What can the **Sun City Home Owners** *do for me?*
What can I do for the **Association** *and profit thereby?*

The Community of Sun City is not an organized political sub-division. Its welfare depends upon the action of many State and County Bureaus.

The Home Owners Association is the only organization in Sun City to effectively represent all the inhabitants in all matters.

During the past year Representatives of the Home Owners Association testified or consulted, for the benefit of the Community, with the following:

Arizona Fire Rating Bureau, County Assessor's Office, Attorney General, Board of Elections, Board of Supervisors, Board of Health, County Engineer, City of Phoenix, City of Glendale, City of Scottsdale, Corporation Commission and the commission's utilities and transportation divisions, Department of Finance, Department of Insurance, Industrial Commission, Joint Committee of State Senate and House, County Treasurer, Arizona Supreme Court, Senate Committee on Taxes, Vehicle Bureau, Highway Department, Planning and Zoning Commission, Del E. Webb Corp., Sun City Water Co., Sun City Sewer Co., and Rural Fire Department.

Accomplishments were:

A Volunteer Fire Company was organized through the coordination of 11 of the above, resulting in the installation of hydrants (at present 140) at no cost to individuals, a contract (with expanded protection) with the Rural Fire Protection Co., a reduction from overall fire rating of Grade 10 to the present Grade 6, resulting in lower Fire Insurance premiums.

Lien taxes are being recovered from the State at approximately \$50,000 a year to help defray the cost of fire protection.

Because of the automobile lien tax there will be no charge to Sun City citizens for fire protection for the fiscal years 1968, 1969 and 1970.

Its Representatives appeared before various State Committees to try to prevent excessive State and School taxes from being put on this community.

Its Representatives consulted with the Highway Department to hasten the construction of 99th Ave. and the Bridge on Peoria Ave. over the New River.

Other benefits derived from its activities are the placing of street signs, stop signs, traffic lights, elimination of flooding conditions, keeping of streets clean and in good repair, and the handling of hundreds of complaints.

Definite action pertaining to the elimination of Feed Lot odors.

The division of Sun City into 7 Districts, providing for election of 2 Directors from each District. This insures equal representation from each District.

The County will change its Voting Districts to conform.

The Directory, published each year and distributed to every householder (free of cost) is another example of the efforts of the Home Owners Association.

Its efforts are continuous for the benefit of the inhabitants of Sun City.

Many of our talented members have given much of their time on the different committees for this Association.

No member of the Board receives compensation.

We invite you to take an active part in the affairs of your city. YOU CAN BY JOINING THE SUN CITY HOME OWNERS ASSOCIATION. The membership cost is only \$2.00 per person and can be obtained by mail or pickup at the Association Office at 10725 Oakmont Drive, in the West end of the Community Center.

Phone: 933-1858

"In times like the present, men should utter nothing for which they would not willingly be responsible through time and eternity."

SUN CITY COMMUNITY CENTER

The FIRST COMMUNITY CENTER in Sun City, Arizona, was and still is located at 10725 Oakmont Drive. This Community Center is the foundation of our beautiful and attractive City of today. Without it no other community or activity would have been achieved.

This Center is the property of owners of New Life and Unit #1 homes. The Center contains 2.45 acres which includes a Community Hall fully equipped with kitchen, lounge and stage; offices; card rooms; swimming pool with necessary dressing rooms, etc.; arts and crafts building; rooms for ceramics, lapidary, painting and carpenter shop; 9 shuffleboard courts and a bowling green. More than 50 active clubs use these facilities.

Membership in the Sun City Civic Association, Incorporated, indicates a recognition of the individuals responsibility to pay his share of the available facilities, and membership is required to retain their interest in the invested Corporation and the use of all its facilities.

Last year over 125,000 visits were made to the Center by dues paying members and their guests.

The income is derived from an assessment of membership dues, which presently are for each home \$30.00 per annum, and donations from Activities Clubs. Without this income we cannot maintain the attractive City we have today. Each home owner in this Center should be exceptionally proud to call Sun City his home and contribute to his share of the load.

The activities and properties are managed by a Board of Directors consisting of 9 members. There are presently 15 employees, in addition to the Board. Several committees selected from the Board members and regular members assist the officers in administration.

Our goal is for every Property Owner in New Life and Sun City Unit #1 to become an active DUES PAYING member so we may continue to provide the proper needs to improve and enlarge our present facilities. By paying your dues you keep your community center beautiful and your property value up.

SUN CITY TOWN HALL CENTER

TOWN HALL—ADMINISTRATIVE OFFICE 10600 PEORIA PHONE 933-0127

TOWN HALL SOUTH—9749 NORTH 107TH AVE.

The Town Hall Center and Town Hall South is owned and operated by the Sun City Town Hall Center, Inc., a non-profit corporation formed by Sun City residents of Units 2 - 3 - 4 - 5 - 6 and 6A.

This complete Town Hall Center is under the supervision of the Town Hall Board of Directors consisting of nine directors, including the President, Vice-President, Secretary and Treasurer, who are elected annually.

The function of the corporation is to maintain a general social, cultural, recreational and amusement enterprise for the benefit of its members; to coordinate, implement and aid the various recreational and social clubs and to promote cooperation in all matters of interest and benefit to the residents who become, and remain, members of the corporation by the payment of annual dues of \$20.00 per member. Meetings of the Town Hall Center are held on the second Monday of the months of January, May, September and November at 1:30 p.m. at Town Hall South.

The Board of Directors meet monthly on the 1st Monday of each month at 9:00 a.m. Committees of talented representative Town Hall members appointed by the Board of Directors are Finance-Budget, Properties, Committee and Committees, Club Organization, Public Relations and Legal, all meeting regularly to plan and help coordinate the program of the Center.

Thirty-nine recognized Town Hall Clubs, all with substantial membership, who hold regular meetings and conduct interesting things to do in the Town Hall facilities under regularly scheduled dates. Each club elects its own Chairman and such other officers as necessary to assure the success of the Club. Much of the success of the Town Hall program is a direct result of the efforts of these clubs.

"I believe that a man should be proud of the city in which he lives, and that he should so live that his city will be proud that he lives in it."

THANK YOU

Yes, we would like to take this opportunity to thank you many nice folks at Sun City who have purchased cars from us!! To you folks who may be buying a car sometime in the future, we would like to say this. Bill Luke has been a Phoenix New Car Dealer for over 40 years, and has gained a reputation for honest and sincere dealing that is beyond reproach! Bill realizes that retired folks for the most part have a limited income, so he is prepared to offer you the most for every dollar you spend with him!! So be it a Valiant, Plymouth, Chrysler, or Imperial that you desire, drive in to 2425 W. Camelback in Phoenix today, or a call to 264-7292 will bring the car of your choice to your front door!
