

Continuation Sheet No. 1

Policy Code:

Policy Name: Recycling by the School District

Policy Code: DO

Date Adopted: 5/12/93

It shall be the policy of the Board of Education that beginning December 31, 1991, the School District shall:

- 1. Establish a source separation and recycling generated as a result of agency operations;**
- 2. Adopt procedures for collection and storage program of recyclables;**
- 3. Make contractual or other arrangements for transportation and sale of recyclables; and**
- 4. The School District may arrange for composting of yard waste on property owned or controlled by the School District.**
