## Falmouth Clipper

Oh a Falmouth ship came down that river,  
*Blow boys blow*

Oh a Falmouth ship came down that river,  
*Blow my bully boys blow*

And how do you know she's a Falmouth clipper,  
*Blow boys blow*

Her masts and yards they shine like silver,  
*Blow me bully boys blow*

This Falmouth ship she's bound for China  
Hurrah me lads let's go and join her  
This Falmouth ship she's bound for China  
Hurrah me lads let's go and join her

And who d'ya think the Captain's of her  
It's ol' Jack Sparrow that dancin' sailor  
And who d'ya think the Captain's of her  
It's ol' Jack Sparrow that dancin' sailor

And what d'ya think the cargo's of her  
She's loaded all the way with silver  
And what d'ya think the cargo's of her  
She's loaded all the way with silver

Oh a Falmouth ship came down that river,  
Oh a Falmouth ship came down that river,  
And how do you know she's a Falmouth clipper,  
Her masts and yards they shine like silver,
