USE OF CAMPUS PHONES

Emergency Calls (Accident, Fire, Police, etc.)

Dial "0" and report to University Operator

Outgoing Calls from Duluth Campus

To Duluth Campus numbers—Dial extension number listed in this directory.

To Duluth city numbers—Dial "9" then number listed.

If no dial tone is heard after dialing "9", hang up for a few minutes as that indicates all outgoing equipment is momentarily busy.

Long Distance Calls—Dial "0" and place call with the University Operator.

Note: All long distance calls must be placed through the switchboard for billing purposes. If you must place a long distance call, or send a wire, when switchboard is not in operation, please give your name, explain that the call should be charged to Ra 4-8801, and request that the operator handling the call report charges to the University Operator the following morning.

Successive Calls—In making successive calls, hang up for a few seconds between calls, to clear dial equipment.

Report Telephone Trouble—Dial "0" and place call with University Operator.

To Transfer a Call—Incoming calls handled by your operator may be transferred from one extension to another. To transfer a call, move the receiver hook slowly up and down. When the operator answers, ask her to make the transfer.

Calls which you have dialed or calls which have been dialed from any extension on either campus cannot be transferred. An attempt to do so will cause a cutoff. Party will need to make a new call to desired extension.

Answering Calls—When receiving a call, answer by your name, department, or both. When answering another person's phone, give both his name and yours: "Mr. Jones' Office, Mr. Smith speaking."

Use This Directory—Wrong numbers mean extra calls. When in doubt use your directory or call "Operator" for numbers not listed.
