

# GuideSheet EH&S Services

The Office of Environmental Health and Safety (EH&S) promotes a safe and healthy workplace for students, employees, and the surrounding community through the following programs and services:

## OCCUPATIONAL HEALTH

### Injury & Illness Prevention

[injuryprevention@usc.edu](mailto:injuryprevention@usc.edu)

- Accident investigations
- 24/7 Serious injury reporting
- Report a safety concern
- Heat Stress Prevention Program
- Regulatory compliance
- OSHA safety training
- Job safety analysis

### Ergonomics

[ergonomics@admin.usc.edu](mailto:ergonomics@admin.usc.edu)

- On-line self evaluation
- One-on-one evaluation

### Industrial Hygiene

[injuryprevention@usc.edu](mailto:injuryprevention@usc.edu)

- Indoor air quality sampling
- Respirator fit testing/training
- Exposure assessment
- Regulatory compliance
- Asbestos/lead monitoring

### Shop Safety

[injuryprevention@usc.edu](mailto:injuryprevention@usc.edu)

- Shop inspections
- Fall protection
- Confined space entry
- Lock out/tag out
- Regulatory compliance
- PPE assessments

## TRAINING/OUTREACH

[EHS@usc.edu](mailto:EHS@usc.edu)

- Fact Sheets
- Trojan Learn
- In-person training sessions

## RESEARCH SAFETY

### Laboratory Safety

[labsafety@usc.edu](mailto:labsafety@usc.edu)

- EH&S Assistant - PI portal; chemical/bio agents/RAM inventory; training records
- Lab hazard analysis tool (LHAT)
- Controlled substances program
- Annual/biannual laboratory inspections
- Consultation services
- Chemical hygiene
- Regulatory compliance
- SOP review
- PPE compliance

### Biological Safety

[biosafety@usc.edu](mailto:biosafety@usc.edu)

- Annual lab inspections
- BSL3 stewardship
- Consultation services
- Regulatory compliance
- Biological use authorization (BUA)
- Institutional Biosafety Committee (IBC)

### Radiation Safety

[radsafety@usc.edu](mailto:radsafety@usc.edu)

- Annual/biannual laboratory inspections
- Permit approval
- Rad surveys
- Consultation services
- Regulatory compliance
- Laser safety program

## HAZMAT MANAGEMENT

### Hazardous Waste

[hazmat@usc.edu](mailto:hazmat@usc.edu)

- Rad, chem, bio, and universal waste collections
- Lab clean-outs/decommissioning
- Fume hood decontamination
- Equipment decontamination
- Hazardous materials spill response
- Sustainability: Reduce Reuse Recycle

### Environmental Compliance

[hazmat@usc.edu](mailto:hazmat@usc.edu)

- CUPA permits - hazardous materials disclosure
- DTSC Biennial Hazardous Materials Disposal Disclosure
- AQMD - underground fuel tank permits
- Facility permitting/auditing
- Hazardous waste transportation permits

## SUSTAINABILITY

[sustainability@usc.edu](mailto:sustainability@usc.edu)

- Green office/labs
- Tailgate waste diversion
- Zero waste
- Resource conservation
- Water conservation
- Renewable energy
- Urban garden
- Greenhouse gas inventory

**EH&S maintains 24/7 On-Call status for DPS emergency notifications**
