**About the cover:** The University of Minnesota chrysanthemum breeding project began in 1924. Since then, over 80 garden mums have been introduced. In 1992, University scientists Neil Anderson, Peter Ascher, and Esther Gesick discovered a plant that grew to the size of a shrub. My Favorite™ 'Autumn Red' was introduced in 2001, with an unveiling ceremony and planting of the mums on the Northrop Plaza. A single plant can grow to four feet wide and produce a canopy of 5,000 blooms in the fall of its third year. This unique line of mums is available in several colors.

# Phone Information & Instructions

## Campus and Local Calls

Phones allowing free on-campus calls are located throughout the Twin Cities campus. You cannot reach numbers outside the University system from these phones, but pay phones are available in most University buildings.

## Long-Distance Calls

For faculty and staff, the quickest and least expensive methods for placing University business calls from on-campus phones are dialing direct or using a University Personal Authorization Code (UPAC), available from Networking and Telecommunications at 626-2000 or [billing@nts.umn.edu](mailto:billing@nts.umn.edu).

For students, the least expensive method for placing long-distance calls is using a U Card account. For more information, call the U Card office at 626-9900 or visit [www.umn.edu/ucard](http://www.umn.edu/ucard).

Calling cards for placing University business-related calls from off-campus phones are available from Networking and Telecommunications. To order calling cards, contact 626-2000 or [billing@nts.umn.edu](mailto:billing@nts.umn.edu).

Personal long-distance calls must be charged to a home telephone or personal calling card. Charging personal calls to a University telephone is a violation of University policy and constitutes avoidance of state and federal taxes.

## Telephone Assistance

To ask general questions or report problems with telephone (or network) services, call the University of Minnesota Technology Helpline at 301-4357 (301-HELP), available 24 hours a day.

For more information or assistance, visit [www.umn.edu/nts](http://www.umn.edu/nts).

Outdoor telephone kiosks (with blue light on top) are for emergency use only. These phones will connect you directly to the University police, who provide emergency assistance to the Twin Cities campus.

# Department Directory

The department directory contains listings for all colleges and administrative departments and the units, programs, and centers that report to them. The Twin Cities campus listings are first, followed by departmental listings for the Duluth, Morris, and Crookston campuses. This information is also on the Web at [www.umn.edu/twincities/directory.html](http://www.umn.edu/twincities/directory.html).

Due to space limitations, department listings are limited to functions and services directory users are most likely to need. Therefore, you will not find every staff person listed in this section. For individuals who are not listed, please see the alphabetical staff and faculty listing in the center section.

Abbreviations and addresses listed in this section are for campus mail use only. Refer to pages 14, 15, and 16 for an index of building abbreviations, full names of buildings, and US mail addresses. The building list is also keyed for building accessibility information.
