Reading . . . Between the Sheets

by Roy F. Proffitt

In a moment we shall, as usual, highlight a few of the facts, figures, and accomplishments of the 1982 Law School Fund campaign. But before that I would like to make three short and rather personal statements. I hope that many of you will share my feelings.

Celebration

The 1982 campaign marked my nineteenth year as director of the Law School Fund activities in Ann Arbor. During these years I have served in other administrative capacities as well—assistant dean, associate dean, associate director of the Institute for Continuing Legal Education, director of Law School relations—and always as a member of the faculty. This combination of experiences has given me a unique opportunity to observe and to appreciate the outstanding success of the Law School Fund.

Although the Fund has never had a staff of professional fund raisers, YOUR SCHOOL (1) became the first publicly supported law school to establish an annual giving program; (2) is the first, and to my knowledge, the only publicly supported law school with an annual fund that year after year has participation by more than 40% of its current alumni; (3) in marked contrast to most law schools, publicly or privately supported, INCREASED the support for the annual Law School Fund EVERY year of the six years the School's highly successful capital campaign was in progress; (4) is the acknowledged and much copied leader among a growing number of publicly supported law schools with annual giving programs; (5) in 1982 for the FIRST TIME had total contributions of MORE THAN ONE MILLION DOLLARS.

There are, of course, many reasons for such success—the active participation by the several deans of the Law School during the Fund's twenty-two-year history, and their continuing recognition of the need for strong staff support; a succession of intelligent, hard-working, and enthusiastic staff members in the Fund office in Ann Arbor; the strong leadership of the eleven National Chairmen and the dedicated work of the hundreds, probably thousands, of men and women who volunteered in response to our "people power appeal" each year to constitute the "teams" that did the work at the grass roots level—but the bottom line has been the wonderful, generous alumni who have recognized the importance of the school to their careers, who have understood the need to keep Michigan at the top of the law school world, and who have given generously to insure that their school—your school—does just that.

It has not been a closely guarded secret that one goal I hoped to reach during my tenure as director was a million dollar year. You have made it happen! Won't you join me in celebrating this outstanding achievement? It may come to pass that million dollar years, like the four-minute mile, happen with some regularity, but for now this is NUMBER ONE. I lift my glass in a quiet but happy toast to each and every one of you.

Professor L. Hart Wright

Although Hart was but eight months older than I, my first association with him, *as is true of more than 12,000 of our 14,000 living alumni*, was with him as professor and me as student. Since then I was fortunate until April 12, 1983 to have Hart as a colleague and close

friend, an opponent and sometimes partner at bridge and golf, and from time to time we have shared coffee or something stronger. But my strongest and lasting impression of him comes from my student days—what a wonderful teacher he was, and how genuinely proud I was because "we" had him on our faculty. He was even then recognized as a "real comer," particularly in the area of taxation. Our closer association in later years only confirmed my original opinions.

This is not intended nor is it an appropriate place for a eulogy of Professor Wright. But I hope that you will think, as I think, that in the career of Professor Wright we can see an outstanding example of the importance of the Law School Fund. Besides having taught at least half, and probably two-thirds of us one or more courses in law school, Hart affected all of our lives far more than most of us know. Just briefly, at the national level he was a consultant and adviser to every Commissioner of Internal Revenue—regardless of the political party in power—for more than twenty-five years; he conceived and conducted training programs for all new IRS agents, and eventually wrote the training manuals for their "on-the-job" training; and he frequently testified before Congress on tax-related matters. He organized international symposia to make comparative studies of tax laws. His advice and counsel was frequently sought at the state offices in Lansing. He was a vigorous participant in community activities outside of the tax arena. And, although he carefully refrained, at great financial sacrifice, from becoming a "hired gun," his advice was sought by hundreds of practicing lawyers on matters they were handling.

What does all this have to do with the Fund? It was not just because the Fund, of course, that Professor Wright was attracted to and remained at Michigan. But he became and continued to be a dynamic participant in the life and affairs of the Law School because he felt that Michigan's position as one of the world's leading centers for legal education was the best place for him to do what he wanted to do. He could teach and work with an exceptional group of students, who, because the School has substantial funds for scholarships and loans, could be admitted on the basis of their ability with little attention to their financial situation. He had resources such as an outstanding library and

money for released time, if necessary, for travel and for research assistance to permit meaningful research projects. And he had a "platform" from which to speak that invited the attention of the audience that he wished to reach.

Michigan can maintain its position as one of the world's leaders and can continue to attract and keep teachers with talents and goals similar to those of Professor Wright only if our alumni—you—continue to support the Law School Fund. It is the Fund that provides the "extras of excellence" that marks the Michigan Law School, its students, its teachers, and its alumni as something special.

I hope that you agree, and that you will remember this when you are asked to contribute to subsequent campaigns.

Matching Gift Programs for Law Firms

For many years a growing number of commercial companies have recognized the importance of charitable giving and have supported a wide variety of worthy causes, and, at the same time, have encouraged their employees and officers to contribute to their own favorite charities by instituting programs through which the company matched the individual's charitable gifts.

For reasons that to me are not entirely clear law firms have been slow to follow suit. But the practice has started and the number of firms with matching programs is growing slowly but steadily.

In my opinion this idea *should* take off like a rocket. In addition to all of the reasons that have persuaded hundreds of commercial organizations to adopt matching gift programs, there is an additional and special reason why these programs should be attractive to law firms. All of the "raw material" for the legal profession—your new associates and partners, the judges, many future legislators, and all the new members of the bar—will come from the law schools. The *quality* of this "raw material" will depend to a large extent on how well each law school does its job, and its ability to do a good job will certainly be influenced by its financial situation. A matching gift program is a good way the law firm can become directly involved in the "production process." This is but *one* reason, but a strong reason, for

James Van Dyke

Donald Black, Christopher Cohen,
Richard Rohr

Ralph Paul Fichtner and guest

Gerald Stotzer and Jonathan Lowe

every law firm to have some kind of a matching gift program.

In 1982 Ms. Kay Felt, now our National Class Vice-Chairperson, persuaded her own firm (Dykema, Gossett, Spencer, Goodnow & Trigg, in Detroit) to institute a program, and, on a small scale through Michigan partners in other law firms, sought to persuade those firms to adopt a matching program. She had some success, and in 1982 we received matching gifts from nearly 50% more firms (from 19 to 28 firms) than we did in 1981. She is encouraged by these results, but knows it is only a beginning. She will continue her gentle persuasion.

My plea to you is that you don't wait until she finds you. If you are interested in knowing more (and I certainly hope that you are), you may write to Kay Felt at her office in Detroit, or you may write to the Law School Fund office in Ann Arbor. The variety of the 50 or more programs that we know about is interesting—some match only associates, some only partners, others both; some have top dollar limits on their matching gifts; others will double the gifts of associates, and match partners equally—or the other way around.

Kay Felt and the Ann Arbor office will be glad to share whatever we know with you, so that you can develop the program that fits the needs of your firm.

How Good Was 1982?

If you have read this far, I thank you, and I am pleased and excited to tell you that 1982 was our best year yet in virtually every important statistic. You already know that we passed the one million dollar mark, but some precise totals are:

Total dollars	\$1,127,899.06 (up 22.6%)
Total gifts	6,730 (up 5.1%)
Total alumni donors	5,850 (up 4.0%)
Percent of alumni participation	42.4% (up 0.4%)

It will be hard to top these impressive figures in 1983, but we look forward to the challenge. With your help we shall do it.

Compliments

We have already made it clear that these records do not just "happen." You—each of you—and the "team" play the important roles. But each year the results achieved by a few of the team members are so outstanding that they deserve special recognition, because with the very wide differences in size, numbers, and previous levels of participation, singling out a few areas or individuals for comment is risky business, but some things simply must be said. This year they include:

(1) Among the classes **1968** (Allen D. Field, agent) continues to lead in the percentage of participation with 58.3%, but under Chris Cohen **1967** is making a strong run for honors. This year '67 edged '68 in two categories—most individual donors, and most gifts—increased participation from 52% to 55.6%, placing it third in that ranking behind 1968 and 1962 (L. William Schmidt, Jr., agent), and moved from fourth among the classes in 1981 for total dollars contributed to second. Come on Chris, come on Allen, and everyone else!

(2) Two additional **regions** passed the \$100,000 mark this year for the first time. I. Scott Bass led **Region I**, which is the state of New York, to new high marks with a jump of 8.8% in the number of gifts, and an increase of 70.2% in dollars. **Region II**, extending from New Jersey through Virginia on the east coast, under the direction of Jerry Libin, increased gifts 5.1% and dollars 26%.

(3) Several **states** that are parts of larger **regions** showed dramatic increases this year. Since some are large and others small, and the numbers are different, we shall use percentages. **Colorado** (Spencer Denison) 10.5% more gifts and 20.1% more dollars. **Georgia** (Terry Croft) 16.7% additional gifts, 53.6% additional dollars. **Missouri** (Thomas E. Allen) a gain of 18.2% in gifts and 30.7% in dollars. **New Hampshire** (Robert Wells) increased gifts 22.2%, increased dollars 44.3%. **North Carolina** (Everette Noland) 19% more gifts, 48.1% more dollars. Congratulations to all of you!

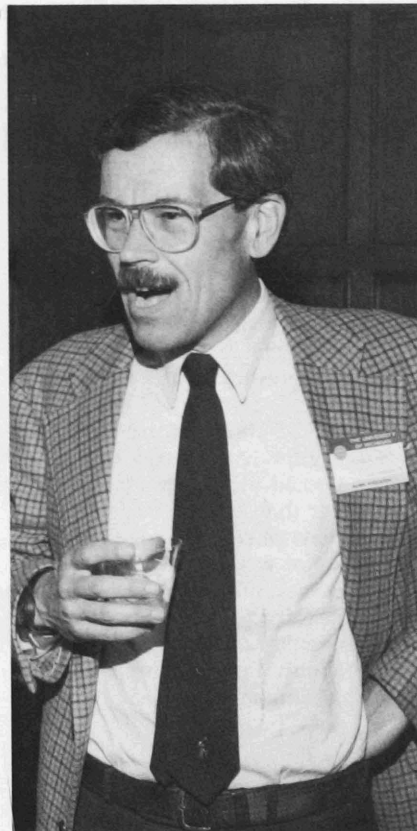

(4) In **Houston, Texas** Sarah Margulies (who serves as co-chairperson for Region XIV as well) obtained 11 additional gifts in 1982 (an increase of

J. Kay Felt, Terrence Perris, John Pinney, Edward Harris

Benjamin Safir and Roy Christiansen

Richard Odgers

18.8%) and 46.5% more dollars than were contributed in 1982.

(5) **Region X** deserves a special word. The entire region consists of but two counties in Michigan (Wayne and Oakland) but contains more alumni than any other region. Not surprisingly, with this concentration, it has always responded strongly to the annual appeals and has long been the annual leader in both the total numbers of individual gifts and dollars contributed. As a consequence, new high marks, especially substantial ones, are difficult to achieve. But, they are happening. With Jonathan Lowe as chairman, and John Lynch, John Quinn and James C. VanDyke as his principal lieutenants, individual gifts increased more than 6.3% in 1982 (from 938 to 997) and total contributions rose from \$172,053 to \$202,241, a gain of 17.5%. Remarkable!

Foreign Participation

In 1982, for the first time, a "people power letter," asking for volunteers to help with the campaign, was sent to our alumni living in foreign countries. Although fund raising for charitable causes is not a common happening in many of these countries as it is in the United States, and although there are no tax incentives for most donors from these countries for gifts to the University of Michigan, the response in both the number of volunteers and ultimate contributions was heartwarming. You will recall in the Fall, 1982 issue of *LAW QUADRANGLE NOTES* a gift of \$100,000, from the S. K. Yee Scholarship Foundation in Hong Kong, for scholarships in the Law School, was described in some detail. Since these gifts will be received on an annual basis they will be reported with all other gifts to the Law School Fund. Although this initial Yee gift constitutes a large portion of the contributions reported from foreign countries, it should not obliterate the fact that 107 other alumni and foreign scholars living abroad sent gifts to the Fund in 1982. We appreciate their support.

Special Donor Groups

Your reaction to our previous discussion of special donor groups suggested we should reprint some of the details about these various groups, and we have on page 51.

Later in this report you will find several lists containing the names of

Mark Stichel, Claudia Roberts, Douglas Ellmann

Law School alumni, friends of the Law School, and members of the "Law School Family" (usually spouses of alumni) whose gifts or commitments to the University now qualify them for inclusion within one of these special groups. A name will normally be found only in the one list with the highest requirements for which the person qualifies. For example, even though the person's gift for 1982 was at least \$500, the lower limit for the University Deans Club, if that person is already a Benefactor or a member of the Presidents Club, his or her name would not be included in the Deans Club list.

If you wish more information about deferred gifts, trusts, insurance, unitrusts, pooled income funds, bequests, gifts other than cash or negotiable instruments, etc., please feel free to telephone or write the Law School Fund. Or you may wish to write to the Associate Director of Development, The University of Michigan, 3540A Student Activities Building, Ann Arbor, Michigan 48109.

Bequests and Life Insurance

During 1982 the Law School was the direct recipient of money as beneficiary under the wills of the following

Roy and Jean Proffitt

deceased alumni or under the wills of their widows or other members of their families:

- Margaret H. Cooper
- DeRoy Testamentary Foundation
- Clifton Dyer
- William H. Hawley
- Anna M. Kiiskila
- Robert F. Schwarz
- Marion Lehr Simpson
- Robert A. Sullivan
- Rosina M. Wolfson

Some of these gifts provided new student scholarship or student loan funds, and others permitted the money to be used with the discretion of the dean. These gifts are not reported with any other figures and statistics in the report because they were not necessarily the result of a donative intent in 1982 and because we thought the addition of the amount of the proceeds to the annual giving campaign would distort the direct results of that campaign.

The bequests serve as reminders of the truth and applicability of a statement published by one of our sister law schools to show the relationship of its annual giving program and bequests to the law school: "Annual giving to the Fund has improved

steadily—but death terminates annual giving, and annual givers must become testators who remember the law school in their wills." Life insurance policies can serve a similar purpose.

Commemorative Gifts

Each of us has at one time or another received the sad news of the death of a person who has meant a great deal to us. We must determine the most appropriate way to show our respect. A letter is often difficult to phrase.

You may feel that the graduation of a friend or relative, or a birthday, or perhaps retirement of a friend or colleague, etc., should be marked by a commemorative gift, but how, and where?

On these occasions a gift to the University of Michigan Law School will allow the donor to honor the individual in a way that will bring lasting benefits to others. The person honored or the next of kin, as appropriate, will be told of the donor's thoughtfulness by the Law School.

We welcome inquiries.

Gifts-in-Kind

We frequently receive gifts of securities in lieu of cash, and they are

certainly welcome. These gifts are usually sold promptly and the proceeds are reflected in the cash figures that we report. From time to time we receive gifts of real value, but a little less marketable than typical securities, that are not included elsewhere in the report. These gifts, too, are welcome. They have included such diverse things as a collection of antique pistols, a city lot in Escanaba, rare books for the Law School library, savings bonds, an automobile, life insurance policies, 100 ceramic coffee mugs, and an undivided interest in some real property in Barry County, Michigan. We suggest, if the gift-in-kind that you contemplate is an unusual one, and may entail special handling problems from the University, that you contact the Law School Fund office before you attempt to make the transfer.

Non-Alumni Gifts

Many gifts from non-alumni are sent as memorial gifts (see more in other parts of this report). A few other very substantial gifts come through charitable foundations and trusts where our alumni have a role in advising the directors or trustees, and from time to time we receive a gift from an alumnus' individual client who wishes to make a charitable contribution, and on the advice of the alumnus, considers the Law School Fund a worthy recipient. Perhaps you, too, represent a foundation, a trust, or other client that would appreciate knowing more about the Law School Fund.

Michigan Income Tax Credit

We remind those of you whose income is subject to the Michigan Income Tax that your gifts to the **Law School or Law School Fund do qualify for the credit provision in Section 260 of the Michigan income tax statute.**

Thus, without trying to get too technical here (obviously you will want to look at the statute), **within the limitations of the Act** the taxpayer can receive credit equal to 50% of his or her charitable contributions to institutions of higher learning located within Michigan. Since these charitable gifts also qualify as deductions on your Federal return (in contrast to the Michigan **credit**) it means that many of you can make a substantial gift to the Fund, up to \$200, or up to \$400 if you file a joint return, without a very large increase in your cash outlay.

Dear Terry:

Thank you for your kind words concerning the success of the Law School Fund.

The results in the last few years have been significant and I would love to be able to take credit for them. However, I am well aware that what has been achieved during the last two years is the result of work done by many people before my tenure began. My efforts have been more in the nature of minor tinkering with a well-running machine rather than any dramatic change of direction or method. If these efforts have added anything to the Law School Fund, it is more likely that the benefit will appear in the future rather than being reflected in our recent successes.

There is a human tendency to give credit for the success of an organization to its titular head and I am pleased to have the opportunity to temporarily fill that role. But I know the success really belongs to having a good "product" and the work of some 400 people year after year.

Thank you again for your warm note.

Very truly yours,

Dear Dick:

I do want to let you know now how grateful we are for your services as national chairman of the Law School Fund during the past two years. Your success seems to me a little short of remarkable.

I had assumed that the growth we experienced during the two years of Bill Groening's chairmanship meant that we were in for either a reduction or at best a rather small increase. Instead, it appears that over the two years you will have succeeded in increasing contributions to the Fund by nearly a third and in substantially increasing the number of contributors. It is quite an accomplishment, and the School is greatly in your debt.

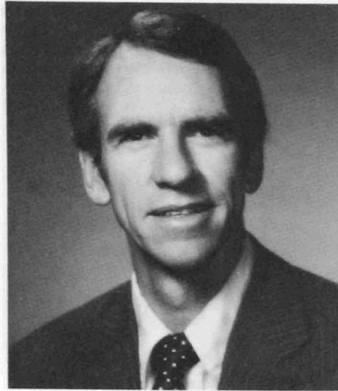

Sincerely,

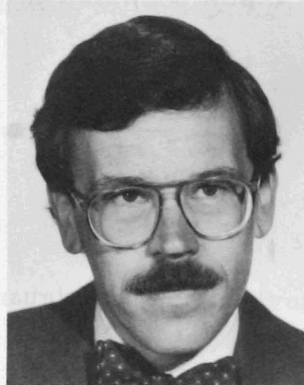

Terrance Sandalow
Dean

The Presidents Club

The University of Michigan Presidents Club is one of the most respected organizations of its type in the country. No other public university, and few, if any, private universities or colleges have the allegiance and backing of such a large number of people who support their institution in one of the most effective ways—with dollars.

The Presidents Club has been enthusiastically supported by many Law School alumni and a list of the Law members through January 31, 1983 follows. Law membership increased in 1982 from 504 to 549.

The University Deans Club

This is a relatively new and quite different designation to recognize individuals who make an **annual** gift of \$500 to the University.

In our list below, we have included Law School alumni and friends of the School who have made such gifts to the Law School (including gifts for the Capital Campaign as well as for the Law School Fund). In order to make this list correspond to our fiscal year for the Law School Fund and this report (February 1 to January 31), we include here only those who qualified between February 1, 1982 and January 31, 1983. Later qualifiers will be listed next year. One other limitation—if donors are listed in one of the

Jon Cosovich and Murray Feiwell

preceding Special Donor Groups, they will not also be listed here, unless they have joined the above groups since making their qualifying gift.

Do you work for a company or a law firm that has a matching gift program? If you do, your gift to the Law School Fund can usually be matched dollar-for-dollar. All you need to do is obtain a matching gift form from your employer, fill it out, and send it to us with your donation to the Law School Fund. It will be processed here, returned to your employer, and your gift will become doubly valuable.

MICHIGAN SPECIAL DONOR GROUPS*

THE JAMES B. ANGELL SOCIETY

Membership is open to individuals, corporations, foundations, associations and other groups. A combination of cash gifts and a deferred gift may be used to qualify; the deferred portion must be at least 150% of the difference between the total cash gifts and \$1,000,000. *For Angell Society only*, all gifts over a person's lifetime are considered for qualifying, and all who in the past have made gifts of at least \$1,000,000 have been recognized. Each *individual* member is eligible for membership in the Presidents Club.

MICHIGAN BENEFACTORS

Membership is open to individuals, corporations, foundations, associations and other groups. For individuals, a cash gift combined with a matching gift of not more than \$50,000 totaling \$100,000, each payable over 10 years may be used to qualify. *And* all gifts received by the University from the individual since January 1, 1961 may be credited in qualifying. A combination of cash gifts and a deferred gift may be used; the deferred portion must be at least 150% of the difference between the total cash gifts and \$100,000. Each *individual* Benefactor is eligible for membership in the Presidents Club.

THE HENRY P. TAPPAN SOCIETY

Individuals only. In lieu of the basic cash gift of \$50,000 the donor may make a cash gift of \$37,500 plus a matching gift of \$37,500, each payable over a period of 10 years to qualify. All Presidents Club qualifying gifts may also be credited in qualifying for Tappan. A combination of cash gifts and deferred gift may be used; the deferred portion must be at least 150% of the difference between the total cash gifts and \$50,000. Each member is eligible for membership in the Presidents Club.

THE PRESIDENTS CLUB

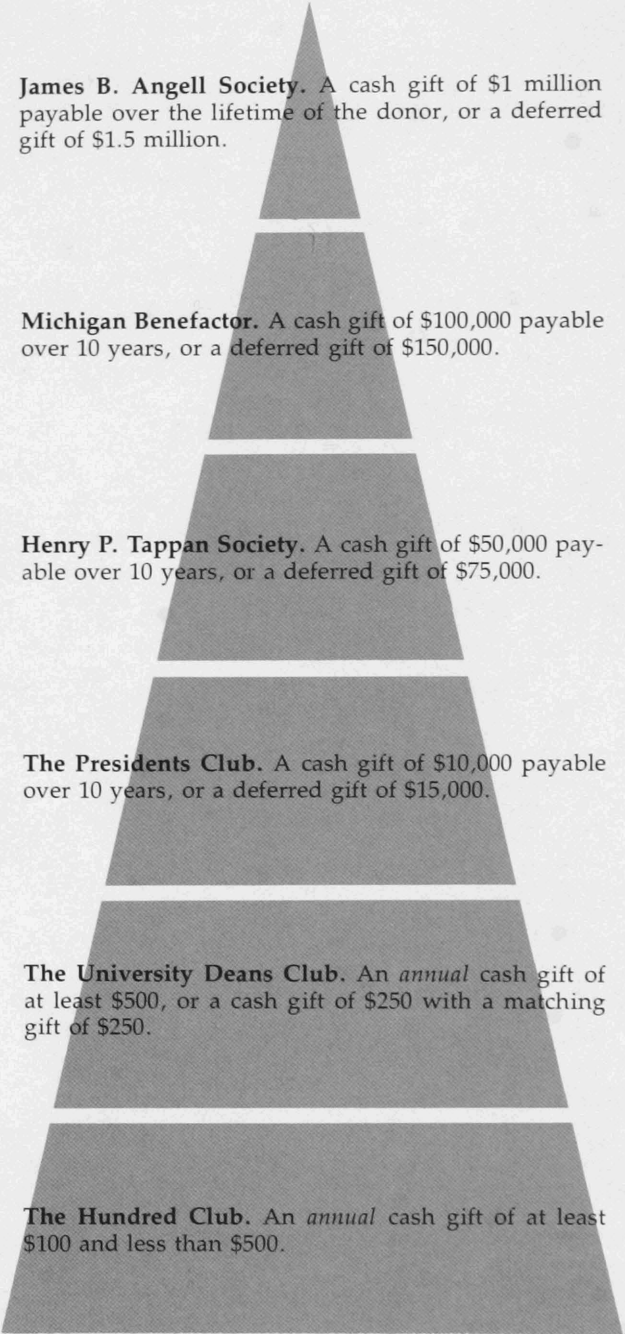

Individuals only. In lieu of the basic cash gift of \$10,000 the donor may make a cash gift of \$7,500 plus a matching gift of \$7,500, each payable over a period of 10 years. Gifts received by the University in the *10 years prior to the commitment to qualify* may be credited in qualifying. A combination of cash gifts and a deferred gift may be used; the deferred portion must be at least 150% of the difference between the total qualifying cash gifts and \$10,000. If the donor's deferred gift is a *life insurance policy* the face value must be \$25,000.

THE UNIVERSITY DEANS CLUB

Individuals only. Recognition is for an *annual* gift or gifts. The donor may use a cash gift of at least \$250 and a matching gift sufficient to total \$500. The *University's* year to measure the "annual" gift is July 1 to June 30. The *Law School Fund's* year for making the list of names in this report is February 1 through January 31 each year (our fiscal year for all purposes). Thus if you made a \$500 gift to the Law School in March, 1983, your name will not be in *this* report, but will be listed next year when we report for 1983.

THE HUNDRED CLUB

Individuals only. For an *annual* gift or gifts. Matching gifts *may not be used* for this designation. Membership is acknowledged by both the University and the Law School, but we do not carry a separate list of names in this report. More than 2,000 alumni and friends qualified for membership in this group with gifts for the Law School (both *Law School Fund* and the *Capital Campaign*) in 1982.

James B. Angell Society. A cash gift of \$1 million payable over the lifetime of the donor, or a deferred gift of \$1.5 million.

Michigan Benefactor. A cash gift of \$100,000 payable over 10 years, or a deferred gift of \$150,000.

Henry P. Tappan Society. A cash gift of \$50,000 payable over 10 years, or a deferred gift of \$75,000.

The Presidents Club. A cash gift of \$10,000 payable over 10 years, or a deferred gift of \$15,000.
