## **What Is The SUN CITY HOME OWNERS ASSOCIATION?**

It is a voluntary membership organization open to every Home Owner in Sun City. Its concern is the general welfare of the entire community — and safeguarding the rights of individual residents. It is interested in the civic problems of our community. Since Sun City is not incorporated the Home Owners Association replaces, to a degree, a city council.

Street maintenance, traffic signs, traffic lights, the adequacy of policing are being constantly studied and many of its recommendations have been carried out.

The quality and cost of utilities and other monopolistic services are ceaselessly reviewed and several rates have been reduced while others have been held firm despite pressure to advance them. A 50c reduction in monthly telephone rates was obtained. Negotiation on the minimum water charge resulted in retention of the fixed cost while gallonage was doubled. Markedly more favorable trash hauling rates were negotiated, then defended against an attempted increase in 1963.

The Home Owners Association defended Sun Citians before the Arizona Corporation Commission in a public hearing of our case alleging unjustified sewage rates. It appealed, protesting certain aspects of the Commission's ruling and other matters, but the appeal was invalidated by a court ruling removing private sewage companies from the Corporation Commission. Our wholly unsatisfactory sewer rates are a matter of unceasing investigation — and while progress toward a solution has been slow it is steady.

The Association exerts constant efforts to preserve the beauty of Sun City. It frequently protects the interests of the community where infractions of property restrictions and mis-understandings are involved (all of our homes are subject to the developer's declaration of restrictions and the zoning ordinance for unincorporated areas in Maricopa County). It seeks the assistance of realtors in correcting excessive use and inconsiderate placing of signs; gains the cooperation of those improperly parking trucks, trailers and other equipment; follows up gross neglect of yards of absent owners.

It has made the comprehensive medical benefits program available to Sun Citians and has worked assiduously to increase understanding of the plan and to bring about its present smooth, professional operation.

The Association has spent almost three years studying the question of incorporation of Sun City. It circulated petitions to have the matter of incorporation put to a vote of the people. The actual signatures on the petitions exceeded the required number by more than 2,000 and as a result Sun Citians will have the right to vote on the question on December 1st of 1964. An intensive study, updating the information relative to incorporation, has been instituted.

It has gained the cooperation of the State in bringing auto driver's license examinations and golf cart inspections to Sun City; and the cooperation of the County in bringing tax advisers here to assist widows entitled to certain exemptions.

Here are a few other matters in which it has gained cooperation, to the benefit of Sun Citizens: dumping of refuse on empty lots has been stopped; crop dusting planes are better controlled; excessive train whistling has been reduced; construction vehicles are confined to main traffic routes; the fire department is providing emergency oxygen service.

The Association provides a forum for the discussion and study of civic matters.

Here are some of the results and undertakings of the Sun City Home Owners Association in the spring of 1964:

It has obtained the assurance of feed lot operators that a sound attempt will be made to develop a scientific research program aimed at the permanent solution of the steer odor problem.

It has, with the cooperation of the Del Webb Co., obtained an agreement by the Highway Department to install a traffic light at 107th and Grand Aves. In cooperation with the Del Webb Co. it is seeking to have 107th Ave. paved from Olive to Peoria and from Grand to Bell Road.

It has been negotiating in an attempt to find a proper balance between the interests of those who want backyard or street lights for protection and those who do not want them; and to arrive at a solution that will not be aesthetically offensive to the community.

IT ENCOURAGES A RECOGNITION THAT IF EVERYONE IN SUN CITY WILL THINK OF HIS NEIGHBORS AS WELL AS OF HIMSELF WE CAN HAVE ONE OF THE MOST BEAUTIFUL AND FINEST COMMUNITIES IN THE UNITED STATES!

**... And It Has Brought You This Directory — One Free to Every Home!**

Are YOU a member? We'd like to have you! The dues are only \$2.00 per person per year. Our office is at 10725 Oakmont Drive. It is open from 9:00 to 2:00, Monday through Friday.

## **SUN CITY COMMUNITY CENTER**

The Community Center consists of a number of buildings and a tract of land containing 2.45 acres. The address is 10725 Oakmont Drive, Sun City, Arizona. Many activities and more than 60 active Clubs use a large Hall with Kitchen and Lounge and Stage; Offices; Patio; Card Rooms; Dancing; Swimming Pool with Dressing Rooms equipped with showers and heat; Arts and Crafts Building, with Ceramics, Lapidary, Painting and Carpenter Shop; 9 Shuffleboard Courts; and one of only two Lawn Bowling Greens in Arizona.

The area containing 2.45 acres with improvements thereon was deeded to the Sun City Civic Association, Incorporated, by Del E. Webb Development Company, and the Deed provides that each resident of New Life and Sun City Unit #1 has an interest in the Corporation.

The only income is derived from assessment of dues, which presently are \$30.00 for each home, plus \$6.00 excise tax, or \$36.00 per annum, and donations from Activities Clubs. The Revenue Department granted tax exemption since we are a non-profit organization.

Last year over 100,000 visits were made to the Center by members and guests. Admission to activities is by paid Membership Cards.

The activities and properties are managed by a Board of Directors consisting of nine members. There are presently 15 employees, in addition to the Board. Several committees selected from the Board members and regular members assist the officers in administration.

Our goal is a total membership of all Property Owners in Units New Life and Sun City Unit #1 in order to provide for the needs of the members and enlarge and improve the present facilities.

## **SUN CITY TOWN HALL CENTER — 107th and Peoria Aves.**

This recreational center is owned and operated by the Del E. Webb Development Co. for the benefit of the home owner residents in the Town Hall area, Units 2-3-4 and 5. The Recreational Activities are under the supervision of the Sun City Town Hall Center Board of Directors which consists of eleven directors, including the four elected officers (President, Vice President, Secretary, and Treasurer).

The home owner residents of Units 2-3-4 and 5 have formed a non-profit corporation — The Sun City Town Hall Center. The function of the Corporation is to maintain a general social, cultural, recreational and amusement enterprise for the benefit of its members; to coordinate, implement and aid the various recreational and social clubs and to promote cooperation in all matters of interest and benefit to the residents who become, and remain, members of the Corporation. Meetings of the Town Hall Center are held on the 2nd Monday of the months of January, May, September and November at 1:30 P.M. at Town Hall.

The Board of Directors meet monthly on the 1st Monday at 9:00 A.M. Committees appointed by the Board hold regular meetings and much of the success of the Town Hall program of activities and events is a direct result of these Committees which are made up of interested and enthusiastic members of the Town Hall.
