WOOL OF THE ANDES

For the sweater you'll wear a thousand times or the blanket you'll use every night, our classic wool yarn is spun and plied carefully to achieve a balanced twist. Spun from Peruvian wool, the strong fiber has an excellent balance of structure, loft, and drape that serves a wide variety of uses. Wonderfully warm for all weather, this all-purpose yarn has excellent stitch definition and heirloom durability. It is ideal for cabled sweaters, textured stitch afghans, and everyday accessories. While careful hand washing will keep your stitches crisp and sweaters long-lived, Wool of the Andes also felts beautifully with warm water and agitation, creating a fabric even more warm and durable than knitting alone.

Sport, Worsted & Bulky

WOOL OF THE ANDES

Wonderfully woolly in 100+ colors, our bestselling Wool of the Andes continues to be a fan favorite since it was introduced in 2010! What makes Peruvian wool so special? Developed by crossing the finest Corriedale and Merino sheep breeds, Peruvian wool is a strong fiber with an excellent softness quotient. We love Wool of the Andes for long lasting sweaters and accessories as well as stunning colorwork projects.

Available in three weights | 100% Peruvian Highland Wool.

Sport: \$2.99/50g skein - 137 yds. **Worsted:** \$2.99/50g skein - 110 yds. **Bulky:** \$5.99/100g hank - 137 yds.

Gray Days Gansey 52719D Yarn cost starts at \$29.88.

Wool, one of nature's most versatile fibers, is naturally sourced from mammals such as sheep. Known for its uncanny ability to withstand a great deal of use, wool boasts antibacterial and antimicrobial properties, while remaining breathable, insulating, cooling, and also water resistant. It's no wonder we love wool fibers for both garment and home décor projects!

Sustainability at its finest. We appreciate wool not only for its softness, but for its many eco-friendly qualities as well.

- *Items made with wool typically have longer lifespans than textiles made with other fibers.*
- *Sheep are part of the Earth's natural carbon cycle. They subsist on plants, consuming the organic carbon contained within and converting it to wool.*
- *Wool textile products tend to be washed less frequently and at colder temperatures, resulting in a lower environmental impact.*
- *Best of all: It's 100% biodegradable.*

PERFECT NEEDLES FOR EVERY PROJECT

We're here to help you do what you do best: Create.

Creating the best projects means not only having access to the best materials at the best prices, but the best tools as well. And as knitters just like you, we strive to bring you needles that we're as excited to use as we are to sell.

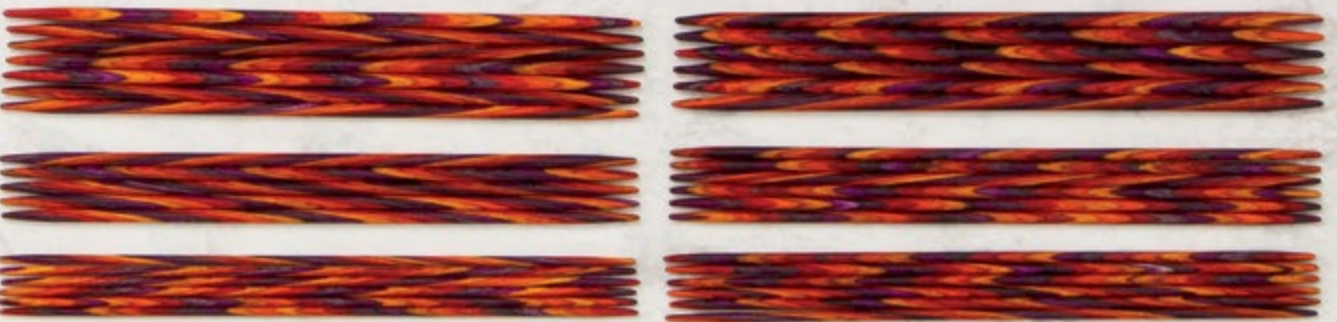

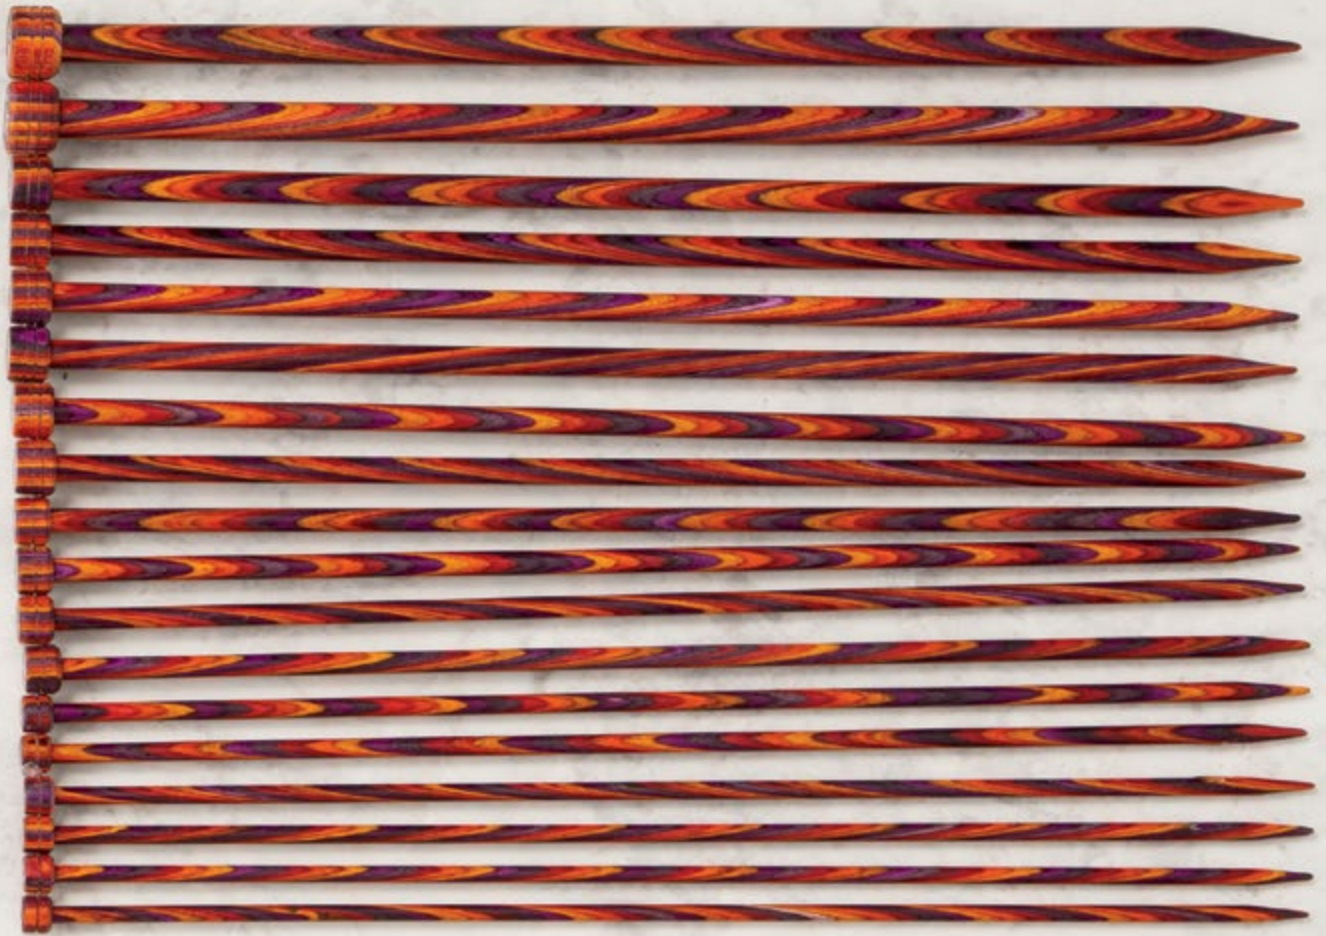

Fixed Circulars These needle tips are permanently connected to cables of a specific length, which is especially useful in smaller gauge projects, like lace and socks. *Individual needles start at \$6.99.*

Short Interchangeables Shorter tips and special length cables designed to make smaller circumference projects—like hats and sleeves—easier to manage. *Short Interchangeable Sets start at \$44.99. Short Individual needles start at \$5.49.*

Interchangeable Circulars The foundation of the modern knitter's toolbox. Detachable needle tips and cables interchange to form a wide range of gauges and lengths on demand. *Sets start at \$55.99. Individual needles start at \$5.99.*

Straight Needles These ARE your grandmother's needles. Elegant and simple, tried and true. For basic flat knitting, sometimes the classic methods are the best. *Sets start at \$56.99. Individual needles start at \$5.49.*

Double Pointed Needles Featuring tapered points at both ends for a classic solution to circular knitting, especially small circumferences like socks. *Sets start at \$24.99. Individual needles start at \$5.99.*

Choose Your NEEDLE STYLE

Whether you love the waves of color in our laminated birch needles or the slick surface of nickel, we have everything you need to knit happy!

With hundreds of variations at your fingertips, you can swiftly create the perfect needle for any project using our Interchangeable Options tips and cables. Buy pieces individually or save when you purchase a full interchangeable set.

Our **nickel-plated needles** have a slick, glass-like surface which allows your stitches to move freely while the hollow brass tube is extremely lightweight for hours of comfortable knitting.

If **laminated birch needles** are more your style, we have 3 vibrant colorways to choose from. The smooth, burnished surface of our wood needles are perfectly balanced with just the right amount of grip, which works wonders for working with slick fibers like mohair, silk, and angora.

For even more grip, our **Foursquare needles** have smooth, flat sides that fit perfectly against your fingers and gently rounded corners that offer a comfortable, secure grip, helping keep your hands limber and your stitches even for hours of comfortable knitting. Any needle you choose, you can count on Knit Picks for smooth joins, perfect points, and flexible cables!

EASY CARE YARNS

Our favorite wool and acrylic yarns wear beautifully and wash easily. Just pop your project in the washing machine for a refresh, and save your time and attention for more knitting!

Superwash yarns are wool fibers that have been treated in a way that makes them less likely to felt in the wash. This usually happens in one of two ways—the wool is treated in a bath that removes the scales of each fiber or the fiber is coated to smooth the scales, which prevents them from clinging together.

A FEW EASY CARE TIPS TO ENSURE YOUR GARMENT LOOKS GOOD WASH AFTER WASH.

- ① USE A GARMENT BAG** *to help reduce the friction and the general wear and tear of spinning around with your laundry, which will help to reduce pilling.*
- ② USE THE GENTLE CYCLE ON YOUR WASHER,** *or simply make sure that your washer is set to cool water. Some washing machines even have a wool or hand knit cycle setting, which is another option when caring for superwash wool garments.*
- ③ AIR DRY FLAT,** *as the heat of a dryer may still cause some felting to happen.*

Mighty Stitch is the best combination of soft wool and hardy acrylic for projects that will look their best even after years of wear. From blankets to pullovers, this all-purpose yarn is a favorite for soft projects at a great price.

HOW WE DO IT!

Our passionate team of knitters works hard to bring you the very best yarns at the lowest prices. To do this, we go directly to the source to develop all of our yarn lines, which means we're able to save you up to 50% compared to most retail yarn. Ethical manufacturing is very important to us, and we work only with trusted mills and manufacturers who meet our high standards.

Knit Picks®

Global Sourcing

By working with trusted partners all over the world, we source fiber-rich areas and manufacturers with expertise in high-volume production. This allows us to get the best yarns and tools into your hands.

Ethical Manufacturing

We work closely with responsible partners and spend several months of travel each year to ensure safe and respectful working conditions that exclude child labor. So while we're proud of our affordability, we'll never cut costs at the expense of ethics.

Oeko Tex Certified Yarns

Our Dishie, Curio, Simply Wool, and Simply Alpaca yarns are Oeko Tex Standard 100 certified! This means that no harmful chemicals or substances are used in the manufacturing of our favorite eco-friendly yarns.

THIS CATALOG IS ONLY THE BEGINNING...

81 yarns, 1,806 colors, and 4,684 patterns are available at KnitPicks.com!

Our customer service team members are real crafters too! Have a question about a yarn, the way it feels, or the undertone of a particular color? Don't be shy! Seriously, we're here to make your fiber journey nothing short of amazing—we love to help crafters do what they do best: *create*.

CRAFTING WITH COTTONS

Our range of cotton yarns offers a perfect yarn for any project in any color palette! Choosing the right cotton ensures that it will stick around season after season.

SHINE is our Modal® superstar. Modal is a lustrous, silky fiber made from beech trees. It is fine and very smooth, and blending it with cotton helps the yarn stay soft and vibrantly colored. Our Shine yarn is cool and drapery with bright cheerful colors, and it is perfect for next-to-skin wear for both children and adults. Available in 30 colors!

Recommended Projects: Garments and accessories for the whole family, home décor, spa/wash cloths, and blankets/afghans.

Sport & Worsted | 60% Pima Cotton, 40% Modal®. \$3.99/50g ball. S: 110 yds, W: 75 yds.

COMFY is made of Pima cotton, and it is extremely soft, durable, and perfect for all sorts of next-to-skin projects. The small amount of acrylic adds a bit of elasticity, which makes it easier to work with in both knitting and crochet. It's perfect for kid's items and warm weather wear since it is a breathable and easy-care yarn. Available in 39 colors!

Recommended Projects: Baby and children's garments and accessories, spa cloths, charity knits, blankets, and pillows.

Fingering & Worsted | 75% Pima Cotton, 25% Acrylic. \$3.99/50g ball. F: 218. yds, W: 109 yds.

DISHIE is our classic, no-nonsense cotton yarn, available in a rainbow of colors. With a tight spin and high absorbency, it's perfect for household and kids items that will be washed a lot, as well as for reusable market bags. It can also be used for easy-care garments and accessories, however it is a heavier, slightly rougher yarn, and a different yarn—like Comfy or Shine—may be a better choice for garments. Available in 29 colors!

Recommended Projects: Dishcloths, towels, rugs, market bags, toys, and bibs.

Worsted | 100% Cotton. \$2.99/100g ball - 190 yds.

COTLIN is the perfect blend of linen with cotton, which gives our lightweight cotton yarn extra strength and softness. Each time your project is washed, it will only get softer, which makes it wonderful for kitchen and bath accessories, as well as for garments for kids and adults. Available in 52 colors!

Recommended Projects: Adult garments and accessories, wash cloths, hand towels, kitchen knits, and toys.

DK | 70% Tanguis Cotton, 30% Linen. \$4.29/50g ball - 123 yds.

BILLOW is a super soft thick-and-thin yarn, made up of 8 plies of Pima Cotton, creating a texture that is both rustic and modern. Since it's a bulky weight yarn, your projects will work up quickly and will be perfect for those with sensitive skin. Hand washing is recommended for Billow projects, due to the delicate nature of the yarn. Available in 18 colors!

Recommended Projects: Cowls, wraps, afghans, blankets, pullovers, cardigans, tees, and tanks.

Bulky | 100% Pima Cotton. \$7.49/100g ball - 120 yds.

Shine in Robot 24498 and Platinum 25355.
