DX-7100
2.4GHz 5-button BlueEye Mouse

Genius
Live with Ideas ®

The DX-7100 BlueEye mouse from Genius is a 5-button mouse that is convenient to use and has superb surface recgnition and cursor accuracy. DX-7100 is the latest marvel from the Genius BlueEye Family.

DX-7100 uses the most advanced 2.4GHz auto frequency-hopping technology to reduce interference. The Pico receiver is small enough to leave in your notebook or PC and the Stick-N-Go mount keeps your mouse in safe condition when you're moving around the office. It also features two extra buttons for programmable functions and the smart power saving technology can extend battery life up to six months

With a stunning finish, DX-7100 assures you will never let go of it when seeing it the first time. Available in six colors Red, Black, Pink, Magenta, Green and Blue. For more information, you can contact your sales representatives.
