

MONOCOT NURSERY
Jacklands,
Jacklands Bridge,
Tickenham, Clevedon,
Avon BS21 6SG,
England.

Only the Narcissus pages are
included here.

Seed List 1993 - 4

Beaurum tenuifolium
A.B.S. 4536
Atane, Morocco.

All the seeds offered in this list have been harvested this year from plants growing in the nursery or from plants in their native habitats.

Reference is recommended to:- 'The Bulb Book' by Rix & Phillips, 'Dwarf Bulbs' and 'Larger Bulbs' both by Brian Mathew or 'Bulbs' by Grey-Wilson & Mathew for descriptions and/or illustrations of most of the plants listed here.

All species are prefixed by a letter and number. Please order by the number only. Those prefixed 'A' are 50p per packet.

'B' are 75p per packet.

'C' are £1 per packet

'D' are £1.50 per packet.

The difference in price is not an indication of quantity or rarity, either in the wild or in cultivation, but the ease with which good seed is obtained. The number of seeds in each packet is not stated but is in my opinion sufficient to sow a four inch pot to allow for two years growth before potting on. Though good stocks of most of the species listed are available, inevitably some will be in greater demand than others and consequently will be exhausted before all orders are filled. It will be a considerable help to me if customers include a few alternatives on the order form, particularly if several 'C' or 'D' items are requested. This will minimise the work involved in refunds and therefore enable me to keep prices low. Alternatively and preferably, customers may choose to endorse their cheque 'Not to exceed X number of pounds', X being the maximum anticipated cost of the order, but please leave space for me to fill in the correct amount.

Packing is padded envelopes mailed first class in UK, airmail overseas.

Payment must accompany all orders.

Orders over £25 will be packed and posted free. Those under this amount please add a further 75p to cover this expense.

Cheques and postal orders to be made payable to M. R. Salmon.

Payment preferably in Sterling. Other currencies or overseas personal cheques please add 20% to cover conversion charges.

AMARYLLIDACEAE.

- A1 Habranthus andersonii
 B2 " andersonii v. roseus
