Treat your little chickadee to a movie every month on the money you'll save with Free Checking.

Yes, with a Free Checking account at Fourth Northwestern National Bank, you will save an average of \$2.50 every 30 days. All you have to do is keep \$100 in your account—a mere pittance for a man of your prestige and position—and you can write all the checks you want. Free. And if you're saving money to

give your little tangerine a more valuable token of your esteem, remember Instant Interest. Put money in anytime, withdraw it anytime, and you won't lose a penny's interest on your savings.

And besides all that, any bank that'll take a kid's money can't be all bad.
