Simply better high capacity USB 2.0 external storage

SimpleDrive by Hitachi delivers simply better USB 2.0 external storage. We like to keep things simple - just like this drive. It's not only great to look at but it's really simple to use. Plug it in, power it on, and you're ready to go.

The compact size of this new feature packed drive saves both space and power. The unique aluminum design is not only elegant, but it keeps your drive cool and performing at its best. And it automatically powers on and off with your computer. With Hitachi Backup software, included with your drive, you can schedule automatic backups from your computer to your SimpleDrive keeping your files safe from real world mishaps.

SimpleDrive is made by Hitachi and uses the same reliable Hitachi hard drives you have come to trust.
