep the community center open and if possible use the community center for your meetings. Do not build more buildings for gov't purposes since there are too many empty buildings now which are a negative to the community. Is there anyway to support snowmobiling in the winter or an ice fishing contest? I always thought there should be an eatery on the lake. Maybe one run by the local restaurant owners

414.	The local government does not seem progressive. Maybe new leadership is necessary.
415.	I really like to play basketball and I would like to be able to play inside especially when it rains.
416.	The bathrooms at the beach park needs to be improved and more stalls. During high peak use, such as the 4th of July, you should add porta-potties. When you have big crowds on the beach you need to have visible security present.
	I don't think blight is a big problem in Oscoda, but getting empty buildings occupied should be a priority. Limiting high density rental properties and not adding mobile home parks should be a priority.
	Encouraging business development to provide jobs and encouraging home ownership is needed.
	We own a townhome at the Villages of Oscoda and the increase in renters is a real concern. I love the area and plan to spend summers here. I think the VOO is at a tipping point with "blight " happening if more renters who do not maintain their home move in which will turn it into an undesirable neighborhood. Property values have stabilized but will not continue to improve if homeowner occupied units continue to decrease.
417.	Develop a strong township development team (solicit help from other communities if needed) to brainstorm how to 1) fill the empty buildings we have with viable business ventures. Work with the building owners to ensure that they are not overcharging for building rent, which is stopping any further tenants from considering the site. And 2) bring business into the town - those businesses that can survive and fit the community. You can't wait for people to come to you, you have to be aggressive in pursuing them - offer incentives
	For example: 1). a discount shoe outlet 2) a beach shop located near Lake Huron (perhaps offer spots to vendors to sell during summer months if no land is available for permanent business or an existing empty building) which would offer all kinds of summer fun toys, equipment, clothing, beach towels, etc 3) a "day old" bread outlet for bakery items at cheap prices 4) canoe/kayak supply store 5) fresh fish market
	 b) year round indoor farmer's market - sell fresh in summer, other things in winter (like firewood, canned goods, Thanksgiving and Christmas Items, quilts, etc)
	Concerning the community center, if you cannot justify keeping it open in winter, maybe buy risers or a portable stage to use for guest performers or speakers - need a place to present such entertainment besides the high school. Offset costs by charging admission and/or charge to rent the space
	Also would like to see some improvement at Ken Ratliff Park on VanEtten Lake as far as providing a handicap access ramp that would "jut out" into the lake to allow fishing by those who cannot access the lake any other way due to physical limitations.
418.	Large shopping center .

Develop an industrial area with tax abetments and economic incentives. The downtown area needs to utilize a core organization, ie, Chamber of Commerce, Merchants Assoc. DDA to submit grant applications etc. These organizations should all come together if they haven't to this point. The stronger the restrictions for housing, business and industrial concerning zoning, site plans and development, will increase taxable value and provide the additional funds necessary to implement your future plans. We have the nucleus for a very upscale, dynamic, beautiful community.

	All septic systems should be checked on a rotating basis or at a MINIMUM, when a home or business changes hands,
	the septic system should be inspected and REQUIRED to be brought up to current code. Oscoda can and should take the lead in this critical state wide water quality issue!
426.	We need industry that will bring economy to our town and rebuild downtown so people have a reason to go downtown
420.	shopping and bring people to Oscoda.
427.	Bring in business. Not more dollar storesbakeries, boutiquesmore upscale stores. More Restaurantsnot barsvariety of foods Good Italian, seafood etc
428.	I think blight should be looked at. There are many trailer parks that were set up when the base was active and have not
	been kept up. Bad housing and low rent will just bring trouble. We have natural resources here that really are not really
	being used to the their fullest. Get the DNR to stock native fish and try to get them away from Salmon who eat our native fish. Also get the federal government to clean up the mess at the old air base. Until that is done nothing you do in this
	Township will matter.
429.	Need improvement in variety of restaurants and shopping facilities.
430.	Improve housing options, and encourage retail options.
431. 432.	Treat weeds in Lake Van Ettan, improve well water quality, pave Colbath Rd. undo many useless regulations
432.	do something to control / reduce the weed problem in Van Etten lake.
434.	1. North end of Van Etten lake desperate for weed control, very bad. 2. Alexander Road off of F-41 needs to be fixed not
	patched, tear it up or put down a new road. 3. Trash containers/ collection needs to be mandatory for all residents, even
	seasonal. Trash is being dumped in public parks, hunting areas. 4. Water contamination from Wurtsmith Air Base, all
105	homes need to be checked, water tested. Improve the members on the board. They do not support new people that move to the area. Just a bunch of "good ole
435.	boys"
436.	Install municipal water and sewers on Loud Drive. Our water well is contaminated from the base.
437. 438.	Quality restaurants and progressive healthcare facilities and hospitals Bring in more activities like Traverse- upgrade sewer system down loud dr. No one on Van Ettan or Cedar should have
430.	septic- makes all connect to Sewer! Save the lakes!
439.	The downtown needs boutiques and restaurants that overlook Huron and maybe some along the inland lakes.
440.	New businesses to fill empty buildings and offer decent jobs for more residence.
441.	We need water & sewers to all of the township area. Being able to have & offer these utilities would be the fastest & most
	effective way to develop Oscoda in many ways. The contamination of the water within in our township is having adverse affects. We are a tourist destination. Our lakes & water ways is central. We must install municipal water & sewers to
	prevent the pfcs. and other contaminants from getting into our drinking water. Safety of all our citizens including safe
	drinking & cooking water should be addressed immediately. We are already hearing about our property values going
	down. This includes residential and commercial. To turn this around we need to work hard and upfront on bring these
442.	utilities to the community. Cut out Bike Night.
443.	Tear down any empty buildings in town. Need more businesses and restaurants, groceries store. Now I do most of my
	shopping in the Tawas area. Tear down blight structures in the area. Make the area more inviting for businesses and
	visitors. Advertise down state what the area has to offer, events, beaches, year round recreation, lakes, rivers. Some
	people do not know that Oscoda has a beach area. Improve traffic flow around town. Provide safe drinking water. Require all septic systems be up to code. Twp needs to work with the lake associations to improve the lakes. The twp
	owns property on Van Etten Lake but does little to help the VELA association with problems on the lake. Example the
	stumps flowing down from the Pine river. This is a safely hazard plus a law suit issue. Drugs, under age drinking and
	people climbing on the Van Etten dam. The Twp expect the association to take care of most of the problems while the
	twp gets all the benefits (profits from boat launch fee, park rental). Van Etten Lake propety owners should not have to
	pay boat launch fees. The taxes they pay should be enough. Twp does not take enough interests in the waterways in the area. These waterways are why people come to the area. Twp needs to stop wasting tax payers money (pier,
	buying land for rv park). Twp should just improve the existing recreational areas. Get rid of Bob Stalker and try to get
	new board members. New people equal new ideas. Stop trying to be like East Tawas.
444.	Move the primary retail off of US23. Not many people enjoy shopping and dining with a major freeway running by.
445.	Downtown Oscoda needs to be redeveloped to become more of a destination for shopping and night life. Existing restaurants are okay but more is needed to draw visitors. Business spread out to the north are in a non walkable area and
	accessible only by car. This is a tough thing to accomplish but to drive more tourism the downtown core needs to be
	improved. Too many vacant store fronts.
446.	Eurasian milfoil is slowly ruining the southwest end of Lake Van Ettan.
447.	I'd like to see the drug problems taken care of and less welfare recipients living here. There is nothing for young people to
	do here and I think something should be done to help them. It's sad to see people drive right through Oscoda on their way to somewhere else. Why can't we be developed like Tawas?? WHO is holding back the development in this town and why
	are so many businesses leaving?? Too many empty stores. No one wants to come here and it makes me sad.
448.	Need resort on ausable or Huron, large new and year round. Redevelop downtown, the place looks deserted. Need
	campground walking distance to downtown. Get someone to sell full line lumber. YMCA camp on vanettan is vastly under
449.	used, help them get on track. Thanks Take better care and give better assistance to Van Etten Lake home owners!!
449. 450.	Bike/Walking path from county line to downtown along F41. Improve township roads at West end of lake VanEtten,
451.	(Colbath Road) and not just Loud Drive. Unimproved roads set an image of select road care. Continue with Blight efforts.
431.	Clean up the blight. Create rule for moble home park and how there used. Try to get fundin so bussines can clean up
	Clean up the blight. Create rule for moble home park and how there used. Try to get fundin so bussines can clean up there property. Establish codes.
452.	Clean up the blight. Create rule for moble home park and how there used. Try to get fundin so bussines can clean up there property. Establish codes. More small buz in the downtown area, even if it means financial support from the twp. If theres no downtown oscoda dies.
	Clean up the blight. Create rule for moble home park and how there used. Try to get fundin so bussines can clean up there property. Establish codes.

453.	Open up more industry for people to find better jobs so the quality of life would go up				
454.	reinforce the business community				
455.	Roller skating rinkdrive in theaterswimming pool				
456.	Encourage development but maintain access to all the Natural attributes Oscoda Township offers and change only for the				
457.	betterment of that access. Passes or free launch access for Van Ettan lake front owners, at Ratliff beach				
458.	Refer to above remarks.				
450.	Pete and Sally Hervey				
459.	Make the Township more exciting and inviting. Develop more upscale restaurants and shops.				
460. More consideration for residents that shoulder the burden of special assessments for public properties. Mor grocery, clothing, and variety stores. There is nothing to 'buy local' anymore except gasoline from stations t pricing outrageously.					
461.	Improvement and encouragement for businesses in our community.				
462.	So sad to see the vacant store fronts. Also find that the Oscoda Press does not advertise the events around town very well. Didn't know that the LZ operation was going on until we heard it from our cottage even through I bought a paper that week. Just need more things going on to compete with Tawas.				
463.	Availability of weekly recycling pickup.				
464.	Fix the water issues on BOTH sides of Van Etten!!!!				
 464. Pix the water issues on BOTH sides of van Etternini 465. Repave Alexander road or turn it back to dirt it was better when it was dirt than it is now Don't let the water in Van Etter lake down so far cannot get a boat out to go hunting during duck season from my property on Van Etten lake. I own was front that turns into all mud and cannot use the waterfront during the duck season and the property was bought for duck hunting and fishing. 					
466.	More dinning choices				
467.	I think the people who live on lake Van Etten should not have to pay for the boat launch when they pay for the lake weed control. Give all property owners a special card to place in window.				
468.	more winter activities, more fish planted in ponds (i.e. Foote pond, get a fishery) so the steelhead draws we had years ago remain,,,from the shore to the water, more advertisements where we are at, if you mention Oscoda people are like where? make sure the local tv news people acknowledge uswe have the natural facilities, time to make them work				
469.	Get rid of blight in the downtown area.				
470.	Development of job opportunities for residents in the community. Oscoda needs more retail stores for groceries, and clothing.				
471.	Beach front Hotel				
	ones! Give people a reason to want to come to Oscoda! There is very little entertainment in Oscoda! We need more! I do not like Family Fare Grocery Store! It is not clean and their fruit and vegetables are not fresh! Their prices are too high! Would like to see a Neiman's Grocery Store in Oscoda! I bring most of my food from down below because it is much cheaper to buy it their. If I need to shop in Oscoda in the summer, I go to Tawas for my meat and groceries. I buy very few groceries in Oscoda! I would like to see fewer boaters visiting our lake, Van Etten! They are putting their boats in and bringing Zebra Mussels and weeds into our lake! We need to continue the funding on a yearly basis to remove the weeds out of our lake and NOT stop our weed treatment! If our lakes are too weedy, property values will go down and the township will not have sufficient revenue from tax dollars due to lower lakefront assessments! No one wants a home on a weedy lake that you can not swim, fish, or boat on without getting caught in weed beds! Boating fisherman will extend one of their legs onto my 70 foot dock in order to cast underneath when fishing! I am tired of my boat and dock being hit and this is also a safety issue! This needs to stop!				
473.	I would like the township board to be more supportive of weed control and watershed pollution interventions in Van Etten Lake and work much more closely with VELA. We should not have to go back to square one any time our SAD for weed control needs to be re-established. VELA has a large membership and represents homeowners and cottagers on Van Etten very well. The township board needs to have higher regard for VELA.				
	The township board needs to establish a citizens' advisory board immediately to see that homes affected by ground water pollution from the former air base get hooked up to municipal water immediately, paid for by the federal government. The township board and citizens' advisory board need to work together to hold the federal government responsible to provide remediation efforts to reduce and eliminate the groundwater pollution before it impacts our people and environment in additional ways. We are very willing and able to support the township board in these critical endeavors.				
	I have reason to believe that some of the downtown buildings are assessed way too high. It will be very difficult to sell or improve downtown buildings if they are assessed for more than they are worth. Our assessment department is not particularly responsive to our citizens with concerns. I know personally that Boards of Review trust our assessor more than our citizens, even when the Board of Review's decisions have been overturned by the Michigan Tax Tribunal. I have had that experience three times.				
	I appreciate the opportunity to reply to this survey very much. In the past it has seemed to me that the township board invites a crisis mode mentality, rather than working with citizens to anticipate needs before they become critical.				
474.	Improve economy and preserve natural beauty.				
475.	reduce taxes, new faces in government				
476.	Do whatever possile to enhance the area as a tourist hot spot.Purchase more park areas, build township owned marinas.Make Oscoda more like East Tawas				
477.	Clean up pfc/pfos and contamination from Wurtsmith and provide municipal water to all affected property owners as soon as possible.				
478.	Cater to the seasonal clientele, that's where the money is. Take a few lessons from Tawas instead of being stagnant with the same old way of thinking. Oscoda needs new blood in the supervisor's office to generate new ideas and cash flow. Quit trying to screw the part-time residents and strengthen the blight concerns to improve the look of this great tourist area.				

Downtown Reduce taxes ,get rid of the blight clean up the base. Its a bad mark on the area, test all of the wells make air force pay for it every body should be able to get there well tested. Revitialize the downtown area. Tired of seeing close up businesses. Why is the Tawas area so much better looking?		
for it every body should be able to get there well tested.		
Revitialize the downtown area. Tired of seeing close up husinesses. Why is the Tawas area so much better looking?		
2. Revitialize the downtown area. Tired of seeing close up businesses. Why is the Tawas area so much better looking?		
Sewers for all riparian sites on the lakes, rivers, and streams. Safe drinking water.		
Downtown is unappealing, needs to be revitalized using the river and lake as attractions, attract retailers, hoteliers and tourists, create river walk and make the businesses destinations		
Clean up down town		
get people to update their septic systems - I bet there are lots of old ones especially at older cabins that have been here a long time - people should upgrade their places		
take care of old trailers and trailer parks by making land owners stick to some code so they don't get all run down and attract animals - looks bad too - especially when people come up here to enjoy the up north and see that mess!		
bring in new business to fill in the empty buildings - need new blood to re-vitalize the community		
winter sports complex involving the community center.		
year round community center		
Pressure the government for a good plan on clearing up the groundwater contamination. More affordable property taxes based on an appraised value, current market conditions, and not some fictious number the assessor's office pulls out of their hat. Township is at times difficult to get answers from. Publicize information on elected officials. More of an open door policy with officials.		
We need to change rules to allow temporarily allow canvas shelters . Many of us use these to protect our boats and vehicles during the summer months. The shelters allow us to keep them handy for use but provide shelter from the trees that rain down a variety of sap and pollen. These are not buildings and building codes should not apply.		
Sprucing up some of the trailer park areas that we see.		
Keep Van Ettan Lake clean and plant more fish.		
Enhancing areas on Ausable river (walking trail from river road park to downtown), support and dev. of Bike path, growth incentives for new and existing businesses. More detailed landscape maintenance of Downtown beach (weeds and poison ivy in general areas), encourage food truck use at downtown beach along with water sports rentals. Develop Furtaw Field for it's intended use of education and fitness opportunities including a well paved track for those unable to walk on streets or sidewalks including well marked parking around park (remove posts around field-maintenance is time consuming). Education regarding history of Paul Bunyan and logging industry in Oscoda.		
stronger downtown commercial district, more options for tourists with children		
Improve downtown area to make it more touristy. (think Traverse City or Tawas. Garbage pick up would help cut down on dumping in the woods		
When visiting other areas where water is a major attraction, they always have a variety of hospitality services (restaurants, cafes, bars) with views of the water. I know of only the Au Sable Inn with this nicety, and because it faces west it's usually too hot and blindingly bright to be enjoyable.		
Reduce taxes and lower the assessments on lake properties. Assessments for the lake properties for the most part are ridiculous. From the day I bought a lake property I would gladly sell it the township for what you say it's worth!. Increase the Police presence around the lake properties. Not enough patrols along Loud Dr. the speed limit is 35 mph but I have routinely been passed on this street. Lots and Lots of foot trafic on this road especially Kids and Seniors. I'm suprized no one has been hit yet.		
Three Mile Park used to be beautiful until the weeds, including invasive and poison ivy took over, etc There is a beautiful sandy beach underneath all that mess. Let us get our beach back.		
There is a lot of land on the base that could be used to build something that would draw people to this area. Maybe, a discount shopping area, a big store like a hone depot, etc. a Casino?		
The downtown area will never be a draw for visitors. Too many things like a bank, title company, etc. People like to shop and walk around. Our beach in town is a draw for visitors, but off the beaten path (US-2		
Assessments for Lake properties reduced.		
We do need more retail so that we don't have to go to Tawas or Hale, Harrisville, etc. People in our community need more year round employment and access to the things every family needs. If that can thrive, then more families will be able to call Oscoda Township their home. More community activities and centers year round as well as College education centers.		
Being a part time resident I believe the twp should focus more on providing services to it's residents and less on finding new ways to raise money. This seems to be more prevalent in Oscoda twp than in other twp I have lived in.		
I think Oscoda should try to copy some of what Tawas has going on as far as activities, retail, etc.		
More developed downtown, better access too the downtown. When events happen people are all over the town we need more events to draw people in. Better communication within the township.		
get businesses here get people to move here develop the shoreline to get more tourist industry bed and breakfasts in town beautiful beach, no one knows about it		
Install Lantern/lights on bridge coming into town as most downstate cities with any kind of bridge /overpass have (Huge asset). Make US23 North and South traffic in town as denoted above, restore downtown parking on US23 and build a restricted R/V park just North of existing city park. Make better use of Lake Huron and bridge assets. You need to better utilize Lake Huron assets by moving town closer to it (North /South 23 with business development between).Presently, everyone wants to go to Tawas as they can walk the Town, go to the beach,,RV park, see boats etc. Presently, family and grand children always want to go to Tawas never Oscoda as they can walk the town. Van Etten lake is terrible, kids won't GET IN. Blight controls not good . Often many people receive warnings with minor infractions while others very close look like junk vards i.e., piles tires and just junk .that continue. IN some ways restrictions are appalling e.g., shed		

	materials must match house materials. I live downstate in a multi million dollar neighbor hood and we do not have crazy restrictions like that. Sheds are allowed with few restrictions on materials. They concentrate on the junk aspect. I realize you need regulations but that article in the paper this past year regarding a shed not matching the materials of the house was over regulation. Concentrate, on the actual junk, and apply to everyone. Don't pic and choose as it seems your
	presently doing .In a vacation neighborhood everyone has boats, motors firewood etc., in their yard. However, stacks of old tires and just plain junk ,should not be allowed .
506. 507.	some type of recreation place for all ages and also a good home town restaurant, like the old Pack House used to be Againbike/hike trail on Cedar Lake Road.
508.	Move the skate park and basketball courts to the sports complex on the base. Keep all that stuff together so our youth have a place to go and do multiple activities. Add tennis courts and a snack bar. Many families with smaller children do not go to the beach park because of the "teen scene hangout" (language, cars circling the parking lot, smoking, skimpy attire). They interfere with concerts on the beach and misuse the band shell when it's not populated for functions. Have shops and small businesses leading down to the beach bring foot traffic to the waterfront.
509.	Progressive planners that highlight the natural beauty and active lifestyles many families look for. Promote active events, (5K run/ walk, biking events, more river activities)to encourage Oscoda as a destination. Keep public parks clean and free of graffiti.
510.	What I would like to see is a bike trail from Oscoda down Cedar Lake road to Kings Corner Road. The speed limit is 55 along most of it and it is unsafe to ride your bike along there.
511.	First, bring back walking passes for Community Center. I was on original "Cool Cities" committee-Hyatt/Palmer said then "Take care of you own residents first" do not feel our leaders have that idea! Who said the Community Center should make money? It is supposed to be here for us at the lowest cost possible- we are a low income area! Where are the "Cool City" signs? Forgot to put the back on road after US-23 development! Worked pretty hard to get there- why not important now? Improve attitudes of Township officials toward residents. After all, who works for who? Being on "Cool Cities" committee, we did a lot of work getting opinions at interviews, meetings, surveys. etc. as if our own opinions matter. Don't feel that there has been much "follow through." Also on committee for find location for Township offices back in the day. Final recommendation was building on base-
	guess what! Now a new Addition! Not enough parking for current building use! Use Warrior Pavilion more! Develop what we have!
512.	We need to bring new businesses into the vacant buildings in out downtown area.
513. 514.	Senior Citizens Boost population, both permanent residents and tourism- Need a Meijers or similar draw for shoppers- Maybe a casino on
515.	old base. 1. Attack the blight- demolish the decayed places that are beyond repair ("addition by subtraction!") 2. Deviations devotes (The 2012 Place Places that are beyond repair ("addition by subtraction!")
516.	 Revitalize downtown (The 2010 State Street project certainly helped) the township should have more development in regards to Alpena Community College North Shores Campus. Tremendous potential for community culture development. Re-open Pack House ASAP. Provide incentive if needed- what is their problem? Redo and open Charboreau's (Au Sable) in cooperation with Au Sable Township. Add Industrial park, assuming Master Plan indicates such. If now, please provide. Blue Bus schedule unknown. Information needed to be forthcoming for public- accountability & utilization, effectiveness and efficiency.
	Routing A: need announcement recommended & budget revealed to public , when and where are stops? For aesthetics: one's view stops at one's property line. So consider feasibility of uniting with Au Sable Township. Blight of these 2 entities converge. Consider more cooperative and or unification of greater blight elimination.
517.	Improve parking on Lake Huron Beach in town. Remove building that are so bad that they can not be used- corned River Road and US 23. Improve roads and residential areas.
518. 519.	Fill up the empty buildings. Expand seasonal RV park. Clean up blight- enforce the laws. Get rid of 40 plus year old run down trailers.
519. 520.	Build a harbor. Tear down empty buildings. Boaters and fishing have funded development of many port towns in Michigan and will too in Oscoda.
521.	Build a harbor. It would bring more tourists and businesses to Oscoda. We are sitting on the largest river this side of the state (excluding Detroit River). Capitalize on that fact!
522.	Some intersting retail stores in the downtown area to get tourists to come to visit, shop and eat! I would like to see people walking around downtown.
523.	We really need more doctors and medical care available so you don't wait for appointments 'til it's too late.
524.	More restaurants like Applebees, Olive Garden, etc Well Known.
525.	Something new and different.
526. 527.	A government more responsive to the citizens. No low income housing, do something with the empty store fronts- the window signs in the old ACE building windows are a good example.
528.	All that I marked, code enforcer do a better job on uncut weeds, grass trashcans, etc. Give more responsibility to our supervisor, raise his pay and get rid of the high cost of a manager (stalker).
529.	If Oscoda does try to improve the downtown area, they MUST have parking and MUST HAVE something that will draw people. A new farmers market if just a waste of money, the one in
530.	AuSable is established and easier to get to. Don't try to improve it, just maintain it. I am 52 and plan to retire soon. I do not think I want to keep our family's cottage, but want to always come to Oscoda and stay for the summer. An RV park by the city beach would be ideal for me and my family. It would be a way to enjoy (and
521	spend money in) Oscoda without the upkeep of another home. I'm sure I speak for many other retirees.
531.	Develop the area with big business and casinos.

Appendix D Potential Funding Sources

Michigan Natural Resources Trust Fund (MNRTF)

- Match requirement minimum of 25%
- Development grants
 Minimum Grant Request \$15,000
 Maximum Grant Request \$300,000
- Acquisition grants No minimum or maximum
- Goals of MNRTF Board Resource Protection – very important Water Access Community Recreation Urban Recreation Economic Development
- Due annually on April 1
- www.michigan.gov/dnr

Land and Water Conservation Fund (LWCF)

- Administered by MNRTF
- 50% match required
- Minimum grant request \$30,000 (\$60,000 project total)
- Maximum grant request \$100,000 (\$200,000 project total)
- · Funds a wide variety of outdoor recreation projects
- Applications due annually on April 1
- <u>www.michigan.gov/dnr</u>

Michigan Recreation Passport Grant

- Administered by MNRTF
- Minimum 25% match
- Focus is on improving and renovating existing parks
- Minimum Grant Request \$7,500, Maximum \$45,000
- Applications due on April 1
- For outdoor and indoor recreation projects
- <u>www.michigan.gov/dnr</u>

Michigan Department of Transportation - Transportation Alternatives Program

- For non-motorized transportation (paths) and rehabilitation and operation of historic transportation buildings, structures, or facilities (bridges, railroad depot, etc.)
- 20% minimum match required, 40% recommended
- Eligible applicants include county road commissions, cities, and villages. Other organizations may *sponsor* applications (i.e. County Road Commission or local MDOT office sponsors a township application)
- Rolling on-line application process
- www.michigan.gov/mdot Go to "Projects and Programs".

Great Lakes Fisheries Trust (GLFT)

- Objective improve or create shore-based Great Lakes recreational access.
- Must be located on the Great lakes or lower portions of major tributaries
- Matching funds not required but projects with local funding will be favored.
- Due in August/September
- www.glft.org

Michigan Coastal Management Grants

Objectives

- Protect, manage and restore coastal communities and habitats
- Restore historic structures
- Revitalize urban waterfronts
- Increase recreational opportunities along Michigan's Great Lakes coast
- Applicant must be a coastal unit of government
- Maximium grant request \$50,000
- Match requirements 50% (some flexibility in match for non-construction projects that result in changes to local master plans or zoning ordinances, regional greenways, or include conservation planning)
- Eligible projects
 - Studies, Designs and Land Use Plans must have a direct connection to coastal planning and/or resource protection.
 - Construction boardwalks, trails, lighthouse preservation, habitat restoration, scenic overlook, etc.
- Due annually on May 1
- www.michigan.gov/deqcoastal

Other grant programs to consider:

Coastal Program – Great Lakes – US Fish and Wildlife Service

- Grants to conserve fish and wildlife and their habitats and to support healthy coastal ecosystems
- Rolling application process
- <u>www.fws.gov/coastal/coastalgrants/index.html</u>

Saginaw Bay Watershed Initiative Network

- For projects that improve the watershed and help build sustainable communities
- Good for use as seed and match money
- Have helped fund canoe launches, trails, and other park projects
- Applications taken on a rolling basis, awarded semi-annually
- See <u>www.saginawbaywin.org/grants/</u> for more info

Specific sports and sports foundations

- United States Tennis Association (USTA)
 funding for tennis courts and programs
 - www.usta.com
- Major League Baseball
 - Baseball Tomorrow Fund
 - www.baseballtomorrow.com
- United States Soccer
 <u>www.ussoccerfoundation.org</u>

Safe Routes to School

- For projects near elementary and middle schools:
 - Sidewalks
 - Traffic calming and speed reduction
 - Pedestrian and bicycle crossing improvements
 - On-street and off-street bicycle facilities
 - Off-street pedestrian facilities
 - Traffic diversion improvements in the vicinity of schools
- Need to complete the safe routes planning process to apply
- www.saferoutesmichigan.org

Trust for Public Land (TPL)

- Conservation Transactions
 - TPL helps structure, negotiate, and complete land transactions that create parks, playgrounds, and protected natural areas. TPL serves as an independent agent, buying land from willing landowners and then transferring it to public agencies, land trusts, or other groups for protection. In some instances, TPL will protect land through conservation easements, which restrict development but permit traditional uses such as farming and ranching.
- www.tpl.org

Michigan Department of Environmental Quality (MDEQ) Nonpoint Source Pollution

Control Grants

- Must be part of a watershed management plan
- Projects aimed at reducing nonpoint source pollution (streambank and shoreline stabilization, rain gardens, erosion control, conservation easements)
- 25% match required
- www.michigan.gov/deq Go to "Water", then "Surface Water" and then to "Non-point Source Pollution".

Community Foundations

Private Foundations and Endowments

KEEP IN MIND...

- > Match requirements can usually be in-kind services, donations, or cash,
- > Most grants are provided on a reimbursable basis.
- > Barrier free accessibility is usually required for improvement projects,
- Multiple partners, multiple jurisdictions can be viewed favorably think "regional" projects.

<u>Charter Township of Oscoda</u> <u>Regular Board Meeting Minutes</u>

January 23, 2017

<u>Call to Order</u> – Mr. Weed called the meeting to order at 7:00 p.m.

Pledge of Allegiance - All said the Pledge of Allegiance.

<u>Roll Call</u> – Present: Mr. Baier, Mr. Cummings, Mr. Gayeski, Ms. McGuire, Mr. Nordeen, Mr. Palmer, Mr. Weed. Absent: None

Agenda Additions – Other: 2. Financial Report

Public Comment - None

<u>Consent Agenda</u> – Approval of Minutes, Finance in the amount of \$84,091.08, and Reports. Mr. Palmer supported a motion by Mr. Baier to approve the Consent Agenda as presented. ALL YEAS MOTION CARRIED

Mr. Palmer commended Mr. Nordeen on the new format of the meeting minutes. Mr. Baier clarified that John Barta did not resign from the Board of Review. Mr. Baier explained that Barta's term ended and he did not seek another. Mr. Gayeski questioned an expenditure pertaining to Ratliff Park.

Superintendent's Report

<u>MERS DB Plan Adoption Agreement – Bridged Benefit</u> – Ms. McGuire supported a motion by Mr. Palmer to have the Township Supervisor execute the MERS Defined Benefit Plan Adoption Agreement as dated October 1, 2016, with acknowledgment that a presentation of the supplemental valuation was done on January 9, 2017. ALL YEAS MOTION CARRIED

Mr. Palmer mentioned that he is satisfied with the MERS representative's response to the question he posed at the previous meeting.

<u>Potential Snow Plow Purchase</u> – Mr. Cummings supported a motion by Mr. Gayeski to accept the bid from Northern Truck Repair in the amount of \$6,138.89.

ALL YEAS MOTION CARRIED

Ms. McGuire clarified that the Township had recently purchased two new snow plows. Mr. Baier questioned Mr. Stalker about the bid process as well as who would own the plow and the vehicle on which it would be installed. Mr. Gayeski voiced his concern with the installation turn-around time given the winter season.

Retirement Plan Administration and Committee Creation - No action required.

Mr. Palmer inquired whether the committee would be temporary or long-term. Mr. Stalker responded that his understanding was that it would be a "standing" committee. Mr. Baier raised questions regarding the composition of the committee.

Ordinance No. 2017-259 Overview and Necessity - No action required.

Mr. Baier questioned the Township Zoning Administrator, Lorna Ganci, who was in attendance, about the extent of the hunting activity on the property.

Draft Recreation Master Plan Review Availability - No action required.

Mr. Stalker informed the board and the public that the Draft Recreation Master Plan is available for review on the Township's website as well as at the Library and Township Hall. Mr. Stalker also noted that there will be a public hearing on February 13, 2017.

Fire Department Tanker Truck Update - No action required.

Mr. Stalker informed the board that the new tanker truck would be on premises at the Township Hall within the week. Mr. Baier asked what would happen to the old tanker truck. Mr. Stalker said his thought would bet to solicit bids for it competitively. Mr. Baier and Mr. Weed also spoke the limitations of the old tanker truck.

Community Development Coordinator's Report

<u>6121 Perimeter Road/Preliminary Offer to Lease</u> – Mr. Cummings supported a motion by Mr. Weed to postpone this topic until the next regular board meeting or a special board meeting if something urgent comes up. ALL YEAS MOTION CARRIED

Ms. Richards informed the board that there was no new information to add to this topic.

Resolutions and Ordinances

<u>Resolution No. 2017-02 RE: Retirement Plan Committee Creation and RFP Process</u> – Mr. Cummings supported a motion by Mr. Baier to adopt Resolution No. 2017-02. ALL YEAS MOTION CARRIED

Mr. Baier clarified that the resolution is to begin the process of creating the Retirement Plan Committee, not to immediately determine the composition of the committee. Mr. Stalker confirmed and stated that any input from the board regarding the composition would be helpful.

Ordinance No. 2017-259 RE: Restricting Hunting and Erection of Deer Blinds (Introduction and Publication Authorization) – Mr. Gayeski supported a motion by Mr. Weed to postpone Ordinance No. 2017-259 until the next regular board meeting. ALL YEAS MOTION CARRIED

Other

Proposed Zoning Ordinance Revision - Section 6.1 – Mr. Weed supported a motion by Mr. Palmer to adopt the proposed revision of Section 6.1 Non-Conforming Uses, Structures and Lots as written. ALL YEAS MOTION CARRIED

<u>Proposed Zoning Ordinance Revision - Section 6.2.5</u> – Ms. McGuire supported a motion by Mr. Baier to adopt the proposed revision of Section 6.2.5 Accessory Structure Limitation as written. ALL YEAS MOTION CARRIED

Mr. Baier asked Ms. Ganci if there would be any limitations on the size of extra structure. Ms. Ganci noted that the structures would follow the current ordinance in that regard.

Proposed Zoning Ordinance Revision - Section 2.2 (Home Business) – Mr. Baier supported a motion by Mr. Weed to adopt the proposed revision of Section 2.2 Definition of Home Occupation as written. ALL YEAS MOTION CARRIED **Proposed Zoning Ordinance Revision - Section 2.2 (Carport)** – Mr. Palmer supported a motion by Ms. McGuire to adopt the proposed deletion of Section 2.2 Definition of Carport as written. ALL YEAS MOTION CARRIED

<u>Proposed Zoning Ordinance Revision - Section 6.23 (Home Business)</u> – Mr. Gayeski supported a motion by Mr. Palmer to return the proposed revision of Section 6.23 Home Occupations to the Planning Commission for further review. ALL YEAS MOTION CARRIED

Mr. Weed and Ms. McGuire raised questions regarding the regulation of the flow of customers and employees going to and from home businesses. Mr. Cummings inquired about the application process, specifically reapplying. Mr. Weed voiced concerns about the wording regarding limitations on floor space. Mr. Baier expressed his desire for the Planning Commission to give extra consideration to the customer traffic situation.

Financial Report Discussion - No action required.

Ms. McGuire asked for input on the new financial report format. Mr. Gayeski stated that the new report is easier to read. Mr. Palmer indicated that the old report provided more detailed information. Mr. Nordeen asked about the possibility of having BS&A design a custom report and whether or not that would satisfy Mr. Palmer's concerns.

Public Comment – Steve Droope re: Fire truck inspection and BS&A reports

Board and Staff Comments – Mr. Cummings re: Restoration Advisory Board (RAB) and Dave Strainge pending retirement; Ms. McGuire re: 2016 taxes; Mr. Palmer re: Planning Commission; Mr. Weed re: Bike path update and Oscoda Community Center workgroup

<u>Enter Closed Session</u> – Mr. Palmer supported a motion by Ms. McGuire to enter into closed session at 8:13 p.m. to consider collective bargaining strategy (OTEU). ALL YEAS MOTION CARRIED

<u>Exit Closed Session</u> – Mr. Palmer supported a motion by Ms. McGuire to exit closed session at 9:07 p.m. ALL YEAS MOTION CARRIED

Adjourn – Mr. Nordeen made a motion to adjourn at 9:07 p.m.

John Nordeen Township Clerk Aaron Weed Township Supervisor

CHARTER TOWNSHIP OF OSCODA Superintendents report February 13, 2017

INFORMATION CONSENT ITEMS

MERS BRIDGED BENEFIT IMPACT

The board has recently approved a Defined Benefit Adoption Agreement which provides for bridging the defined benefit retirement plan provided to police officers from a 2.5% multiplier to a 2.25% multiplier. The Township has subsequently received correspondence showing the effect of that change on annual contribution rate. In short, the contribution rate was reduced by 5.32% as compared to what it would've been with a 2.5% multiplier, effective January 1, 2017. It should be noted, however, that the resulting employer contribution rate exceeds the 23.63% as calculated for 2016.

ACTION ITEMS

REFUSE DISPOSAL CONTRACT AGREEMENT

Some Board members may recall that the Township took bids in the fall of 2015 for renewal of Municipal Refuse Collection service. The low bid offeror was Waste Management, our service provider at that time. However, before executing a contract agreement in early 2016 an apparent disparity in the billings during the previous contract term was discovered. Reconciliation of the disparity led to a subsequent payment to the Township; however the process to evaluate credit merit, do necessary calculations and issue payment took a significant amount of time.

At the same time the Township was continuing to procure service from Waste Management with the contract document held in abeyance. Upon re-visiting discussion regarding enactment of the contract document several months ago (including some potential service modifications) it was discovered that then current service was being provided at standardized rates as opposed to the rates upon which bids were calculated.

This has resulted in more recent discussion regarding necessity for issuing another credit to reconcile amounts paid with bid amounts. The company, in keeping with the attached email dated January 24, 2017 has indicated that an executed contract agreement must be in place to consider issuance of any credit. Further, in the absence of such a service agreement it appears standard charges will continue to be applied to the Township account.

Given this scenario, the attached draft contract is being presented for the board's consideration and potential approval. This is the document that was under consideration approximately one year ago, before the billing disparity issue was pursued. I note that

the agreement would be retroactive to February 1, 2016.

Action: approval is being sought for the Township Supervisor and Clerk to execute the attached contract document with the understanding that the signature page will require modification to acknowledge our new officeholders.

BED-MOUNTED SALT SPREADER PURCHASE

We have had an unusual winter so far in terms of the amount of freezing rain and resulting ice which our Building and Grounds Department must deal with on municipal properties. This situation has brought into question the potential need to upgrade our salt spreading equipment. The unit which we have utilized in the past is receiver mounted and failed recently. Even before the unit failed, consideration was being given to potential purchase of a truck bed mounted salt spreader.

The older unit was relatively small and accordingly required multiple refills as it was being utilized. Further, this unit did not process chloride products which are not in regular granular form efficiently; in short, plugging on a regular basis occurred if a particular product was not utilized. This situation effectively eliminated the possibility of purchasing chloride on a bulk basis, which is much more cost-effective. Instead bagged material was utilized to meet our needs, in an amount estimated by Building and Grounds staff to result in an expenditure year to date of approximately \$3,000. It should be noted that confirmation was sought and received that the losco County Road Commission will continue to make bulk chloride available on an as-needed basis, with the caveat that the needs of the Road Commission must come first in the event of scarcity.

In summary, a larger and more versatile unit came under consideration for both time efficiency and cost-effectiveness purposes. Staff are familiar with a particular salt spreading unit which his worked well for a commercial snow removal company in the Oscoda area for many years – specifically a Western Striker stainless steel model. Three quotations for a Western Striker product were sought as attached. The most responsive low cost quote appears to be from Hyde Services LLC of Petoskey in the amount of \$4770.50, including installation. This proposal would necessitate traveling to Petoskey to have the unit mounted on a vehicle.

Action: Approval is sought to purchase an eight-foot Western Striker salt spreader from Hyde Services in the specified amount.

FIRE DEPARTMENT TANKER TRUCK DISPOSAL

The new Truck Works Fire Department Tanker is on premises in the fire barn, thereby making the older unit surplus to Township needs. A picture of the older unit is attached for purposes of reference. This tanker was fabricated after the truck body was donated to the Township many years ago. The basic chassis is a 1983 International four-door vehicle with 34,778 miles on the odometer. The diesel engine therefore should have a

reasonable amount of service life left. The water tank holds 1900 gallons.

Establishing a potential sale price for the tanker is somewhat challenging given the somewhat unique history and configuration. However, feedback from staff indicates that a minimum bid in the range of \$6,000-\$8,000 might be appropriate. To provide some perspective in that regard attached are materials for other older tankers which are for sale. Also, it should be noted that the Township experienced a significant challenge in disposing of an older pumper truck a few years ago whereby the initial sales price proved to be very high compared to final disposal amount. In short, creating a reasonable chance of selling the vehicle will require establishing a realistic price.

Action: authorization is being sought to list the 1983 International Tanker Truck on the MI bid auction website in an amount deemed appropriate by the board with the understanding that it will be advertised in other venues thereafter, should the auction sale prove unsuccessful.

FURTAW FIELD PROPERTY USE REQUEST/PUBLIC PROPERTY USE COMMITTEE COMPOSITION

The Township formed a Public Property Use Committee some time ago to evaluate merit of establishing a policy which would provide guidance in addressing request for use of public property (see attached Board meeting minutes). The committee has met several times, and most recently has taken under consideration the attached draft policy document which is attached hereto for purposes of reference. Consideration of this subject has proven to be challenging in terms of complex issues arising, determining whether they should be addressed in a policy and then developing consensus on how best to do that.

Membership of the committee included our current Township Supervisor and Township Treasurer and the former Township Clerk. For the committee to continue its work, an additional member will need to be identified. The current Township Clerk has indicated a willingness to follow his predecessor in fulfilling that obligation.

At same time that the committee has been considering the establishment of a policy a request has been pending to utilize Furtaw Field to host a wedding and subsequent reception activities (see attached correspondence). The requesting parties were advised when the dialogue initiated that the committee was establishing a policy that could be helpful in providing guidance as to the most appropriate way to treat the request. It was further suggested that it is not a standard Township practice to rent park properties for private use. That being said, an example of where such activity is allowed was cited as Warrior Pavilion. The requester was provided with a copy of the Warrior Pavilion rental agreement and took the initiative to prepare draft rental/license documents based upon that format, which are also attached.

I am advised that from a scheduling standpoint a definite answer needs to be provided as to the Township's willingness to rent the property for the intended purpose. If not,

other avenues will need to be pursued as to a location for festivities. Thus, this matter is being brought before the board for consideration now.

Should honoring the request be the preferred course of action I would envision staff working with the requesting parties to finalize rental documents which would be brought back to the Board for consideration. In finalizing such documents guidance would be helpful at this point as to acceptable rental amount, insurance requirements and other considerations that the board might believe to be significant. It should be noted also that preliminary input from the committee reflected, at least, a willingness to entertain the request.

Should the board be inclined to endorse the request it should be noted that a precedent of sorts may be established. In that event, we should expect the possibility of subsequent requests of a similar nature to be forthcoming. I point this out not to discourage approval; only to acknowledge that there may be a larger issue under consideration than simply the request at hand.

Action: consideration is sought to acknowledge that the Township Clerk will continue to serve on the Public Property Use Advisory Committee as long as it remains active.

Action: feedback from the board is sought as to whether rental of the Furtaw Field property for purposes of a wedding and related activities in keeping with the request dated October 31, 2016 is considered acceptable, presumably subject to the understanding that a lease/rental agreement would be brought back before the board for consideration.

Respectfully Submitted

Robert F. Stalker, II Township Superintendent

Bridged Benefit - Confirmed rates REF:0160117

Good afternoon,

A bridged benefit became effective for your municipality per your request. The benefit multiplier is bridged from 2.50% to 2.25% with frozen final average compensation.

This change has your employer rates changing as follow:

Division	Effective Date	New Employer Rate	Old Employer Rate	New Employee rate	Old Employee Rate
02	10/01/2016	19.45%	23.63%	6.00%	6.00%
02	01/01/2017	25.07%	30.39%	6.00%	6.00%

If the effective date of this benefit change is retroactive an adjusted invoice will be sent. Invoices are also available online at <u>www.mersofmich.com</u>.

Please contact me if you have any questions at 1-800-767-MERS ext. 200.

Thank you,

Sonia Tauqi, MPA Benefit Plan Coordinator Municipal Employees' Retirement System of Michigan 1134 Municipal Way Lansing, MI 48917 Toll Free: 800.767.6377 x200 Local: 517.703.9030 Fax: 517.703.9707 stauqi@mersofmich.com

Hi Bob,

Attached is the service agreement I have from my records along with a spreadsheet that shows individual location pricing. In order to issue any sort of credit, we would need to have a signed agreement in place to base the credit off of. Let me know if you have any questions.

Thank You,

-----Original Message-----From: Robert F. Stalker II [mailto:superintendent@oscodaTownshipMl.gov] Sent: Tuesday, January 24, 2017 10:16 AM To: Sheffler, Nicholas <nsheffle@wm.com> Subject: FW: Draft Contract Agreement

Hello Nick,

When we spoke about the communication below a few weeks ago it was my understanding that you expected to have a response forthcoming soon. Please let me know where this matter stands as soon as possible. As I have explained, it is our expectation based on prior discussion that a reconciliation will be made of amounts billed and paid with bid amounts and as time goes on this process becomes more difficult. Thank you!

Robert F. Stalker II Township Superintendent

-----Original Message-----From: Robert F. Stalker II [mailto:superintendent@OscodaTownshipMi.gov]

CONTRACT

This is a Contract (the "CONTRACT"), by and between the CHARTER TOWNSHIP OF OSCODA, a Michigan municipal corporation, whose mailing address is 110 South State Street, Oscoda, Michigan 48750, hereinafter referred to as "TOWNSHIP", and WASTE MANAGEMENT OF MICHIGAN, INC., whose address is 11664 E. M-21 Highway, Lennon, Michigan 48449, hereinafter referred to as "CONTRACTOR".

CONSIDERATION

CONTRACTOR shall receive from TOWNSHIP as consideration for the services as contemplated in this Contract, the following amounts:

Year One	\$ 12,921.60
Year Two	\$ 13,309.25
Year Three	\$ 13,708.53
Total three years	\$ 39,939.38

The above sum shall be paid to CONTRACTOR in monthly payments for services rendered. Any additional services warranting additional monies to be paid on behalf of the TOWNSHIP must be approved by the TOWNSHIP in advance.

SCOPE OF WORK

The scope of work to be performed as set forth within this Agreement shall be the pickup of non-hazardous waste and/or refuse, within the Township at the locations as indicated herein and below, within the timeframes also provided herein, for the consideration as stated above. Additionally, while rendering these services, the Contractor shall comply with all local, state and federal laws, both as it relates to the collection of said waste and refuse, as well as the handling and disposal of same, and for failure to do so, shall fully indemnify the TOWNSHIP for all legal and/or financial consequences therefrom.

Further, CONTRACTOR shall provide the name and location of all landfill(s) or transfer sites to be utilized.

The location and number of dumpsters to accomplish this Scope of Work shall be as follows:

1.	Township Hall	One dumpster of 4 yd capacity Emptied weekly on Friday Year round	
2.	DPW Garage	Three dumpsters of 6 yd capacity 2 - Emptied 2x Weekly (Monday & Thursday) 1 - Emptied Weekly on Mondays Year round	
3.	Parks Library	One dumpster of 96 gal capacity Emptied weekly on Wednesday Year Round	
4.	Oscoda Community Center	One dumpster of 8 yd capacity Emptied weekly on Tuesday Dropped of October 1 st – picked up by April 20 th	
5.	Old Orchard Park	Six dumpsters of 8 yd capacity April 1 st – June 30 th emptied weekly July 1 st – September 30 th emptied bi-weekly October 31 st – March 31 st "on call" basis Billed per lift	
6.	Aune Medical Center	One dumpster of 8 yd capacity Emptied 2x per week (Tuesday & Friday) Year Round	

CONTRACT DOCUMENTS

The documents which form the basis for this contractual understanding between TOWNSHIP and CONTRACTOR are as follows:

A. This contract agreement.

B. The Request for Proposals issued by TOWNSHIP dated October 5, 2015.

C. The "Proposal to Provide" filed by CONTRACTOR dated

October 5, 2015.

TERM OF CONTRACT

This term of this Contract shall be for three (3) years, commencing on February 1, 2016 and ending on December 31, 2018.

CONTRACTOR shall undertake and complete the scope of services, as set forth in this Contract and the Request for Proposals issued by TOWNSHIP, and any services authorized by change order, in conformance with all applicable rules, regulations and requirements including those promulgated by the State of Michigan.

STANDARD OF PERFORMANCE

CONTRACTOR does hereby agree to engage in the work as described herein and perform same in a manner to be commonly expected of contractors performing similar work under similar circumstances. All warranties as set forth in the attached Request for Proposals shall be transferred to TOWNSHIP for the TOWNSHIP'S benefit thereof including but not limited to any warranties.

INSURANCE

CONTRACTOR is agreeing to assume the responsibility for the job as described above and herein, and CONTRACTOR and/or any partners, and/or any subcontractors shall maintain at a minimum the following insurance coverage's:

A. Professional and General Liability Insurance with a minimum combined

single limit of \$1,000,000.00 and an aggregate limit of \$3,000,000.00. (Such insurance shall include evidence that CONTRACTOR'S general liability insurance policy will cover CONTRACTOR'S liability, as it relates to damages to the environment, may be substituted in lieu of a separate and dedicated environmental liability insurance policy.)

B. Workman's Compensation Insurance in compliance with the statutes of the State of Michigan or the state that has jurisdiction over CONTRACTOR'S employees with a minimum limit of \$500,000.00.

C. Automobile Liability Insurance (owned, non-owned, or hired units) with a minimum combined single coverage limit of \$2,000,000.00.

D. All certificates of insurance must be provided by CONTRACTOR, to TOWNSHIP, at the time in which this contract is entered into, showing the policy periods for which said insurance policy is to be in effect. Said insurance policies shall be such so that they will provide coverage for the applicable period of time in which CONTRACTOR remains responsible to TOWNSHIP, for any relevant statute of limitations. Said insurance policies shall also name TOWNSHIP as an additionally insured party, and shall contain an endorsement to the affect that any cancellation or material change, cannot be made by the underlying insurance company, until thirty (30) days notice has been provided by the insurer, in writing, to TOWNSHIP.

GENERAL TERMS AND CONDITIONS

Indemnification by the CONTRACTOR: The CONTRACTOR shall indemnify, protect and hold TOWNSHIP, its employees and agents harmless from and against all liability, claims, demands, losses, damages, costs, or expenses (including attorney fees) or other liability or loss, including, accidents, injury, death, or damages to any person or property, related in any way to the performance of this Contract that result from accidental acts, negligent acts, errors or omissions, or the willful misconduct of CONTRACTOR'S personnel or equipment. This provision shall survive the termination of this Contract.

<u>Modifications</u>. Any modifications to this Contract or additional obligations assumed by either party in connection with this Contract, shall be binding only if evidenced in writing, and signed by each party or an authorized representative of each party.

Authority to Contract. Each party warrants and represents that it has authority to enter into this Contract.

Binding Parties. The statements herein shall bind all heirs, successors, and assigns of both parties.

<u>Survival</u>. These conditions shall survive the completion of CONTRACTOR'S services on this project and the termination of services for any cause.

Governing Law. The services provided by this Contract will be performed and the Contract shall be deemed to have been made in losco County, Michigan. It is acknowledged that this Contract as entered into and services are to be provided in losco County by both parties hereto. CONTRACTOR conducts business activities in losco County, and has responded to an advertisement, and has submitted a bid for this work, in losco County. Based upon this, and to the extent possible, both parties consent to the jurisdiction of losco County, State of Michigan.

Severability. If any provision of this Contract is deemed to be invalid, it shall not effect the other remaining valid provisions hereof.

<u>Notices</u>. Any notices to be sent to either party are to be sent to those addresses as set forth in the first paragraph of this Contract.

Incorporation of Agreements. This document is to be a total incorporation of all agreements and representations of and between each party hereto to the exclusion of any prior verbal representations.

Assignability. Any rights provided for in this Contract, to any party hereto, are not assignable.

<u>Conflict of Documents</u>. Any conflict between the terms of any of the contract documents shall be resolved as follows: First, the terms of this Contract shall prevail over any other documents. Second, when this Contract document is not involved, then the next document to be given priority is in fact the Request for Proposals issued by TOWNSHIP dated June 11, 2012. Third, the documents CONTRACTOR submitted to TOWNSHIP, being its response to said Request for Proposals dated June 20, 2012, shall be given priority.

Anti-Discrimination. The CONTRACTOR shall comply with all state and federal Antidiscrimination laws and shall use the leased premises in a nondiscriminatory manner to the end that no person, on the ground of race, color, religion, sex, age, handicap, disability, or national origin, shall be excluded from using the facilities or obtaining the services provided thereon, or otherwise be subjected to discrimination under any program or activities provided thereon.

<u>No Joint Venture</u>. Nothing contained in the contract documents will make, or will be construed to make, the parties hereto partners or joint venturers with each other. Neither will anything in these contact documents render, or be construed to render, either of the parties hereto liable to any third party for the debts or obligations of the other party hereto.

<u>Failure of TOWNSHIP to Insist on Compliance</u>. The failure of TOWNSHIP to insist, in any one or more instances, upon strict performance of any of the terms, covenants, or conditions of the contract documents, shall not be construed as a waiver or relinquishment of the rights of TOWNSHIP to insist on the future performance of any such terms covenants, or conditions, but the obligations of the CONTRACTOR with respect to such future performance shall continue in full force and effect.

Subject:	[BULK] Furtaw Field Request
Attachments:	Township-Contract_Updated-for-Furtaw-Sample (1).docx; Business-Plan-for-Private-
	Rental-of-Furtaw-Field.docx; Furtaw-Addendum.docx
Importance:	Low

Mr. Stalker,

Please find attached three documents related to our previous conversations regarding new use for Furtaw Field.

Attached are-

1. A modified version of Oscoda Township's rental agreement for Warrior Pavillion, tailored to the use of Furtaw Field with changes highlighted in Yellow.

2. An Addendum further outlining the purpose and mutual benefits of allowing for private use functions on the township property.

3. An integrated Business Plan, based largely on current and past intentions of Oscoda Township, establishing precedent, cohesion of our mutual goals, and future prospects that would benefit from allowing our wedding reception as a Pilot Program for Oscoda Township.

We hope the Township will take our proposal under consideration. Having our wedding in Oscoda is very important to us and we feel Furtaw Field is the best venue the area has to offer. If you or any member of the Board have any questions or concerns, I'd be more than happy to discuss our intentions further. We look forward to hearing back from you!

Thanks again, Daniel Wimmer (989) 254-2625

CHARTER TOWNSHIP OF OSCODA "FURTAW FIELD" LICENSE & RECEIPT

Rental License Fees		
Reservation of Public Property		
for Private Use	\$500.00	
Damage and Noise Deposit	\$250.00	
Services		
Total	\$750.00	

and the Licensee, in consideration of said License agreement, agrees as follows:

1. To pay Licensor for use of said premises or equipment \$500.00, said amount to be paid on or before _____.

2. Licensee agrees to provide \$ 250.00, as a deposit for damage of public property not limited to; significant damage to grass, turf, or landscaping; failure to remove trash and other waste from space prior to end time of agreement; excessive noise or disruptive activity which otherwise prevents community members from utilizing 2 remaining acres of Furtaw Field for the duration of the event; and for failure to comply with any terms of this contract. arising out of the Licensee's use of the land. Said amount to be refunded in full if all contract provisions and no loss or damage occurs. Licensee agrees to leave the premises and contents in as good of a condition as when taken, necessary wear and tear accepted. Licensee has reviewed and understands Appendix A "Amenities" as attached hereto and hereby acknowledges acceptance of same. Failure to properly clean land will result in an amount of money, equal to the Parks and Recreation official's time spent in cleaning being deducted from the deposit. Licensee shall be liable for the full cost of any repairs for damage caused by Licensee, or anyone in or around the premises in connection with Licensee's use thereof.

3. This License can be canceled by Licensee by written notice to Licensor on or before ______and half of the deposit will be refunded if Licensor can license said premises to satisfactory party for the date of ______.

4. This license is voidable by Licensor if Licensee assigns this license without written consent of Licensor and all deposits may be forfeited by Licensee as liquidated damages.

5. Licensee agrees to allow the Licensor or any authorized agent full access to said premises at all times and authorizes any authorized agent of

Licensor to remove from said premises any person or persons violating any State and/or local laws.

6. Licensee agrees it shall not act, nor permit, any unlawful conduct or usage of the demised premises and further it will abide by all applicable laws and ordinances of the State of Michigan.

7. Licensor shall furnish and Licensee hereby agrees to pay for security police whenever alcoholic beverages are served and or any other occasion when required by any authorized agent of the Township for the time of the License. This requirement may be waived by the Township Board upon written application.

 Licensee agrees that should said premises be licensed for a dance or party for a minor, that no alcoholic beverages will be permitted on the premises.

9. Licensee agrees that if alcoholic beverages are to be served that said beverages will not be served to minors nor to any intoxicated person (visibly intoxicated or otherwise). Licensee agrees to abide by all Michigan Liquor Control Commission Laws.

10. Licensee agrees that violation of Liquor Control Laws or any other statute or ordinance may, at the election of Licensor, result in the immediate removal or Licensee, their agents and invitees from the premises, and termination of the License.

11. In the event Licensee desires to serve alcoholic beverages, Licensee shall provide the name of the serving establishment to the Township, on or before, ______. Licensee agrees that the establishment will provide certificates of insurance evidencing coverage of liquor liability insurance in amounts no less than \$1,000,000.00 Combined Single Limit, to the Township on or before ______. In the event the Licensee is providing their own service, they must furnish to the Township, evidence of liability coverage in an amount of not less than \$300,000.00.

12. Licensee shall identify and save Licensor, its officials, employees and others working on its behalf from and against any and all loss, cost (including attorney's fees), damages, expenses from any and all claims for bodily injury (including death resulting therefore and including statutory liability and liability under workers' compensation laws to the fullest extent provided by law), personal injury or property damage from any source whatsoever arising out of the use of, occupancy of, operation of, conduct in or about, serving or furnishing of or consumption of alcoholic beverages in or around, or rental of the demised premises, or the sidewalks or alleyways adjourning the premises. This shall not apply if such damages shall have been due to the sole liability of Licensor or agents.

13. Licensee agrees to provide a certificate of insurance naming as

additional insured Charter Township of Oscoda, all elected and appointed officials, all employees and volunteers, all boards, commissions and or authorities and board members, including employees and volunteers thereof.

BUSINESS PLAN FOR CHARTER TOWNSHIP OF OSCODA, UTILIZATION OF FURTAW FIELD FOR PRIVATE EVENTS

Purpose: Create a license and regulatory framing system for the Charter Township of Oscoda which will open Furtaw Field, a public space acquired by the township in 2011, for rental to businesses and individuals for private usage. This could include, but would not be limited to: wedding receptions, graduation open houses, fundraisers, family reunions, concerts, festivals and more. Not only would this open a new realm of possibilities for individual and commercial uses in the Oscoda and AuSable area, it would open an additional revenue stream for the township, offering a competitive alternative to more expensive options in nearby areas.

Argument: Given its small population, Oscoda is currently limited in the number of facilities available for events of large sizes, particularly outdoors. Most public and private facilities with outdoor options, be they Old Orchard Campground or the American Legion, either cannot accommodate crowds upwards of 100, or currently have no framework in place guaranteeing a business or individual could utilize their space for a large group function. A plot of open land, such as Furtaw Field, offers an ideal space for large groups that would still allow for continued public usage alongside a private event. With 3.3 acres of space available, a small private event, of the nature mentioned above, could be more than contained by 1 or 2 acres, demarcated in a manner agreed to between the township and the licensee, leaving the remaining space open to the public.

Precedent:

While Furtaw Field is a public space which has ostensibly only been used for public events, this does not always equate to free and clear usage. A perfect example of this is Paul Bunyan days, which while technically open to the public, charged a \$5 entry fee for adults in 2016, in addition to vendor fees within the festival for food, drink and activities. The event is hosted by the Oscoda AuSable Chamber of Commerce, meaning that while they are likely charged a nominal fee by the township, they are able to keep the majority of the profit in order to further their work of promoting businesses in the area.

In addition, Warrior Pavilion (at the Ken Ratliff Memorial Park) is already used for private events (the contract for such usage serving as the model for potential Furtaw contracts) but is listed as township property in a manner identical to that of Furtaw Field, with the only distinction being that it resides on the former Wurtsmith Air Force Base. Both are public facilities, one simply has a framework in place for private rental. By those standards alone, application to Furtaw of the same licensing agreements used for the Pavilion should not be problematic.

Expands growth potential for local businesses:

A key factor in the success of the aforementioned Chamber of Commerce promotion is Furtaw's central location — as opposed to say, Warrior Pavilion, which while offering the space needed for large events, isolates attendees from other area offerings, decreasing the likelihood they would patronize other Oscoda or AuSable businesses. Conversely Furtaw is downtown, a 5 minute walk from a number of beaches, bars and restaurants, and regardless of the direction someone is driving on U.S. 23, in order to reach it, one must travel through the heart of Oscoda. This would be particularly important when factoring in the draw that private events would hold, as those invited to such events (wedding receptions, family reunions and graduation open houses in particular) are likely to be out-of-town friends and family unfamiliar with the area. Perhaps most importantly, unlike Paul Bunyan days, the township would be entitled to keep the full cost of the rental license, translating to a significantly larger profit than public events allow.

Meets the goal of better utilizing the space:

Per the 2011 Oscoda Parks and Recreation's Five Year Master Plan, the single goal the department listed for its Furtaw Field action plan was that by 2016, they wanted to have "developed a plan for future use of the field." This is a perfect opportunity for that. While the initial stages of private licensing would be experimental in nature, should this prove a successful use of the field, the profits from repeated licensing could open the door to further, small developments the township would seek to invest in, which could improve the use of the space for all. These improvements could include:

-the installation of public restrooms, to allow the space to be rented more freely by individuals, to cut down on costs when the township utilizes it for community events, and to make it a more inviting place for families—particularly those with young children--to spend the day

-enhanced landscaping and beautification, including installation of a water fountain (as suggested by someone in the public comment)

-the building of a small playground for kids (as also suggested during public comment)

Additional revenue from these rental licenses could be funneled, at first, directly into an improvement fund allowing the township to make these developments.

Offers competitive venue location with Tawas, Alpena

According to the same 2011 Parks and Recreation Report, the township currently owns only 11 recreation properties that fall under the purview of the department, and therefore public domain. Of those 11, zero currently offer the logistical space needed for an outdoor event larger than 100 people. This is particularly problematic for private, invite-only events, where the amount of space needed is fixed and known ahead of time, limiting options. This lack of space forces those seeking to host such gatherings to look for local alternatives, particularly in Alpena and Tawas. Given the limited number of outdoor venues in the area, rental agreements for such locations in both cities are not priced competitively, and are out of range for many on tight budgets. Opening Furtaw as a potential private venue space could help drive down the traffic of Oscoda natives forced to hold large family events in neighboring cities, recapturing otherwise lost revenue.

Conclusion: Given that a private event is already in the works for the 2017 season, and is simply in need of a venue, and that the Township Board, as well as the Parks and Recreation Department, has been seeking for a number of years to develop a framework by which to rent all or a portion of Furtaw for time-limited private usage, this is a perfect opportunity to test-drive a program which could be of potential benefit to the community in the long-term. For further incentives regarding this particular licensing request, please see addendum.

ADDENDUM: CASE FOR THE WIMMER-PICKERING WEDDING JUNE 24, 2016

- As this license agreement would be a trial run for future usage, we understand the desire of the township board to see the event in action, so as to best understand the potential impact it could have on the community. As such, we welcome the township board and their families to attend the reception (with prior notice given to the couple if they wish to take them up on the offer) so they can witness the reception as guests.
- 2. We will open this same invitation to other engaged couples in the community seeking to wed within a reasonable timeframe (once again, with prior notice given to licensing couple), to be allowed reception attendance as well, in order to visualize possibilities for the space. This will essentially serve as free promotion for the new licensing program, enticing further usage and, by extension, creating potential profit down the road for the township.
- 3. As we aim to have a minimalistic wedding which pays homage to hometown and family, we are seeking to use local businesses as vendors. Hosting a tasteful, upscale formal event on a budget, at Furtaw, would expand the potential client base of both township (by way of future private licensing) and area businesses. Local vendors will include:
 - a. Eastern Tent Rental
 - b. DJ TBD*
 - c. Food TBD*

(*While we are considering multiple local businesses for these needs, we cannot book them until we have a venue solidified.)

As the bride is not from the area, and the couple currently live and work in Lansing, a number of people who have never been to the area before will be attending the wedding. Patronizing these vendors, as opposed to more well-known ones from more popular regions in the state, will most importantly help increase visibility for local businesses.

4. On a personal note, Daniel Wimmer's parents, Helmut and Lisa Wimmer, were married in the backyard of what is now the Law Office of Terry Ekdahl, at 308 N. State St., though at the time it was owned by Helmut's parents, the late Karl and Irma Wimmer. Daniel and Tracy will be wed in his parents' front yard, in homage to their own nuptials, and would appreciate the emotional significance of being able to host their reception so close to an important site for their family.

OSCODA TOWNSHIP REGULAR BOARD MEETING MINUTES

08-10-2015

CALL TO ORDER – Mr. Baier called the meeting to order at 7:00 p.m.

PLEDGE OF ALLEGIANCE – All said the Pledge of Allegiance.

CHARTER TOWNSHIP OF OSCODA RESOLUTION REGARDING:

TOWNSHIP PROPERTY SPECIAL USE REQUEST POLICY AND GUIDELINES

Whereas, the Charter Township of Oscoda has determined that it is in the best interest of the Township, in the proper management of the public assets of our Township, to allow special uses of public properties, so long as said special uses do not compromise or otherwise limit the public's utilization of said properties; and

Whereas, in allowing such special uses the opportunity for the public to be able to better enjoy the public assets of the Township will actually be enhanced; and

Whereas, the Charter Township of Oscoda Board of Trustees wishes to adopt policy guidelines and a process for considering requests for special use of Township owned property; and

Whereas, the Charter Township of Oscoda Board of Trustees has caused such guidelines to be prepared; and

Now, therefore, be it resolved, that the Charter Township of Oscoda Board of Trustees does hereby adopt the following Township Property Special Use Request Policy and Guidelines:

Intent-The intent of this policy and related guidelines is to establish a general framework upon which designated officials can base decisions regarding the feasibility of approving requests for special use of Township owned property. The policy and guidelines represent a general position statement by the Charter Township of Oscoda Board of Trustees regarding what are considered to be acceptable special use requests.

Approval Process – Special use requests for Township owned property must be approved by the Township Superintendent. In the event a requesting party wishes to appeal a denial of approval by the Township Superintendent the matter shall be referred to the Property Special Use Request Committee (PSURC) which shall be comprised of three Township board members appointed by the Township board. Consensus of any two of the three members of the PSURC shall serve as the basis of a decision. Conformance of any proposed special use request to the guidelines and provisions set forth herein does not constitute implied or automatic approval of such a request.

Policy and Guidelines -

- All special use requests for Township owned property must be submitted on the attached application form which will be posted with this resolution on the Township website.
- 2. In order to be considered for approval the special use must be open and available to the general public, but said special use must be conducted in a manner such that the public property can be accessed and enjoyed by the public whether it is a part of and/or participating in the proposed special use or not.
- Consideration will be given to the impact a proposed special use will have on the general public's use of the property including expected level of intrusion and any limitation of availability.
- Consideration will be given as to whether the proposed special use constitutes a service or benefit to the general public. The desired benefit to be considered hereunder must be public as opposed to private in nature.
- 5. Events which are expected to create an assembly of 25 or more persons on the Township property in question at the same time within a 24-hour period will require provision of liability insurance coverage in in such an amount as deemed appropriate by the Township Superintendent and/or the PSURC, as may be applicable.
- 6. Events which are expected to create an assembly of less than 25 persons on the Township property in question at the same time within a 24-hour period may not, at the discretion of the Township Superintendent and/or the PSURC as may be applicable, require provision of insurance coverage. However, in that event, every participant will be required to sign a liability waiver form.
- 7. Nothing in this special use request policy document shall be construed to supersede or negate the Township special event policy which shall continue to be in effect for larger gatherings and activities/events.
- 8. Exceptions: the Township Board, at its sole and exclusive discretion, may waive any provision of the policy and guideline statement set forth herein as deemed necessary to best serve the public interest.

TOWNSHIP PROPERTY SPECIAL USE REQUEST APPLICATION FORM

Directions: Please complete this application in accordance with the Township property use request policy and guidelines.

CHARTER TOWNSHIP OF OSCODA

COMMUNITY DEVELOPMENT COORDINATOR

Memo

To: Supervisor Weed and Board of Trustees
From: Ann Richards
Date: February 9, 2017
Re: February 13, 2017 Meeting of Township Board

I am providing preliminary information regarding items that appear on the February 13, 2017 meeting agenda.

INFORMATION CONSENT ITEMS

Building 220/AT &T Lease Renewal

The Township currently leases approximately 745 square feet of Building 220, located on Arrow Drive, to AT&T for telecommunication purposes. At the October 10, 2016 meeting staff informed the board that AT&T had indicated they would like to exercise their second and final option to extend as set forth in the original lease document as well as amend the current lease to allow for a change in the length of the lease term and additional extensions. The board authorized staff to move forward with the lease amendment as presented.

Attached to my report is the fully executed document with AT&T, setting forth an increase from 3 to 5 years for the term and stepped rent increases in each extension.

ACTION ITEMS

6121 Perimeter Road/Preliminary Offer to Lease

At the November 28, 2016 meeting the board authorized moving forward with the Minth Group to draft a lease with mutually agreed upon terms based on the proposal received. This approval was granted with the condition that Minth allow the Township to continue to market the property for sale.

Minth rejected that proposal and Township representatives met with Minth on December 9, 2016. At this meeting discussion took place in regard to the Townships' preference to sell the building,

amongst other things. Subsequently, a proposal was made to Minth to lease the building for a shorter timeframe with differing terms.

After further discussion Minth has now requested that the Township consider leasing the building directly to one of their suppliers, Baili America Inc (please see email from Minth) with the lease terms that were previously negotiated with Minth. Currently Baili America Inc. operates an automotive parts Manufacturer in China, Yongxing, and are just entering into the North America market, attached to my report you will find a power point presentation providing an overview of that operation in China.

Discussion of proposed lease terms with Baili America Inc. as resulted in the following proposal for the board to consider this evening: lease rate of \$10,450/monthly (consistent with current tenant's lease rate), a 2-year lease term with an April 1, 2017 begin date, tenant will prepay 6 month rent in advance, lease conditions to be modeled after the lease with current tenant. *If the board is inclined to accept the terms as presented this evening staff will seek approval from the board to have the Township's attorney draft the necessary documents and authorization for the clerk and supervisor to execute same.*

INFORMATIONAL ITEMS

Michigan Natural Resources Trust Fund Grant #TF15-0144/Property Acquisition

On Thursday February 2, 2017, the Township, by way of an escrow closing, closed on the subject property of the MNRTF grant application. The property is approximately 2.04 acres and is located adjacent to the Oscoda Township Beach on the north side.

Per the grant guidelines 90% of the grant amount or \$374,580 was deposited into an escrow account with the closing agent, Landmark Title. The Township was obligated to upfront the remaining 10% or \$41,620 in addition to its local share commitment for a total of \$ 179,536.61 due at closing. Please see email from grant coordinator explaining this breakdown.

Staff is currently in the process of gathering the remaining documents to submit to the grant agency in order for the Township to receive the remaining 10% of the grant award. Landmark Title, based on a requirement of their auditing firm, has requested that the Township adopt a resolution affirming the statutory authorization of the Supervisor and Clerk to execute documents on behalf of the Township. That resolution is 2017-04 and is on the agenda this evening.

Respectfully Submitted,

an m. Ribard'

Ann M. Richards Community Development Coordinator

CHARTER TOWNSHIP OF OSCODA – MICHIGAN BELL TELEPHONE COMPANY, d/b/a AT&T MICHIGAN

EXTENSION OF LEASE AGREEMENT

This is an Agreement entered into by and between the CHARTER TOWNSHIP OF OSCODA, hereinafter referred to as "LESSOR, a Michigan municipal corporation, whose mailing address is 110 S. State Street, Oscoda, MI 48750, and MICHIGAN BELL TELEPHONE COMPANY, d/b/a AT&T MICHIGAN, a Michigan corporation, hereinafter referred to as "LESSEE", whose address is 444 Michigan Avenue, Detroit, Michigan 48226, with said LESSEE/Corporation being in good standing with the State of Michigan. It is the desire of both parties as named above, to extend the Lease originally executed on July 25, 2011, as well as provide for consideration which is to be modified as below; however with all other paragraphs of said Lease being operative and of a continuing nature until the conclusion of all time periods as set forth immediately below:

1. That there be a three (3) year extension as provided for in the original Lease to end December 31, 2019.

2. That at LESSEE's option, there will be provided a five (5) year Lease extension from January 1, 2020 to December 31, 2024 with monthly payments thereof at One Thousand One Hundred Dollars and 00/100 (\$1,100.00). Lessee shall give notice in writing to the Lessor not less than ninety (90) days before the then current expiration of the lease term.

3. That an additional five (5) year option to extend the term of the Lease will thereafter be provided for at LESSEE's option, and at the new monthly amount of One Thousand One Hundred Fifty Dollars and 00/100 (\$1,150.00), from January 1, 2025, ending December 31, 2029. Lessee shall give notice in writing to the Lessor not less than ninety (90) days before the then current expiration of the lease term.

4. And finally, that a five (5) year option to extend the term of the Lease, at LESSEE's option, would be allowed, and commence at the additional monthly rate of One Thousand Two Hundred Dollars and 00/100 (\$1,200.00), and starting January 1, 2030 and ending December 31, 2034. Lessee shall give notice in writing to the Lessor not less than ninety (90) days before the then current expiration of the lease term. Any

1 of 3

amendments and/or modifications to the original lease agreement, as is provided by the provisions of this extension of lease agreement, are to take precedence over any conflicting provisions in the original lease agreement referred to above. Otherwise, unless so modified, the original terms of the lease agreement shall continue until the expiration of the extension of lease terms as set forth below.

1. GENERAL PROVISIONS

A. <u>Failure To Insist On Compliance</u>: The failure of LESSOR or LESSEE to insist, in any one or more instances, upon strict performance of any of the terms, covenants, or conditions of this Agreement shall not be construed as a waiver or relinquishment of the rights of either party to insist on the future performance of any such terms, covenants, or conditions, but the obligations of the LESSEE and the LESSOR, with respect to such future performance shall continue in full force and effect.

B. <u>Entire Agreement</u>: It is expressly agreed that this written instrument and exhibits attached hereto, embody the entire agreement between the parties regarding the use of the Leased premises by the LESSEE and there are no understandings or agreements, verbal or otherwise, between the parties except as expressly set forth herein. This instrument may only be modified or amended by mutual agreement of the parties, in writing, and signed by each of the parties.

C. The LESSEE agrees and consents to the legal jurisdiction serving Iosco County, if allowed by law, and both parties by their signature to this document agree that they have contracted in Iosco County, do business in Iosco County and the initial contact was made in Iosco County as it relates to the subject matter of this Lease. Further, both parties to this Lease agree, that the prevailing party in any lawsuit, arbitration, or other third party resolution of any dispute arising therefrom, shall be entitled to full reimbursement and/or indemnification of any attorney fees or other costs incurred as long as said fees and costs are reasonable, in enforcing any part of this Lease. D. Both parties hereto agree that this Agreement binds all successors and assigns of LESSOR and the LESSEE.

E. If any part of this Agreement shall be found invalid by a court of law, and/or by way of state, federal, or local, regulation, and/or by enactment of any state, federal or local law, then, and in that event, such finding shall not affect any remaining valid provisions.

F. LESSEE further accepts and acknowledges that the LESSOR shall be allowed to access the Leased premises and inspect same, from time to time, upon reasonable notice being given to LESSEE, at the address as stated earlier in this Lease.

G. That this Lease embodies all understandings of the LESSOR and LESSEE herein, whether they are oral or written

Hello Ann,

I'm catching up on my emails, and wanted to send a quick note on our meeting last Friday. As we discussed with Howard Wu that Minth-PTI would like to request Oscoda Township consider leasing your building to our Supplier Baili America Inc. (instead of directly with Minth PTI). Baili America Inc. is a current supplier to Minth.

Thank you,

John Zanti

Subject:	Charter Township of Oscoda MNRTF acquisition project

Good Afternoon,

We have processed an EFT payment in the amount of \$374,580 to be deposited in Landmark Title's escrow account. This amount represents 90% of the eligible MNRTF reimbursement. The remaining 10% in the amount of \$41,620 is withheld for the final audit of the project. Once the required documentation has been received after the closing, the remaining withheld amount will be released to Oscoda Township. Please note you will be required to deposit with the Title Company the difference between total closing amount due and the escrow deposit from the MNRTF.

If you have any questions, please feel free to contact me.

Michael Chuff Financial Specialist Department of Natural Resources Finance and Operations Division – Grants Management Section 525 W. Allegan Street, 3rd floor, NW Lansing, MI 48933 Telephone: (517) 284-5951 E-Mail: <u>ChuffM@michigan.gov</u>

The Michigan Natural Resources Trust Fund is Commited to funding high quality public outdoor recreation projects for Michigan citizens and visitors!

CHARTER TOWNSHIP OF OSCODA RESOLUTION REGARDING: Charter Township of Oscoda Parks and Recreation Master Plan 2017-03

Whereas, the Charter Township of Oscoda has developed a five-year Parks and Recreation Master Plan which describes the physical features, existing recreation facilities, and the desired actions to be taken to improve and maintain recreation facilities during the five-year period that begins in 2017 and ends on December 31, 2021; and

Whereas, the plan has been developed in accordance with the Michigan Department of Natural Resources requirements for a Community Recreation Plan; and

Whereas, an online input survey was made available to the public from June 2 to July 24, 2016, to provide an opportunity for citizens to share ideas and express opinions regarding the future of parks and recreation in Oscoda; and

Whereas, the draft Recreation Master Plan was made available for review and public comment from January 13 to February 13, 2017, at the Robert J. Parks Library and online at www.oscodatownshipmi.gov; and

Whereas, a public meeting with the Board of Trustees was held on February 13, 2017, 7:00 pm, at the Robert J. Parks Library located at 6010 N Skeel Avenue in Oscoda to provide an opportunity for citizens to express opinions, ask questions, and discuss all aspects of the Parks and Recreation Master Plan; and

Whereas, the Charter Township of Oscoda has developed the Parks and Recreation Master Plan for the benefit of the entire community and wishes to use the plan as a document to assist in meeting the recreation needs of the community;

Now, therefore be it resolved on this day that the Charter Township of Oscoda Board of Trustees hereby adopts said Parks and Recreation Master Plan as a guideline for recreation improvements for the Charter Township of Oscoda.

RESOLUTION NUMBER 2017-04

Re: Authorization for the signing of conveyance documents concerning the purchase of property

At a regular meeting of the Charter Township of Oscoda, Iosco County, State of Michigan, held on the 13th day of February, 2017, at 7:00 o'clock p.m., with the membership as follows:

PRESENT:

ABSENT:

The following Resolution was offered by ______, and seconded by ______.

WHEREAS, a meeting was held on the 25 day of April, 2016, wherein the Board of the Charter Township of Oscoda passed Resolution 2016-09 to accept the Michigan Natural Resource Trust Fund Grant #TF15-0144 for acquisition of 2.04 acres of vacant land north of and adjacent to Oscoda Beach Park, Oscoda, Iosco County, Michigan bearing a tax parcel code of 064-V10-004-006-30 and accept the terms of the Agreement as received from the Michigan Department of Natural Resources .

WHEREAS, the Supervisor and Clerk of the Charter Township of Oscoda have subsequently executed the conveyance documents as required to complete the abovestated transaction; WHEREAS, it has been previously determined by the Township Board that this conveyance is in the best interest of the public in furtherance of public health, welfare, and safety;

NOW THEREFORE BE IT RESOLVED that the board of the CHARTER TOWNSHIP OF OSCODA hereby acknowledge approval for the execution of the abovestated conveyance documents, by the Township Supervisor and its Clerk.

Upon roll call vote the following voted:

CHARTER TOWNSHIP OF OSCODA ORDINANCE NO. 2017-259

This Ordinance is intended to amend all previous Township Ordinances, and to the extent that the previous Ordinances are amended, the provisions of this Ordinance shall prevail. To the extent that said previous Ordinances and their provisions have not been amended, they shall remain in full force and effect.

AN ORDINANCE TO RESTRICT HUNTING AS WELL AS THE ERECTION OF DEER BLINDS UPON SAID LAND LOCATED AT THE FOLLOWING DESCRIBED PARCEL OF PROPERTY:

Township 24 North range 9 East section 8 in the Northwest 1/4 of the Northwest 1/4

THE CHARTER TOWNSHIP OF OSCODA HEREBY ORDAINS:

SECTION 1 – SPECIFIC PROVISIONS

SECTION A: That there be a restriction on hunting upon this parcel of property, as well as the erection of deer blinds and/or placement of animal feed thereon.

SECTION B: That the Charter Township of Oscoda does hereby ban hunting, as well as the erection of deer blinds of any type on the parcel as described above. This would include the placement of any animal feed thereon.

SECTION 2 - PENALTIES AND ENFORCEMENT

SECTION A: That the Charter Township of Oscoda, at its election, may enforce this Ordinance either by way of Civil Infraction and/or to have any violator hereof found in violation by way of criminal misdemeanor, and/or be subject to any other available legal remedies, including but not limited to injunctive relief.

SECTION B: The penalties for violating the Civil Infraction Ordinance shall be those penalties as set forth within the Civil Infraction Ordinance in effect at the time in which the violation of this ordinance occurs. The penalties attached to a finding by the Court that an individual has violated this ordinance by way of committing a misdemeanor, is by serving a maximum of ninety (90) days in jail, and/or payment of a maximum fine of \$100, plus reimbursement of any associated prosecution costs.

SECTION 3 – GENERAL PROVISIONS

A. SEVERALTY: If any paragraph of this ordinance is found to be invalid, it does not validate all other remaining portions.

B. CONFLICTS: All ordinance, resolutions or orders, or parts thereof, in conflict with this Ordinance are, to the extent of such conflict, hereby repealed.

C. EFFECTIVE DATE: This Ordinance shall take effect thirty (30) days after publication.

The Supervisor declared the Ordinance adopted.

Re: Board of Review Alternate

Attached please find a letter of interest for appointment to the Board of Review as an alternate from Cathy Wusterbarth. It is my understanding that the Twp Supervisor, Aaron Weed, discussed this appointment with Mrs. Wursterbarth. If you have any specific questions concerning this individual I would suggest you contact Aaron.

Cathy Wusterbarth 211 Evergreen Ave. Oscoda, Michigan 48750

February 7, 2017

Oscoda Township Board and Commissions Board of Review Oscoda, Michigan 48750

Attn: Oscoda Township Board

I am writing in response to your request for interested individuals to serve on the township Board of Review. I understand there is a need and the township would benefit from having an alternate member on the board. After reviewing the purpose, responsibilities and requirements of the board in the MTA Authorities and Responsibilities of Michigan Township Officials, Boards and Commissions book, I am confident that my skills and my passion for Oscoda Township are a good match for the alternate position.

I would bring to the Board of Review a broad range of skills, including:

- · Twenty-five years of professional management experience
- Dedication to exceeding expectations
- · Experience establishing trusting relationships with township residents
- Consistency, flexibility and reliability
- Current qualified elector, land owner and tax payer (MCL 168.342)

I would welcome the opportunity to further discuss this alternate position with you. If you have questions or would like to schedule a time to meet, please contact me by phone at (810)-441-9855 or by e-mail at cathyc556@gmail.com. Thank you very much for your consideration.

Sincerely,

Catay Wuslos

CHARTER TOWNSHIP OF OSCODA

Zoning Department

Date: February 3, 2017

To: Bob Stalker

From: Lorna Ganci

Re: Rezoning of parcel # 066-028-300-006-00

Bob,

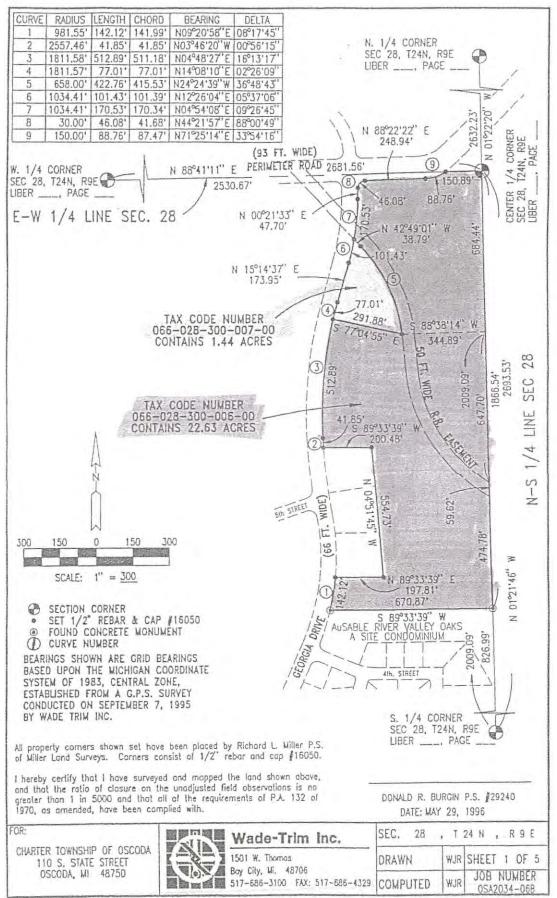

The Planning Commission, at the January 3, 2017 Public Hearing, unanimously approved the rezoning of the parcel # 066-028-300-006-000 from the existing WB3 Wurtsmith Business District to WR3 Wurtsmith Mixed Residential District.

The sale of this property currently owned by the Township is contingent upon the rezoning being granted. The buyers intend on utilizing the property to construct an apartment building, which would be presented to the Planning Commission via a Site Plan Application.

On January 5, 2017, the recommendation, along with the attached Zoning Map were sent to the County for review and comment, and after waiting the required 30 days, I am sending this rezoning to you for the Township Board's approval.

For my records, please let me know when this will be on the agenda.

Thank you

110

Ú.

CHARTER TOWNSHIP OF OSCODA

Zoning Department

Memo

To: Bob Stalker

From: Lorna Ganci, Zoning Administrator

Date: February 3, 2017

Re: Ordinance Revisions

Attached are Ordinance amendments that are ready to send to the Township Board for reading and possible action.

All of the attached are from last year and have already been reviewed by the attorney, and brought back to the Planning Commission where changes were made as necessary.

These were read at the Planning Commission's November 7th, and December 5th meetings and voted on unanimously at the January 3, 2017 Public Hearing.

The proposed amendments were sent to the County on January 4, 2017 and after a thirty day wait, there were no objections to our proposed revisions.

Attached are the amended Sections:

- Section 6.2.4 Changes were made to simplify the language of the section, to eliminate repetitions from other sections, and to recognize that there are new building materials available.
- 6.2.1(3) The amendment was made to add a reference to a new section of the Ordinance in an effort to make it easier for a resident to obtain all necessary information regarding the locations allowed for an Accessory Structure on a vacant lot.

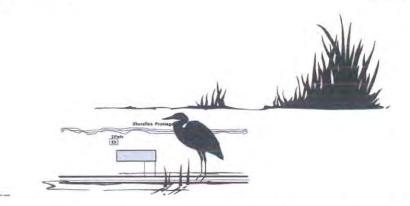

I have attached the original version of each Section, along with the proposed rewritings.

Please let me know when there will be a Public Hearing with these draft amendments on the agenda.

Thank you

Charter Township of Oscoda

Zoning Ordinance 165

j. Within a Shoreline District (SD), a detached Accessory Structure may be placed in the front yard (water/view side) as follows:

- Shall not exceed an area of 145 square feet.
- Shall not exceed a maximum height of ten feet (10').
- > Shall be setback twenty-five feet (25') from the front lot line.
- Shall be setback ten feet (10') from all principal structures. ¹³
- Side setback shall be at least ten feet (10') on lots with a width of greater than sixty feet (60'). On lots with a width of up to sixty feet (60') the front yard Accessory Structure may be setback five feet (5') from side lot lines.

Section 6.2.2. (Deleted, Accessory Structure Setbacks.)6

Section 6.2.3. (Deleted, Accessory Structure Dimensions)⁶

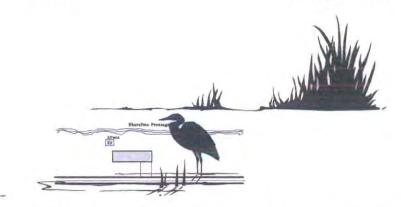

Section 6.2.4. Accessory Structure Construction

- Accessory structures will be constructed using materials that are closely matched to the principal building. Except in the Industrial (I), Forestry (F) or Agricultural (AG) districts, land use permits shall not¹¹ be issued for the construction of any structure which utilizes galvanized iron or a sheet metal or aluminum exterior covering for all or part of the construction materials. This provision does not¹¹ apply to the following:²
 - A. Open metal patio additions to conventional housing or apartment construction, when such additions shall be used exclusively for outdoor recreation areas and shall not be remodeled or enclosed as habitable living or storage areas.
 - B. Approved metal or aluminum siding designed for residential structures.
 - C. Metal or polyethylene resin tool or garden sheds, used as Accessory Structures only, which do not exceed 120 square feet in projected roof area.¹³
 - D. Mobile homes in the Mixed Mobile Home Residential (R-5) or Mobile Home(MH) districts.
 - E. If the principle building uses steel roofing, the same grade and style of material may be used on detached Accessory Structure(s).⁷
 - F. Agricultural Buildings as defined in this Ordinance in AG Zoning Districts.¹⁰

Section 6.2.5 Accessory Structure Number Limitation.

In a residential district there shall not be more than two detached Accessory Structures on a single lot.²

Zoning Ordinance 165 (4-08-2015)

j. Within a Shoreline District (SD), a detached Accessory Structure may be placed in the front yard (water/view side) as follows:

- Shall not exceed an area of 145 square feet.
- Shall not exceed a maximum height of ten feet (10').
- > Shall be setback twenty-five feet (25') from the front lot line.
- Shall be setback ten feet (10') from all principal structures.¹³
- Side setback shall be at least ten feet (10') on lots with a width of greater than sixty feet (60'). On lots with a width of up to sixty feet (60') the front yard Accessory Structure may be setback five feet (5') from side lot lines.

Section 6.2.2. (Deleted, Accessory Structure Setbacks.)6

Section 6.2.3. (Deleted, Accessory Structure Dimensions)⁶

Section 6.2.4. Accessory Structure Construction.

 Accessory structures will be constructed in accordance with all State, County and Township Building codes and ordinances. Designs and building materials of Accessory Structures shall generally be consistent with the characteristic of the principal building in materials and color.

Land Use Permits shall not be issued for Temporary Structures. (see Section 2.2 for definition)

All Accessory Structures must follow a similar roof pitch as the principal structure and as approved by the losco County Building Department.

Except in the Industrial (I), Forestry (F) or Agricultural (AG) districts, land use permits shall not¹¹ be issued for the construction of any structure which utilizes galvanized iron or a sheet metal or aluminum exterior covering for all or part of the construction materials. This provision does not¹¹ apply to the following:²

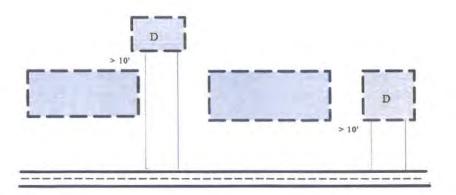

- A. Open metal patio additions to conventional housing or apartment construction, when such additions shall be used exclusively for outdoor recreation areas and shall not be remodeled or enclosed as habitable living or storage areas.
- B. Approved metal or aluminum siding designed for residential structures.

Metal or hard polyethylene resin tool or garden sheds, used as Accessory Structures only, which do not exceed 120 square feet in projected roof area.¹³

D. Mobile homes in the Mixed Mobile Home Residential (R-5) or Mobile Home(MH) districts.

E. No metal structures with a radius (rounded) roof is allowed.

F. Agricultural Buildings as defined in this Ordinance in AG Zoning Districts.¹⁰

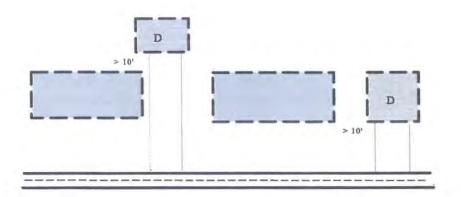

3. "Detached Accessory Structures" are defined as a free standing garage or other accessory structure that has no physical connection to the Principal Structure. Except in the Industrial (I), Forestry (F), and Agricultural (AG) zoning districts, no detached accessory structure shall be constructed or located on a vacant lot. Yard setbacks and other regulations applicable to accessory structures shall be as set forth in the zoning district regulations in this Ordinance.¹¹

Additional requirements for a "Detached Accessory Structure" are as follows:

- a. The nearest part of the Accessory Structure's foundations shall not be closer than ten feet (10') to any principal structure's foundation,^{8, 14} or to any other Accessory Structure.¹⁴
- b. Shall be located only in the side or rear yard and shall be setback ten feet (10') from side or rear lot lines when the lot width is greater than sixty feet (60'). When the lot width is no greater than sixty feet (60') a Detached Accessory Structure may be placed as close as five feet (5') from a side or rear lot line.
- c. Will not exceed a maximum height of 20 feet¹⁴, or 75 percent of the height of the home, whichever is greater.⁷
- Shall have the same roof pitch as the Principal Structure or as required by losco County Building Department.
- e. Shall not exceed a 3:1 ratio ¹⁴ as it relates to length versus width of the structure.
- f. Shall not exceed 1,600 square feet¹⁴ or an area dimension that is 75% of the foot print (ground floor) dimension of the Principal Structure, whichever is greater.
- g. Shall not occupy more than thirty percent (30%) of the rear yard.
- One additional foot of side setback will be required for every foot of height over 17 feet.⁷

NOTE: The above provisions are not applicable to Agricultural Buildings as defined in this Ordinance in AG Zoning Districts.¹⁰

i. Shall have at least 1 foot of overhang on each side of any Detached Accessory Structure over two hundred (200) square feet.^{7, 14, 15}

3. "Detached Accessory Structures" are defined as a free-standing garage or other accessory structure that has no physical connection to the Principal Structure. Except in the Industrial (I), Forestry (F), Agricultural (AG) zoning districts, and as referenced in Section 6.2.6, no detached accessory structure shall be constructed or located on a vacant lot. Yard setbacks and other regulations applicable to accessory structures shall be as set forth in the zoning district regulations in this Ordinance.¹¹

Additional requirements for a "Detached Accessory Structure" are as follows:

- The nearest part of the Accessory Structure's foundations shall not be closer than ten feet (10') to any principal structure's foundation,^{8, 14} or to any other Accessory Structure.¹⁴
- b. Shall be located only in the side or rear yard and shall be setback ten feet (10') from side or rear lot lines when the lot width is greater than sixty feet (60'). When the lot width is no greater than sixty feet (60') a Detached Accessory Structure may be placed as close as five feet (5') from a side or rear lot line.
- c. Will not exceed a maximum height of 20 feet¹⁴, or 75 percent of the height of the home, whichever is greater.⁷
- d. Shall have the same roof pitch as the Principal Structure or as required by losco County Building Department.
- e. Shall not exceed a 3:1 ratio ¹⁴ as it relates to length versus width of the structure.
- f. Shall not exceed 1,600 square feet¹⁴ or an area dimension that is 75% of the foot print (ground floor) dimension of the Principal Structure, whichever is greater.
- g. Shall not occupy more than thirty percent (30%) of the rear yard.
- One additional foot of side setback will be required for every foot of height over 17 feet.⁷

NOTE: The above provisions are not applicable to Agricultural Buildings as defined in this Ordinance in AG Zoning Districts.¹⁰

i. Shall have at least 1 foot of overhang on each side of any Detached Accessory Structure over two hundred (200) square feet.^{7, 14, 15} Submitted to

January 2017

February 3, 2017

Huron Shore Regional Utility Authority 247 S. Baldwin Resort Road East Tawas, MI 48730

SUBJECT: HSRUA Monthly Operation and Maintenance Report for January 2017

Dear Authority Board Members:

Attached please find the Monthly Operation Report for the Huron Shore Water Treatment Facility and the associated distribution system. This report is intended to provide a brief explanation of the activities related to the operation and maintenance of the facility and distribution system. All information and data used to compile this report is available for your review upon request.

The MDEQ state report contained within this report is for the previous month (December 2016), as the details necessary to compile this portion is not always completed at the time of the Authority board meetings. As always, if you have any questions regarding the contents of this report or activities within our operation, please contact us at your convenience.

Sincerely,

atherine a. Samham

Catherine Garnham Regional Manager

HSRUA Monthly Operations Report January 2017

WATER TREATMENT PLANT O&M

January 10 – Great Lakes Fire & Safety was on-site for fire extinguisher and EEBA (Emergency Escape Breathing Apparatus) inspections.

January 11 – Claricones #3 and #4 were drained for annual cleaning.

January 11 – R.S. Technical Services was on-site to inspect the gas chlorine feed system. The system is original to the facility, and is obsolete. Due to the unavailability of repair / replacement parts, it will be necessary to upgrade system components in the near future.

January 19 – HydroDynamics delivered and installed the replacement motor for High Service (HS) pump #1. The pump could not be started as the fuses in the MCC (motor control center) had failed, and a piece of conduit was needed to finish the wiring. Taunt Electric was contacted regarding the fuses and startup of the new motor.

January 26 – Taunt Electric was on-site to install replacement fuses and a conduit reducer for HS pump #1. The electrician attempted to test start the motor, but was unable to clear a fault in the MCC controls. Further investigation will be needed to determine the cause of the fault.

Taunt Electric installed an isolation switch on the controls for the new alum mixer to allow the flushing water supply to be initiated before the motor is started. The alum mixer was then tested, but blew a fuse after running for less than a minute, and smoke was also observed coming from the motor housing. Chemineer was contacted to schedule a field site visit.

January 30 – Representatives of Chemineer and Taunt Electric were on-site regarding the alum mixer issues that occurred on January 26th. They determined the mixer was wired correctly and the correct voltage was supplied by the controls. Chemineer requested that the mixer be shipped back to them for further inspection.

DISTRIBUTION SYSTEM O&M

January 26 – Kennedy Industries reinstalled booster pump D following replacement under warranty of a leaking mechanical seal. This is related to the ongoing issue which began shortly after the new pump was installed on January 20, 2015.

SAFETY, HEALTH AND ENVIRONMENTAL

The January MOR will be submitted to the DEQ on or before February 10th. The water treatment plant was in compliance throughout the month of January 2017.

No accidents or Workmen's Compensation issues occurred at the water treatment plant or within the Authority's regional water distribution system during the month of January 2017.

Work Order Summary - December 2016 HSRUA

2/2/2017

	Ρ	ag	e	3
--	---	----	---	---

WO No.	Description	WO Type	Equipment No.	Equipment Description
0000040196		PM	1720E FILTER #6	FILTER #6 TURBIDIMETER
0000040204	MONTHLY PM ON LOW SERVICE PUMPS	PM	LOW SERVICE PUMPS	LOW SERVICE PUMPS 1 THRU 6
0000040205	LOW SERVICE PUMPS 1 THRU 6 WEEKLY PM	PM	LOW SERVICE PUMPS	LOW SERVICE PUMPS 1 THRU 6
0000040221	CONDUCT QUARTLY REVIEW OF PLAN AND ASSOCIATED RECORDS	SCH	USED OIL COLLECTION CONTAINER	LIQUID INDUSTRIAL WASTE
	MONTHLY GENERATOR EXERCISING	SCH	GENERATOR	
0000040227	WEEKLY PM ON WTP GENERATOR	PM	DIESEL GENERATOR	EMERGENCY GENERATOR/CATERPILLAR 3412
0000040229	AIR BLOWERS SEMIANNUAL PM	PM	AIR BLOWERS	AIR BLOWERS 1-2
	QUARTERLY SWITCH OVER OF UNITS	PM	AIR BLOWERS	AIR BLOWERS 1-2
0000040233	Weekly Auto Dialer Test	SCH	AUTODIALER	AUTODIALER/SENSAPHOHE
0000040237	QUARTERLY PM OF WASHWATER PUMP	PM	BACK WASH PUMP	BACK WASH WATER PUMP
0000040238	PULL SAMPLE FROM DEPOLOX3 CLA ANALYZER FOR COMPARISON ON CHART	SCH	CL2 ANALYZER DEPOLOX PLUS	FREE CL2 RESIDUAL ANALYZER W/BARE ELECT
0000040240	QUARTERLY CHLORINE FEED SYSTEM PM	PM	CL2 FEED SYSTEMS	CHLORINE FEED SYSTEMS
0000040241	Monthly Colony Count	SCH	SUMP DRAIN LINE	
	MONTHLY PM OF AIR COMPRESSOR	PM	AIR COMPRESSOR UNIT	AIR COMPRESSOR/QUINCEY DUPLEX
0000040243	WEEKLY PM OF AIR COMPRESSOR	PM	AIR COMPRESSOR UNIT	AIR COMPRESSOR/QUINCEY DUPLEX
0000040244	WEEKLY PM OF HOT WATER CIRCULATING PUMPS	PM	HOT WATER HEATING PUMPS	HOT WATER CIRCULATION PUMP/TACO
0000040246	MONTHLY PM ON BOOSTER STATION ELECTRIC CONTROL VALVES	PM	BSECV-A	BOOSTER STATION ELECTRIC CONTROL VALVE
	MONTHLY PM ON BOOSTER STATION ELECTRIC CONTROL VALVES	PM	BSECV-B	BOOSTER STATION ELECTRIC CONTROL VALVE
	MONTHLY PM ON BOOSTER STATION ELECTRIC CONTROL VALVES	PM	BSECV-C	BOOSTER STATION ELECTRIC CONTROL VALVE
	MONTHLY PM ON BOOSTER STATION ELECTRIC CONTROL VALVES	PM	BSECV-D	BOOSTER STATION ELECTRIC CONTROL VALVE
	MONTHLY PM ON BOOSTER STATION ELECTRIC CONTROL VALVES	PM	BSECV-E	BOOSTER STATION ELECTRIC CONTROL VALVE
	MONTHLY CHK OF VEHICLE FIRE EXTINGUISHERS AND FIRST AID KITS	SCH	PLOW TRUCK	CHEVY 3/4 TON 2500 YEAR 2013
	WEEKLY WATER SAMPLES FROM DISTRIBUTION SYSTEM	PM	DIST SMPLS	WATER SAMPLES FROM DISTRIBUTION SYSTEM
	WEEKLY PM-CLEANING	PM	LAB	LAB AND EQUIPMENT
0000040251	WEEKLY LINCOLN STREET PUMPING STATION INSPECTIONS	SCH	LINCOLN ST.	LINCOLN ST. PUMPING STATION
0000040252	WEEKLY INSPECTION, READING, AND RECORDING OF ALL LAKEWOOD ACTIVIT	ISCH	WTLS	LAKEWOOD TOWER
	READING OF ALL MASTER METERS	SCH	METERS	MASTER METERS
0000040254	REVIEW AND MARK ALL NEEDED MISS DIG TICKETS	SCH	HSRUA MAIN	VARIOUS HSRUA MAIN
0000040255	EXERCISE ROOF TOP HEATING UNITS	SCH	ROOFTOP HVAC-2	ROOFTOP HVAC UNIT GVH-2/REZNOR
0000040255	EXERCISE ROOF TOP HEATING UNITS	SCH	ROOFTOP HVAC-3	ROOFTOP HVAC UNIT GVH-3/TRANE
0000040255	EXERCISE ROOF TOP HEATING UNITS	SCH	ROOFTOP HVAC-4	ROOFTOP HVAC UNIT GVH-4/TRANE
0000040256	CLEAR PATHWAY & CHECK ALL LOCKS @ FENCE EXIT LOCATIONS	SCH	WTP FENCE	
	MONTHLY TOWER CHECK FROM GROUND WITH BINOCULARS	SCH	HSRUA SYSTEM	
0000040258	MONTHLY PM ON VACUUM PUMPS 1&2	PM	VACUUM PUMP UNITS	BOTH VACUUM PUMPS
0000040259	WEEKLY PM ON VACUUM PUMPS 1&2	PM	VACUUM PUMP UNITS	BOTH VACUUM PUMPS
0000040260	WEEKLY CHECKS ON DIST VAN	SCH	DIST VAN	CONNECT MINI VAN YEAR 3013
0000040261	CONDENSATION COLLECTION RESIVOIR	SCH	WATER TRAPS	TERMINATION POINT FOR COMPRESSED AIR
0000040326	MONTHLY INSPECTION AND SIGN OFF OF ALL FIRE EXTINGUISHERS	PM	FIRE EXTINGUISHERS	FIRE EXTINGUISHER/HAND HELD
	BI-MONTHLY PROBE CLEANING	PM	SUMP DRAIN LINE	
0000040329	WEEKLY GLASSWARE CHECK FOR RESIDUE	SCH	SUMP DRAIN LINE	
0000040330	WEEKLY GLASSWARE CHECK FOR RESIDUE	SCH	SUMP DRAIN LINE	
0000040331	MONTHLY PM ON CHLORINE CYLINDER HOIST	PM	HOIST	CL2 HOIST/WRIGHT
0000040335	MONTHLY DRAIN OFF 1 GALLON OF H20 TO REMOVE SILT/SEDIMENT	PM	WATER HEATER	BRADFORD WHITE 40 GALLON
	WEEKLY PM-CLEANING	PM	LAB	LAB AND EQUIPMENT
	MONTHLY PM ON LOW SERVICE PUMPS	PM	LOW SERVICE PUMPS	LOW SERVICE PUMPS 1 THRU 6
	BI MONTHLY ON pH PROBE	PM	PHMETER	PH METER/ORION
	MONTHLY PROBE STORAGE SOLUTION CHANGE	PM	FLUORIDE METER #3	SYMPHONY PH/ISE METER
	ANY JOB INVOLVING HIGH PRESSURE SODIUM LIGHTS	PM	HIGH PRESSURE SODIUM LIGHTING	SEDIMENTATION ROOM LIGHTING
	BIWEEKLY PUMP + TOTAL GALLONS	SCH	SANITARY SEWER	check gpm. on meter-compair to pump down
	Monthly stock culture preperation		SUMP DRAIN LINE	
0000040360	TRANSFER DAILY REPORTS TO A MONTHLY FOLDER	SCH	-
