- Stevens has a pair of double-doubles on the year and already reset one of his own records when he posted 14 assists against Wright State. He is averaging 17.0 points, 8.0 assists, 2.2 rebounds and 1.6 steals per game while shooting 59.6% from the field and 50.0% behind the arc.

- Newcomer Joel Scott extended his streak to 52 straight games reaching double figures scoring with his 12 points against Boston College. He packed the stat sheet adding in a team-high seven rebounds, three assists and two steals. He is second on the team averaging 16.2 points per game.

- Josiah Strong is starting to find his form after missing over a year of basketball scoring 15 points on 6-of-7 shooting including a pair of 3s in the win over Boston College.

2023-24 COLORADO STATE MEN'S BASKETBALL GAME NOTES

Niko Medved

Head Coach (176-151 overall, 97-64 at CSU)

11th Season Overall, Sixth at CSU

Niko Medved became the 10th coach in Colorado State men's basketball history in March of 2018. Returning to Fort Collins after he was an assistant coach from 2007-13.

In his five years in charge of the Rams, he has compiled a 92-64 record including a trip to the NCAA Tournament in 2022 and advancing to the NIT semifinals in 2021. The NCAA Tournament appearance in 2022 was the program's first in nine seasons. Over his first four years in Fort Collins, he saw his team's wins improve year over year.

Medved has a great record of developing talent having coached 16 all-conference selections, three conference players of the year and four NABC and USBWA all-district selections over his nine-year head coaching career. This long list of players includes 2021 All-America selection, David Roddy. Roddy earned Colorado State's first All-America honors since Gian Clavell in 2017 and was just the fifth player in CSU history to be an All-American. He went on to be Medved's first NBA Draft pick, being selected by the Memphis Grizzlies with the 23rd overall pick in 2022.

The 2021-22 season was a special one for Colorado State going 25-6 and making the NCAA Tournament. Medved earned USBWA District Coach of the Year honors. David Roddy was the Mountain West Player of the Year along with a finalist for the Karl Malone Power Forward of the Year, Lute Olson National Player of the Year and John Wooden Award. Meanwhile, Isaiah Stevens was a finalist for the Bob Cousy Point Guard of the Year.

Medved helped the Rams improve from 11 to 12 wins in his first season at the helm of the Green and Gold but took it to another level posting three straight 20-win seasons.

He made his head coaching debut at Furman, leading the Paladins from 2013-16. He had an overall record of 62-70 at Furman, taking them to the CIT in 2016 and 2017 and earning the Southern Conference Coach of the Years honor in 2017. He twice coached the SoCon Player of the Year.

Before returning to Colorado State, Medved spent one year at Drake for the 2016-17 season. He saw instant success with the Bulldogs going 17-17 and leading them to their first postseason tournament in six years competing in the CIT.

Medved started his coaching career at the University of Minnesota as a student manager and assistant before taking his first full-time job at Macalester College. He became an assistant coach at Furman, Minnesota and CSU before becoming a head coach. During his stint as an assistant coach with Colorado State, Medved was on staff for teams that went to five straight postseason tournaments, including back-to-back NCAA Tournaments in his final two seasons.

He earned his bachelor's degree and master's degree from Minnesota in kinesiology and sport management, respectively.

Medved and his wife Erica have two daughters, Aly and Taylor.

Last Time Out

Colorado State used a surgical performance to defeat Boston College 86-74 Wednesday afternoon.

The Rams saw all five starters finish in double figures scoring led by Isaiah Stevens 18 points and eight assists.

CSU shot 55.6% from the field while forcing Boston College into 16 turnovers, 11 of them via a steal.

Scouting the Blue Jays

Creighton can fill the basket, fast and in a lot of ways. Head coach Greg McDermott's team loves to play fast and let the three fly as they are averaging 91.2 points this season.

Three Blue Jays are averaging over 15 points per game led by Baylor Scheirman and his 19.2 points. Scheirman is shooting an impressive 42.5% from the 3-point range. Joining him with 15-plus points are Trey Alexander (18.4) and Ryan Kalkbrenner (16.0).

Kalkbrenner is a menace on the defensive end as well controlling the paint with his 7'1" frame.

History against Creighton

Colorado State and Creighton have some recent history against each other matching up two years ago in the US Virgin Islands Paradise Jam. CSU won that game 95-81 thanks to a 36 point performance from David Roddy. Isaiah Stevens had a 17 points, 11 assists performance in the game as well.

Prior to that match up, CSU and Creighton had not met since 2000. The Blue Jays hold a 3-2 advantage overall.

Rams Against the Big East

Colorado State is 3-4 overall against the Big East, having played against Creighton, Xavier and Villanova.

Zay Time

Isaiah Stevens enters his final year at Colorado State already with an accomplished career.

Stevens became the first player in Mountain West history to earn a spot on the All-Conference team all four seasons, earning first team honors last year. This year he was named the conference's Preseason Player of the Year.

His name is also on the Bob Cousy Preseason Watch List and Wooden Award Top 50 List.

He wasted no time showing why he is garnering so much national attention recording the 13th double-double of his career in the season opener with 15 points and 10 assists. It was the 12th points-assists double-double of his career.

Stevens made it 14 double-double four nights later with a 22 points, 14 assists performance against Wright State. The 14 assists reset his own single-game program record. His final stat line of 22 points, 14 assists and 90.0% shooting was only the second instance of such a game since 2011 matching Jalen Brunson of Villanova from 2015.

The Rams' point guard is in the top 5 nationally averaging 8.0 assists per game.

During his 14 assist performance against Wright State he became the Mountain West's all-time leader in assists.

He made it back-to-back 20-point games when he scored a smooth 24 at Northern Colorado, making four of his five 3-point attempts.

Cartier by Patrick

Patrick Cartier made a big impact for Colorado State as a transfer. The big man originally came off the bench to start the year, but worked his way into the starting line up by conference season.

Cartier averaged 12.3 points and 4.7 rebounds for CSU in 2022-23. He was one of the most efficient scorers in the country shooting 64.7% from the field including making 44.1% of his threes stretching defenses out that didn't respect his shooting. The 64.7% mark was the sixth-best mark in program history.

2023-24 COLORADO STATE MEN'S BASKETBALL GAME NOTES

He opened with 2023-24 season with back-to-back double figure scoring games putting up 14 against Louisiana Tech and 17 against Wright State.

Cartier has scored double figure points in four of the first five games this year. He is averaging 12.6 ppg on 53.3% shooting.

The Wisconsin native surpassed the 2,000 career points mark near the end of the season, he now sits at 2,092 points.

Prior to CSU, Cartier was a two-time consensus All-American at Division II Hillsdale (MI) College.

Great Scott!

Joel Scott has wasted no time introducing himself to Colorado State fans with scoring double figures in his first three games.

He led CSU with 18 points and two blocks to go with his four rebounds in the season opening win over Louisiana Tech. Scott followed it up with 17 points on 70.0% shooting and nine rebounds against Wright State.

His first 20-point game with the Rams came in his third game when he dropped 20 on Northern Colorado.

He filled up the stat sheet in a win over Boston College with 12 points, seven rebounds, three assists and two steals.

Clifford scored a career-high 19 points against Wright State, finishing a rebound shy of a double-double.

He followed up the career-best scoring game, with a career-high in rebounds grabbing 14 at Northern Colorado. He picked up his second career double-double in the game adding in 11 points.

Headband Joe

The man, the myth, the legend of Headband Joe continues to grow for CSU. A fan favorite, Joe Palmer is averaging 6.8 points and 4.4 rebounds in 17.0 minutes off the bench.

While the numbers may not pop off the page its his ability to help spark the Rams that plays a key

factor. Over the first five games he +45 when on the floor.

Palmer led the team with five rebounds in the season-opener against Louisiana Tech and then scored 10 points against Wright State.

Experience Elevated

Colorado State is a very veteran team entering the 2023-24 season. The Rams have five super seniors on their roster thanks to the COVID-19 waiver.

The transfer portal helped CSU with experience as well with the additions of Joel Scott, Javonte Johnson and Nique Clifford. The trio has come to CSU having combined to play 284 college basketball games, starting in 228 of them.

The Rams have seven players on their roster with more than 80 games played in their career.

Talent Evaluators

Head coach Niko Medved and his staff have shown the ability to find talent anywhere.

For the third straight season CSU welcomes a Division II All-American to their roster. Joel Scott, the 2023 Division II Player of the Year and two-time All-American, joins current Ram, Patrick Cartier and former Ram, Chandler Jacobs coming to Fort Collins from the DII ranks.

The Injury Bug

The injury bug found Colorado State and latched on like a leach in 2022-23. CSU had a total of 61 games missed by rotation players last season.

In the previous four seasons that Coach Niko Medved has been at CSU he had a total of 34 games missed.

Non-Conference Warriors

Colorado State has become non-conference warriors over the past five seasons. CSU is 35-10 in the regular season non-conference games.

Its 15-game win streak was snapped with the loss at College of Charleston last season.

Cardiac Rams

Colorado State has a knack for the comeback under head coach Niko Medved.

The three biggest comeback wins in program history have come in the past six years under Medved.

In 2021-22 CSU had four comebacks of 10-plus points including erasing a 20-point deficit in the USVI Paradise Jam Championship game against Northeastern.

CSU's rally from 26 points down at No. 23 San Diego State on Jan. 2, 2021 made history as the largest comeback in both school and Mountain West history. The win was the largest comeback win in Division I men's basketball that season and one of just five road comebacks of 26 points or more between two DI opponents in the past 10 years.

The previous largest comeback occurred just the year before against Wyoming when the Rams rallied from down 19 in Laramie.

For the second straight year, CSU came back from double figures in there season opener. The Rams over came an 11-point second half deficit to defeat Louisiana Tech 81-73.

The Rams once again trailed by double figures against Wright State early on, but came back from down 11 to win by 28.

Sixth Man Lake

Jalen Lake will put his name out there for one of the best sixth men in the nation brining plenty of experience off the bench this season.

With a veteran laden team, Lake's stat sheet stuffing ability from last year will help the Rams averaging 7.4 points, 2.6 rebounds and 2.5 assists in 2022-23.

Strong Return

Josiah Strong returns to Colorado State this year after playing just seven games in 2022-23 due to an illness. He will bring his strong defense and sharp shooting to the floor.

After almost a year and a half off he finally started to find his stroke against Kansas City scoring 10 points including making a pair of threes.

Strong is averaging 7.8 points, 2.2 rebounds and 2.0 assists while consistently getting the first crack at defending the opponents best guard.

Medved Moving Up The CSU Charts

Niko Medved continues to work his way up the charts at CSU. He is three wins away from becoming the fifth coach in program history to win 100 games in Fort Collins. He is also in the top four for win percentage.

Moby Arena Home Court Advantage

CSU has a record of 597-248 (.706) all-time at Moby Arena, including 48-13 (.783) the last five years.

2019-20's 12-4 mark had to do with some significant difference in major categories in favor of the Rams, with similarities returning in a 10-1 mark in 2020-21, tying for the fifth-best single-season win percentage in Moby.

2021-22's 14-1 record at home follows a similar trend, as CSU tied for the second best home win percentage.

Colorado State had a 13-game home win streak that extended from the 2020-21 season to the 2021-22. It tied for the fourth-longest in arena history and sixth-longest in program history.

Valuing the Ball

Colorado State did a good job taking care of the basketball in 2022-23. CSU ranked 55th in the nation in turnovers per game at a rate of 11.2 and 14th in assist-to-turnover ratio at 1.48.

Isaiah Stevens was impressive averaging 6.7 assists and an assist-to-turnover ratio of 3.07. Those numbers ranked fourth and sixth in the country.

CSU is back to that formula once again this year with a 2.32 assist-to-turnover ratio ranking fourth in the nation and 48th turning the ball over just 10.0 times a game.

Find the Best Shot

A key to CSU's success in 2022-23 was not forcing bad shots. The Rams shot 48.8% from the field. That led the Mountain West and was ninth in the nation. Colorado State was second in the conference in effective field goal percentage at 55.8%, that put them 11th in the nation.

CSU has continued that trend to start the 2023-24 season. The Rams are shooting 54.5% from the field to rank 16th in the nation and second the Mountain West. Their effective field goal percentage of 62.4% is 17th in the nation and second to Wyoming in the conference.

Sharing is Caring

Ball movement and sharing the ball are key components of Niko Medved's offense. The Rams are averaged 16.5 assists per game in 2022-23. That ranked second in the Mountain West and 12th nationally.

Good ball movement and taking care of the ball also helped the Rams turn in the 14th best assist-to-turnover ratio in the nation at 1.48.

The Rams put this idea on display in the second game of the season when they recorded 37 assists on 42 makes.

The 37 assists set a program record and are the most assists in a game featuring two Division I teams since 2019. It is tied for the 18th most assists ever in an NCAA game.

Colorado State is averaging 23.2 assists per game to rank third in the nation and have an assist-to-turnover ratio of 2.32.

What's Ahead

Colorado State returns home to host rival Colorado on Wednesday, November 29. The Rams and Buffs tip off at 7 pm as part of a Stripe Out at Moby Arena on CBS Sports Network.
