DX-7010 Tattoo
Wireless BlueEye Mouse

Genius introduces the new wireless BlueEye mouse – DX-7010 Tattoo. A perfect companion for your on-the-go, creative lifestyle, this compact mouse is ideal for those looking for a mouse to express their own individual style within a budget.

Work or play wherever you want with the DX-7010 Tattoo using BlueEye for precise cursor control on virtually any surface, even your living room carpet. The thumb rubber design is comfortable to grip. The Pico receiver is small enough to leave in your notebook or PC and the Stick-N-Go mount keeps your mouse secure when you're moving around the office. To save on battery purchases, DX-7010 is designed with only one AA battery and a power switch is added to extend the battery life. The DX-7010 gives you the freedom to be unique at a price you can afford.
