This Is Your University

CHARTERED in February, 1851, by the Legislative Assembly of the Territory of Minnesota, the University of Minnesota has this year celebrated its one hundred and third birthday. As from its very beginning, the University is dedicated to the task of training the youth of today, the citizens of tomorrow. How well it has succeeded is indicated by the number of doctors, lawyers, engineers, social workers, journalists, dentists, farmers, businessmen, and community and civic leaders in all fields—good citizens all—who have gone from its several campuses to participate actively in the upgrading of the welfare of the citizens of our state. During the period of its existence, the University has awarded more than 110,000 degrees to its students who have completed the rigorous training demanded by the complexities of modern society.

In addition to the enormous task of giving collegiate instruction to nearly 19,000 students on its Minneapolis, St. Paul, and Duluth campuses, the University offers, through its Schools of Agriculture, its General Extension Division, and its short courses, specialized training designed to assist those who wish to study on a part-time basis. Still in addition, its staff members who are county agents, home agents, and recreation and health consultants give effective aid

and assistance to citizens of the state in their very homes.

But the University of Minnesota, like all great universities, has expanded far beyond its early teaching and training programs. In its diverse research laboratories on its three campuses, at the several agricultural experiment stations, at the Rosemount Research Center, and at the University Hospitals, its scientists at any one moment are working on countless research experiments of vital interest to the future health and welfare of all of us. These projects deal with such matters as cancer, poliomyelitis, taxation, low-grade iron ore, cheese-making, teacher training, municipal government, nuclear fission, new varieties and strains of grains and fruits, supersonics and transonics, to mention only a few.

THE UNIVERSITY is recognized as the cultural hub of the Northwest; it is the home of the Minneapolis Symphony, the University Artists Course, radio station KUOM, the University Theatre, and the local performances of the Metropolitan Opera Company. Through the University of Minnesota Concert and Lecture Service and the School Assembly Service, the University brings to more than a million and a half people, in the area it serves, artists and lecturers

of quality and talent.

The people of Minnesota are proud of their University, not only because it is one of the leading state universities in the nation, but also because of the extent and quality of its services from which they, their families, communities, and organizations benefit. Their interest in the University is a dynamic, living thing and expresses itself in many ways. Contributions from them have made it possible for the Variety Club Heart Hospital to be constructed and for the great Mayo Memorial building to be completed over the coming months. Through the American Legion and auxiliary posts all over the state, thousands of friends have made generous donations to provide an endowed research professorship in heart diseases.

All students at the University, their families, and friends are invited to continue their enthusiasm and interest in the University of Minnesota. Graduates are especially urged to identify themselves with the University Alumni Association and the Greater University Fund and to return as frequently as possible to

visit us here at the University.

Order of Events

THE ASSEMBLING OF THE AUDIENCE: Members of the Senior Class will form by colleges in front of Coffman Memorial Union, and the line of march will be up the center of the Mall into the Auditorium. University staff members will march last in the procession and will sit on the platform. Preceding the formation of the procession, the Frances Miller Brown Memorial Bells will be heard from Northrop Auditorium, Mr. J. Frederic Goossen, Instructor in Music, carillonneur. As the line of march is being formed, the University of Minnesota Concert and Varsity Bands, Mr. Gerald Prescott, Associate Professor and Bandmaster conducting, will play from the steps of the Auditorium. Leading the processional from the Union to the Auditorium will be: the University Army ROTC Band, Bandmaster Cadet Lieutenant Harold A. Strobel conducting; the University Navy ROTC Band, Bandmaster Midshipman Glen Angus Reed conducting; and the University Air Force ROTC Band, Bandmaster Cadet Captain John Weatherby conducting.

PROCESSIONAL: The University of Minnesota Concert and Varsity Bands, together with the University Army ROTC, Navy ROTC, and Air Force ROTC bands, will play until the procession has entered the Auditorium.

Overture to the Occasional Oratorio - - - - - - - Handel
Mr. Arthur B. Jennings, Associate Professor of Music
and University Organist

PRESENTATION OF COLORS: As the color guard, made up of University Army ROTC and Air ROTC cadets, and Navy ROTC midshipmen, enters the Auditorium, the audience will rise and remain standing.

THE NATIONAL ANTHEM (First stanza only): The entire audience and Mr. Blake Stern, Instructor in Music, soloist.

INVOCATION: The Reverend William Larsen, Pastor and Director, Lutheran Students Association, Minneapolis Campus.

PRESIDING: Dr. E. G. Williamson, Dean of Students.

ADDRESS: "A Saga of the Summer Session," Prof. Thomas A. H. Teeter, Dean of the Summer Session.

PRESENTATION OF HONOR STUDENTS: Dr. James Lewis Morrill, President of the University, assisted by Dr. E. W. Ziebarth, Professor and Chairman of the Department of Speech and Theater Arts.

"HAIL! MINNESOTA," the University's Alma Mater song: The audience and Mr. Blake Stern, soloist.

Minnesota, hail to thee!
Hail to thee, our college dear!
Thy light shall ever be
A beacon bright and clear;
Thy sons and daughters true
Will proclaim thee near and far;
They will guard thy fame
And adore thy name;
Thou shalt be their Northern Star.

Like the stream that bends to sea, Like the pine that seeks the blue, Minnesota, still for thee Thy sons are strong and true, From thy woods and waters fair, From thy prairies waving far, At thy call they throng With their shout and song, Hailing thee their Northern Star.

RECESSIONAL: Toccata in G Major - - - - - Dubois
Prof. Arthur B. Jennings, Organist
