"See 'Ya Later Crusaders" Homecoming 1997

Homecoming week is a traditionally held event to promote school spirit. This year the pride in our school was phenomenal. The spirit started on Monday and continued on until Friday with the parade and football game.

The Student Council planned the week's dress-up days and activities. Monday was Nerd/Clash day and the annual Kick-Off Continental Breakfast. The following dress-up days were 80's day, Class Color day, Famous Person day, and Maroon and White day.

This year's slogan "See 'Ya Later Crusaders" was once again designed by Lance Olson. The Student Council tried a new idea by selling tattoos, which only added to the spirit of the week. Numerous businesses decorated in the annual

Business Decorating Contest, which was won by Video's 2 Go.

Coronation was held on Tuesday to make time for decorating the gym. All grades participated in the skit contest, which was won by the seniors. Seniors, including the king candidates, participated in their skit entitled "Men In Black." The honored class was the Class of 1972. The roll call was read by the emcees, Linda Bentz and Kari Rain. Jaron Aune was crowned as Homecoming King and Nicole Lueck was crowned as the 1997 Homecoming Queen.

Wednesday was the annual floor hockey game between the junior and senior girls. As anticipated the seniors won - on a shootout. Thursday night the volleyball team played at Sibley East.

Royalty and many students came to cheer the team. This was the best fan support the team had all year, and this enthusiasm carried on into Friday. Unlike other years, this year's parade was sunny and warm. The cheerleaders and royalty got the crowd involved with cheers at the community pepfest. The football team played a hard game, despite losing 7-6. The fans showed a tremendous amount of school spirit. The Grand March was held in the new gym, which was followed by the Homecoming dance. Although Homecoming was here and gone in only one week, students should be proud of the spirit they have in their school.

OVER THE RAINBOW

The 1998 Post Prom theme was "Over the Rainbow." Post Prom festivities started in the auditorium with a hypnotist. Hypnotized students were involved in many activities ranging from riding an airplane to campaigning for president. The students then moved into the old gym for Post Prom. They were given two envelopes, one with fake money, for the games, and one with real money. The students played games and spent their

money on chances at prizes. All Post Prom participants received at least one prize. The Grand Prize winners were as follows: \$500 - Jenny Dettmann, TV/VCR - Phil Pijahn, TV - Matthias Gruber, Sony Playstation - Mark Eischens, Stereo - Jeff Schrupp. The students would like to thank all of the parents who volunteered their time into making the 1998 Post Prom a success!

Hall of Fame

During our years at Central we have created many unforgettable memories. The times we've shared with our classmates and friends will live on forever in our minds. Over the past years we have set many goals for our future. We must continue to pursue our goals and reach for the sky, because "The Sky's the Limit." The following class officers were chosen

by the Senior class: Molly Harms, President; Jaron Aune, Vice-President; Nicole Lueck, Secretary/Treasurer; Becky Simons and Lance Olson, Student Council Representatives. Nicole Lueck and Jaron Aune were crowned Homecoming King and Queen.

Our final year at Central has been filled with both happiness and sadness. Many

of us will be continuing our education at either a four-year college or a technical school. Some of us will enter the work force after high school. The year's seniors will always remember their friendships and memories, because we are the Class of 1998. Remember to always set your goals high because, "The Sky's the Limit."

Choose your career wisely, making sure it's something you enjoy and is one in which you can feel good about yourself.

Let go of other people's opinions and learn to please yourself.

Ask "what's right?" instead of "what's wrong?"

Someone will always be there for you.

Smile a little more.

Only trust yourself.

Follow your heart when it disagrees with your head.

One of the Senior privileges is sitting in the commons during study hall.

This class takes a break from their strenuous studies for a quick picture.

N ever settle for second best.

N 7 instead of trying to figure out what others want you to be like, figure out what you want to be like.

N ot everything goes the way you think it should.

E very day brings something new.

T ell the truth to yourself and to others.

Y ou can do anything you set your mind to.

E xpect the best that life has to offer.

N 7 instead of blaming others take responsibility for the condition of your life.

Q uolden rule - Do unto others as you would want them to do to you.

H old your head high instead of looking at the ground.

T hrow a party instead of a fit.

The Seniors were asked about what their plans are after high school. Here are some replies:

"I want to be happy and content. That's all." Stephanie Wieman

Hey! Hey You! Get Out Of Our Way!

The 1997 Girl's Cross Country Team had an outrageously, awesome year. With a lot of effort and work, they managed to be Minnesota River Conference Champs. Way to go girls! They placed 3rd at their section meet and sent two girls from the team to state. Mary Coyle and Erin Foss were very excited to represent their team because they were the first CHS girls to ever run at State. With excellent coaching from Mr. Foss and Mrs. Ide the girls cross country team succeeded beyond their goals.

Erin Foss and Nicole Feltmann were the 1997 Girls Cross Country Teams Captains. Erin Foss was named the Conference Most Valuable Runner, she was named All Conference along with Mary Coyle and Shannon Fahey. Lori Feltmann was named All Conference Honorable Mention. Awesome Year Girls!

Headed to State: Mary Coyle and Erin Foss.

Full Speed Ahead!!!

The Boy's Cross Country Team had a good season. Just like last season Noah Radde, who is now a junior, led the team. But, he had a strong cast consisting of Chris Fahey, who was the team's second runner all year, and Chris Clark, who was the team's third runner all season. This year's captains were juniors Noah Radde and Chris Fahey. The team got their first team trophy in a while, when they finished runner-up to Rockford, at the Waconia meet. The team consisted of two foreign exchange students, Matthias Gruber from Germany and Tor Reinaas

from Norway. Noah made it to the State Meet for the second year in a row and finished 67 places higher than a year ago, going from 94th place to 27th place, just two places away from making All-State. Noah was the Raiders lone All-Conference runner, while Chris Fahey was All-Conference Honorable Mention. This years awards went to: Cory Gindorff, Rookie of the Year; Chris Clark, Most Improved Runner; Chris Fahey, Most Dedicated Runner; and Noah Radde, Team MVP.

This year's Volleyball team started out the year with a new look, new uniforms. The players worked hard to fundraise money to buy the silver and maroon uniforms. During the season they experienced many ups and downs. They found themselves playing their best against good teams and struggling with the bad teams. Their overall record was 10 wins, 12 losses and 1 tie. Once again, the girls beat Jordan in 4 convincing games in the Sub-Section quarterfinals. They then, however, lost to Mayer in 4 games in the Semifinals. They placed 5th in the conference. This year's captains were seniors Molly Harms, Jaclyn Worm, and junior Rachel Gramith.

Raider Girl's Basketball

This year's girl's basketball season was filled with many highlights. After a two year absence, Mr. Lembcke returned as the head coach. Sara Ebert once again took control of the B-Squad, while newcomers Eric Aune and Lee Hasse led the 9th grade team. A few of this year's highlights was a win over the rated Detroit

Lakes team in the Holiday Tournament, and a 6-1 record the second time through the conference with upsets over Sibley East and LeSueur. The awards for the season were All-Conference, Jaclyn Worm; and All-Conference Honorable Mention, Alesia Gruenhagen.

Student Council

This year the CHS Student Council had 17 members, and a new advisor, Mrs. Berndt. The Student Council helped plan the school's activities, and became more efficient. Their big project for fall was Homecoming, where they made numerous changes. They incorporated more school spirit into the week. New to Homecoming this year was tattoos, which they sold along with buttons and

dance tickets. This year was the first year they sponsored Pennies for Patients, which benefits Minnesota's leukemia patients. In February, they held their annual Valentine's Day Sales. They sold red roses, carnations, balloons, and lollipops. Their sales were extremely successful. In March, they held their fifth annual Bloodmobile. Their goal was 50 donors, which they exceeded collecting 63. There

were also 39 first time donors. Again, they also served as ushers for the Home and Business Show. The Student Council continued to publish their newsletter entitled "Raider News."

The Student Council elected the following officers for 1997-1998: Molly Harms, President; Nicole Feltmann, Vice President; Cassie Schug, Secretary/Treasurer; and Erin Foss, Historian.

National Honor Society

NHS was involved in many projects again this year. In August they cleaned up after Stiftungsfest. They also sold concessions at the football games and doughnuts before school. In October, they carved pumpkins with the first graders at the Elementary School. On Halloween, NHS members dressed up in costumes and trick-or-treated for items for the food shelf. During Christmas, they held the annual toy drive. All the toys collected went to needy families. Once again, the spring banquet was held. New members were inducted and the new officers were introduced. The NHS Officers for 1997-1998 were: Jaron Aune and Kari Rain; Co-Presidents, Jeremy Rolf; Secretary, Lance Olson; Treasurer, Jenny Dettmann, Brandi Yaeck, and Molly Harms; Historians, and Jaclyn Worm; Public Relations. *By Jeremy Rolf*

The 1998 "Centralian" Staff had an excellent year. The theme was "The Sky's The Limit." The colors were black, silver, and purple. The dedicated Co-Editors, Stacy Donnay and Molly Harms, took the responsibility to design all the pages, with the help of some staff members: Megan Dammann, Megan Coyle, Crystal Ashley, Heather Harms, Angie Klein, Jeremy Rolf, Julie Pieper, Tami Rolf, Rebecca Kuenzel, Heidi Werner, and Amy Cousins. PEERS

The PEERS organization, advised by Nancy Swiggum, kept busy this year with many activities. During Chemical Health Week the PEERS held a ghost-out day. Many students participated by painting their faces white, symbolizing their death. When students pledged not to drink and drive they received a key chain reminding them of their promise. They also talked to the seventh graders about peer-pressure and went bowling with them. The PEERS are a very involved group in our school.

Dogpatch!

This year's musical was *Li'l Abner*, directed, again, by Mr. Jim Spille and Mr. Tom Erdmann. It was an interesting change in pace from last year's "Sound Of Music." However, *Li'l Abner* was exciting to watch and perform in. It starred Heidi Bergstrom as Daisy Mae and Jason Hokkanen as *Li'l Abner*. Roughly, 40 students participated and made the scenes of *Dogpatch, USA* come alive!

Knowledge Bowl

Knowledge Bowl was a learning experience for all of the students involved. This year they were under new coaching. Mr. Willhite graciously took over. Knowledge Bowl had enough participants for three teams consisting of five people. The teams competed in the written and oral rounds. They attended three meets. They also practiced during many lunch hours. The practicing paid off and they did fairly well at all three meets. Students in grades nine through twelve participated.

Juniors: Anticipating The End

Emmy Coder, wishes she would be out on the court playing instead of being a fan!

We the Juniors are faced with many decisions. What should I do after I graduate? Where should I go to college? And the question of, who should I take to Prom? Within the next year we will have answered these questions and many more. We are the last class of this millenium, which means that we are different from every class before and after us. We are a unique class! This year we elected Crystal Ashley as our Class President; Tim Schepers, Vice President; Nicole Feltmann, Secretary/Treasurer; Chris Swiggum and Josh Kroells, Student Council Representatives. We also chose Krista Herrmann and Tim Tracy as our Homecoming Attendants.

Freshmen: Experiencing Change

As we started our Freshmen year in the High School some of us were nervous, while others were excited. As students from other schools joined our class, we formed new friendships and tried different activities that were offered to us. Most of us became involved in sports, academics, and extra curricular activities. We made it through our struggles in our first year of high school.

We chose Bob Simons and Ashley Fritz as our Freshmen Homecoming Attendants. We also chose Teryn Hasse as our Class President, Erin Foss as our Vice President, and Katie Opdahl as the Secretary-Treasurer.

CHS Staff

New Staff: Mr. Meyer

This year Central added several new staff members. Among the newcomers was Mr. Eric Meyer. He attended St. Olaf College in Northfield. Before coming to CHS, Mr. Meyer taught at Waterville-Elysian-Morristown High School. "I was unhappy at my old job and this position was something that seemed to fit well." Among many other responsibilities at CHS, Mr. Meyer was willing to tackle the position of Head Speech Coach. "I enjoyed my first time coaching last year and I think it will be really great competing against my old school!" Although Mr. Meyer was nervous, his first day teaching at CHS went well. "It was difficult putting all the new names of students and staff together." When not teaching at CHS you could find Mr. Meyer eating french silk pie at his favorite restaurant, Baker's Square.

Dennis Romcy

This year Elaine Barclay was host-parent to two foreign exchange students. Dennis is seventeen-years-old and is from Brazil. He is not used to the school year in America. In Brazil, the school year begins in February and ends in June. Brazilian students get to choose if they want to start school in the morning or afternoon. Dennis is glad that he is learning more English by being in America.

Matthias Gruber

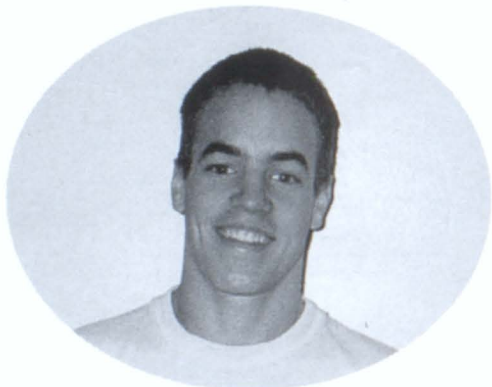

Matthias Gruber is an 18-year-old exchange student from Germany. He is staying with the Ellings of Norwood-Young America. Matthias likes many things about America. He is especially glad that he received the opportunity to come to America. He is thankful for finding such nice friends at Central. While in the U.S., Matthias has visited Duluth, Colorado, Washington D.C., and California.

Tor Reinaas

Tor Reinaas resides in Norwood-Young America with Marilyn and Stephen Udell. He is 18-years-old and from Levanger, Norway. While attending CHS he participated in Knowledge Bowl, Cross Country, Wrestling, and NHS. When asked how school in his country differs from the USA he responded, "School in Norway gives you a lot more freedom. You are responsible for your own learning." While in the USA Tor visited Colorado and California.

Foreign Exchange Students

Vincent Loos

Vincent Loos is a 17-year-old exchange student from Aachen, Germany. He is also staying with Elaine Barclay of Norwood-Young America. Vincent participated on Central's football and wrestling teams. He is also an active member of the NHS. Vincent finds school in America easier than in Germany. Vincent enjoys the watching the Timberwolves, Twins, and Vikings.

Antoine Jasnault

Antoine Jasnault is 16-year-old exchange student from France. He is staying with Debra Anderson of Norwood-Young America. His school days differ from the USA. "In my country we have school from 8a.m. to 6p.m." Antoine enjoys everything about America. "The people, the way of life, and the food. I like the big cities, like Chicago and New York. Also, I love the snow in Minnesota."

Two hundred copies of the 1998 Centralian were printed by Taylor Publishing in Dallas, Texas.

The cover is purple with silver foil. There are 104 pages in the yearbook.

All of the body copy was done in Malibu 10/12 and the headlines were Reporter 36.

The book sold for \$40.00 per copy. The staff covered extra costs by selling \$5,730.00 in business advertisements and \$425.00 in Senior ads.

Thanks to Anne Mueller, our Taylor representative. Also, thanks to Dennis Nelson who provided us with photographs and special incentives throughout the year.

On behalf of the students and parents at CHS, we would like to give a special thanks to the businesses and individuals who supported our book. Without your contributions we would be lost. Thanks again for your generosity.
