

Accessories for Cisco Video Surveillance IP Cameras

A wide variety of mounting options are available for Cisco® Video Surveillance IP Cameras. Mounting accessories include those suitable for installations on indoor drop ceilings or weather-resistant, outdoor mountings. Additionally, both clear and smoked dome options are available for use in low-light settings or when the lens position needs to be obfuscated. Cisco also offers several lens options depending on the field of view required.

Cisco Video Surveillance 2600 Series IP Cameras

Table 1 lists the lens options available for the Cisco Video Surveillance 2600 Series IP Cameras

Table 1. Lens Options for Cisco Video Surveillance 2600 Series IP Cameras
