REALIGNMENT 2013-2014

The NHL's Board of Governors approved realignment and a division-based format for the Stanley Cup Playoffs, effective for the 2013-2014 season. The realignment plan creates two eight-team divisions in the Eastern Conference and two seven-team divisions in the Western Conference. The new alignment places several clubs in more geographically-appropriate groupings and intensifies already-fierce rivalries throughout the League. The new scheduling matrix also ensures that all 30 teams play in all 30 arenas at least once a season.

The new alignment:

EASTERN CONFERENCE

ATLANTIC

Boston

Buffalo

Detroit

Florida

Montreal

Ottawa

Tampa Bay

Toronto

METROPOLITAN

Carolina

Columbus

New Jersey

NY Islanders

NY Rangers

Philadelphia

Pittsburgh

Washington

WESTERN CONFERENCE

CENTRAL

Chicago

Colorado

Dallas

Minnesota

Nashville

St. Louis

Winnipeg

PACIFIC

Anaheim

Calgary

Edmonton

Los Angeles

Phoenix

San Jose

Vancouver

Among the many strategic goals achieved by the realignment plan:

- * provides the **Winnipeg Jets** a more geographically-suitable grouping of rivals;
- * enables the **Columbus Blue Jackets** and **Detroit Red Wings** to compete primarily against clubs in their own time zone;
- * moves the **Dallas Stars** out of the Pacific Division to a more geographically-appropriate and time-zone friendly grouping;
- * changes the **Minnesota Wild's** alignment to a more historically-relevant and time-zone friendly grouping;
- * ensures that the **Colorado Avalanche**, as the only U.S.-based team in the Mountain Time Zone, are placed in a more geographically-suitable grouping.

NEW REGULAR-SEASON SCHEDULE MATRIX

Eastern Conference (8-Team Divisions)

Within Conference (Division): 30 games

* 5 games vs. two teams (3 Home/2 Away vs. one team, 2 Home/3 Away vs. one team)

AND 4 games vs. five teams (2 Home/2 Away). Teams rotated on a yearly basis.

* $5 \times 2 = 10$ games

* $4 \times 5 = 20$ games

Within Conference (Non-Division): 24 games

* 3 games vs. each team (2 Home/1 Away vs. four teams, 1 Home/2 Away vs. four teams).
Teams rotated on a yearly basis.

* $3 \times 8 = 24$ games

Non-Conference: 28 games

* 2 games vs. each team (1 Home/1 Away)

* $2 \times 14 = 28$ games

Western Conference (7-Team Divisions)

Within Conference (Division): 29 games

* 5 games vs. five teams (3 Home/2 Away vs. two teams, 2 Home/3 Away vs. three teams) **AND** 4 games vs. one team (2 Home/2 Away). Teams rotated on a yearly basis.

* $5 \times 5 = 25$ games

* $1 \times 4 = 4$ games

Within Conference (Non-Division): 21 games

* 3 games vs. each team (2 Home/1 Away vs. four teams, 1 Home/2 Away vs. three teams). Teams rotated on a yearly basis.

* $3 \times 7 = 21$ games

Non-Conference: 32 games

* 2 games vs. each team (1 Home/1 Away)

* $2 \times 16 = 32$ games

Exception: One team from each division plays one less game inside division and one more game inside conference outside division.

NEW STANLEY CUP PLAYOFF FORMAT

Playoff qualification will be primarily division-based, with the top three finishers in each division qualifying for the first 12 spots in the Stanley Cup Playoffs (and the first three “seeds” in each division).

The two additional playoff spots in each conference, designated as “Wild Cards,” will be awarded to the next two highest-placed finishers in each conference, ranked on the basis of regular-season points and regardless of division.

“Seeding” of the Wild Card teams within each divisional playoff will be determined on the basis of regular-season points. The first-place finisher with the highest number of regular-season points in the conference will be matched against the Wild Card team with the lowest number of regular-season points, and the first-place finisher with the second-highest number of regular-season points in the conference will be matched against the Wild Card team with the second-lowest number of regular-season points.

The playoffs will proceed as follows:

- * #1 vs. #4 / #2 vs. #3 – Winners play each other for berth in Conference Championship
- * Conference Finals – Two advancing teams in the West and two advancing teams in the East meet in Conference Championship
