In this case the Piedm. can make use of the dem. prn. for giving emphasis, while this is not usual in English. - **3** - **such (a)** (adj.). E. g. "*i l'hai pijàit un ëd coj anfreidor...*" = lit. "*I took one of those colds...*" = "*I took such a cold...*". Also in this case the Piedm. can make use of the dem. prn. (plr. in a partitive expression) for giving emphasis, while the English syntax is usually different. Of course the same type of expression can also have lit. meaning. E. g. "*i pijrai un-a 'd cole torte*" = "*I will take one of those cakes*". - **4** - **that, that one, those (ones)** (prn.). E. g. "*col a l'é nen mè*" = "*that one is not mine*". - **5** - **the one / the ones** (prn. in Piedm.). E. g. "*pija coj ch'it preferisse*" = lit. "*take those (that) you prefer*" = "*take the ones you prefer*". - **6** - With a possessive genitive, in English disappears. E. g. "*nen cost, ma col ëd Pero*" = lit. "*not this one but the one of Peter*" = "*not this one, but Peter's*". - **7** - **who** (when the term is associated to a rel. prn.). E. g. "*col ch'a l'ha ditlo a l'ha nen capi la situassion*" = lit. "*the one who said it to you didn't undersand the situation*" = "*who said it to you didn't understand the situation*". Note that this case refers only to persons, not things where the prn. is different (see the term "*lòn*"). This is a difference with respect the italian syntax. - **8** - **he, him, she, her, they, them**. In some cases this prn. can be found, in particular cases, in substitution of the prs. prn. 3rd person sng. or plr. (this is not very common). E. g. "*i l'hai dijlo, ma col a vorija nen capi*" = lit. "*I said it to him, but that one didn't want to undersatand*" = "*I said it to him, but he didn't want to undersatand*". - **7** - As a correlative in sentences like: - A) - "*Gian e Pero a son bin divers, cost a travaja e col a fà gente*" = "*John and Peter are very different, the former works the latter doesn't do anything*". - B) - "*cost a fà na còsa, col a na fà n'ùtra*" = "*the one does a thing the one does another one*". - For the prn. see also the terms "*col-là, col-li*".

"*le ceres, com le fròle a son rosse*" = "*both cherries and strawberries are red*". - **6) - how** (interrogative). E. g. "*com podom-ne fé?*" = "*how can we do?*". - **7) - how** (exclamative). E. g. "*com a l'é bela sta cà!*" = "*how fine this house is!*" Note that the same sentence can be better expressed with "*ch'a l'é bela sta cà*" or "*s'a l'é bela sta cà*" and often the sentence is preceded by the cnj. "*ma*" = "*but*", having just a value of

reinforcement : "*ma ch'a l'é bela sta cà!*" or "*ma s'a l'é bela sta cà!*". - **8) - how, how well, how much, what... like** (interrogative). E. g. "*com it parle Piemontèis?*" = "*how well do you speak Piedmontese?*". - **9) - what!** (exclamative with emphasis). E. g. "*com! it ses torna senza sòld*" = "*what! you are still penniless*". **10) - as soon as.** E. g. "*com i rivo i-j teléfono*" = "*as soon as I arrive I call him*". The same sentence can be "*pen-a i rivo i-j teléfono*". - **11) - that** (not very used in Piedm- in this sense, quite an italianism). E. g. "*i sai bin com a sio sempe ocupà*" = "*I know well that they are always busy*" = "*I know well they are always busy*". - See also the terms "*coma, come*". We note that the use of one or another of these terms is determined by euphonical reasons. The word "*com*" is more used if the following word starts by vowel. We add some ways of using this word : - A) - "*com da disegn*" = "*as per drawing*". - B) - "*com da vòstra arcesta*" = "*according to your request*". - C) - "*com pura, coma pura*" = "*as well as*". - D) - "*com sempe, coma sempe*" = "*as usual*". - E) - "*com a l'é ch'it ses torna sì?*" = "*how is it that you are here again?*". - F) - "*com as dis*" = "*as people say*". - G) - "*com a l'é com a l'é nen*" or "*parèj com a stan le còse*" = "*as things are, as it is*". - H) - "*ch'a sia com a sia*" = "*be that as it may, however that may be*". - I) - "*come mai?*" = "*why?, how is that?, why ever?*". - L) - "*come mai*" = "*how it is that*" - M) - "*com a l'é?*" = "*how is it?*" but also "*what is he/she/it like?*" and also "*how are you?*".
