### List Counts:

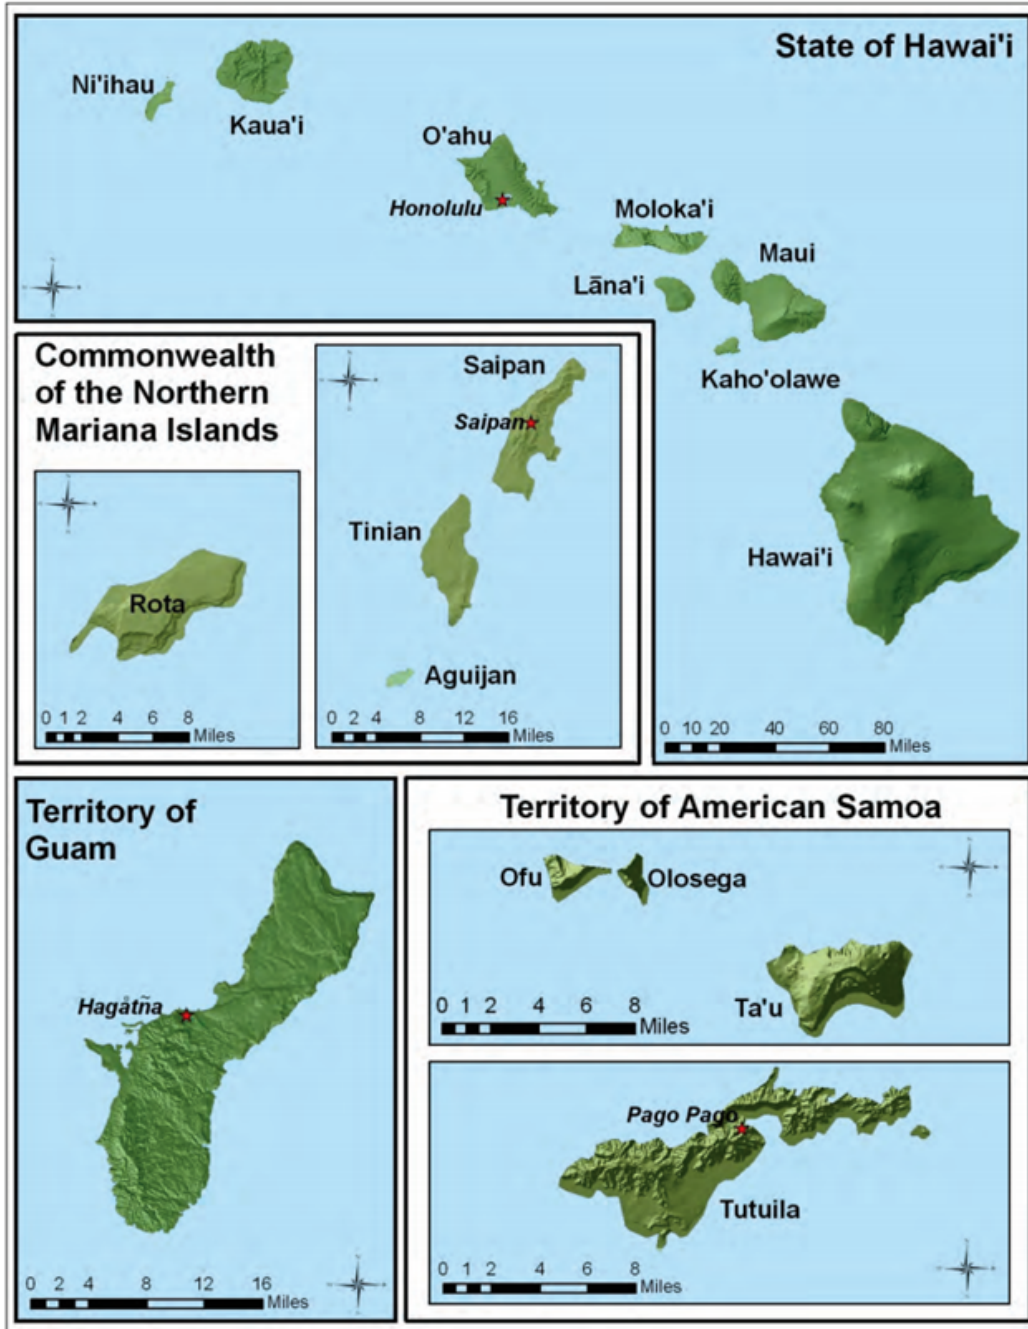

Wetland	HI	Total
UPL	144	144
FACU	596	596
FAC	380	380
FACW	151	151
OBL	111	111
Rating	1382	1382

### User Notes:

- 1) Plant species not listed are considered UPL for wetland delineation purposes.
- 2) A few UPL species are listed because they are rated FACU or wetter in at least one Corps Region.
- 3) Some state boundaries lie within two or more Corps Regions. If a species occurs in one region but not the other, its rating will be shown in one column and the other column will be BLANK.

Approved for public release; distribution is unlimited.
