

It's Award Season at CSSC!

Colonie Senior Spirit Awards are to be presented at the 21st Annual Founders' Celebration Luncheon

Here at Colonie Senior Service Centers, Inc. (CSSC) we know when the leaves turn color and the air becomes crisp that it's award season, and time to announce this year's Colonie Senior Spirit Award winners. Colonie Senior Spirit Awardees reflect the commitment, vision and leadership exemplified by the CSSC's Founders who created our organization to help seniors remain active, healthy, and independent.

This year's awardees are dynamic and represent the very best of what is going on in the Capital Region's seniors community. Each and every one of them inspires and encourages seniors across the spectrum to be engaged, inspired and age in the community in which they choose.

CSSC was proud to announce the 2022 Colonie Senior Spirit Awardees are:

Highmark BlueShield of Northeastern New York as they have supported senior programming at CSSC, and in particular CSSC's Forever Young Singers. The Forever Young Singers are a wonderful choral group of seniors who have come together and enjoy singing newer modern music. They can be seen performing in the community and enjoy joining other groups for intergenerational performances. The Forever Young Singers are made possible because of the support of Highmark BlueShield of Northeastern New York.

The **Pride Center of the Capital Region**, for their work through their Vintage Pride Group that connects LGBTQ seniors to each other and the

broader community. The Vintage Pride Group also works with Capital Region senior service providers, including CSSC, to assist them in making programs and services welcoming for all.

The Albany Field Office of the **U.S. Committee for Refugees and Immigrants (USCRI)** welcomes and settles refugees from around the world in the Capital Region. Many of these refugees are seniors coming from Afghanistan, Burma, Iraq, Syria and the Democratic Republic of Congo. USCRI collaborates with CSSC to help integrate senior refugees by offering English as a Second Language classes, exposing them to cultural events and programming through CSSC's senior community dining programs, community concerts, and **THE CENTER** at CSSC.

To the incredible team of Chefs in Motion judges, **Chef Yono Purnomo, Chef Joan Dembinski and Chef Harold Qualters** that assist CSSC in raising funds for the Transportation Services

Program. These inspirational seniors have never wavered in their support of CSSC, whether it is performing the duty of judging the Chefs in Motion competition, hosting seniors at their restaurants through CSSC's International Dining special events, or performing cooking demonstrations at various CSSC events.

CSSC is also thankful for the support from our generous sponsors of the 21st Annual Founders' Celebration Luncheon: BBL Construction, Salvatore R. and Anna E Beltrone Family Foundation, CDPHP, WCGS Architects. CBRE-Albany, Equinox Companies, Hershberg & Hershberg, Herzog Law Firm, and Newton Plaza Associates, LLC. It is because of these outstanding community leaders and local businesses that support Colonie Senior Service Centers, Inc. programs and services that seniors in the Capital Region are able to reside where they choose safely and thrive.

Please join Colonie Senior Service Centers, Inc. as we honor and celebrate these Colonie Senior Spirit Awardees at the 21st Annual Founders' Celebration Luncheon, Thursday, October 27, 2022, from 11:30 a.m. – 1:00 p.m., in The Lakeview Room in The Beltrone Living Center, 6 Winners Circle, Albany, New York.

To be surrounded by wisdom and insight is humbling. Since early spring, CSSC staff and volunteers have been busily working on an extensive oral history pictorial project entitled "A Moment in Time." Traveling throughout the Capital District, the objective of the grant-funded program was to interview and photograph older adults from all walks of life gaining their perspective on what they each individually were looking forward to as we get out of the pandemic and its aftermath; in essence, capturing a moment in time.

It was an honor to be able to implement this grant surrounded by some wonderful individuals like professional photographers Tom Fox and Kevin Curran, makeup artists Kate Ira, Alison Wadsworth and Emily Koenig and oral historian Camille Hoheb. We setup interviews and photo shoots in fire houses and in an artist studio, a historic church museum and a synagogue, a historic barn, and our very own Beltrone Living Center. Some interviewees were very philosophical in answering while others approached the question "What are you looking forward to?" more simply. In total, 99 seniors were interviewed.

You see, oral history provides a fuller, more accurate picture of the past (and future) by capturing personal perspectives. To be able to take a photograph of the person being interviewed

truly added a more complete perspective to the project's overall purpose. Once complete, I envision this exhibit being used as a primary source by historians in the future, 10, 20, 40 years from now, who want to learn how resilient seniors were through the pandemic and its aftermath.

I have been fortunate to participate in oral history projects previously in my life with such subject matters as The Brothers Movement in Albany, Proctors Theater in Schenectady and the agrarian history of the Town of Colonie. I realize the art of listening well is more than a matter of talking less, it takes skills in asking and responding, as well as interest in the conversation taking place.

Please join us on Thursday, October 20 from 4:00 to 6:00 pm at The Beltrone Living Center for the exhibit opening of "A Moment in Time." In addition to the individuals who put the project/exhibit together, we have invited everyone who was interviewed. The event is free and open to the public.

Happy Halloween!

Forever Young Singers

The Forever Young Singers, sponsored by Highmark Blue Shield of NENY, sang at Colonie Center last month. The crowd enjoyed the music and the positive energy. The group is open to community members and rehearses each Thursday at 1 pm at The Beltrone Living Center. Keep an eye out for the Forever Young Singers as additional community performances are in the works. Singing with a group promotes production of endorphins which fosters positive feelings and can even change the perception of pain. Other benefits are reduced stress, immune response, improved lung function, and improved mental health. Join the group! New members are always welcome.

Special thank you to Highmark Blue Shield for continuing their support of the Forever Young Singers for next year.

The Beltrone Golf Classic Teed Off!

On Monday, September 12th, a full field of golfers teed off for a beautiful day of golf at the 29th Annual Salvatore R. and Anna E. Beltrone Golf Classic, that was held at Schuyler Meadows Club, in Loudonville. This year, there were many new challenges introduced from teeing off using the State Farm Insurance Air Canon, to rolling the die to see where you teed off, many hole in one chances, and putting your way to a new Yeti Cooler filled with everything you need for the perfect tailgate. All this was followed up with a Street Hockey competition at the 19th Hole Reception. Golfers also enjoyed tasting opportunities on the course hospitality stations provided by BBL Hospitality and New Scotland Spirits.

The evening awards program was emceed by Ryan Peterson, from News10 ABC in the Morning. Ryan presented our winning golfers with the following awards:

- **1st Low Gross Foursome:** Gary March, Chris Van Buren, Kris Kowalczyk and Matt Mc Caffrey
- **1st Low Net Foursome:** George Mahoney, Paul Leo, Matt Connors and Dave Masaroni
- **Closest to the Hole:** Wayne Beckingham (Men) and Michelle Rooney (Women)

Sacred Spaces – Galway Methodist Church and West Charlton United Presbyterian (Scotch Church)

The journey continues Thursday, October 13th, as we visit two area sacred spaces. Join Diane as we visit the Galway Methodist Church and West Charlton United Presbyterian (Scotch Church).

The history of the East Galway Methodist-Episcopal Church can be directly traced back to the original founder of the Methodist Church, Reverend John Wesley. The West Charlton United Presbyterian (Scotch Church) was built about 1880 and is a rectangular, wood-frame building in the Late Victorian style. The church was founded by immigrants from Scotland and was listed on the National Register of Historic Places in 1998.

The group will be traveling up to Saratoga County (exit 12) and making a morning of visiting the two historic churches followed by lunch at the Charlton Tavern.

The CSSC shuttle bus will leave The Beltrone Living Center at 8:45 am and return at approximately 1:30 pm. This outing will require walking. The cost for this wonderful fall outing is \$15 dollars plus cost of lunch.

To make a reservation, please call Diane at 518-459-2857 ext. 305.

Toolbox Donator

Have you ever gone thru airport security and left something in your pocket or luggage that is prohibited? Often travelers forget to remove multi-tools and other small items considered “weapons” that are then confiscated by TSA. These passenger losses are a gain for the Toolbox! The Toolbox is now a donation center for those small tools collected by security at the Albany Airport. Stop by the Toolbox to pick up one of these handy items but remember ... leave it home when you travel! CSSC thanks the TSA and Albany Airport Corporation for its donations to the Toolbox. The proceeds of resale tools benefit Umbrella of Colonie, helping older adults remain in their homes in the community with small repair and home improvement projects at low cost.

Visit the Toolbox, Tuesday through Saturday, 10 am – 2 pm, at 143 Troy Schenectady Road.

Meals that Care Initiative

In response to recent community requests, CSSC announces the start of a 10-week pilot program called Meals that Care. This initiative, supported by generous donations from the community, Goldstein Auto Group, the Estate of Larry Siegel, and Highmark Blue Shield of NENY, intends to support those most in need; homebound, vulnerable or ill community members living within a 5-mile radius of The Beltrone Living Center. Meals that Care is different from most home delivered meal programs as it aims to support those who are truly struggling, are in recovery and/or are unable to cook for themselves. The goal is to support a short-term need until an individual gets back on their feet and is able to care for their own needs again. If you or your loved one is incapacitated and unable to cook, please consider this initiative. Beginning October 15th, CSSC will accept requests for hot meals ordered and prepared at a fixed cost of \$10 per meal. Pre-payment and the purchase of a minimum of 2 meals per week is required. Once again, CSSC is stepping up, not stepping aside, to assist those most in need in our community. Those who feel they fit the criteria should contact Carol Ripley at 518-459-2857 ext. 310.

Space for this pilot program is limited and will be done on first come serve basis.

ESL Classes Being Offered at The Beltrone by CSSC and USCRI

Starting in September and in collaboration with USCRI Albany (U.S. Committee for Refugees and Immigrants), CSSC is thrilled to announce that we will be offering English as a Second Language (ESL) classes at The Beltrone Living Center.

The term 'English as Second Language' (ESL) has traditionally referred to individuals who speak languages other than English at home. We envision this initiative as a wonderful partnership since CSSC's mission is to support seniors stay active, healthy, and independent and USCRI's is to help refugees become self-sufficient, contributing members of our community.

With more and more non-English speaking seniors coming to CSSC events and programs, the timing was just right to provide such programming. Classes started September 13th, and will be held twice a month. For further information, please call Diane at 518-459-2857 ext. 305.

Volunteers Need: English instructors to teach ESL classes.

No certification needed. Just knowledge of the English language.
