GOLD STAR MOTHERS MEET SEPT. 29TH

Desired That Each State Send Woman Who Made Greatest Sacrifice in the War

Governors of all states in the Union have been asked by the Kansas City chapter of the War Mothers to seek in each state the "Gold Star" mother who made the greatest sacrifice in the world war...

Mrs. Boone said that the War Mothers have decided that the extent of a mother's sacrifice, by virtue of which she should be selected, would be gauged by the number of sons or daughters who died in the service of their country in the world war.

BREAD BIGGEST FOOD ITEM IN AVERAGE PERSON'S DIET

Bread takes a more prominent place than any other single article of food in the diet of the average person. It is usually served at every meal, and often is the chief item. This is due, says the Bureau of Home Economics of the United States Department of Agriculture, to the fact that bread contains certain food materials needed for health, and is inexpensive, wholesome, palatable, and very generally available.

"LION OF THE ARGONNE" SAILS FOR HOME COUNTRY

New York, Aug. 22.—General Henri Joseph Gouraud, of France the lion of the Argonne, who has been touring the country for five weeks as the guest of the Rainbow division, which was a unit of the corps commanded by him in the world war, sailed for home today on the steamship France.

Notice!

Having qualified as administrator of the estate of W. F. Clay, dec'd, notice is hereby given to all persons holding claims or accounts against the estate of said decedent to present the same to the undersigned on or before the 20th day of August 1923, of this notice will be pleaded in bar of recovery, all persons indebted to said estate will please call on the undersigned, and make prompt settlement.

48,600,069 HOGS SLAUGHTERED IN THIS COUNTY LAST YEAR

Washington, Aug. 25.—All previous records for the slaughtering of hogs were broken in the last fiscal year ending June 30, the department of agriculture announced today. 48,600,069 hogs being slaughtered, exceeding by 4,021,680 the previous high record. During the same period 63,397,076 meat animals were slaughtered and federally inspected, which was 2,689,039 more than the previous record established in 1919.

Gives Reasons Why Youths Lose Jobs

Chicago, Aug. 23.—Lack of a sense of responsibility, unwillingness to work hard, lack of thoroughness, false notions about salary and promotion, and lack of principle are the five chief reasons why 90 per cent of the boys and girls of the United States lose their first jobs, according to a report made to the Chicago association of commerce by A. D. White, statistician of Swift and company.

Old Christian Harmony Singing

Four miles West of Mocksville on the National Highway leading to Statesville, at Center Church, under a large arbor where old time camp meetings were held in days gone by.

Senator Overman in Address to Juniors He Tells Them It is a Dangerous Thing to Amend the Constitution Without Consent

The submission of all amendments to the constitution of the United States to a referendum of the people was proposed by United States Senator Lee S. Overman, of Salisbury, in an address delivered before more than 1,000 members of the Junior and citizens of the city upon the occasion of the 33rd annual convention of the state council in Durham last week.

Two Boys Burned to Death Playing Indians

While crossing a field near Spring Lake, N. J., Richard Foreman, 17; Caleb Hubbard, 18; Willie Hubbard, 14, Caleb's brother, and Charlie Spindler, 11, began playing "Indians," Richard Foreman and Caleb Hubbard fired the other boys to trees and fire to a little excelsior around them, not realizing that the ground was oil soaked from a neighboring gas works. Before they could beat out the flames the two boys were burned to death.

Improved Uniform International Sunday School Lesson

LESSON FOR SEPTEMBER 2 PAUL, THE APOSTLE

LESSON TEXT.—Acts 22: 2, 4-6; Philippians 3: 4-11. GOLDEN TEXT.—"I press toward the mark for the prize of the high calling of God in Christ Jesus."—Phil. 3: 14.

Paul's name stands second to none in the annals of history. The story of his life is perennial interest. He was born in Tarsus, of pure Hebrew stock. He could with legitimate pride boast of goily ancestry. It is highly important that each generation should know the history of the man placed upon their children.

Unable to Get Work Woman Takes Poison

Salisbury, Aug. 31.—Going to a number of places hunting work and finding none Mrs. Alma Gertrude Ethel, 26 years old, took a bouquet of flowers to the grave of her husband then went to her home on Chestnut Hill and took a bicloride of mercury tablets, dying from the effect of this poison, at 11 o'clock last night. Three small children were left with Mrs. Ethel when her husband, Daniel E. Ethel, died last March. She has kept them with her, but the dread fear that she would not be able to provide for them, and that they would be taken from her, caused her great anxiety. Returning from her vain search for work yesterday afternoon Mrs. Ethel pulverized eight of 10 tablets of bicloride in water and swallowed them.

MRS. VANDERBILT WILL PAY COUNTY TAXES OF MORE THAN \$25,000

Salaries of the three county commissioners, register of deeds, county treasurer sheriff and county auditor can be paid and a margin left from the taxes that will be paid to Buncombe county this year by Mrs. Edith T. Vanderbilt, county tax books disclose. Taxes on the Vanderbilt property for 1923 will be \$25,539.

Disregard Stop Law Says Trainmen

Engineers, conductors and other train men running out of Spencer in large numbers and in every direction, towards Asheville, Greenville, Columbia, Selma, Monroe, Va., and other places, state that the new state law requiring motorists to stop at grade crossings is being disregarded to an alarming extent.

Morrison Is A Great Governor, Judging From What He Has Done, Rather Than What A Few Critics Have To Say--North Carolina Is On The Map Now

We can understand why some people might not like Governor Cameron Morrison personally. Somehow nature has so constituted that many of our natures, apparently without cause, positively refuse to harmonize. In other words, there are some people that some of us just don't like, and we can't know why. It is pretty well put in the Mother Goose rhyme:

I do not like you Dr. Fell, But one thing I do know full well, Do not like you Dr. Fell, Do not like you Dr. Fell.

Auto Dimmer Law Is Not Observed

Careful Night Drivers Complain of Disadvantage They Have Over Law Violators. The law relative to glaring headlights on automobiles is one of the traffic laws that is disregarded to a great extent and this is causing much complaint from drivers of cars who obey the law in this respect.

MOCKSVILLE ENTERPRISE

Published Every Thursday at Mocksville, North Carolina.

A. C. HUNEYCUTT Publisher.

Subscription Rates: \$1 a Year; Six Months 50 Cents. Strictly in Advance.

Entered at the post office at Mocksville, N. C., as second-class matter under the act of March 3, 1879.

Mocksville, N. C. Sept. 6 1923.

Just as we had been expecting, The Ku Klux have sent Editor Sharpe of the Lumberton Robesonian a letter. We don't know what they promised our friend Sharpe, but his reply was to the effect that if the writer would remove his mask and come into the Robesonian office, the editor would be glad to discuss the matter with him.

We doubt that the news of the death of any one for some time was received with greater regret than that announcing the passing of Kate Douglas Wiggin in England several days ago. Her contributions to literature have been such as to mark her as one of the really great authors of the present day.

A news dispatch from Asheville says that the salaries of the three county commissioners of Buncombe county, the register or county treasurer, sheriff and county auditor can be paid with the money which Mrs. Edith Vanderbilt will pay into the Buncombe county treasury this year for taxes. The news item says that Mrs. Vanderbilt will pay \$25,539. When we think of such a tax bill we are almost made to feel glad that the small fellow has some reason for consolation.

The formal opening of the bridge over the Catawba River near Charlotte recently, is said to have been the occasion of the gathering of a very large crowd. Seven counties were represented in the throng at the bridge. Automobiles were parked for miles on both sides of the river, according to reports. The large crowds that always attend the formal opening of some of our fine bridges these days, prove conclusively that popular sentiment is in favor of standing by what our State Highway Commission is doing in making North Carolina's highways second to none in the union.

Of course at this writing it remains to be seen what the outcome of Governor Pinchot's efforts towards bringing about a settlement of the so called strike between the coal mine owners and operators, will terminate in, but somehow we can see a kind of punch which the Governor of Pennsylvania is putting into the movement which in all probability will bring about favorable results. Frankly, we have very little sympathy for either the operators or mine owners. We can't help but believe that there is collusion between them. However, the general public is getting sick and tired of this coal strike, which seems to always schedule itself to arrive just at the time when people are thinking of filling their coal bins for the winter supply. As one writer expressed it, so far as we are concerned we don't care much what Governor Pinchot does to the coal people.

A CORRECTION

We wish to correct an error in the court proceeding in our last issue. The item read: "Sam Drakland and Mrs. J. E. Hege F. and A. N. P. L." It should have read Sam Drakland and Mrs. J. E. Hoyle. We make this correction with all apologies to the Hege's and truly trust that no one has been offended by same.

WOULD NOT LIVE IN THE WHITE HOUSE

Thinks People Would Pay the President's Hotel Bill While Another is Being Built.

Washington, Aug. 31.—The Rev. Arthur T. Abernethy, originally of Rutherford college, but now of Asheville, created a stir and mild sensation here today by saying that he would "scrap" the present White House. He declared that if he were President he would rent it out and live at hotel.

Rev. Mr. Abernethy has started a movement to take up a collection for a new residence for the President of the United States. The Washington Daily News of this afternoon had this to say on the subject:

"Found: A man who would live in the White House if he could. The Rev. Arthur T. Abernethy was so heartbroken over inspecting the White House and finding how old fashioned and inconveniently arranged it is that he called up a millionaire friend and proposed putting on a national campaign to scrap the old building, sell the bricks as souvenirs and build a new and fitting device with the proceeds."

"Sentiment, tradition and the conjuring atmosphere of, artfully mean nothing to this energetic. He wants America to have a home for its President—one it can be proud of—with gold done if necessary."

"Why, we have real estate operators in Asheville who have finer residences than the White House, he said, and the reporter thought that easy enough to believe."

CURRITUCK PLANS MODEL SCHOOLS

Moyock, Aug. 29.—The Currituck County Board of Education at its last meeting finally adopted a plan for the reorganization of its schools recommended by the United States Bureau of Education.

Miss Maid C. Newbury, a native of Maryland, specialist in rural education in the U. S. Bureau of Education, has been employed by the Board of Education to assist in putting the Bureau plan into operation.

The Bureau plan among other things calls for the establishment of two superior junior-senior high schools in the county, one at Moyock, and the other at Currituck. The plan also calls for the establishment of these two high schools at Moyock. These buildings will be an aid in attracting to and retaining in the county skilled teachers.

The Currituck county schools will open on September 10. A teachers meeting will be held in the courthouse at Currituck on September 7. School terms at Poplar Branch and Moyock will be nine months in length. All other schools will have eight months term. Adoption of Bureau plans calls eventually for nine months school for Currituck children.

DAVIE CO. SUNDAY SCHOOL CONVENTION SEPT. 8 AND 9

One feature of the approaching Davie County Sunday School Convention at the Baptist Church, Mocksville, Saturday and Sunday, September 8 and 9, 1923, will be the presentation of a beautiful pennant, 13 by 36 inches, to the Sunday School having the largest number of present and former members.

The Western North Carolina Field Trial Association has decided to have its field trials near Mocksville this fall, and have fixed the date of the meet for November 14th. About 100 dogs will be entered in these trials and a large number of members of the association will be present to take part in the contests.

Quite a bit of interest is being manifested in the coming of these trials and they are going to be well attended by people from all sections of the country together with some of the very best bird dogs in the country. The Association would like to obtain some additional land for the trials and as there will not be any birds killed we think it an easy matter to obtain the necessary land.

A small fee will be charged to those desiring to enter their dogs in this contest. The same to be used to defray the expenses of the cash prizes, route, etc. Anyone unopposed can obtain full particulars from Mr. B. C. Clement Jr. at Clement & LeGrand's Store.

NOTICE—I have just received a car load of Maral Lima. Come get yours while it lasts.

Notice! Having qualified as administrator of the estate of W. P. Clary, deceased, I hereby give to all persons holding claims or accounts against the estate of said deceased to present the same to the undersigned on or before the 30th day of August 1923, of this notice. All persons indebted to said estate will please call on the undersigned and make prompt settlement.

This 20th day of August 1923. JAMES CLARY, Admin. Atty. A. T. GRANT, JR., Atty. N-23-27.

These officers are requesting the co-operation of all pastors, superintendents, and other Sunday School leaders in the effort to make the convention a success.

Our Honor Roll

The following have subscribed and renewed: L. P. Hopkins, W. L. Summers, J. Minor, Mrs. T. H. Gaither, T. L. Kelly, N. T. Foster, L. H. Crouse.

ANNOUNCEMENT

We wish to announce to the public that we will be open for business in our new store in South Mocksville on Saturday, September 15, and will be able to supply your demands in general merchandise, groceries, country produce etc. Special for opening day: Gas at 2 cents per gallon less than regular price. J. S. GREEN, pd.

and Corner Gum and the two teacher schools at Indiantown abandoned and transportation furnished to Shawboro.

Teachers equipped with every modern convenience are nearing completion at Knot's Island, Poplar Branch, Currituck and Moyock. These buildings will be an aid in attracting to and retaining in the county skilled teachers.

School Opens Friday

Friday morning at nine o'clock the Mocksville Schools will open what gives promise of being the most successful year in this history. An exceptionally fine faculty has been secured for the year. The grammar grade teachers beginning with the first grade are as follows: Miss Margaret Bell, Miss Helena J. James, Mrs. N. Anderson, Miss Clara Moore, Miss Clayton Brown, Miss Sallie Hunter, Miss Merrie Richardson. The High School teachers are Miss Annie Hall Bailey, Latin and Mathematics; Miss Elizabeth Johnson, English; Mr. Leslie M. Broadwell, French and Science; Miss Jamie Mauney, Home Economics; Mr. E. Tatum, Agriculture; F. R. Richardson, History and Supt. Complete equipment for teaching Home Economics has been purchased. This course promised to be very popular.

On Friday morning, grade and High School pupils will be classified and assigned to their seats. High School pupils will go before Mr. Richardson and Mr. Tatum to register for the courses to be taken. This is done that each pupil may be advised as to what courses to select. Registration blanks will be on hand for each pupil to fill.

For all text books that are ordered by the High School, an order must be signed by the parent or guardian, because the book companies will not take cash extra books, thereby causing the persons who order the books each year to lose the price of the books ordered and later refused by pupils. ALL HIGH SCHOOL BOOKS ARE TO BE PURCHASED THEIR SECOND HAND BOOKS BEFORE FRIDAY THE SEVENTH. The public is invited to be present Monday morning at the formal opening.

Hardison News

Curing tobacco and saving feed is the order of the day along now. Mr. M. G. Brown and family, of Winston-Salem, are visiting their parents, Mr. and Mrs. C. S. Brown. Mrs. Alex Keller spent a few days last week in High Point visiting their son, C. S. Keller.

Craig Emerson spent Saturday night and Sunday in the Liberty community visiting his friend, Bill Hudson. Little Miss Louise Everhardt, of Greensboro, spent last week with her grand-parents, Mr. and Mrs. R. J. Brown.

Several of our people attended the old folks singing at Center Sunday. Mr. Walter Keller, of High Point, spent the week-end with his parents. Baby Nell Emerson, who has been right sick with whooping cough, is better glad to note.

Mrs. Jim Ellis, of Washington, D. C., spent a few days with her sister, Mrs. A. L. Bowles, last week. Pastors Conference Post-Ed. Meeting of the Davie County Pastors' Conference has been postponed until Monday after the first Sunday in October. There will be a special program. Hope for a full attendance. W. B. WAFF, Pres. C. H. WHITAKER Sec.

Notice!

Having qualified as administrator of the estate Mrs. D. E. Bassett, deceased, of Davie County, North Carolina, I hereby give notice to all persons having claims against the estate of said deceased to exhibit them to the undersigned on or before the 30th day of July 1923, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate payment. This 30th day of July 1923. T. W. TURBOW, Adm.

ADVANCE NEWS

Several of our folks attended the singing at Center last Sunday afternoon. Mr. and Mrs. W. V. Poindexter, of Winston-Salem, spent the week-end here with home folks. Miss Eva Call, of Mocksville was the guest of Misses Jake and Sudeña Foster a few days last week.

Messrs. W. H. and J. D. March, of Winston-Salem, spent a few hours Sunday with their mother, Mrs. O. M. March.

Mr. and Mrs. L. L. Orrell, of near Lexington, spent Sunday with Mr. and Mrs. U. H. Orrell. Mr. Glenn white, of Winston-Salem, was in town Sunday.

Mr. and Mrs. G. H. C. Shutt and son, Arthur, spent Monday in Winston-Salem. Mr. Henry Orrell died at his home last Sunday about twelve o'clock, and was buried in the Shady Grove cemetery Tuesday at two. He is survived by a wife and one daughter, besides a number of other relatives. To the bereaved we extend our sympathy.

"The Marriage of the Midgerts" or "The Tom Thumb Wedding" will be presented at the Methodist church here next Friday night, Sept. 7. This play is given under the auspices of the Ladies Aid Society, and proceeds go to the parsonage and church.

P. O. S. of A. Members Take Notice!

All members of Camp No. 52 P. O. S. of A. are urged to be present at the Camp next Monday evening, Sept. 10th, at 7:30 p. m. We will have with us that evening several State Officers, and a degree team from Statesville, who will give us something to remember. Refreshments consisting of ice cream, lemonade and cake will be served. A general good time for every one is expected. Come and enjoy the evening.

LIBERTY NEWS

Mr. G. A. Leffer, who has been on the sick list is able to be out again. Mrs. Sadie Spry spent Sunday at Cooleemes the guest of her sister, Mrs. Carl James. Mr. Frank Wafford lost a horse last week. The cause of its death is unknown.

Miss 'Little McCulloch' entertained the little folks of this community at an ice cream party Saturday afternoon. There were 38 children, ages from 3 to 10 present. A most enjoyable two hours was spent in playing and feasting.

Rev. and Mrs. S. Orner and family have moved from this community to Winston-Salem. Mrs. Amy Carter is visiting her daughter, Mrs. A. T. Leffer, near Cooleemes Junction. Mr. and Mrs. J. G. McCulloch and son, James, of Winston-Salem, visited at Mrs. Alice McCulloch's Saturday night. Miss Gussie Livengood, of Cooleemes, spent the week-end with Miss Lula Spry.

DAVIE ACADEMY NEWS

The greater part of our citizens attended the Christian Harmony singing at Center last Sunday. Mrs. J. C. McDaniel is right sick at this writing, we are sorry to hear. Mr. Shirley Nichols and family, of Winston-Salem, are visiting relatives in our community. Our farmers are very busy plowing and curing tobacco. As a result of the recent dry spell, cotton is shedding badly and the crop will be cut short. Late corn also suffered as a result of the drought, but the good rain last week helped a great deal for which we are all thankful.

Chevrolet Cars now of \$30 to \$65.00. G. G. WALKER MOTOR CO.

LISTEN! I NOW HAVE A NEW AND UP-TO-DATE LINE OF MEN'S AND BOY'S CLOTHING AT PRICES THAT WILL CERTAINLY INTEREST YOU. I ALSO HAVE A COMPLETE LINE OF GENERAL MERCHANDISE THAT CAN'T BE DUPLICATED FOR THE PRICE I AM SELLING THEM AT. A LOOK WILL CONVINCED YOU. J. C. DWIGGINS

Turrentine News

Mr. and Mrs. Clarence Hendricks, of Winston-Salem, spent Sunday with her mother, Mrs. Rebecca James, near Statesville. Mr. and Mrs. Charlie Barnes, and children, of Hanes, spent a days last week with Mr. and Mrs. Frank Waggoner.

Mrs. L. F. Waggoner is very sick, we are sorry to note. Mr. and Mrs. L. D. Driver and children, of Cooleemes, spent Sunday with Mrs. Earl Williams. Mrs. Goshaw McCulloch and daughter, Grace, spent the week-end in Davidson with her brother, Mr. Earl Gobble.

Mr. and Mrs. Luis Ellis and children, of Liberty, were in our community Sunday. Mr. and Mrs. E. C. Lagle and children spent Sunday in Mocksville with her mother, Mrs. T. F. Foster. Mr. Charlie McCulloch spent Sunday with his brother, Mr. Goshaw McCulloch.

Mr. and Mrs. Elgin Phelps, of the Twilight, spent Sunday with Mr. and Mrs. Tom James. Mrs. C. R. Swicegood, of Cooleemes spent one night last week with Mr. and Mrs. Grover Swicegood. Mr. and Mrs. Lee Louter and children, of Cooleemes, spent Sunday with Mr. and Mrs. Ham Everhardt.

Mr. and Mrs. Hub Deadmon and children spent Sunday with Mr. and Mrs. L. F. Waggoner. Mr. and Mrs. Frank Spry and children, of Cooleemes, spent Sunday in our community.

CENTER NEWS

There was a large crowd attending the Old Folks singing Sunday. The crowd was estimated at about 3,000. The old folks did some fine singing, and the talk by Miss Corn Caudell, a missionary from Africa, was very interesting.

Mr. Walter Hendren, of Greensboro, spent the week-end with home folks. Mr. and Mrs. Fred Walker and little son, Harold, of High Point, spent the week-end with relatives.

Mr. and Mrs. Lonnie Dwiggins of Winston-Salem, were in our midst Sunday after spending a week at Blowing Rock on their honeymoon. Miss Lillian Blount, of Spencer spent a few days last week with her aunt, Mrs. J. H. B. Dwiggins.

Mr. and Mrs. A. C. Storestreet and children, of Winston-Salem, spent Sunday afternoon with their parents, Mr. and Mrs. J. W. Dwiggins. Mr. and Mrs. Amanda Walker visited relatives at Olin last week. Rev. and Mrs. D. C. Ballar and children, of Palkton, spent last Wednesday night with Rev. and Mrs. W. J. S. Walker. They were on their way home after spending three weeks with relatives in Ash County.

The Protracted meeting will begin at Mr. Taylor's Holiness church, Friday night Sept. 7th. Notice of Sale! In the Superior Court of Davie County, North Carolina, Merchants & Farmers Bank of Mocksville, N. C., et al. vs. H. A. Gaither and wife Julia Gaither, J. L. Sheek and A. J. Lagle.

By virtue of an order made in the above entitled cause by W. M. Seaford, C. S. C., the undersigned will sell publicly for cash to the highest bidder at courthouse door in the town of Mocksville, N. C., on Monday the first day of October, 1923 at 12 o'clock M., the following described lands being and situate in the town of Mocksville, N. C. to-wit: A tract beginning at a stone on the west side of road or street, thence with the road or street 1.45 chs. to the beginning, containing one-half acre more or less. The above lands will be sold to satisfy the judgment rendered in said proceeding. This the 1st day of September 1923. A. T. GRANT, JR., Commissioner.

The AUTUMN EXPOSITION Enters a new season of greys and greens--rich, lovely tones which but offset the glorious shades of Autumn itself. Enters, too a new mode, reflecting in flared godets, circular flounces, new straight-line silhouettes and gay embroideries the smartest trends of the new fashions. The new modes, the new greys and greens, the new adaptations to protect you from Autumn's chilly winds are all represented here in every detail. And there's variety to insure satisfactory selection in every instance. We cordially invite you to come in now and view these displays.

LOVELY Are The NEW HATS For FALL

They bring out the pleasant contours of a woman's face, and by their soft Autumnal shades and their delicate adornment brighten the tint of her hair. It is for such qualities as harmony, and smart distinction that we have selected these New Hats for Autumn presentation.

NOTICE! We wish to announce that Mrs. Henry Mickey has just returned from New York where she purchased the Fall line of Millinery for our store, she has much in store for the women of Davie County in regard to head wear for Fall and Winter and will be glad to talk to anyone that is interested in securing the very latest style for the coming season. Remember if your hat is wrong it creates the wrong impression of your whole ensemble. New Fall Modes that will lend just the right touch to your new outfit are here in an exceedingly wide variety of styles.

New Fall Fabrics Have you ever tried making your own clothes? If not, you can't possibly know how fascinating it is to select your own materials, a pattern and finding and make things for yourself and the children. Besides, think how much you save in doing this. You will find here one of the finest selections of Sewing Aids anyone could possibly wish for. On display here you will find the new Woolens, Silks and Crepes all represented in the new Fall colorings that will be worn this Fall and Winter. To fully appreciate these new Fall Fabrics they must be seen, so we suggest that you come in as soon as possible and look them over.

Hawkins-Blanton Co. 434 North Liberty Street, Winston-Salem, N. C.

Farm Animals in City School

The girls of Mocksville may be proud of the fact that they are bringing their sewing to school and learning to be educated housekeepers but they have nothing on the boys who are planning to take agriculture in the high school. Animal husbandry is the subject of their course this year, and if the animals to be studied cannot be brought to school then the school boys in agriculture will go out where the animals are.

Of course, there will be the usual class room work but in this work the practical phases are emphasized which means that all abstracts will center on the animals themselves rather than textbooks used. Each boy takes a farm animal to care for by which he can demonstrate for himself the practicability of the things learned in the class room. The local boys will have had little instruction in poultry keeping here is to be learned in this phase of the work alone and they are the ones who are looking forward to this year as the best of the four year course.

The farm shop is to be completed early in the year and barns erected in the school by an agricultural student will have full benefit of the shop tools and equipment and any conveniences that can be made by the students in their shop work under the supervision of the agricultural instructor will be free of charge if the lumber and tools are furnished. It is hoped that there will be time for some tools and machinery repair work also.

It can readily be seen that the work this year in agriculture is to be made as thoroughly practical as possible and any boy who is interested in this work can well afford to take advantage of the unusual opportunities offered by the Mocksville High School.

Farmers Take Notice! There will be a meeting at 4:00 p. m. Tuesday Sept. 11, on T. L. Caudell's farm, on the road from David's Cross Road to Fork Church, to discuss the problems confronting the farmers today on soil building.

Mr. E. C. Blair, Extension Agronomist, from Raleigh and myself will be there to go over the work started in soil improvement on Mr. Caudell's farm. Improvement of course is a rather slow process and unless there is lots of money spent on soil improvement it takes quite a while to build soil up. If you ever want to know what we have started and explain to you what we expect to do and talk over with you any problems you have about your farm.

I am yours very truly, GEO. EVANS.

NOTICE!

Sale of Land to Pay County Taxes

The following having failed to pay their taxes for the year 1922 and years prior to 1922, I will sell at the courthouse door, in Mocksville, N. C., on October 1st, 1923, at 11 o'clock, the following property to satisfy same:

SCHOOL OPENS. School Days Near! Time to Get Ready! Approaching school time not only calls to the kiddies, but to the parents as well. We are ready, now, to outfit the little ones with merchandise of quality at value-giving prices. Bring them in today and us fit them with the Famous Star Brand Shoes. Children's Shoes \$1.50 \$2.50, Boy's Shoes \$2.00 \$3.75, Girl's Shoes \$2.00 \$4.75.

C. C. Sanford Sons Company Mocksville, N. C.

LOCAL AND PERSONAL

Deaths and Burials of the People of Mocksville and Surroundings.

Miss Ruth Booe spent Monday in Greensboro.

Mrs. Mollie Jones spent Saturday in Salisbury with Mrs. M. E. Kelly.

Mr. W. H. Leach, of Winston-Salem, spent the week end with relatives here.

Mr. and Mrs. Sterling Kelly, of Duke, announced the birth of a daughter, Janet O'Neil.

Miss Hattie Holland, of Statesville, is spending this week with her sister, Mrs. M. D. Paas.

Miss Louise Jenkins, of Winston-Salem, was the recent guest of her grandmother, Mrs. L. G. Gaither.

Mrs. J. W. Speight, of Roper, is the guest of Mr. and Mrs. John Sanford, the latter her daughter.

Mrs. E. L. Gaither, Mrs. R. B. Sanford, and Miss Sarah Gaither were visitors in Winston-Salem Saturday.

The teachers will arrive Thursday for the first teachers' meeting and school opens Friday morning.

R. S. Kelly and little son, of Duke, are visiting his father, Mr. T. L. Kelly, and his aunt, Miss Sallie Kelly.

Miss Mattie Connor Cherry returned home Thursday from an extended visit to relatives in Norfolk, Va.

Mr. W. B. Granger and others left Tuesday morning to attend the Old Soldiers Reunion in Winston-Salem.

Mrs. J. F. Leach and children spent a few days last week with her sister, Mrs. E. A. Dean, at Cleveland.

Rev. A. C. Swafford is spending several days this week at Blowing Rock and other points in the mountains.

Dr. L. H. Clement, and L. H. Clement, Jr., and Master Hayden Clement, of Salisbury, were visitors in town Sunday.

Prof. and Mrs. F. R. Richardson and children have returned from a trip to Blowing Rock, Boone, and Spartanburg, S. C.

Mr. and Mrs. O. M. Hunt and children, of Greensboro, were recent guests of Mr. Hunt's parents, Mr. and Mrs. E. E. Hunt, Sr.

Mr. and Mrs. Bruce Craven, of Trinity, and Mrs. A. M. McGlamery, of Greensboro, visited their father, Mr. M. R. Chaffin, this week.

Messrs. John and Joe Kimball, former residents of this place, were visitors in town Sunday. Mr. Joe Kimball is a brother-in-law of Mrs. Kate Holman.

Dr. and Mrs. E. P. Anderson, and the former's Sunday School class of boys spent two days camping at Pilot Mountain last week, and report a fine time.

Mr. and Mrs. J. B. Johnstone attended the funeral of the former's sister, Mrs. R. W. Gilbertson, of Steel Creek, which took place in Mooreville on Thursday.

Several Mocksvillians inquired down to Cooleemee and took in a good ball game between Cooleemee and Kannapolis. The score was 4 to 0 in favor of Cooleemee. It was a pitchers' battle from start to finish, with both teams giving good support except the right fielder for Kannapolis who made several costly errors. Feature of the game was a home run by Kelly, Cooleemee's second baseman, who hit a fast one over center field fence. Earned runs, Cooleemee 2; Kannapolis 0. Umpires, Boat and Sheaf. Time 1:40.

The sad news has been received here of the death of Mrs. Bettie Linville Vestal, of Winston-Salem, which occurred there Saturday night. The deceased, who was a lovely character, was the wife of T. F. Vestal, and the daughter of Mr. and Mrs. James A. Linville. She formerly lived in Mocksville, and had many friends here. The funeral services were conducted at Parkview church, of which she was a devoted member. Surviving are the husband, and parents, two sisters, Mrs. S. F. Gordon, of Baden, and Miss Beatrice Linville, of Winston-Salem, and one brother, Albert Linville, of Winston-Salem. Several from here attended the funeral of Mrs. Vestal.

Miss Kopolia Hunt gave a very charming party Tuesday afternoon, honoring her sister-in-law, Mrs. Oscar Hunt, of Greensboro, and Mrs. Harry Elyne, of Henderson, who, before her marriage last month, was Miss Janet Stewart, a popular member of the younger set here. Tables were placed on the spacious veranda and in the living room for bridge and rook. At the conclusion of the games a delightful salad course with accessories was served by the hostess, assisted by her sisters, Misses Alberta and Julia Hunt, and Mrs. J. A. Yates. Miss Hunt then led the guests into the dining room to a table of kitchen utensils for the recent bride. The guests were Mrs. Hunt, Mrs. Elyne, Ruth and Louise Rodwell, Linda Gray Clement, Rosa Owens, Genee James, Ivie Horne, Annie Hall Baily, Katherine Merrick, Emma Chaffin, Mary Stockton, Martha Call Willie Miller, Jane Hayden and Dorothy Gaither. Mesdames Max Brown, B. C. Clement, Jr., J. K. Meroney and Kim Sheek.

Mrs. Harry Fynez was again honored at a rook party given by Miss Ruth Rodwell on Wednesday afternoon. The spacious veranda was decorated with potted plants and her six tables were arranged for cards. As the guests arrived they were served a refreshing punch by Miss Elizabeth Rodwell. Mrs. J. K. Meroney won the prize for highest score and Mrs. Kyrie was presented with a book, entitled, "One Hundred Ways to Please a Husband." Delicious block cream and cake were served by Misses Louise and Elizabeth Rodwell, after which little Emily Rodwell, daintily dressed in white organdie, entered with an umbrella filled with a novelty shower for the bride. The invited guests were Mrs. Fynez, Misses Louise Jenkins, of Winston-Salem, Annie Hall Baily, Elva Sheek, Linda Gray Clement, Kopolia Hunt, Alvera Hunt, Julia Hunt, Rose Owens, Katherine Merrick, Genee James, Mary Stockton, Elizabeth Woodruff, Mae Neely, Jane Hayden and Dorothy Gaither. Pauline Casey, Ivie Horne, Mesdames Kim Sheek, John C. Sanford, J. K. Meroney, E. P. Crawford, Oscar Hunt, of Greensboro.

On Monday afternoon Sheriff Walker, Revenue Officer, Ratledge, and J. A. Craven, journeyed down in the Fork Church neighborhood and captured a small still outfit, 2 gallons of whiskey, one shot gun and a man by the name of Jones. The outfit was brought to town and the whiskey destroyed and Jones was placed under a \$500 bond for his appearance at the next term of Federal Court at Salisbury on October.

4,000 PEOPLE ATTEND SINGING AT CENTER

Largest Crowd Ever Assembled in Davie County, Except the Masonic Picnic Will Be Annual Event.

In July and August, 1876 the arboreal Old Center was built, and the first camp meeting was held on the second Sunday in September, 1876, and this had been the scene of many a pathos on various occasions, but never in the history of this old camp grounds had there been such a crowd as was assembled there Sunday for the second annual singing of the Old Christian Harmony Singing Class. The choir was composed of about 100 people of Davie, Davidson, Iredell, Rowan, Forsyth and Yadkin counties, of course there was other counties represented on the grounds and some may have been represented in the choir, but we are sure of the other counties being represented. Rev. W. V. Brown and three children, of Yadkin County sang three songs of the present days, with the exception of these the entire day was devoted to the singing of the Old Christian Harmony book, and was enjoyed by at least 4,000 people from all sections of this part of the state.

About 12:30 the choir adjourned for dinner. Well you never witnessed such a dinner as was served there Sunday, it was, indeed, the largest and best dinner ever spread on any occasion ever held in Davie county before, except the Masonic Picnic.

At 1:00 o'clock, A. M. (Call to order, by Mr. F. H. Beall, President North Carolina Guernsey Breeders Association. Address: Mr. Roland Rorer, General Agricultural Agent, Southern Railway, Atlanta, Ga.)

PICNIC DINNER. 1:30 P. M. PUBLIC AUCTION SALE. Twenty-seven Purebred Guernseys. Also a Number of Good Grade Guernsey Cows.

PROGRAM OF NORTH CAROLINA GUERNSEY FIELD DAY AND SALE TWIN BROOK FARM MOCKSVILLE, N. C., SEPT. 14, 1923.

SORE MUSCLES. Vacations are often spoiled by soreness resulting from outdoor games. A good massage with Vicks VapoRub gives surprising relief.

VICKS VAPORUB. Over 17 Million Jars Used Every Year.

SCHOOL OPENS. School Supplies. A full line of Pencils, Tablets, Inks, Book Straps, Pencil Sharpeners, Chalk, Waterman Fountain Pens, Etc. School opens Friday. Visit our store and get your supplies before opening day. Clement & LeGrand.

WINTER IS COMING! Save that Roof with Kurfees Roof Paint. Make your old furniture look new with Kurfees Varnish Stain. Don't let the rust get your car. Give it a coat of Kurfees Auto Enamel. Paint for all purposes. KURFEES & WARD, "On The Square."

Wood Saw For Sale, G. G. WALKER.

NO. 44

TRUTH, HONESTY OF PURPOSE, AND UNTIRING FIDELITY TO OUR COUNTY AND OUR FLAG IS OUR AIM AND PURPOSE.

Jerusalem Consolidated School Building A Model For The State

(Continued from page 1.)

Table with 2 columns: Item description and Amount. Includes 'Total area of office and library', 'Total area of ground covered by building', etc.

There is installed in the basement of the building a modern low-pressure steam heating plant of adequate size the cost of which is included in the above estimate.

The Directors have taken this building as a type on account of its being of good design, first-class workmanship in construction, absolute safety from fire or panic, economical as to cost, convenience and accessibility of classrooms with respect to auditorium, gymnasium, library, and principal's office.

All these items together with the ideal location and artistic surroundings make it well nigh a model school and worthy of inspection and study by boards of education, committeemen and superintendents who have a building program in contemplation.

STATE GUERNSEY MEETING BE HELD AT TWIN BROOK FARM

The forthcoming State Guernsey Meeting and Annual Sale, to be held at Twin Brook Farm, Sanford & Carter, Proprietors, Mocksville, N. C., Friday September 14th, continues to increase in interest.

This makes the third annual meeting and second annual sale held by the North Carolina Guernsey Breeders Association. Each meeting has attracted buyers from far and near, and the North Carolina Breeders have been paid a high compliment by attracting buyers from many states.

Each animal going into the sale has been carefully passed upon by a competent committee, who gave special attention to individuality, breeding, conformity and dairy type, which insures one of the best lots of animals ever brought together in North Carolina for sale purposes.

The Guernsey cow is fast becoming the most popular dairy breed in the South. The great demand for the Guernsey cow is proof of her popularity, and makes her the most profitable of all dairy types.

MILK SUPPLY IN 10 N. C. COUNTIES

Cows of These Have Been Tested; Protected Against Spread of White Plague

The milk supply of ten counties in North Carolina is now fully protected against the spreading of the great white plague, tuberculosis, the cows of these counties all having been tested, released and passed by officials of the State Department of Agriculture according to a report made public today by Dr. A. J. DePosset, inspector in charge of this work.

Inspections have been completed in three other counties, he said, and these will be recommended for release this month. Fifteen other counties have made appropriations for carrying on this work in conjunction with the Agricultural Department and North Carolina State College and inspections are now going on in nearly all of them, he added.

"Our records show," Dr. DePosset continued, "that less than two per cent of the cattle in North Carolina have tuberculosis at this time. This is in contrast to some of the states in the north, where from 21 to 40 per cent tuberculosis is common. I could go out in Vermont, where I was stationed previous to coming to North Carolina, and find more cattle infected with tuberculosis in one afternoon than we have found here in a month's time."

"North Carolina is wise to begin in time to eradicate this dreaded disease. The people have shown wisdom by wanting the work carried on. They will profit by the experience of the northern states. Where we find tuberculous cattle in North Carolina we can generally trace it to importations from some of the worst infected centers. For that reason those who buy cattle from other states should make sure that they are getting them from accredited herds. This will safeguard their purchases and also the cattle already on their farms."

Sanford and Carter, of Mocksville, the pioneer Guernsey breeders of Davie County are to be congratulated upon having the State Guernsey meeting and sale held at Twin Brook Farm, their splendid dairy establishment and live stock farm. It goes without saying, these two energetic and enthusiastic Guernsey men are doing a great deal towards plans looking to the most successful, as well as largest meeting and sale yet held in the State.

A feature of the meeting will be two splendid addresses in the one by Dr. B. W. Kilgore, Dean of the State College, Raleigh, N. C. Dr. Kilgore has for a long time been recognized as one of the foremost men in North Carolina, connected with the live stock and agriculture interests of the State, and he no doubt will have some mighty good advice to give out to the farmers and live stock men.

Mr. Roland Turner, a special representative of the Southern Railway, will be present and address the meeting. The Southern Railway, through its various departments, in the past ten years, has done much to create and develop the live stock industry of this and other Southern sections increasing the demand for more and better purebreds. Mr. Turner is a speaker of note and will attract a great many people.

The sale will be held promptly at 1:30 o'clock at Sanford & Carter's farm. All animals will be sold to the highest bidder. This sale will afford a splendid medium for farmers and live stock men of Davie and surrounding counties to purchase some of the best bred animals in the state at their own price. We encourage our farmers and stock men to consider this splendid opportunity and turn out and bid for the cattle.

Parties who are interested may write the Sales Manager, T. D. Brown, Salisbury, N. C. for catalog and full particulars of the Sale.

YOU need but 8 1/2 gallons of Certain-teed paint to give a store like this (30'x25') two good coats on all four sides. That comes to less than \$34 for the paint.

Certain-teed Paint advertisement with price list: House Paint No. 407 French Gray \$3.80, House Paint No. 448 Outside White \$3.95, Inside White Paint No. 449 \$1.10.

WALKER'S BARGAIN HOUSE Mocksville, N. C.

BETTER BREAD CAMPAIGNS IN 25 NORTH CAROLINA COUNTIES

Campaigns for better bread in every rural home were carried on by extension workers in 25 North Carolina counties last year. A typical campaign was conducted in Davidson County, according to a report received by the United States Department of Agriculture.

Demonstrations in bread and biscuit making were held in 72 communities in the county. Enrollment cards were provided to pledge the girls definitely to enter the better bread contest, and to secure the attention of all present at demonstrations were secured, whether they enrolled or not.

More than 500 people, in addition to the 559 girls enrolled, came to see the close of the contest. Many girls and women who did not enroll had used the standard recipes circulated by the home demonstration agent. It is estimated that at least 1,500 people were reached as 3,500 copies of the recipe for making bread were given out. Two hundred and seventeen contestants brought biscuits to the county contests and 65 schools held the try out contests. The first and second prizes at the State biscuit contest were held in this county and were well received by county councils and boards directing the use of county funds.

Advertisements for Baxter Byerly, M. D., Dr. R. P. Anderson, Dentist, and Dr. Lester P. Martin.

Jerusalem Consolidated School Building A Model For The State

Is a Model School and Worthy of Inspection and Study by Boards of Education, Committeemen and Superintendents who Have a Building Program in Contemplation.

The following extract is taken from the annual report of John J. Blair, director of schoolhouse planning:

"The committee appointed by the National Educational Association on standardization of school planning and construction adopted a scale showing the percentage of floor area which various portions of a school building should bear in their relation to the total square-foot area of the building. In thus standardizing a building it was determined that the percentage of space used for strictly instructional activities must be at least 50 per cent of the total floor area.

Unable To Get Poison Woman Takes Work

Salisbury, Aug. 31.—Going to a number of places hunting work and finding none Mrs. Alma Gertrude Ehrd, 26 years old, took a bottle of flowers to the grave of her husband then went to her home on Chestnut Hill and took bicloride of mercury tablets, dying from the effect of this poison at 11 o'clock last night.

MRS. VANDERBILT WILL PAY COUNTY TAXES OF MORE THAN \$25,000

Salaries of the three county commissioners, registrar of deeds, county treasurer, sheriff and county auditor can be paid and a margin left from the taxes that will be paid to Buncombe county this year by Mrs. Edith T. Vanderbilt, county tax books disclose, Taxes on the Vanderbilt property for 1923 will be \$25,539.

DISREGARD STOP LAW SAYS TRAINMEN

Engineers, conductors and other trainmen running out of Spencer in large numbers and in every direction, towards Asheville, Greenville, Columbia, Selma, Monroe, Va., and other places, state that the new state law requiring motorists to stop at grade crossings is being disregarded to an alarming extent.

MORRISON IS A GREAT GOVERNOR, JUDGING FROM WHAT HE HAS DONE, RATHER THAN WHAT A FEW CRITICS HAVE TO SAY--NORTH CAROLINA IS ON THE MAP NOW

We can understand why some people might not like Governor Cameron Morrison personally. Some show nature has so constituted us that many of our natures, apparently without cause, positively refuse to harmonize. In other words, there are some people that some of us just don't like, and we can't know why. It is pretty well put in the Mother Goose rhyme:

MORRISON IS A GREAT GOVERNOR, JUDGING FROM WHAT HE HAS DONE, RATHER THAN WHAT A FEW CRITICS HAVE TO SAY--NORTH CAROLINA IS ON THE MAP NOW

"I do not like you Dr. Fell, The reason why I cannot tell; But one thing I do know full well, I do not like you Dr. Fell."

This is perfectly natural, and knowing this we can understand why there might be those whose dispositions and personalities naturally clash with the Governors. While this is the case, we can't understand why any fair minded citizen can, with due deliberation, review the work which our governor has done since taking the oath of office, and realize the great progress made by the state under his administration, without being impressed with the fact that he is really making one of the best governors the state has ever had.

MASONS AT DURHAM ON 2ND OF OCTOBER

Will Lay Cornerstone With Grand Lodge Exercises--Regret Pres. Can't Come

President Coolidge's inability to attend the Bennett place memorial (deceit) October 2 will not cause any great change in the plans for the occasion, although regret was expressed.

66,000,000 CREDIT IS ARRANGED FOR CAROLINA COTTON COOPERATIVES

A. E. Bing, secretary and treasurer of the North Carolina Cotton Cooperative Association, and John H. Boushall, representing the Citizens National Bank of Raleigh, have just returned from New York City, where they concluded arrangements with the National City Bank for a line of credit for the North Carolina Cotton Growers Co-operative Association of \$6,000,000 and at a very satisfactory rate.

9905 NEW MEMBERS COOPERATIVE COTTON GROWERS

Raleigh, Aug. 31.—Reports from Cotton Growers Cooperative Association in nine of the twelve organized states show that 9905 new members have been gained during the progress of the membership campaign. Georgia leads with 6826; Texas second with 6871 and Oklahoma is third with 6082. Still larger additions are expected before the campaign closes.

AUTO DIMMER LAW IS NOT OBSERVED

Careful Night Drivers Compromise of Disadvantage They Have over Law Violators

The law relative to glaring headlights on automobiles is one of the traffic laws that is disregarded to a great extent and this is causing much complaint from drivers of cars who obey the law in this respect. There are many drivers of cars who at night will heed the signal from approaching cars to dim their lights and there are some who do this without waiting for the signal request. But there are legions of them, drivers of autos, with blinding lights, who pay no attention whatever to signals and do not cut down their lights when approaching other cars.

This is not only endangering the car that is approaching but also blinds the driver of the approaching car to such an extent that he cannot see objects directly in front of him and drivers of buggies and wagons, as well as pedestrians, have had many narrow escapes because some automobiles would not dim their lights and give the other autoist a chance.

WILL LAY CORNERSTONE WITH GRAND LODGE EXERCISES--REGRET PRES. CAN'T COME

Salisbury, Aug. 31.—Going to a number of places hunting work and finding none Mrs. Alma Gertrude Ehrd, 26 years old, took a bottle of flowers to the grave of her husband then went to her home on Chestnut Hill and took bicloride of mercury tablets, dying from the effect of this poison at 11 o'clock last night.

MRS. VANDERBILT WILL PAY COUNTY TAXES OF MORE THAN \$25,000

Salaries of the three county commissioners, registrar of deeds, county treasurer, sheriff and county auditor can be paid and a margin left from the taxes that will be paid to Buncombe county this year by Mrs. Edith T. Vanderbilt, county tax books disclose, Taxes on the Vanderbilt property for 1923 will be \$25,539.

DISREGARD STOP LAW SAYS TRAINMEN

Engineers, conductors and other trainmen running out of Spencer in large numbers and in every direction, towards Asheville, Greenville, Columbia, Selma, Monroe, Va., and other places, state that the new state law requiring motorists to stop at grade crossings is being disregarded to an alarming extent.

Strictly in Advance.

Entered at the post office at Mocksville, N. C., as second-class matter under the act of March 3, 1879.

Mocksville, N. C. Sept. 6 1923.

Just as we had been expecting, The 'Ku Klux' have sent Editor Sharpe of the Lumberton B. Beacon a letter. We don't know what they promised our friend Sharpe, but his reply was to the effect that if the writer would remove his mask and come into the Robesonian office the editor would be glad to discuss the matter with him.

We doubt that the news of the death of any one for some time was received with greater regret than that announcing the passing of Kate Douglas Wiggin in England several days ago. Her contributions to literature have been such as to mark her as one of the really great authors of the present day.

A news dispatch from Asheville says that the salaries of the three county commissioners of Buncombe county, the register of deeds, county treasurer, sheriff and county auditor can be paid with the money which Mrs. Edith Fanderbill will pay into the Buncombe county treasury this year for taxes. The news item says that Mrs. Fanderbill will pay \$25,539. When we think of such a tax bill we are already made to feel glad that the small fellow has some reason for consolation.

The formal opening of the bridge over the Catawba River near Charlotte recently, is said to have been the occasion of the gathering of a very large crowd. Seven counties were represented in the throng at the bridge. Automobiles were parked for miles on both sides of the river, according to reports. The large crowd that always attend the formal opening of some of our fine bridges these days, prove conclusively that popular sentiment is in favor of standing by what our State Highway Commission is doing in making North Carolina's highways second to none in the union.

Of course at this writing it remains to be seen what the outcome of Governor Pinchot's efforts towards bringing about a settlement of the so called strife between the coal mine owners and operators, will terminate in, but somehow we can see a kind of punch which the Governor of Pennsylvania is putting into the movement which in all probability will bring about favorable results. Frankly, we have very little sympathy for either the operators or mine owners. We can't help but believe that there is collusion between them. However, the general public is getting sick and tired of this coal strife, which seems to always schedule itself to arrive just at the time when people are thinking of filling their coal bins for the winter supply. As one writer expressed it, so far as we are concerned we don't care much what Governor Pinchot does to the coal people.

A CORRECTION

We wish to correct an error in the court proceeding in our last issue. The item read: "Sam Drakland and Mrs. J. E. Hege and A. N. P. L." It should have read Sam Drakland and Mrs. J. E. Hoyle. We make this correction with all apologies to the Hege's and truly trust that no one has been offended by same.

WOULD NOT LIVE IN THE WHITE HOUSE

Thinks People Would Pay the President's Hotel Bill While Another is Being Built.

Washington, Aug. 31.—The Rev. Arthur T. Abernethy, originally of Rutherford college, but now of Asheville, created a stir and mild sensation here today by saying that he would "serap" the present White House. He declared that if he were President he would rent it out and live at hotel.

Rev. Mr. Abernethy has started a movement to take up a collection for a new residence for the President of the United States. The Washington Daily News of this afternoon had this to say on the subject:

"Found: A man who would live in the White House if he could. The Rev. Arthur T. Abernethy was so heartbroken on inspecting the White House and finding how old fashioned and inconveniently arranged it is that he called up a millionaire friend and proposed that a national campaign be started to scrap the old building, sell the bricks as souvenirs and build a new and fitting device with the proceeds.

Sentiment, tradition and the conjuring atmosphere of antiquity mean nothing to this eager divine. He wants America to have a home for its President—it can be proud of—with a gold dome if necessary.

"Why, we have real estate operators in Asheville who have finer residences than the White House, he said, and the reporter thought that easy enough to believe.

"Abernethy today will present Col. C. O. Sherrill, in charge of public buildings and grounds, a plan to build a mansion at no cost to the government. "His friend, he said, would back a campaign to sell souvenirs from the old building throughout the world and make enough money to pay for a good hotel suite for the President while the new home would be building.

CURRITUCK PLANS MODEL SCHOOLS

Moyleck, Aug. 29.—The Currituck County Board of Education at its last meeting finally adopted a plan for the reorganization of its schools recommended by the United States Bureau of Education.

Miss Maud C. Newbury, a native of Maryland, specialist in rural education in the U. S. Bureau of Education, has been employed by the Board of Education to assist in putting the Bureau plan into operation.

The Bureau plan among other things calls for the establishment of two superior junior-senior high schools in the county, one at Poplar Branch, the other at Moyleck, and the transportation of all children above the sixth grade to these two high school centers; for the employment of teachers superior in training to those employed in the past; for the introductions of courses in home economics, agriculture and commercial subjects in the two high schools; and for the use of standard subject-matter and intelligence tests in the promotion of children.

As a result of the progressive steps taken by the Currituck County Board of Education a larger number of college and normal school graduates will be employed in the county than ever before; home economics, agricultural and commercial courses will be introduced in Moyleck and Poplar Branch high schools; the one-teacher schools at Tulls and Barco abandoned and the children transported to Currituck; the one-teacher schools at Gregory

DAVIE CO. SUNDAY SCHOOL CONVENTION SEPT. 8 AND 9

One feature of the approaching Davie County Sunday School Convention at the Baptist Church, Mocksville, Saturday and Sunday, September 8 and 9, 1923, will be the presentation of a beautiful pennant, 18 by 36 inches, to the Sunday School having the largest number of representatives over sixteen years of age, according to the number of miles traveled. The number of representatives from a given Sunday School will be multiplied by the number of miles from that church to the convention church, and the school having the largest total will receive the pennant. The Sunday School with which the convention is held, and any other school within one mile, will not compete for the pennant.

There will also be a roll call of township, when a record will be made of the number of Sunday Schools represented from each township, as well as the number of pastors, superintendents and teachers present.

The County and Township Sunday School Association officers who are promoting the plans for the convention are: County President, Mr. T. I. Cavell; County Secretary, Mrs. W. M. Seaford; Township Presidents: T. M. Hendrix, W. G. Sherman, F. M. Carter, Graham Cooper, Mrs. W. E. Kenner, C. S. Eaton and B. R. Garrett.

These officers are requesting the co-operation of all pastors, superintendents and other Sunday School leaders in the effort to make the convention a success.

The two out-of-county speakers on the convention program will be Mr. D. W. Sims, General Superintendent of North Carolina Sunday School Association, and Miss F.ora Davis, Assistant Superintendent. Both Mr. Sims and Miss Davis are well trained and experienced Sunday School workers. With these two outside speakers, and the splendid local talent, the county officers feel that an interesting program is assured.

The following have subscribed and renewed: L. P. Hopkins, W. L. Summers, J. Minor, Mrs. T. H. Gaither, T. L. Kelly, N. T. Foster, L. H. Crouse.

Our Honor Roll

ANNOUNCEMENT

We wish to announce to the public that we will be open for business in our new store in South Mocksville on Saturday, September 15, and will be able to supply your demands in general merchandise, groceries, country produce etc. Special for opening day: Gas at 2 cents per gallon less than regular price. J. S. GREEN, pd

and Corner Gum and the two-teacher schools at Indiantown abandoned and transportation furnished to Shawboro. Teachers equipped with every modern convenience are nearing completion at Knot's Island, Poplar Branch, Currituck and Moyleck. These buildings will be an aid in attracting and retaining in the county skilled teachers. The Currituck county schools will open on September 10. A teachers meeting will be held in the courthouse at Currituck on September 6 and 7. School terms at Poplar Branch and Moyleck will be nine months in length. All other schools will have eight months term. Adoption of Bureau plans calls eventually for nine months school for Currituck children.

MCKSVILLE GETS WESTERN NORTH CAROLINA FIELD TRIAL

The Western North Carolina Field Trial Association has decided to have its field trials near Mocksville this fall, and have fixed the date of the meet for November 14th. About 100 dogs will be entered in these trials and a large number of members of the association will be present to take part in the contests.

Quite a bit of interest is being manifested in the coming of these trials and they are going to be well attended by people from all sections of the country together with some of the very best bird dogs in the country. This Association would like to obtain some additional land for the trials and as there will not be any birds killed we think it is an easy matter to obtain the necessary amount.

A small fee will be charged to those desiring to enter their birds in this contest, the same to be used to defray the expenses of cash prizes, rents, etc. Anyone interested can obtain full particulars from Mr. B. C. Clement Jr., at Clement and LeGrand's Store.

School Opens Friday.
Friday morning at nine o'clock the Mocksville Schools will open what gives promise of being the most successful year of this history. An exceptionally fine faculty has been secured for the year. The grammar grade teachers beginning with the first grade are as follows: Miss Margaret Bell, Miss Genevieve James, Mrs. J. Anderson, Miss Clara Moore, Miss Clayton Brown, Miss Sallie Hunter, Miss Merrie Richardson. The High School teachers are Miss Annie Hall Baily, Latin and Mathematics; Miss Elizabeth Johnson, English; Mr. Leslie M. Broadwell, French and Science; Miss Jamie Mauney, Home Economics; Mr. E. C. Tatum, Agriculture; F. R. Richardson, History and Supt. Complete equipment for teaching Home Economics has been purchased, and this course promised to be very popular.

On Friday morning, grade and High School pupils will be classified and assigned to their seats. High School pupils will go before Mr. Richardson and Mr. Tatum to register for the courses to be taken. For all high books that are ordered by the High School, an order must be signed by the parent or guardian, because the book companies will not take any extra books, thereby causing the persons who order the texts each year to loose the price of the books ordered and later refused by pupils. ALL HIGH SCHOOL BOOKS ARE URGED TO PURCHASE THEIR SECOND HAND BOOKS BEFORE FRIDAY THE SEVENTH.

The public is invited to be present Monday morning at the formal opening.
F. R. RICHARDSON.

Hardison News.
Curing tobacco and saving feed is the order of the day along now. Mr. M. G. Brown and family, of Winston-Salem, are visiting their parents, Mr. and Mrs. C. S. Brown. Mr. and Mrs. Alex Keller spent a few days last week in High Point visiting their son, C. S. Keller. Craig Emerson spent Saturday night and Sunday in the Liberty community visiting his friend, Bill Hudson. Little Miss Louise Everhardt, of Cooleemee, spent last week with her grand-parents, Mr. and Mrs. R. J. Brown. Several of our people attended the old folks singing at Center Sunday. Mr. Walter Keller, of High Point, spent the week-end with his parents. Baby Nell Emerson, who has been lying sick with whooping cough, is better glad to note. Mrs. Jim Ellis, of Washington, D. C., spent a few days with her sister, Mrs. A. L. Bowles, last week.

Pastors Conference Post'ed.
Meeting of the Davie County Pastors' Conference has been postponed until Monday after the 14th Sunday in October. There will be a special program. Hope for a full attendance.

ADVANCE NEWS
Several of our folks attended the singing at Center last Sunday afternoon. Mr. and Mrs. W. V. Poindexter of Winston-Salem, spent the week-end here with home folks. Miss Eva Call, of Mocksville, was the guest of Misses Jake and Sudena Foster a few days last week. Messrs. W. H. and J. D. March, of Winston-Salem, spent a few hours Sunday with their mother, Mrs. O. M. March. Mr. and Mrs. L. L. Orrell, of near Lexington, spent Sunday with Mr. and Mrs. U. H. Orrell. Mr. Glenn white, of Winston-Salem, was in town Sunday. Mr. and Mrs. G. H. C. Shutt in Winston-Salem. Mr. Henry Orrell died at his home last Sunday about twelve o'clock, and was buried Sunday in the Shady Grove cemetery, Tuesday at two. He is survived by a wife and one daughter, besides a number of other relatives. To the bereaved we extend our sympathies. The Marriage of the Mid gets' or "The Tom Thumb Wedding" will be presented at the Methodist church here next Friday night, Sept. 7. This play is given under the auspices of the Ladies Aid Society, and proceeds go to the parsonage and church.

P. O. S. of A. Members Take Notice!
All members of Camp No. 52 P. O. S. of A. are urged to be present at the Camp next Monday evening, Sept. 10th, at 7:30 o'clock, and to bring with us that evening several State Officers, and a degree team from Statesville, who will give us something which you can't afford to miss. Refreshments consisting of ice cream, lemonade and cake will be served. A general good time for every one is expected. Come and enjoy the evening.

LIBERTY NEWS.
Mr. G. A. Laffer, who has been on the sick list is able to be out again. Miss Sadie Spay spent Sunday at Cooleemee with her sister, Mrs. Carl James. Mr. Frank Walford lost a horse last week. The cause of its death is unknown. Miss Willie McCulloch entertained the little folks of this community at an ice cream party Saturday afternoon. There were 35 children, ages from 3 to 10 present. A most enjoyable two hours was spent in playing and feasting. Mr. E. M. Sorner and family have moved from this community to Winston-Salem. Mrs. Amy Carter is visiting her daughter, Mrs. A. T. Laffer, near Cooleemee Junction. Mr. and Mrs. J. G. McCulloch and son, James, of Winston-Salem, visited at Mrs. Alice McCulloch's Saturday night. Miss Gussie Livengood, of Cooleemee, spent the week-end with Miss Lula Spay.

DAVIE ACADEMY NEWS
The greater part of our citizens attended the Civitan Harmony singing at Center last Sunday. Mrs. J. C. McDaniel is right sick at this writing, we are sorry to note. Mr. Shirley Nichols and family of Winston-Salem, are visiting relatives in our community. Our farmers are very busy priming and curing tobacco. As a result of the recent dry spell, cotton is shedding badly and the crop will be cut short. Late corn also suffered as a result of the drought, but the good rains last week helped a great deal for which we are all thankful.

The AUTUMN EXPOSITION
Enters a new season of greys and greens--rich, lovely tones which but offset the glorious shades of Autumn itself. Enters, too, a new mode, reflecting in flared godets, circular flounces, new straight-line silhouettes and gay embroideries the smartest trends of the new fashions. The new modes, the new greys and greens, the new adaptations to protect you from Autumn's chilly winds are all represented here in every detail. And there's variety to insure satisfactory selection in every instance. We cordially invite you to come in now and view these displays.

LOVELY Are The NEW HATS For FALL
They bring out the pleasant contours of a woman's face, and by their soft Autumnal shades and their delicate adornment brighten the tint of her hair. It is for such qualities as harmony, and smart distinction that we have selected these New Hats for Autumn presentation.

NOTICE! We wish to announce that Mrs. Henry Mickey has just returned from New York where she purchased the Fall line of Millinery for our store, she has much in store for the women of Davie County in regard to head wear for Fall and Winter and will be glad to talk to anyone that is interested in securing the very latest style for the coming season. Remember if your hat is wrong it creates the wrong impression of your whole ensemble. New Fall Modes that will lend just the right touch to your new outfit are here in an exceedingly wide variety of styles.

New Fall Fabrics
Have you ever tried making your own clothes? If not, you can't possibly know how fascinating it is to select your own materials, a pattern and finding and make things for yourself and the children. Besides, think how much you save in doing this. You will find here one of the finest selections of Sewing Aids anyone could possibly wish for. On display here you will find the new Woolens, Silks and Crepes all represented in the new Fall colorings that will be worn this Fall and Winter. To fully appreciate these new Fall Fabrics they must be seen, so we suggest that you come in as soon as possible and look them over.

PROGRAM OF NORTH CAROLINA GUERNSEY FIELD DAY AND SALE TWIN BROOK FARM MOCKSVILLE, N. C., SEPT. 14, 1923.

Farm Animals in City School

The girls of Mocksville may be proud of the fact that they may bring their sewing to school and learn to be educated housekeepers but they have nothing on the boys who are planning to take Agriculture in the high school.

Of course, there will be the usual classroom work but in this work the practical phases are emphasized which means that all instructions will center on the animals themselves rather than textbooks used. Each boy taking the work will have some kind of farm animal to care for.

The farm shop is to be completed early in the year and any farm represented in the school by an agricultural student will have full benefit of the shop tools and equipment and any farm convenience that can be made by the students in their shop work.

It can readily be seen that the work this year in agriculture is as possible and any boy who is interested in this work can well afford to take advantage of the unusual opportunities offered by the Mocksville High School.

Farmers Take Notice!

There will be a meeting a 4:00 p. m. Tuesday, Sept. 11, on T. L. Caudell's farm, on the road from Davis Cross Road to Fork Church. To discuss the problems confronting the farmers today on soil building.

Mr. E. C. Blair, Extension Agronomist from Raleigh and his staff will be there to go over the work started in soil improvement on Mr. Caudell's farm. Soil improvement of course is a rather slow process and unless there is lots of money spent on soil improvement it takes quite a while to build soil up.

I hope quite a number of farmers will attend this meeting and take advantage of what we are trying to do.

FARMINGTON NEWS

The Baptist meeting began Sunday at eleven. Rev. Mr. Byrum of Greenwood Baptist Church Winston-Salem is assisting. Rev. Hall and his wife are able preaching. The attendance is good and a profound interest is being shown.

Mr. Thomas Redman has been right sick for the past few days. Hope for her a speedy recovery. The relatives and friends of Mrs. Bettie Linville, Vestal of Winston-Salem were made sad early Sunday morning when a message was received of her death on Saturday night.

May God's richest comforts and blessings be with the bereaved parents, brother, sister and husband.

Dr. and Mrs. L. P. Martin, of Mocksville were guests of Mrs. Martin's parents Mr. and Mrs. F. H. Bahnsen Sunday. Mrs. Cavington of Winston-Salem is visiting her daughter Mrs. C. O. Kennerly.

Mr. C. C. Williams has purchased the nice home of Mr. F. H. Redmon in South Farmington and is moving his family this week. Miss Pauline West of Winston-Salem was the week-end guest of her parents.

To most everybody 30 x 3 1/2 means USCO

NATURALLY USCO'S could hardly have delivered such money's worth tire after tire - without making a clean sweep.

It's been a pretty performance every time - no two opinions about that. And no two opinions about what tire to get again after a man has once used USCO.

SCHOOL OPENS

School Days Near! Time to Get Ready!

Approaching school time not only calls to the kiddies, but to the parents as well. We are ready, now, to outfit the little ones with merchandise of quality at value-giving prices.

Table listing children's shoes, Bradley sweaters, and boys' suits with prices.

C. C. Sanford Sons Company Mocksville, N. C.

LOCAL AND PERSONAL

Colony and Comings of the Populace of Mocksville and Surroundings.

Miss Ruth Boop spent Monday in Greensboro.

Mrs. Mollie Jones spent Saturday in Salisbury with Mrs. M. E. Kelly.

Mr. W. H. Leach, of Winston-Salem, spent the week end with relatives here.

Mr. and Mrs. Sterling Kelly, of Duke, announced the birth of a daughter, Janet O'Neil.

Miss Hattie Holland, of Statesville, is spending this week with her sister, Mrs. M. D. Pass.

Miss Louise Jenkins, of Winston-Salem, was the recent guest of her grandmother, Mrs. L. G. Gathier.

Mrs. J. W. Speight, of Roper, is the guest of Mr. and Mrs. John Sanford, the latter her daughter.

Mrs. E. L. Gathier, Mrs. R. B. Sanford, and Miss Sarah Gathier were visitors in Winston-Salem Saturday.

The teachers will arrive Thursday for the first teachers' meeting, and school opens Friday morning.

R. S. Kelly and little son, of Duke, are visiting his father, Mr. T. L. Kelly, and his aunt, Miss Sallie Kelly.

Miss Mattie Connor Cherry returned home Thursday from an extended visit to relatives in Norfolk, Va.

Mr. W. B. Granger and others left Tuesday morning to attend the Old Soldiers Reunion in Winston-Salem.

Mrs. J. F. Leach and children spent a few days last week with her sister, Mrs. E. A. Dean, at Cleveland.

Rev. A. C. Swafford is spending several days this week at Blowing Rock and other points in the mountains.

Dr. L. H. Clement, and L. H. Clement, Jr., and Master Hayden Clement, of Salisbury, were visitors in town Sunday.

Prof. and Mrs. F. R. Richardson and children have returned from a trip to Blowing Rock, Boone, and Spartanburg, S. C.

Mr. and Mrs. O. M. Hunt and children, of Greensboro, were recent guests of Mr. Hunt's parents, Mr. and Mrs. E. E. Hunt, Sr.

Mr. and Mrs. Bruce Craven, of Trinity, and Mrs. A. M. McGlamery, of Greensboro, visited their father, Mr. M. R. Chaffin, this week.

Messrs. John and Joe Kimball, former residents of this place, were visitors in town Sunday. Mr. Joe Kimball is a brother-in-law of Mrs. Kate Holman.

Dr. and Mrs. R. P. Anderson, and the former's Sunday School class of boys spent two days camping at Pilot Mountain last week, and report a fine time.

Mr. and Mrs. J. B. Johnstone

Several Mocksvillians motored down to Cooleemee and took in a good ball game between Cooleemee and Kannapolis.

Miss Sarah Clement, of Oxford, who has been attending summer school at Columbia University, New York City, visited hereabouts, Mrs. Jane Dula, in Cooleemee, last week.

Mrs. O. H. Perry has returned to her home in Raleigh, after a visit to her mother, Mrs. William Miller. Mrs. Herbert Birdsall, of Mooreville, spent the week-end with her mother, Mrs. Miller.

Mr. J. S. Green is moving his stock of goods from the Jericho community into his new house in South Mocksville. We are glad to have Mr. Green with us. See his announcement in this issue.

Prof. R. D. W. Connor, of Chapel Hill, arrived this week to join Mrs. Connor, who is visiting her mother, Mrs. Phillip Hanes. Prof. Connor occupies the Kenan Chair of History at the University.

Mr. and Mrs. J. B. Whitley and children returned to their home in Winton Monday. They were accompanied by Rev. and Mrs. W. B. Wall who will spend some time with relatives and friends.

Mrs. Jennie Strickland, of Durham, and daughter, Mrs. A. W. Couch and two children were visitors this week of Prof. and Mrs. F. R. Richardson. Mrs. Strickland is an aunt of Prof. Richardson.

Mr. and Mrs. Dave Hayes and Mrs. Hattie Campbell, of Harmony, and Mrs. Milton Campbell, of Asheville, and Mr. Conrad Campbell, of St. Louis, Mo. spent Sunday afternoon with Mr. and Mrs. J. B. Campbell.

Mr. and Mrs. E. W. Crow and children, of Monroe, have returned home after a visit to Mrs. Crow's mother, Mrs. Phillip Hanes. They were accompanied by Miss Laura Walsh, of Monroe, who has been the guest of her cousin, Mrs. B. M. Johnson.

Rev. and Mrs. E. M. Cole, who have a host of friends here, were visitors in town Friday, en route from a mountain trip to their home in Kernersville. Rev. Mr. Cole has been superintending the building of a new Methodist church in Kernersville, which has been copied by a number of churches elsewhere.

The Ladies Wesley Bible Class of the Methodist church met at the home of Mrs. H. C. Meroney on Thursday afternoon. Practically all the members were present and an interesting business session was held. Following the election of new officers a tempting salad course with iced tea and sandwiches were served by Mrs. P. G. Brown, Mrs. Roy Holthouser and little daughter, Helen. The class was invited to meet with Mrs. C. C. Cherry in October.

On Monday afternoon Sheriff Walker, Revenue Officer, Ratledge, and J. A. Craven, journeyed down in the Fork Church neighborhood and captured a small still outfit, 2 gallons of whiskey, one shot gun and a man by the name of Jones. The outfit was brought to town and the whiskey destroyed and Jones was placed under a \$500 bond for his appearance at the next term of Federal Court at Salisbury in October.

4,000 PEOPLE ATTEND SINGING AT CENTER

Largest Crowd Ever Assembled in Davie County, Except the Masonic Picnic

Will Be Annual Event.

In July and August, 1876 the arbor at Old Center was built, and the first camp meeting was held on the second Sunday in September, 1876, and this had been the scene of many a gathering on various occasions, but never in the history of this old camp grounds had there been such a crowd as was assembled there Sunday for the second annual singing of the Old Christian Harmony Singing Class. The choir was composed of about 100 people of Davie, Davidson, Iredell, Rowan, Forsyth and Yadon counties, of course there were other counties represented on the grounds and some may have been represented in the choir, but we are sure of the other counties being represented. Rev. W. V. Brown and three children, of Yadon County sang three songs of the present days, with the exception of these the entire day was devoted to the singing of the Old Christian Harmony book, and was enjoyed by at least 4,000 people from all sections of this part of the state.

About 12:30 the choir adjourned for dinner. Well you never witnessed such dinner-as was spread there Sunday, it was, indeed, the largest and best dinner ever spread on any occasion ever held in Davie county, before, except

Several Mocksvillians motored down to Cooleemee and took in a good ball game between Cooleemee and Kannapolis.

It was a pitchers battle from start to finish, with both teams giving good support except the right fielder for Kannapolis who made several costly errors. Features of the game was a home run by Kelly, Cooleemee's second baseman, who hit a fast one over center field fence. Earned runs, Cooleemee 2; Kannapolis 0. Umpires Bost and Shoaf. Time 1:40.

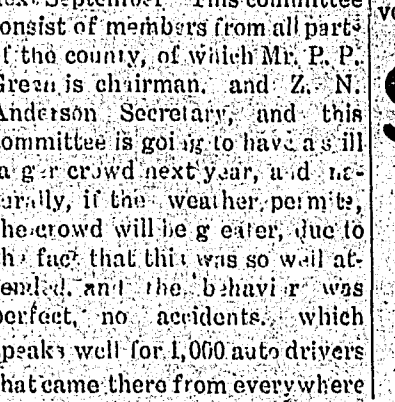

The sad news has been received here of the death of Mrs. Bettie Linville Vestal, of Winston-Salem, which occurred there Saturday night. The deceased, who was a lovely character, was the wife of T. F. Vestal, and the daughter of Mr. and Mrs. James A. Linville. She formerly lived in Mocksville, and had many friends here. The funeral services were conducted at Burkhead church, of which she was a devoted member. Surviving are the husband, and parents, two sisters, Mrs. S. F. Gordon, of Bdin, and Miss Beatrice Linville, of Winston-Salem, and one brother, Albert Linville, of Winston-Salem. Several from here attended the funeral of Mrs. Vestal.

Miss Kopleia Hunt gave a very charming party Tuesday afternoon, honoring her sister, Mrs. Oscar Hunt, of Greensboro, and Mrs. Harry Fyde, of Henderson, who, before her marriage last month, was Miss Janet Stewart, a popular member of the younger set here. Tables were placed on the spacious veranda and in the living room for bridge and pool. At the conclusion of the games a delightful salad course with accessories was served by her sisters, Misses Alverta and Julia Hunt, and Mrs. J. A. Yates. Miss Hunt then led the guests into the dining room to a table of kitchen utensils for the recent bride. The guests were Mrs. Hunt, Mrs. Fyde, Misses Elva Sheek, Pauline Casey, Ruth and Louise Rodwell, Linda Gray Clement, Rose Owens Goleme James, Ivie Horne, Annie Hall Baily, Katherine Meroney, Emma Chiffin, Mary Stockton; Martha Call Willie Miller, Jane Hayden and Dorothy Gathier, Mesdames Max Brown, B. C. Clement, Jr., J. K. Meroney and Kim Sheek.

Mrs. Harry Fyde was again honored at a rook party given by Miss Ruth Rodwell on Wednesday afternoon. The spacious veranda was decorated with potted plants and her six tables were arranged for cards. As the guests arrived they were served refreshing punch by Miss Elizabeth Rodwell. Mrs. J. K. Meroney won the prize for highest score and Mrs. Fyde was presented with a book, entitled, "One Hundred Ways to Please a Husband." Delicious block cream and cake were served by Misses Louise and Elizabeth Rodwell, after which, little Emily Rodwell, daintily dressed in an umbrella filled with a novelty shower for the bride. The invited guests were Mrs. Fyde, Misses Louise Jenkins, of Winston-Salem Annie Hall Baily, Elva Sheek, Linda Gray Clement, Kopleia Hunt, Alverta Hunt, Julia Hunt, Rose Owens, Katherine Meroney, Goleme James, Mary Stockton, Elizabeth Woodruff, Mae Neely, Jane Hayden and Dorothy Gathier. Punch Casserole, Pete Horne, Mesdames Kim Sheek, John C. Sanford, J. K. Meroney, E. P. Crawford, Oscar Hunt, of Greensboro.

SORE MUSCLES

Vacations are often spoiled by soreness resulting from outdoor games. A good massage with Vicks VapoRub relieves.

Jerusalem Consolidated School Building A Model For The State

(Continued from page 1.)

Total area of office and library	800 square feet
Total area of ground covered by building	18,904 square feet
Total area of all floor and basement (inside measurement)	24,323 square feet
Total area taken up by 300 running feet of partitions	200 square feet
Total area used for instructional purposes	18,584 square feet
Total area of auditorium and balcony	3,153 square feet
Total area of classrooms	10,752 square feet
Total area of boiler and fuel room	5,200 square feet
Total area of lavatories and toilets	2,280 square feet
Total area of boys' play and recreation room	1,410 square feet
Total area of girls' play and recreation room	996 square feet
Cubic contents of building	1,200 square feet
Cost of building	1,440 square feet
Cost per cubic foot	332.224 cubic feet
Percentage of instructional area to total inside floor area	\$60,000
	18 cents
	76 per cent

There is installed in the basement of the building a modern low pressure steam heating plant of adequate size, the cost of which is included in the above estimate. Other basements excavations furnished space for lavatories, shower baths and play-rooms, which can be used as places of refuge by pupils in cold or inclement weather.

The Directors have taken this building as a type on account of its kind of good design, first-class workmanship in construction, absolute safety from fire or panic, economical as to cost, convenience and accessibility of classrooms with respect to auditorium, gymnasium, library, and principal's office.

All these items together with the ideal location and artistic surroundings, make it well nigh a model school and worthy of inspection and study by boards of education, committeemen and superintendents who have a building program in contemplation.

STATE GUERNSEY MEETING HELD AT TWIN BROOK FARM

The forthcoming State Guernsey Meeting and Annual Sale, to be held at Twin Brook Farm, Sanford & Cartner, Proprietors, Mocksville, N. C., Friday September 14th, continues to increase in interest. Many inquiries are being received from all over North Carolina, Virginia, South Carolina, Georgia, Alabama and Tennessee, for catalogs and particulars of the sale and meeting. A few inquiries have been received from the State of Florida, thus showing the wide publicity being given to this big sale and Guernsey meeting.

This makes the third annual meeting and second annual sale held by the North Carolina Guernsey Breeders Association. Each meeting has attracted buyers from far and near, and the North Carolina Breeders have been paid a high compliment by attracting buyers from many states. It is the object of the Association to make each year better, and looking to this end, careful attention is being given to this year's meeting.

Each animal going into the sale has been carefully passed upon by a competent committee, who gave special attention to individuality, breeding, conformity and dairy type, which insures one of the best lots of animals ever brought together in North Carolina for sale purpose.

The Guernsey cow is fast becoming the most popular dairy breed in the South. The great demand for the Guernsey cow is proof of her popularity, and makes her the most profitable of all dairy types.

Among the consignors to this sale are such well known breeders as Sanford & Cartner, Mocksville; C. F. H. & L. Beall, Linwood; N. C. C. L. Neel, Salisbury; N. C. S. W. Miller, Mt. Ulla; N. C. H. B. Hellig, Salis-

MILK SUPPLY IN 10 N. C. COUNTIES

Cows of These Have Been Tested; Protected Against Spread of White Plague

The milk supply of ten counties in North Carolina is now fully protected against the spreading of the great white plague, tuberculosis, the cows of these counties all having been tested, released and passed by officials of the State Department of Agriculture according to a report made public today by Dr. A. J. DeFosset, inspector in charge of this work. Inspections have been completed in three other counties, he said, and these will be recommended for release this month. Fifteen other counties have made appropriations for carrying on this work in conjunction with the Agricultural Department and North Carolina State College and inspections are now going on in nearly all of them, he added.

"Our records show," Dr. DeFosset continued, "that less than two per cent of the cattle in North Carolina have tuberculosis at this time. This is in contrast to some of the states in the north, where from 21 to 40 per cent tuberculosis is common. I could go out in Vermont, where I was stationed previous to coming to North Carolina, and find more cattle infected with tuberculosis in one afternoon than we have found here in a month's time.

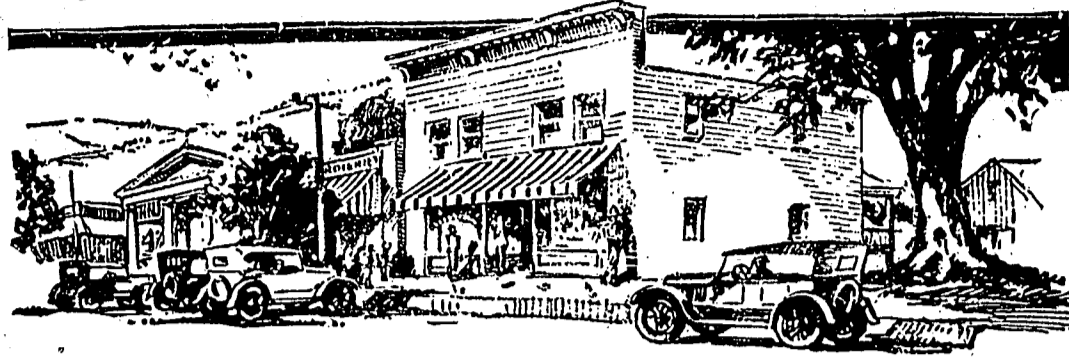

"North Carolina is wise to begin in time to eradicate this dreaded disease. The people have shown wisdom by wanting the work carried on. They will profit by the experience of the northern states. Where we find tuberculous cattle in North Carolina we can generally trace it to importations from some of the worst infected centers. For that reason those who buy cattle from other states should make sure that they are getting them from accredited herds. This will safeguard their purchases and also the cattle already on their farms."

Along with his praise, however, Dr. DeFosset finds something to criticize, he says, "I am disappointed, however, to find so few cattle on the farms in North Carolina. With its climate and ideal conditions for year round grazing this state could be made a great cattle breeding state. These cattle could be used to restock those farms in the north which will have to get a new supply when the owners clean out their tuberculous cows. From what I have seen since coming to this state to succeed Dr. Paul Vaughn, I am sure that North Carolina needs more cattle. We are trying to make health conditions better for these cattle so that the herds may be built up without danger of infection by tuberculosis.

Every month for the past 15, Dr. DeFosset said, North Carolina has led in the other states of the union in the number of herds tested for tuberculosis. In July the workers of State College and the State Federal department of agriculture tested 2,582 herds comprised of 6,246 head of cattle. To date Buncombe, Cabarrus, Cumberland, Davidson, Davie, New Hanover, Pender, Rowan, Scotland and Forsyth counties have been released by the secretary of agriculture. Alamance, Wayne and Greene will be released August 1. Work is being done and will commence shortly in McDowell, Union, Mecklenburg, Stanley, Robeson, Randolph, Guilford, Rockingham, Wilson, Durham, Franklin, Halifax, Iredell, Wake and Stokes counties. Greene county has distinguished itself by not having a single cow showing tuberculosis symptoms when tested.

Paint for this Store less than \$34.00

YOU need but 8 1/2 gallons of Certain-teed paint to give a store like this (30'x25') two good coats on all four sides. That comes to less than \$34 for the paint. People are repelled by a shabby appearance, but a bright, attractive store front certainly does draw trade to its doors. When you can brighten up your store at so little cost, can you afford to put off painting? Whether you need paints, varnishes, or enamels, come in and let us show you how little it takes.

For all purposes, indoors and outdoors, Certain-teed gives utmost service. It can't be beat for holding its color and wearing.

WALKER'S BARGAIN HOUSE

Mocksville, N. C.

BETTER BREAD CAMPAIGNS IN 25 NORTH CAROLINA COUNTIES

Campaigns for better bread in every rural home were carried on by extension workers in 25 North Carolina counties last year. A typical campaign was conducted in Davidson County, according to a report received by the United States Department of Agriculture. The cooperation of the county commissioners was first asked, and through them all demonstration and printing were financed. Four trips to the State short course for girls were offered as prizes, and two trips to the 1922 State fair at Raleigh, N. C. by two business men and four banks of the county.

Demonstrations in bread and biscuit making were held in 72 communities in the county. Enrollment cards were provided to pledge the girls definitely to enter the better bread contest, and to secure the attention of all present at demonstrations were secured, whether they enrolled or not. When the enrollment card were returned each girl entered was provided with a record book in which results were to be noted for six weeks. Many wrote for these books, "Mother says my bread is better than hers," other discovered why their biscuits were not good.

More than 500 people, in addition to the 569 girls enrolled, came to see the close of the contest. Many girls and women who did not enroll had used the standard recipes circulated by the home demonstration agent. It is estimated that at least 1,500 people were reached as 3,500 copies of the recipe for making bread were given out. Two hundred and seventy contestants brought biscuits to the county contests and 65 schools held the try out contests. The first and second prizes at the State biscuit contest were given out. The first and second prizes at the State biscuit contest were given out. The first and second prizes at the State biscuit contest were given out.

AMERICAN RED CROSS IS READY TO SERVE

U. S. Anxious About Condition of Embassy at Tokio And Ships In Harbors.

The American Red Cross headquarters awaited word from the society's central committee in the Philippine Islands and in China as to the number of nurses and the amount of supplies available for quick dispatch to the Japanese earthquake zone. Instructions to forward this information were sent the committees, and Red Cross officials said appropriation to finance the relief would be made as soon as the needs are determined. The organization also awaited a reply to its message to the Japanese government asking what assistance was required.

Anxious as to the condition of the United States embassy at Tokio, the navy's hospital at Yokohama and the fate of American shipping in the harbors of the razed cities, the State and Navy departments were still endeavoring to get in direct touch with their representatives in the immediate vicinity. In sending instructions to Vice-Admiral Anderson, commander of the Asiatic fleet, which is now near Perth Arthur, to rush vessels to Yokohama to give all possible relief, the navy department asked that he report as quickly as possible on American interests in the affected zone.

Further expression of the sympathy of the American government in the catastrophes was conveyed by Acting Secretary Phillips of the State department in a message cabled to the American ambassador at Tokio for the Japanese government.

CHARLOTTE GETS 17TH ANNUAL VETERANS CONVENTION

Winston Salem, Sept. 5.—After deciding to hold the 17th annual reunion in Charlotte and electing officers, the North Carolina Confederate veterans closed their final business session at 12:15 o'clock today. The registration showed over 1,000 Tar Heel soldiers in attendance, besides a number of visitors from Virginia. It was generally conceded to have been the very best and one of the most interesting conventions yet held.

General William A. Smith of Ansonville, was elected commander-in-chief by unanimous vote. Brigade commanders chosen include: First brigade A. H. Boyden, Salisbury; second, P. J. Alton, Louisburg; third, George H. Hall, Red Springs; fourth, James W. Goodwin, Asheville.

The concluding prayer, which was a beautiful invocation, was offered by Major Giles Buckner Cooke, the last survivor of Gen. Robert E. Lee's staff, who is also an Episcopal minister.

General A. H. Boyden stated that he had been authorized by General A. J. Bowley, commander of Fort Bragg, to invite the veterans to meet there next year, but that he thought the acceptance of the invitation should be deferred in view of the warm hearted welcome that had been extended by Charlotte. He then moved the acceptance of Charlotte's invitation.

The veterans passed a resolution thanking General Bowley for his generous invitation.

22,191 MARRIAGES AND 1,317 DIVORCES

That Report Made for North Carolina For 1922; No Divorces in Nine Counties

There were 22,191 marriages performed and 1,317 divorces granted in North Carolina during the calendar year 1922, according to returns received in Washington by the bureau of the census and announced by the department of commerce.

During 1916 the last year for which these statistics were compiled by the bureau of the census, there were 21,337 marriages and 668 divorces in North Carolina. No divorces were granted in 1922 in nine counties of North Carolina, according to the report of the bureau of the census, which is subject to correction, the report being only preliminary. These counties are Clay, Dare, Davis, Hyde, Ilico, Onslow, Pender, Polk and Tyrrell. Numbering 103, Buncombe county had the largest number of divorces according to the report, which places Forsyth county second in this list with 89 divorces and Mecklenburg county third with 88 divorces.

The statistics for the report on marriages and divorces in 1922 were furnished the bureau of the census by the clerk of the superior court of each county. The report for counties in the Piedmont section follows:

In Ashe county there were 113 marriages and 10 divorces; in Alleghany, 97 and 4; in Davidson, 285 and 10; in Davie 131 but no divorces; in Forsyth, 822 and 89; in Guilford, 915 and 89; in Iredell, 317 and 8; in Randolph, 284 and 12; in Rockingham, 316 and 12; in Iowan, 375 and 30; in Stokes, 123 and 8; in Surry, 270 and 13; in Wilkes, 232 and 6; in Yadkin, 138 and 1.

EDITOR PARNELL HURT WHEN AIRPLANE FALLS

Mebane, Sept. 6.—C. F. Parnell, editor of the Mebane Enterprise, was painfully hurt, while William H. Fillmore, pilot, escaped injury when Fillmore's flights at the Four-county fair, was wrecked here this afternoon about 4:30 o'clock.

The plane was preparing to make its first flight over the fair grounds when the engine went dead 200 feet in the air. Mr. Fillmore, by skillful work, brought the plane to the ground but it struck a large oak in the emergency landing field, severely shattering it. The damage is estimated at \$2.00. Mr. Fillmore has wired for material with which to repair it and it is expected that it will be able to show the fair attendants some stunts in the air before the end of the week.

The pilot declared that during last night someone poured over two gallons of water into his gasoline tank which naturally caused the engine to die in a short time after ascending the air. He has offered a reward of \$500 for the arrest and conviction of the culprit.

Mr. Parnell was injured about the back and his legs were painfully lacerated. His condition isn't serious.

Mr. Fillmore is originally from Missouri, but has lived in the state for some time. At present Reidville is his headquarters.

WE ARE PROUD AND HAPPY OVER THE THINGS THAT HAVE BEEN DONE DURING PAST TWO YEARS

The Enterprise in considering some of the things that have transpired in Davie County since the present management took over way for the immediate future, certainly has good reasons for congratulating itself, Mocksville, and all of Davie County. Since that time the government of our county has been absolutely revolutionized and revolutionized for the better, very much for the better. Davie County has built many miles of fine, first class highways, a considerable amount of street paving has been done in Mocksville, a city water system installed and an electric lighting system for the town is now under way. Much building has gone on in our town. In fact the entire county seat of Davie County has been revolutionized in a municipal, business and industrial way, and we are building one of the finest public school buildings in the state. In other words Mocksville has come into its own and is decidedly getting on the map as one of the coming towns of the state.

But here's where we come in for congratulating ourselves. Since the present management took over the Enterprise a little over two years ago we have increased our paid up circulation more than 400 per cent. In other words, our paid up circulation today is more than four times as large as it was in July 1921 when we took over the paper. We believe that this almost miraculous increase in circulation has been due to the fact that we have given our readers one of the best weekly newspapers in the state, but the hopeful sign to us is that the people of this town and county appreciate a good paper and they have shown this appreciation by the support which they have given the Enterprise. Davie is a small county and Mocksville is not as large a town as some of the county seats but we venture the assertion that the paid up circulation of the Mocksville Enterprise at this time is at least 33 1/3 per cent greater than the circulation of many papers in much larger towns and counties in the state. With the coming of electric lights and power it is our purpose to add new machinery and equipment to our plant and keep pace in every way with the progress of our town and county. We have not yet succeeded in getting everybody on our mailing list, but we have come very near it. The Enterprise now covers Davie County almost as completely as it is possible for any paper to cover its territory. Nevertheless, we are very anxious for the remaining few who do not take the paper to subscribe to it at once. It is our purpose to give our readers a better paper this fall and winter than we have ever given them before. If you are not a subscriber you can't afford to miss these fine issues that are in store for you in the future. If you are a subscriber and your subscription has about expired, don't fail to renew promptly in order that you may not miss a single issue.

The time has come when there is nothing wrong with Davie County, and the time has come when there is nothing wrong with Davie County's home paper, the Mocksville Enterprise.

Ford To Consider Milder Offer For Muscles Shoals

Coolidge Requests Weeks to Make the Auto Magnat a Modified Offer, Far Less Rigid Than Former Proposal

Washington, Sept. 6.—Henry Ford took under advisement today a request, by Secretary of War Weeks, confirmed in by President Coolidge, to modify his offer for the purchase and lease of the government's power and nitrate projects at Muscle Shoals, Ala. Mr. Ford is expected to give his final decision after thorough consideration at Detroit.

Secretary Weeks was understood to have asked Mr. Ford to eliminate the Gorges power plant on the Warrior river from his proposal for the operation of the Muscle Shoals property. Secretary Weeks is said to believe that the government would be compelled under a contract agreement, to sell the Gorges plant to the Alabama Power company, and that the plant could be eliminated without sacrifice of power and the Detroit manufacturer has a view.

In the event the Gorges property is eliminated from the plan Mr. Ford seeks to purchase, it is planned that the money paid by the government by the Alabama Power company would be allowed as a credit on the purchase price fixed by the Ford offer.

Throughout the congressional hearing on the Ford proposal, representatives of the Detroit manufacturer insisted that the Gorges unit be included, and they steadfastly refused suggestions from members of the house and senate committees that it be eliminated.

Mr. Ford is said to hold the same opinion today, and to still believe that the property is indispensable to the success of the plan he has in mind for development of the shoals properties.

Neither President Coolidge nor Secretary Weeks was willing that the Alabama Power company should be allowed to buy the Gorges plant until Mr. Ford had been consulted. The power company had formerly offered \$3,000,000 for the plant, and if the sale is executed, it is understood that this sum would be deducted from the \$5,000,000 which Mr. Ford offered for the Gorges plant and the nitrate factories.

The Alabama Power company, acting in accordance with the agreement entered into with the government when the Gorges plant was constructed, have served notice that the war department should vacate the property not later than October 14.

Presumably Mr. Ford's answer to the request to eliminate as a part of his purchase offer will be made known to the war secretary before the date fixed for the evacuation.

No Vocabulary Would Suffice To Describe Scenes Adequately Following Earthquake In Japan

Eye-Witness Report Says Crazed, Horrified Refugees Stormed to Parks to Escape the Flames--But Many of Them in Vain--Children Torn From Parents and Wives From Husband--In Chaos and Pandemonium--Screams Mingle With Thunderous Noises

London, Sept. 6.—A Central News dispatch from Kobe, dated today, says:

"It is reported here, but not confirmed, that cholera has broken out in Yokohama. This probably is true, since the people are drinking muddy water from ditches and eating food fit to stave off starvation.

"A spread of pestilence would increase the difficulties of relief work, as otherwise supplying food and shelter would be comparatively easy.

Honolulu, Sept. 6.—No other word but "hell" can depict the scene in Tokio during and after the earthquake, according to the Tokio correspondent of the Hawaii Shippo, who today sent from Sendai, Japan, an eye witness story of the disaster. "No vocabulary, he declared, would suffice to describe it adequately.

"The first great quake came at 11:55 a. m., Saturday, last," the correspondent said: "It was with out warning. Most of the buildings of Tokio collapsed at the first shock. The center of the quake seemed to be in Tokio and Kanagawa, but it was felt throughout the entire region between Nagoya on the southwest and Aomori on the north, a region comprising the northeastern half of the island of Honshu.

"The earthquake was preceded by a tremendous landslide along the Sagami coast. Fires which followed in the wake of the earthquake were partially due to the incendiaryism of Koreans who applied torches to fall in buildings.

"With the proclamation of martial law, General Fukuda was appointed emergency commander of the Tokio area. Admiral Nomura, commander of the Yokohama naval base, was appointed commander of the area including Yokohama and Yokosuka.

"Among the known dead are Baron Y. Matsukata, member of the privy council; Baron Y. Sotoda, member of the imperial council.

"After the earthquake Tokio was a living hell. Crazed, horrified refugees stormed the parks to escape the flames. Those who were too slow or too weak from exhaustion and excitement were soon overtaken by the flames which engulfed them. The fire spread with remarkable rapidity.

"In the chaos, and pandemonium, children were torn from their parents and wives from their husbands. The surviving populace ran wildly about, shelter seeking, their screaming mingled with the crackling of mountainous flames, explosions, and other thunderous noises.

"In a short time thousands of bodies were strewn about the streets. The imperial gardens and the military barracks throughout the city were opened to refugees. The cabinet appropriated 9,600,000 yen for relief."

The correspondent said he reached Sendai only after a series of indescribable adventures.

FORD CO.'S CASH BALANCE NOW \$210,293,929

PROSPECTS FOOD FOR CATAWBA COUNTY FAIR

The Ford Motor Company's total cash balance of \$210,293,929, including the good will item charged at \$20,517,986, as announced last Tuesday for the compilations made from the "balanced sheet" as of June 30 last, is the largest cash holding ever reported by any industrial concern in the world, it was declared in financial circles last week.

The minimum profits indicated for the four months, ending June 30, by a comparison of profit and loss, surplus of the company's June 30 report and with a more detailed report filed in Massachusetts, were \$54,351,560, equal to about \$315 a share on its 172,466 shares of stock. Allowing for moderate depreciation, annual earnings on the company's stock capitalization, now are placed in the "four figure class," all of which accrue to the Ford family, in which the entire ownership of the concern is vested.

Total assets of the company are \$597,000,000, compared with less than \$100,000 twenty years ago when it was organized in Michigan. Henry Ford's total capital capital investment then was only \$28,000, some of which had been subscribed by friends.

Newton, Sept. 8.—The prospect for a good county fair this fall is the best in the history of "fair work in Catawba county." A water system has been installed, improvements have been made in the lighting system, a large race track has been built and a big grandstand has been erected. All of these things will add to the comfort of the people and the interest of the fair. The county, as a whole has had fair seasons up to this time and it is expected that the exhibits will be better and larger in number than ever before. With the increase in premiums in some departments, the added space for exhibits, the conveniences put in for the comfort of the people, there is no reason why the number of exhibits should not reach 2,500.

These community fairs will be held the later part of this month, and these community fairs will go to the county fair to compete for the \$100 in gold to be given away under the First National bank of Hickory for the best community fair exhibit. The fair association will also offer smaller premiums for these exhibits.

Watch for the stamp and send your renewal.

Mocksville, N. C. Sept. 13 1923

We fail to see how any one can consider the promptness with which the nations of the world went to the rescue of the stricken earthquake district of Japan...

The business done in Mocksville during the coming fall and winter is going to be practically what the merchants of Mocksville make it...

Community singings seem to be getting stylish these days. Recently one of these was held in Morganton...

We pass this along for the consideration of Mocksville people. The community sing last Friday night evidenced at least two things...

When people sing they forget petty differences of opinion, jealousies and fancied wrongs. It puts them in a better humor toward the world in general...

Then these out door community gatherings get our people together in a way that is not possible even through the churches...

When the covenant of the League of Nations was first drafted, article 10 was the first section assailed by enemies of that great instrument...

Let's have singings and other community gatherings often!

When the covenant of the League of Nations was first drafted, article 10 was the first section assailed by enemies of that great instrument...

that time were in hearty sympathy with his position. The editor of this paper supported article 10 with all the vigor at his command...

We also believed then that a failure of the League of Nations meant another plunge into the darkness for the Lord knows how long...

Now then another fire brand has been turned loose in Europe with only one hope of its being extinguished before all Europe shall be plunged into another dreadful war...

It is making a desperate effort to hold itself together and at the same time bring about a peaceful settlement of the Greco-Italian dispute...

It remains to be seen what the final outcome will be. Although crippled and, in a measure, rendered impotent...

We have hopes that the League of Nations will be able to prevent war between Greece and Italy, which, if done, will mean the prevention of war between England and maybe other European powers...

When people sing they forget petty differences of opinion, jealousies and fancied wrongs. It puts them in a better humor toward the world in general...

Then these out door community gatherings get our people together in a way that is not possible even through the churches...

When the covenant of the League of Nations was first drafted, article 10 was the first section assailed by enemies of that great instrument...

MANY MASONS HEARD MR. WICKER'S LECTURE

A large number of Masons of the thirtieth district were present at the Masonic Temple Friday night, and enjoyed the illustrated lecture delivered by Dr. W. C. Wicker...

Dr. Wicker's lecture was illustrated by moving pictures, and he delivered his message in a most interesting style...

Death of Mr. P. J. Thompson

Mr. P. J. Thompson died at his home in Spencer, Sept. 2, age 73 years, 5 months and 1 day old. He was first married to Miss Ruth McCubbin...

CANA NEWS

Mr. McCormick, buyer for the Co-operative Tobacco Association at Statesville, has been here looking after the interest of the members of the Association...

Miss Grace Eaton has gone to Fugate Springs, where she will teach school.

Mr. and Mrs. Sanford Stone-street, Mr. and Mrs. W. S. Collette and two children visited relatives in Winston-Salem Sunday.

A most interesting session of the Woman's Missionary Union was held at Eaton's Church last Sunday afternoon.

Mr. R. W. Collette and family visited at Statesville last Sunday. The family of G. Leagans, R. F. Collette, R. W. Lummsgr, with Messrs. Chas. and James Eaton...

NORTH CAROLINA GUERNSEY FIELD DAY AND SALE SEPT. 14

The Members of the North Carolina Guernsey Breeders Association extend to you a most cordial invitation to attend their Annual Field Day and Guernsey Sale to be held at Twin Brook Farm, Mocksville, N. C., Friday, September 14th, 1923.

The animals going into this sale were carefully selected by a competent committee, and they come from the best herds in the State, owned by the most prominent breeders.

The speakers for the occasion are well known. They are recognized as leaders among those who are doing so much towards building up the South from an Agricultural and Live Stock standpoint.

A splendid and profitable time is assured all who attend. The program follows: 11 O'clock, A. M. Call to Order, by Mr. F. H. Beall, President North Carolina Guernsey Breeders Association.

Address: Dr. B. W. Kiigore, Dean State College, Raleigh, N. C. Address: Mr. Roland Turner, General Agricultural Agent, Southern Railway, Atlanta, Ga. Picnic dinner.

1:30 P. M. Public Auction Sale Twenty-seven Purebred Guernseys. Also a number of Good Grade Guernsey Cows.

Several of our young people are leaving to fill their winter duties. Misses Mary and Margaret McMahon will go to Greensboro and Miss Hester Swing to Taylorsville where they will teach.

Mrs. Ray Delle and little daughter, Elizabeth, of Salisbury, are spending some time with their parents, Mr. and Mrs. G. B. Harding.

Rev. C. O. Kennerley will fill his appointment at Pino Sunday night Sept. 16. The public is cordially invited.

Miss Ethel Cranfill, of Winston Salem, was the week end guest of her parents, Mr. and Mrs. A. H. McMahon.

Mrs. I. M. Laham, who has been right sick is improving we are glad to note.

Friday evening at the home of her parents, Mr. and Mrs. John Minor, Miss Kathryn Minor delightfully entertained for the N. C. C. W. girls at a lovely handkerchief shower. The guests were met at the door by the hostess, Miss Minor, and were ushered into the parlor where, for a time, music was enjoyed.

New Fall Goods Arriving

Our buyer just spent two weeks in the Northern Markets buying an immense stock of merchandise. Most of it has arrived and is now on display. The largest and best selected stock we have ever shown EVERYTHING IN MILLINERY, DRESSES, COATS, COAT SUITS, CLOTHING, SHOES, STETSON HATS, DRY GOODS AND NOTIONS.

COME LOOK THEM OVER More Goods for same Money, Same goods for less Money.

THE J. N. LEDFROD COMPANY Department Store Coolee, N. C. Davie County's Largest Store.

FOR RENT - a good 2 or 3 horse prop. - Good buildings. G. K. Gibbs, Advance, N. C.

FOR TRAVEL - Faded frocks - smartly trimmed with silk braid, play an important part in Autumn's fashions. This tailored model with long fitting sleeve is most practical on voyage.

COLORED EMBROIDERY - is a feature of the mode. This frock made of the accepted Piquette; a lustrous wool twill cloth in Navy and Brown is trimmed with squares of various colored silks.

HERA CLOTH - is smart, when blended in two-tone combination with wool crepe, as illustrated. Autumn's wooded shades are particularly inviting - also Navy and Tan. Black and Squirrel.

DRAPES - made in silks that flatter, lend themselves to every whim of fashion. The mode sponsors the use of a knitted material with lustrous surface for slenderizing lines.

FOR SPORT - Plaid - a new note in woollens forms the frocks illustrated. Simple, dignified and practical, it takes an undisputed place in the wardrobe of the outdoor Miss.

FOR EVENING - Chim-Ring - expresses the present day longing for pleasing individuality. Combined with crepe Elizabeth this gown has a slenderizing effect upon Madame.

MOLLY-O-CRPE - affords the brilliancy of satin and the subtlety of crep. This misses' frock makes smart use of the lustre and shining radiance of Mallinson's Molly O.

LOCAL AND PERSONAL

Owen left this week for Winston-Salem, where they will teach in the city schools.

Mr. C. R. Horn, who had his tonsils removed at Long's Sanatorium, Statesville, recently, is doing very well.

Mr. and Mrs. J. F. Hawkins, of Burlington, came in Monday afternoon to spend several days with their parents, Mr. and Mrs. L. G. Horn.

Mrs. A. A. Holleman has returned from Salisbury Hospital, where she underwent an operation. Her many friends will be glad to know that she is getting along nicely.

Miss Lucile Martin will leave this week for Trinity College, Durham.

Mr. and Mrs. W. C. Brown, of Winston-Salem, were pleasant visitors Saturday.

Attorney E. L. Gaither spent several days this week in Boone and Wilkesboro on business.

Don't forget the North Carolina Guernsey Field Day and Sale Twin Brook Farm Friday.

Mr. and Mrs. Silas McBea are visiting Mrs. McBea's parents, and Mrs. C. F. Moroney.

Miss Margaret Whitaker has gone to Troy where she is a member of the school faculty.

Mrs. T. H. Gaither, of Monticello and Orlando, Fla., is visiting her sister, Miss Sallie Kelly.

Miss Hazel Baily left this week for Meredith College in Raleigh, where she will enter the junior class.

Prof. and Mrs. R. D. W. Corbin, of Chapel Hill, spent several days last week with Mrs. Philip Jones.

Miss Hazel Baily left this week for Meredith College in Raleigh, where she will enter the junior class.

Prof. and Mrs. R. D. W. Corbin, of Chapel Hill, spent several days last week with Mrs. Philip Jones.

JERUSALEM CONSOLIDATED SCHOOL BUILDING, COOLEMEE, N. C.

Ambassadors Have Saved Day For The League Of Nations

Rome, Sept. 8.—Italy accepts the terms of the council of ambassadors and agrees to evacuate Corfu and adjacent islands when Greece has satisfied all of Italy's demands for reparations.

A semi-official statement says the government will consider its demands satisfied as soon as Greece carries out the demands of the council of ambassadors, which are substantially the same as those Italy forwarded to Greece.

Paris, Sept. 8.—A feeling of relief and optimism is prevailing tonight in official and diplomatic circles which look with satisfaction upon the action of the inter-allied council of ambassadors in the Greco-Italian crisis.

After notifying Greece of the terms of the settlement that had been agreed upon by it at yesterday's session, the council met this afternoon to draw up the instructions which will be given to the inquiry commission, to be appointed by it, in its investigation of the assassination of the Italians which brought about the controversy.

Thus, all the council's machinery will be ready for prompt action as soon as a reply is received from Greece.

All the danger has been taken out of the crisis, officials here are inclined to believe, though it is everywhere recognized that considerable more negotiations would be necessary before the matter is finally settled.

The action of the ambassadors has been received with great satisfaction in French circles, where it is regarded as a triumph for Premier Poincaré who has insisted all along that there was very great danger if the parties tried to settle it. This method of settling the Jamina affair, which it is considered here gives full satisfaction to Italian national honor, is expected to have some effect on the Fiume controversy.

PARNELL CAPTURED AFTER SPECTACULAR MAN-HUNT

Salisbury, Sept. 7.—Trailed all afternoon yesterday, through last night and part of today by officers and citizens, Walter S. Parnell, young white man who yesterday shot Deputy Sheriff Lee Rankin, was captured this afternoon several miles from Statesville.

Davis County raised \$1151.21 for Near East Relief this year, according to official figures just announced from Raleigh by Col. George H. Bellamy, state chairman of this great humanitarian organization.

In announcing these figures, Col. Bellamy paid tribute to John B. Johnston, county chairman, who was in charge of raising this sum and all of those who helped Mr. Johnston.

It was an exciting 24-hour hunt and Parnell was in sight of his pursuers several times. One man shot at him several times with a shotgun at close range but missed him.

As the Near East Relief, in its definite child saving program, works from year to year, results of work from July 1 to the following June 30 only are announced.

The report will also show that North Carolina greatly over-subscribed its quota. Over 1,000 volunteer workers, good Christian men and women, marshalled together and directed by Morris A. Beale, state director, made possible the raising of this magnificent sum, Col. Bellamy declared.

The spectacle of an entire nation being saved by another people 3,000 miles away is without parallel in history. Col. Bellamy pointed out. In conclusion he declared that if America does not feed them and keep them alive now, they will starve and our splendid work of the last five years will have been in vain.

DAIRMEN PREPARING \$5,000,000 EXHIBIT

Valuable Live Stock and Most Improved Equipment Will Be Shown at Syracuse.

Cattle, horses, and equipment valued at \$5,000,000 will be included among the exhibits at the National Dairy Exposition to be held for the first time in this State at the State Fair grounds at Syracuse, N. Y. from Oct. 5 to 13 inclusive.

An announcement issued by those interested in the National Dairy Exposition says that the death-rates among babies would increase one hundred (100) that the characteristic energy of the American people would disappear and that listlessness and sickness would appear.

Improvement in dairy methods will be further illustrated by many of the most recent machines, showing how cows are milked, how milk and cream are separated, how milk is bottled and how the products of the cow are treated in various other ways.

One of the most elaborate exhibits will be designed to show the value of milk as food. Good fatness representing vitamins, which are said to invigorate children and to make their muscles hard and strong, will be seen by visitors at the exposition.

Special cars will take visitors to the National Dairy Exposition from California, Utah, Chicago, Minneapolis, Philadelphia and North Carolina. The collection for the exposition was constructed by the State at a cost of \$500,000, and the cost of staging the big dairy show is estimated at \$200,000, not including the expense of building the arena.

Birthday Dinner.

The friends and neighbors of Mr. R. L. Danner of near Bear Creek gathered at his home Sunday, Sept. 9, and gave him a surprise birthday dinner, it being his fortieth birthday. Those present were as follows: Mr. and Mrs. John Anderson and children, Mrs. C. L. Anderson, Mrs. G. K. Jones and children, Mr. Avery Anderson, of Winston-Salem. All left wishing him many more happy birthdays.

RELIEF FUND IS NOW \$6,285,000

N. Y. County Chapter Sends Check for \$600,000.—Gen. Pershing Makes Appeal

Washington, Sept. 14.—The American Red Cross relief fund for Japanese earthquake and fire sufferers tonight exceeded by a million and a quarter dollars the original \$5,000,000 asked. The total reported up to 6 p. m., was \$6,285,000, with donations coming in steadily.

The six divisions to which the work of collecting funds was allotted, four have exceeded their quotas and the others are making ground rapidly, it was announced at Red Cross headquarters. A check for \$600,000 was received today from the New York county chapter, bringing the cash received at headquarters up to \$3,670,000. A check for \$25,000 from the Knights of Columbus was received by Chairman in John Bator Payne.

In a letter made public by the Red Cross, General Pershing, who at one time served as military attaché in Japan, called upon everyone declaring the best the country could do would bring but a small alleviation of the terrible conditions.

"This disaster is a world tragedy and all civilized countries are rallying to the assistance of their stricken associates," said General Pershing. "The United States must not be surpassed in this service of mercy."

The subscriptions to the fund to date by divisions follow: Washington \$3,644,000; New England 434,000; Southern 151,300; Central 1,000,000; Southwestern 350,000; Pacific 508,500; Insular and Foreign \$201,000.

The visitors of the Winston-Salem and Forsyth County Fair, Oct. 2, 3, 4, 5, 1923, will have the pleasure of witnessing many new features looking to their entertainment. They have a total of 80 feet to their already mammoth Grand Stand, giving it a seating capacity of 5,800. They have also arranged 400 box seats, making it possible for a patron to secure a seat in advance of each performance, thus not suffering any inconvenience.

Wheat As A By Product Of Farming—Its Value As A Soil Builder And An Ally To Stock Raising

Some weeks ago the Enterprise had somewhat to say regarding the low price of wheat when considering the high cost of production. The editor of the Manufacturers Record seems to have been thinking along this same line. In a recent issue of that publication the following sensible discussion of the advantages of wheat raising as a by product of the farm, was carried and we believe that our farm readers will profit by thinking seriously along the line discussed.

We do not in the slightest degree minimize the plight of some wheat growers who have been frightened by the pessimistic talk which has helped to break down the price of wheat. But there is one phase of wheat farming which must always be taken into consideration. Now, if any newspapers in the United States receive for their subscriptions anything like the actual cost of printing the paper, but the loss on circulation must be accepted as inevitable under present conditions of newspaper work and the profit must come from the advertising which is created by circulation.

The farmer does not raise wheat purely on the basis of cost of wheat without taking into account other factors connected with wheat growing. Wheat is a part of the rotation of his crops and the improvement of his land and the raising of live stock. In some sections of the West wheat has unwisely been made as important as a one-crop system as cotton has been in some parts of the South. In that case the wheat growers' loss is a total loss, but to a large extent what is raised as one part of a rotation of crops. The land needs the change from one crop to another. The production of wheat followed by that of corn and of grass helps to maintain the live stock interests and, all combine to maintain the fertility of the soil and on well regulated farms to increase its fertility. Wheat could no more be dropped out in a well rounded farm operation of this kind than the circulation of a newspaper could be done away with on the ground that circulation was a loss and that the advertising must be had without circulation.

Many industries lose on one part of their operations, if considered entirely by themselves, but that losing part, as in the newspaper business, an essential factor in the general success of the scheme. Farming must be regarded on the same basis. The farmer may lose on one thing, but he may make it up in increasing the fertility of his soil or in carrying on some other farming operations for the production of other crops.

There has been entirely too much pessimistic talk about wheat. One might almost be inclined to believe that some of this propaganda has been put out by the speculative interests, desiring to prove that recent laws against speculation have been responsible for the decline in price. So persistent and widespread has been this pessimistic propaganda talk about wheat and our inability to market it and the unprofitable price which the farmers are receiving, that anyone who has followed the propaganda work of foreign governments and of many business interests and political movements during the last ten years is compelled to feel that back of all of this pessimistic talk has been some influence which put it into movement, and which helps to spread the doctrines of pessimism and a lack of foreign markets.

Their leading musical organizations, Victor and His Famous Concert Band, with it is Miss Louise Ball. A noted Soprano Soloist, they are preparing for an hour's concert each day in which community singing will be introduced. They are also bringing some of the world's greatest horse-back riders in both ladies and men with their wonderful feats. Each evening the most elaborate program of fireworks, including the spectacular Mystic Chimes will be given. The horse races this year promise to be the most exciting. Already 102 horses have been entered, coming from the stables of 20 of our states, also from Canada. This means that the boys will have for money. They are holding the price of general admission to the same prices, 50c for adults and 25c for children, not making any charges for vehicles. They are also giving free admission on Friday to all white school children, including teachers, of the following counties: Ashe, Guilford, Davidson, Davie, Yadkin, Wilkes, Surry, Stokes, Rockingham, Watauga, and Forsyth. This is being coming a big day for the fair. There is one thing that the fair can leave from this fair. Over the grounds they have seats. The spirit which those in charge of the fair show to the visitor makes you feel that you are a part of the city of New York one of the fair.

FINDS 6,000 MILES HIGHWAYS IN N. C.

State Is Retiring Large Bond Issues Without Property Tax

J. Fred Essary, one of the Washington correspondents of the Richmond Times-Dispatch, who has been investigating North Carolina's highway system has the following to say concerning the results being achieved by road builders in that state: "The net results is that, for more than 6,000 miles of hard surface and low grade highways will be built by the end of 1925, a system unsurpassed by any in the south."

Mr. Essary particularly praises the trunk line system, which connects every county with every other county seat with the shortest possible route. He says that purely local interests are being discarded and "up to this time politics has been literally outlawed in the carrying out of the program."

The correspondent reports that when completed two years hence, the North Carolina road system will be the most modern, mile for mile of any on the continent. It will be the most modern because it will be the newest, and it will have been built practically all at once, instead of piecemeal.

So successful was North Carolina's first road bond issue of \$50,000,000 that the legislature of 1923, with hardly a handful of dissenting votes, authorized an additional bond issue of \$15,000,000. Speakers at the recent convention of the Virginia Good Roads Association deplored the fact that politics are holding back a progressive road building program in Virginia, but expressed the belief that ultimately Virginia would fall in line with her sister states, which through bond issues, are constructing modern highway systems.

Although it has floated and is retiring large bond issues, North Carolina, unlike Virginia, has no property tax for the building of its state highway system.

NAVY CURTIS RACER SETS NEW AIR SPEED RECORD

Mineola, N. Y., Sept. 13.—A navy Curtiss racer, piloted by Lieutenant Harold J. Br. W. U. S. N., of Providence, R. I. today established a new world's speed record by traveling 244.15 miles an hour, or more than four miles a minute, over a one-kilometer course at Mitchell field.

PAYS HIGHEST TRIBUTE TO AMERICAN SIGNERS

President Coolidge Declares It Privilege To Live Under Our Constitution.

New York, Sept. 16.—To live under the American constitution is the greatest political privilege that was ever accorded to the human race, it was declared by President Coolidge in a message made public today by the National Security League in connection with its plans for the celebration tomorrow of the 136th anniversary of the signing of the constitution.

"It is an inspiration to know that the members of the National Security League are to observe constitution day," said the President's message. "The constitution is not self-perpetuating. If it will survive it will be because it has public support. It means making adequate sacrifice to maintain what is of public benefit."

"The constitution of the United States is the final refuge of every right that has been enjoyed by any American citizen. So long as it is observed, those rights will be secure. Whenever it falls into disrespect or dispute, the end of orderly organized government as we have known it, for more than 125 years will be at hand. The constitution represents a government of law. There is only one other form of authority and that is a government of force. Americans must make their choice between these two. One signifies justice and liberty; the other tyranny and oppression. To live under the American constitution is the greatest political privilege that was ever accorded to the human race."

A GOOD NIGHT'S WORK FOR THE P. O. S. OF A

Hickory, Sept. 16.—Forty Hickory men were initiated into the mysteries of the Patriotic Order Sons of America here last night, with a crack degree team from Statesville demonstrating the work. The secret work was followed by a banquet in Pythian hall, for which covets were laid for a large company.

A Birthday Party.

At her home on Cans Route 1, little Miss Jafra (Manda) Ferabee entertained a number of her little friends and cousins on the evening of Sept. 13th, in honor of her birthday. She was assisted in receiving her guests by little Miss Margaret Collette. And it was a very easy matter for the little folks to count the five green candles on the big white birthday cake. After all the guests arrived, they spent a very pleasant time at story-telling, little songs and picture-making, including the Teddy bears, kittens and the dolls of all sizes. Soon after this a large basket of apples was brought out and a real scramble of little bodies took place. Following came little Misses Annie Lois DeRabee and Margaret Collette serving cake and ice cream.

At five o'clock the invited guests began to leave for their homes, leaving the little honoree many nice little presents, and wishing that they themselves might soon have a birthday party.

MOCKSVILLE ENTERPRISE

Published Every Thursday at Mocksville, North Carolina.

A. C. HUNYECUTT Publisher.

Subscription Rates: \$1 a Year; Six Months 50 Cents. Strictly in Advance.

Entered at the post office at Mocksville, N. C., as second-class matter, under the act of March 3, 1879.

Mocksville, N. C. Sept. 20 1923

If Japan has ever doubted that the United States is a real friend to that country we should certainly think that this doubt ought now to be thoroughly removed. The promptness with which the American people contributed of their means liberally to help the earthquake stricken district in Japan should mean much towards cementing the bonds of friendship between America and Japan.

Over in Albemarle just at this time the Daughters of the Confederacy have a campaign on the to raise funds with which to erect a \$10,000 monument to the Confederate Veterans of Stanly County. This calls to mind that this county has never honored its confederate soldiers with a monument, and we would suggest that it is getting about time some movement was being started along this line. Only a few more years and all of the old veterans will have passed away. Surely we could afford the expenditure of the necessary money for erecting a monument to commemorate their brave deeds on the various battle fields during the Civil War.

From the immemorial farmers have been accustomed to pulling fodder. No one has stopped to think for a minute that this was a bad practice. Occasionally during the past years there have been farmers who have suspected that the fodder-pulling habit is an extravagant one but the farmers generally have been, and still are, "from Missouri". Our friend Noah Hollowell, in his paper, the Hendersonville News, last week, carried the following interesting editorial on this question:

"That's the advice the agricultural experts hand out to the farmer. They tell him all about why he shouldn't do it. Farmers don't believe it, have no faith in it, else they wouldn't pull fodder. We know they wouldn't do it because it calls for hard work. Memories of fodder pulling time even haunt us to this day. We don't know anything we thought so little of as the sweat, toil, dirt, itching sensations, chapped hands and other uninviting elements of fodder pulling unless it was pulling a cross-cut saw under a blazing August sun.

"A mowing machine will save as much roughage in an hour as one man can save in a week by pulling fodder and every time a dollar's worth of fodder is pulled, a dollar's worth of corn is lost," is the way E. C. Blair, extension agronomist for the State College and Department of Agriculture explains his condemnation of the bad practice of fodder pulling in North Carolina.

"It seems that many of our farmers do not believe that good roughage can be grown, or at least quite a large number of them are not taking advantage of the fact. Or else why should they worry with fodder pulling by hand when a few acres of soybeans or some other legume may be grown and cut for hay? The mowing machine can save as much roughage in an hour as a man can save in a week by pulling fodder, and such hay as furnished by soybeans and other legume crops are more nutritious and less costly to save than fodder.

"Then too, every dollar's worth of fodder pulled causes the loss of a dollar's worth of corn, so

FIVE THOUSAND REPORTED DEAD IN FLOOD IN JAPAN

London, Sept. 16.—Five thousand persons are reported to have perished in the floods which followed upon the typhoon at Tokoro, northwest of Kobe, Japan, Saturday, according to an Osaka dispatch to the Central News.

The rivers Fukurem Chyo and Takimi burst their banks, destroying many villages. The terrific downpour of rain has been general. Both Tokohama and Tokio have suffered greatly from the deluge and railways are crippled by the floods.

The imperial princes have decided to return to Tokio.

ADVANCE OF \$60 A BALE BY CO-OP COTTON ASSN.

Raleigh, Sept. 19.—General Manager Blalock of the North Carolina Cotton Growers Cooperative Association authorizes the announcement that a flat advance of \$60 a bale will be made on all cotton delivered to the association—this is the latest announcement and made by order of the Board of Directors. It takes the place of the order announcement of \$50 a bale. Members that have already received checks for the additional advance. The advance applies to all bales weighing 400 pounds and more and on bales weighing less than 400 pounds the advance will be at the rate of 12 cents a pound, basis middling.

U. S. BUTTER OUTPUT MORE VALUABLE THAN COTTON CROP

New York, Sept. 14.—The total value of butter produced in the United States in 1921 was \$649,475,337, or nearly \$6,000,000 greater than the value of the 1921 cotton crop.

The wheat crop that year had a value of \$731,068,000, according to a study of the butter and cheese markets just completed by Charles F. Junod, vice president of the Bank of America. He found that the butter received in New York in 1922 totaled 241,604,065 pounds and had a value, at one average price of 40.7 cents per pound, of \$98,332,864.

The Girl We All Like

The girl who is sunny. The girl who has a heart. The girl who is cultured and refined. The girl who appreciates good music. The girl who has a conscience and lives up to it.

The girl who stands for the right if need be. The girl who is true to her friends. The girl who sings from her heart. The girl who knows how to say "No" to that which is wrong.

The girl who confides in her mother. The girl whose religion shines in her life.—Selected. that the work of pulling fodder is thrown away. Would you pay a dollar a day for the privilege of working at a job that paid you only a dollar a day? That's just what pulling fodder amounts to, for the yield of corn is decreased as much as the fodder is worth.

MOCKSVILLE SCHOOL OPENS WITH LARGE ENROLLMENT

Monday morning September 10 the Mocksville Schools opened with the largest enrollment in its history. The High School enrolled 85, the Grammar Grades enrolled 284, while the colored school enrolled 102.

Several interesting speeches were at the opening exercises. Mr. Jacob Stewart, Miss Bertha Lee and Mr. J. F. Moore represented the board of trustees. A good number of patrons were present to encourage the teachers and pupils. The very best faculty in the schools history has been secured. Each teacher holds a college diploma, and all but one hold certificates above elementary.

Hardison News.

Mr. Owens the Mc Ness man was a visitor in our neighborhood last Monday. Mr. Harvey Tutterow and family, of the Liberty community, visited at Mr. Alex Keller's Sunday. Mr. J. F. Everhardt and family, of Coolee, visited their parents, Mr. and Mrs. R. J. Brown Sunday afternoon.

Mr. Boman Prather, of the Kappa community, visited J. S. Emerson Sunday afternoon.

Miss Blanche Brown left last week for Gastonia, where she will teach school this winter.

Mr. B. Smith and family, of the Jericho community, visited at A. L. Bowles' last Sunday.

MOCK'S CHURCH NEWS

One of the largest crowds ever gathered at Mock's Church assembled there on last Sunday at the beginning of the revival meeting. There were people from Winston, Thomasville Mocksville Coolee and many other far off places. Rev. Mr. Parker, of Thomasville, is assisting Brother Varner in the preaching. We are looking forward to a great revival before the meeting closes.

Miss Carrie Smith, of Tyro, is spending the week with friends and taking in the meeting.

Mr. and Mrs. T. J. Baity and children, of Thomasville spent Sunday with Mr. and Mrs. I. H. Mock.

Mr. and Mrs. T. W. Allen, of Winston-Salem, spent Sunday evening with Mr. I. H. Mock.

Mr. and Mrs. E. M. Jones, also Mr. and Mrs. Carter, of Mocksville, spent Sunday with Mr. W. J. Jones.

Mr. and Mrs. O. B. Jones, of Winston-Salem, spent Sunday with Mr. J. T. Phelps.

Mr. and Mrs. Albert Folds, of Winston-Salem, spent Sunday with Mr. O. F. Jones.

GEORGIA TWINS IN LOVE WITH SAME MAN

Marietta, Ga., Sept. 18.—Ruth Webb and Ruby Webb, twins, are in love. They both love the same man. And the man, they say, loves both of them. He can't tell Ruth from Ruby, Ruby from Ruth. He can't tell which he wants to marry. When he makes love to Ruth he can't tell her from Ruby and when he makes love to Ruby he's not sure whether she's Ruth or Ruth.

The question is: "Can three live as cheaply as one?" And, if so—where? "We'd both marry him," the Webb twins say, "if the law would let us." He would, too, they say. He's in New York, and he writes them regularly. Every time he writes he has to write two love letters, one to Ruby and one to Ruth. The letters are different—not mere mimeographs!—and each is just exactly as ardent as the other. No favoritism here!

Ruby and Ruth are 21. They're blondes. They fell in love "at first sight." You see, they both saw him at exactly the same moment. He saw them both at the same moment. He rubbed his eyes and looked again. Yes, there were two of them! From that instant his perplexity began. "I wish," says Ruby, "there was a law legalizing polygamy. We've simply got to marry the same man. All our lives we've shared everything. Why shouldn't we share a husband?"

"Why not, indeed?" says Ruth. "We wear the same clothes, and we never quarrel about who's to wear them. We'd share a husband happily, and we wouldn't quarrel over him." Ruby and Ruth have never been separated, day or night, in their lives.

"And," they say, "we're not going to begin now. To be apart would break our hearts. Whoever loves one of us must put up with both of us." The name of the sweetheart of the Webb twins? They won't tell. "It wouldn't be fair to him," they say. "But we're glad to tell the world we love him. And at the right time, when we've found a solution to our problem, we'll tell. We agree though, that he's the handsomest and sweetest thing you ever saw. We're crazy about him."

Ruby and Ruth say they've even thought of going to Turkey and experimenting with polygamy—they're so annoyed with the funny laws here that just such restrictions on matrimony.

M. H. S. ATHLETIC NEWS.

At a very enthusiastic meeting of the student body Friday morning, an athletic association was formed, including every member of the student body. The membership fee was set at 25c. Miss Lillian Mooney was chosen as President, with L. G. Haro, Jr., as Sec. and Treas.

The boys selected as the basketball manager, Mr. E. C. Tatum, with Marshall Clark as assistant. The girls selected Miss Helen Wincoff for manager of the basketball team. Miss Elizabeth Johnson, who teaches English in M. H. S., is the girls' coach. She played 4 years in High School and 4 years in College basketball.

Both teams expect to enter the State championship series, and of course win both county championships. Mr. Richardson is trying to arrange for a certain basketball coach who has a big reputation in Winston-Salem, to coach the boys two or three afternoons per week.

A lot of new boys and girls have enrolled, and some very promising material is among the bunch.

Jr. O. U. A. M. FLAG RAISING AND FIDDLERS CONVENTION

There will be Jr. O. U. A. M. Flag Raising and Old Time Fiddlers Convention, at Coolee, Saturday, Sept. 29. Prizes will be given for best music on all kinds of instruments which will run from \$1 to \$20.

The Jr. O. U. A. M. Shoals Council No. 92, will have a flag raising at 2:30 p. m. All members of Mocksville Council No. 226, are given a special invitation to be present. Speaking by Mr. A. C. Hunevout, of Albemarle, owner of the Mocksville Entertainment Ball game at 4 p. m. Fiddlers Convention at 7:45. Arrangements have been made for parking all cars in enclosed ball park, next to Auditorium in care of a special officer. The proceeds from this Convention will go to prizes for the competing musicians and for the benefit of the Musical and Athletic Departments of the New Consolidated School.

All musicians and dancers will be admitted free whether entering the competition or not. Ladies who are musicians or lovers of music are especially invited. Refreshments will be sold by American Legion. Admission: children 25c, adults 40c.

FORK CHURCH NEWS

Curing tobacco, barbecue pigs and having chicken roasts, is the order of the day among the farmers in this community.

Mr. J. C. Smith and family attended the big meeting at Mock's last Sunday.

The children and grandchildren gave Mr. Will Miller a birthday dinner last Sunday in honor of his 70th birthday.

There will be preaching at the Episcopal church next Sunday at 8:30 o'clock. Every body welcome.

Little Nelson Hairston is on the sick list, sorry to note.

Mr. Pierce Williams, of the Twin-City, spent Sunday with his parents, Mr. and Mrs. Chalmers Williams.

Miss Lillian Aar-n, spent last week in Winston-Salem, visiting relatives and friends.

Mr. W. B. Cope and family, spent the week-end in Winston-Salem with Mr. Charlie Pack.

Mrs. P. W. Hairston has returned home from a two weeks' visit with Mrs. F. M. Patton, in Swannanoa.

Mr. June Jarvis and family, of Coolee, spent Sunday evening with Mr. and Mrs. Alex Livingston.

Mr. Gurney Carter and family, of Salisbury, Mr. and Mrs. D. Carter, of Winston-Salem, spent Sunday with their mother, Mrs. Mary Carter.

Mr. and Mrs. Charles Garwood, of Winston-Salem, spent Sunday with his parents, Mr. and Mrs. Sam Garwood.

LIBERTY NEWS.

The school opened Monday morning. On account of the illness of Mrs. W. M. Seaford, who will have charge of the school, Mrs. Ollie Stockton, of Mocksville is teaching this week.

Mrs. J. S. Daniel and children, of Mocksville, visited Mrs. Daniel's mother, Mrs. Alice McCulloh, Saturday.

Mr. Robert Carter, of Kannapolis, spent the week end with home folks.

Mr. and Mrs. D. M. Call and daughters, Misses Ella and Nova visited relatives near Oak Grove Saturday.

Mrs. Harvey Lowder and children, of Coolee, visited at the home of Mr. G. W. Everhardt Friday.

SAILS THROUGH AIR 259 MILES AN HOUR

Minea, N. Y., Sept. 17.—Lieut. L. H. Sanderson of the marines, one of the trio of navy aviators who smashed the world's speed record three times last week, hung up another unofficial mark today when he traveled at the rate of 259 miles an hour in a navy Wright fighter.

FARMINGTON NEWS

Rev. C. O. Kennerly filled his appointment at eleven o'clock Sunday. He delivered a good sermon, using as his lesson; Luke 10:25-42. He thought being the good Samaritan. He only has one other appointment here before going to conference. His sermons have all been very helpful, and we hope he may be sent back to this charge.

Mr. Steven Horn, who lives not far from here is real low, very little hope of his recovery.

Miss Sallie Holt, of Greensboro, was the Sunday guest of Mrs. W. E. Kernen.

Mr. Lonnie Grey Horn, who has been working in Spinale for several months, is at home for awhile.

Mr. F. C. Clingman is still in a very serious condition.

On last Wednesday night, Sept. 12th, Mr. and Mrs. T. H. Redmon gave a farewell party to their son, Albert, who left the 17th, for Trinity College, Durham.

About thirty young people made much merriment over giving him advice, and making history picture books of his school days and after life. The prize for the best book was awarded Miss Frances Redmon and Mr. Odell James.

After a very interesting Geographical contest, refreshments were served, and the guests departed wishing Mr. Albert a very happy and successful year in college.

Mr. and Mrs. E. E. James and Mrs. Nancy Walker were weekend guests at the home of their parents, Mr. and Mrs. W. F. Walker.

Mrs. Stokes Dwiggins, of Mocksville has been right sick at the home of her parents, Mr. and Mrs. Henry Shore near here. We hope for her a speedy recovery.

Miss Lillian James is visiting relatives and friends in Winston-Salem.

Messrs. J. F. Scott and brother, of Concord and Zimmerman, and Perryman, of Area, entertained the party at Mr. Redmon's Wednesday night.

Mr. Zeb Smith, of H. H. Smith, visited his mother, Mrs. Corleth Smith Sunday.

Mr. and Mrs. T. H. Nicholson and children, are visiting Mr. and Mrs. Lee Nicholson, of Knoxville, Tenn.

Mrs. A. A. Holleman is improving rapidly, she is able to be out some at this time.

Mr. Woodruff Sink, of Winston-Salem, was a visitor in our village Sunday afternoon.

Miss Zelma Brock enters school at Clemmons this week.

Mrs. Clarence Weir entertained at a birthday party Saturday afternoon, in honor of her little daughter, Helen, whose birthday was celebrated.

Our Honor Roll

The following have subscribed and renewed: Mrs. W. Granger, Mrs. T. C. Allen, Miss Laura Ward, Sam Cope,

The Finest Showing Of New Fall Merchandise

For the College Girl, the Debutante and the Business Woman

Dresses of Silk and Cloth

Youthful, becoming models of Wool, Satin and Canton Crepe that the well dressed woman will wear to Church, for Street Wear and Social Events. Wool Dresses in the new beltless coat models straight-lines and the desirable long waisted effects with trimmings of braid in self or contrasting with Wool embroidery and pleats. Satins and Crepes are in pleated and front drape effects, sometimes with vivid embroidery or a beaded ornament. Sleeves long or short. Very conservatively priced.

MOCKSVILLE HIGH SCHOOL GIVEN A HIGHER RATING

Mocksville High School has at last reached the goal which has been just ahead for so long. Last year and year before last M. H. S. was on the State list of accredited High Schools, but was in Group II, class B. of that list, just hardly on.

Anderson-Peeler Wedding

The following article clipped from the Winston-Salem Journal of the 13th will be of interest to Enterprise readers: A beautiful and impressive wedding was solemnized last evening at the home of Mr. and Mrs. Thos. Cash when Miss Frances Eliza Anderson was united in marriage to Roy L. Peeler.

GUERNSEY MEETING AND SALE WAS A BIG SUCCESS

The Big Guernsey Meeting and Sale held at Sanford & Carter, Twin Brook Farm, Mocksville, N. C., Friday September 14th, was a big success from every standpoint.

crowd together, and Mr. W. W. Fitzpatrick then announced the terms of the sale. Three of the splendid cows consigned by Sanford and Carter...

WRIGLEYS After Every Meal. Have a packet in your pocket for ever-ready refreshment.

A Wish. I have taken Cardui for run-down, nervousness and sleeplessness, and I was weak, too. Mrs. Marie Eaton, of Jacksonville, Fla. "Cardui did me just what I needed—so much that I gave it to my daughter. The complaint of a nervous in her sides and back. She took three bottles of CARDUI The Women's Tonic and her condition was much better."

Two things noticeable in this sale were the fact that only one animal left the State of North Carolina, a bull going to the Cloverdale Creamery, Johnson, City, Tenn. Another noticeable was the purchase of 9 head of these cattle by Mr. H. A. Osborne, Canton, N. C., who is already the largest breeder in the State.

Mocksville, N. C. Sept. 27 1923

One of Davie County's nearest neighbors is Forsyth. We have no County fair here this fall, so why not let's join with the Winston-Salem and Forsyth County Fair and make it, in part, a Davie County institution. We carry an ad. in this issue of the paper which gives some valuable information as to the Forsyth Fair which convenes October 2nd. We hope that our readers will examine that advertisement carefully and take a real interest in helping make it a great success.

The governor of Oklahoma does not seem to be having as smooth sailing as he possibly expected. We know nothing about the conditions of lawlessness existing in that state but it would seem from the stand which the press of Oklahoma has taken, that the governor has outraged his state by attempting to put it under a condition of almost perpetual military government. This would be tantamount to no doubt "bit off more than he can chew". He is holding his last office in Oklahoma and may thank his stars if he is not impeached within the next sixty days.

For the enlightenment of the lady who was in Mocksville a few days ago who wanted to know whether or not Davie County had a sheriff, we are pleased to say, yes. For one in the past 41 years. This county has a real sheriff and has had one for now on towards a year. He is a good one, too. It certainly does seem like every one ought to know by this time that this county has a sheriff, he's been in office so long that it's not even news. If this woman had been an Enterprise reader she would have been better informed as to the local news. We announced the fact that Davie had a sheriff in our issue coming out just after the last election. Now, sister, subscribe to the Enterprise, Davie's home paper that carries the local news.

The Morganton News-Herald wonders why it is that Burke County farmers do not raise more sweet potatoes. That paper cites Catawba County as an example, and insists that the soil of Burke County is as favorable to the production of sweet potatoes as about any other section. Coming to think about it, it is really a strange fact that Catawba is one of the really big potato producing counties of the state, while few other of her adjoining counties pay any special attention to potato raising. We understand that county markets her sweet potato crop in a cooperative way. We are told also that the farmers make good on their sweet potato crops. Did you ever think of it, Mr. Farmer, that the soil of Catawba County is practically the same as that of Davie? Why not our farmers in this county also produce more sweet potatoes for market?

The following from the Union Republican: "Some of them are now attaching the title of 'Colonel' to the publisher of the Mocksville Enterprise. Just what war, Lum Honeycutt fought in and of what regiment he was in command we would like to know?"—Union Republican. For the information of the

Union Republican and the Davie Record, the latter having reproduced the above, and which we fought in the war in which the Davie County republicans who were tired of rotten politics and wanted to see some real progress in their home county, joined hands with the democrats and administered a severe licking of the old line republicans of Davie County, putting the government of the county again into the hands of the people. We don't know whether we won the title of "Colonel" in that war or not, but it was a fight in which we helped with much delight, and one which meant the beginning of greater things and a new day for Davie County.

There has been just a few complaints heard about the raise in the tax levy of this county. We do not believe that there is any general objection to this, because we believe that most of the tax payers, who are really interested in seeing the county keep pace with other counties of the state, are perfectly willing to see this slight raise. However, when the present board of commissioners took charge of affairs in this county, as everyone well knows, they found the financial condition of the county in very bad shape. It seems that things had just been permitted to drag along in most any old way, certainly the county's government had not been administered according to sound business principles. It was necessary for our present board, therefore, to expend quite a bit of money in order to get Davie County back on its feet again. The effort to do this has had more to do with the raise in the tax levy than anything else, and certainly our board of commissioners is to be commended for their conduct in this way, rather than condemned.

SPRINKLE SOME GRASS SEED ON THE LAWN THIS FALL

Raleigh, Sept. 25.—It is always wise to sow some good grass seed in the lawn each fall even though there is a fair stand of grass. The reason for this is explained by F. E. McCall, Garden Specialist for the State College and Department of Agriculture, who says: "Some of the grasses are biennials, or live only two years, and if kept closely cut, they fail to reseed and die. Most annual grasses are green only in the summer. If lawn grass seed containing good percentages of Kentucky Blue grass and Italian ryegrass are sown now, a good green lawn may be had all winter and next spring. These grasses may burn out during the hot summer, so if Bermuda grass is also planted a good lawn may be had the whole year through. "The very shady and wet places or over the very dry spots in the lawn may need some different varieties of grass seeds to make these spots green. Wood Meadow-Grass, Creeping Bent, Rhode Island Bent or Fall Fescue all do well under considerable shade; Dog Tail Grass, Red Fescue and Yellow Oat Grass do well in the very dry situations and Canary Grass should be in use in the wet places."

Mr. McCall states that the new lawn should be clipped often but never closer than three inches and that all grasses do best on a moderately heavy clay loam, heavily limed.

Notice! Having qualified as administrator of the estate of W. F. Clary, dec'd, notice is hereby given to all persons holding claims or accounts against the estate of said decedent to present the same to the undersigned on or before the 30th day of August 1924, of this notice, will be pleaded in bar of recovery. All persons indebted to said estate, will please call on the undersigned and make prompt settlement. This the 20th day of August 1923. JAMES CLARY, Adm'r. A. T. GRANT, JR., ATTY. 8-23-23-27.

Sixteen Million Cars In 1925?

Three hundred motor cars were registered in the United States in 1895. In 1925, thirty years after, the number will be in excess of 16,000,000. This is not a prophecy, but a continuation of a table of registrations. In the ten years from 1913 to date, the table of motor car registrations in hundreds thousands, reads as follows: 12, 17, 24, 35, 51, 61, 73, 91, 104, 123.

It is hardly prophecy to say that the next two years will show figures of 140 and 160 hundred thousand, or 14,000,000 and 16,000,000 cars registered. It is inevitable that these cars have more and more good roads to run upon. If this number of wheeled vehicles congest our few hundred thousand miles of good roads, it is obvious that a greater number will compel more and more hard-surface highways.

Opposition to good roads comes from two sources; the ignorance of tax payers, who think that the bond issue or the road tax represents outgo, instead of the means of increased income, and politicians, who desire "pork barrel" national legislation in order to get votes, rather than money to be spent upon roads.

Both classes of opposition are slowly but surely being steam-rollered out of existence, with the automobile in the role of steam roller.

A Phenomenon In Pineville, Ky.

Mrs. J. M. Gibson, of Pineville, Ky., has a night-blooming cereus plant about seven years old and has bloomed annually for six years, but always at night and closed before morning light, and its wonderful beauty had never been seen by day-light until last Saturday morning, when Mrs. Gibson went out expecting to find the blooms that opened the night before closed, to her amazement the blooms were still wide open and remained so until about noon. There are a few other of these plants in town and Mrs. Gibson called up to see if any of them had ever held their blooms open in day-light, but has not been able to find any one who has even heard of such a phenomenon. Sunday morning her plant had six more blooms open and they also remained open until about noon. Its beauty and fragrance is beyond description.

Notice of Sale

North Carolina, in the Superior Court, Davie County. Notice of Sale vs. H. A. Gathers and wife, Julia Gathers, J. L. Sheek and A. J. Lagle. By virtue of an order made in the above entitled cause by W. M. Searford, C. S. C., the undersigned will sell publicly for cash to the highest bidder at courthouse door in the town of Mocksville, N. C., on Monday the first day of October, 1923 at 12 o'clock M. the following described lands being and situate in the town of Mocksville, N. C. to-wit: A tract beginning at a stone on the west side of Mocksville and Huntsville road, Wesley Frost's corner, thence N. 45 deg. W. 3.25 chs. to a stone, thence S. 30 deg. SOUTHERN RAILWAY SYSTEM

Keeping pace with the South

The first American locomotive to enter actual service was the "Best Friend" of 1830. Built in a New York foundry, shipped by sea to Charleston, it hauled the first passenger train on what is now the Southern Railway System. Twenty-two hundred locomotives, some of them fifty times as heavy as this famous pioneer engine, and 70,000 cars, operating on 8,300 miles of Southern Railway System lines, are now doing the work that was begun by the "Best Friend." From the Ohio and the Potomac to the Gulf, from the Atlantic to the Mississippi, the far-flung rails of the Southern Railway System serve the twelve states with 40,000,000 inhabitants. The Southern serves the South—from the northern gateways at Washington, Cincinnati and Louisville—and the western gateways at St. Louis and Memphis—to the ocean ports of Norfolk, Charleston, Savannah, Brunswick and Jacksonville—and the Gulf ports of Mobile and New Orleans. Operated by men of the South, who have bred in its traditions to understand its problems and its needs, the Southern keeps pace with the South. The investment in its properties is now more than \$710,000,000, of which \$285,000,000 has been expended in the past two decades. With the continued cooperation of the people of the South, we will be enabled to command the capital for the greater transportation facilities that Southern development will inevitably demand.

THE SOUTHERN SERVES THE SOUTH

DO YOU WANT AN ORGAN?

We have twenty-five or thirty organs that we have taken in exchange as part payment on pianos. This is the FINEST lot of organs that we have ever had. Some unusually fine instruments among them which have been used very little. They look as good and play as good as when brand new. We have two carloads of Galbransen Player Pianos coming and must make room for them. Consequently, we will sell these organs for about one half their actual value.

Prices Range From \$10 Up IT WILL PAY YOU to come many miles TO GET One. Come prepared to take it home with you. We can pack it in your automobile.

Bowen Piano Co. One price to all. Trade Street Winston-Salem, N. C. Next to Postoffice. Opposite Piedmont Warehouse.

FARMINGTON NEWS

The B. Y. P. U. met Sunday afternoon with a very good attendance, several of the members have gone away which accounts for there not being as many present as usual, however there is deep interest being shown in the meetings, and we hope it may continue.

A right large number was present at the League service which met at 7:30. A missionary program was given and some interesting facts was brought to the hearers.

The school will open here on next Monday, Oct. 1st. We hope to have a good school this term.

Mr. and Mrs. S. L. Ward and sons were visitors here Sunday.

Mrs. Leo F. Brock has returned from a visit to her father at Fremont.

Mr. and Mrs. William Sholtes and babe, of Winston-Salem, are visiting Mr. and Mrs. C. A. Hartman.

Mr. Kelly Coleman visited in our midst Sunday. He makes his home in Winston-Salem.

Mrs. M. B. Brock has been very sick at the home of her sister in Durham, where she was visiting. Hope she may soon recover.

Mr. and Mrs. Grady Ward, of Mocksville, were guests of their parents, Mr. and Mrs. M. C. Ward, Sunday night.

Mr. and Mrs. T. H. Nicholson and children have returned from a visit in Tennessee.

Miss Vada Johnson, who has been visiting Mrs. A. W. Ellis in Winston-Salem, is expected home this week.

Dr. and Mrs. Lester Martin visited Mrs. Martin's parents, Sunday.

Miss Jane Amanda Bahson leaves this week for Greensboro, where she will enter College.

Mr. Ralph Reich, of Clemmons was a visitor here Sunday.

On last Saturday night Mrs. C. C. Williams delightfully entertained several married ladies at a miscellaneous shower; as a surprise in honor of her sister, Mrs. Maud S. Hudson, of Florida, who leaves this week for her home. The spacious porch was lighted with Japanese lanterns, and the guests had enjoyed an hour or two of general conversation, they were ushered into the dining room which was beautifully decorated with baskets of cut flowers. When each one had found their places, Masters Clinton Ward and Joe Williams entered from the hall under a parasol each carrying a basket of gifts for the honoree. There were many useful presents and Mrs. Hudson thought very much surprised expressed her appreciation in a very effective manner. Miss Elvia Williams next served delicious ice cream and cake, after which the guests were invited into the parlor where piano music was greatly enjoyed, also solos by Mr. Ben Smith. Guests present were: Messdames R. C. Brown, Rachel Johnson, C. A. Long, M. C. Ward, E. C. Smith, W. F. Walker, J. C. Brock, G. H. Graham, W. E. Kennen, J. C. James, E. P. Walker, J. L. Ward. About 10:30 they departed, hoping another like occasion might be enjoyed in the future.

DAVIE ACADEMY NEWS

Mr. C. L. Koontz and daughters, Misses Ola, Mary and Minnie, accompanied by Mrs. W. S. Koontz, spent the week-end in Surry county, visiting relatives.

Mr. and Mrs. W. L. Hendren, of Center, were the guests of Mr. and Mrs. G. C. Dwiggin Sunday.

The many friends and relatives of Mrs. Richard Strowd gave her a birthday dinner last Sunday.

Tobacco curing is about over and cotton picking is just beginning which reminds us that as soon as one job is done there is another waiting for us.

Induce regular habit, good for the system, and relieve all ailments connected with the system. AGAINST MALARIA

The Ford Psalm

The Ford is my car I shall not want another. It maketh me to lie down in muddy waters, It leadeth me to say profane words, It tareth my soul, It taketh me into the path of darkness for its namesake, Yea, though I ride through the valley in the shadow of the pines I shall push it up a hill. I shall have no comfort while I touch it with me. Thy crank thy springs, thy discomfort me. Thou breakest down in the presence of mine enemies. Thou anointest myhead with oil, my radiator runneth over. Surely, if thou shalt follow me all the days of my life, I shall dwell in the buy house forever.—Exchange.

ADVANCE NEWS

Mr. and Mrs. John Mock and family, of Thomasville, were the Sunday guests of Mr. and Mrs. G. Tolbert.

Mr. and Mrs. E. M. Hartman and children of R. 3, spent a few hours Sunday evening with Mrs. U. H. Orrell.

Miss Lucy Mock returned home Sunday after spending a few days in Thomasville with her cousin, Miss Fallie Mock.

Misses Overcash and McClellan, teachers, spent the week-end with home folks, near Statesville.

Mr. L. H. Crouse was a visitor in Winston-Salem, Sunday.

A number of her friends gave Miss Annie Foster a surprise birthday party last Saturday night. All reported a nice time.

7. Be sure to report all deaths, marriages and meetings of various kinds of interest in the community.
8. Send news when it is news. Do not wait until everybody knows it anyway.
9. SIGN YOUR NAME.

CHRISTIAN SCIENCE WRITER CHALLENGES BOSTON NEWS ITEM

Some time ago, this paper received from a press agency and printed an article dated from Boston and headed "Dodge Report in Christian Science Litigation Filed," which purported to be an account of the report filed by the master in the suit brought by the Christian Science Church against the First Church of Christ, Scientist, in Boston, Massachusetts. The Committee on Publication of this Church has issued a statement challenging the account in question as being extremely unfair. The statement of this writer follows: "The account in question was most unfair in that while purporting to quote or state the master's findings from the evidence as to why the majority of the Christian Science Board of Directors voted to discontinue the suit, it included the term 'self-perpetuating Board of Directors,' used as a term of contumacious reproach, although it was Mrs. Eddy herself who established the Christian Science Board of Directors with the obligation to its own members. "As the situation is viewed by all but a very few of its members, the affairs of the First Church of Christ, Scientist, in Boston, are being conducted in a creditable manner, and in full accord with the Church By-Laws, which were written by Mrs. Eddy and are regarded by all true Christian Scientists as essential to the welfare of the Christian Science Movement."

THE KITCHEN CABINET

The mission of the dog—say it with all reverence—is the same as the mission of Christianity, namely, to teach mankind that the universe is ruled by love.—Henry C. Merwin.

WHAT TO EAT

A French pancake makes a pleasant change from the ordinary griddle cake. Cook them as usual and spread with jam, roll up, not serve when they are hot, and serve with powdered sugar and serve hot. Filling for Raisin Pie.—Take one cupful of water, one-half cupful of sugar, one teaspoonful of butter, one-eighth of a teaspoonful of salt, one one-half cupful of seedless raisins, one tablespoonful of flour mixed with a little water. Cook the raisins in the water for fifteen minutes, add the sugar and flour paste and cook six minutes longer, take from the heat and add the butter and salt. Cool slightly before putting into the baked shell. Mock Chicken Salad.—To one cupful of diced cooked veal add one-half cupful of diced celery and the same of cooked carrots. Add a tablespoonful of gelatin in one cupful of veal stock, one-half cupful of vinegar and one-half cupful of water. Dissolve the gelatin in a little cold water before adding to the above. Put into a mold when beginning to set, add the meat and vegetables. Mix well and put on ice to cool. Serve on lettuce with mayonnaise dressing. Celery Cocktail.—Take one cupful of minced celery, one tablespoonful of minced green peppers, twelve olives chopped fine, salt, pepper and mayonnaise to moisten. Fill halves of green peppers with the ingredients and chill for an hour. Bran Muffins.—Take one-fourth of a cupful of brown sugar, one-fourth of a cupful of lard, three-fourths of a cupful of milk, one tablespoonful of black molasses, one-half teaspoonful of salt, one and one-half cupfuls of bran, one-half of flour and three teaspoonfuls of baking powder. Cream the sugar and lard and mix in the order given. Bake in tins in a quick oven. This recipe makes one dozen muffins. The young tender carrots will cook without scrubbing. Serve with butter, a dash of cayenne and nutmeg and a bit of lemon juice.

CONSOLIDATED AUTO LINES

Temple and Gateway, Osaka

Why Don't You Keep Cows

Those boys taking Agriculture over in Mocksville High School have been doing a little figuring while waiting on their text books to arrive and that is the reason they are asking the above question. As a result of their investigations and estimations they have reached the following important conclusion: That, based upon the merits of the system of farming, there are four prosperous cattle farmers to every one prosperous grain farmer. Then the question arises as to why this should be the case and the following points as reasons developed as a result of the classroom discussion:

- 1. The manure from a herd of cattle often means the difference between a poor soil and a rich one and thus becomes the margin of profit in the grain crops grown on the farm.
2. The cattle farmer can use untillable land for pasture such as hilly, rocky, swampy, stumpy, stiff, diseased, and Bermuda sod lands.
3. The prices of dairy products are not subject to sudden fluctuations as are grain crops.
4. Cattle farming distributes the farm labor throughout the year requiring least labor when crops need most.
5. The sale of dairy products furnishes a year-round income thus enabling the farmer to meet current expenses with the current income.
6. By-products from cows such as skim milk and buttermilk furnish the very finest kind of feed for young growing animals.
7. Child labor can be used to best advantage on dairy farms.
8. Crops raised on the farm and made into butter or milk bring a higher price than when handled in any other way.
9. The cow utilizes to best advantage the cheap and coarse feeds around the farm.
10. It promotes a safe and sane system of crop rotation.
11. The markets in North Carolina are probably as good as can be found anywhere.
12. Our climate and natural advantages can hardly be equaled.
13. There is always a good sale for well bred dairy animals.
Are the boys right? If so, why don't we have more dairy cows, especially pure breeds? They are the kind that count.

SMITH GROVE NEWS

Rev. C. O. Kennerly filled his regular appointment here Sunday afternoon. Mr. and Mrs. John Foster and baby, of Mississippi, are spending sometime here with Mr. Foster's mother, Mrs. Jennie Smith. Mr. and Mrs. C. L. Kimbrough announced the birth of a son Tuesday Sept. 18th. Misses Clara Walker and Nan Foster, of Hanes, spent the week-end here with relatives. Mr. John H. Cash, of Winston-Salem, spent the week-end here with friends. Miss Sallie Smith spent a day or two the past week near Cornetzer with her sister, Mrs. Pearly Howard. Mr. and Mrs. W. T. Rights spent Sunday with Mr. and Mrs. Charlie Kimmer, near Mocksville.

On account of the rain Saturday afternoon, the ladies didn't have their lawn party Saturday night. We were sorry to disappoint the people but we will have it over Saturday night, Sept. 29th. Everyone is cordially invited to come. Proceeds go to the church to help pay for lighting the church.

Jericho News

Miss Myrtle Anderson of Center, spent the week end with Mrs. Burrus Green. Miss Elva, Clerk of Salisbury, spent Sunday with her parents, Mr. and Mrs. W. G. Clark. Mr. Rike Wilson and family spent Saturday night and Sunday at the home of Mr. P. M. Carter's. Mr. J. S. Green and family, of Mocksville, spent Sunday at Mr. Frank Walker's. Mr. and Mrs. W. C. Wilson, visited Mr. Sam Kooztz Sunday afternoon. Mr. Clyde Hames and family, were visitors of Mr. and Mrs. W. G. Clark Sunday afternoon. Mr. Aaron Seaford, has purchased a new Ford. Mr. and Mrs. J. P. Seaford, spent a few days the past week, in Greensboro. Mr. and Mrs. Ouediah Kooztz, of Winston Salem, spent the week end, with home folks on Route 1.

High School Paper

The school students are putting on a campaign for subscriptions and advertising for the proposed high school paper, which is to be printed in this city every two weeks in the interest of the school. We feel sure that the parents and business men of the town will give the students their hearty support and patronage in this work. During the last school term a county wide school paper was published, but it is the intention this year to put out a purely local school paper. The citizens of this consolidated district should give all the assistance they possibly can in this movement. The editorial staff is composed of high school boys and girls, and they will strive to put out a paper that will be of interest not only to the children but the parents as well. The staff is composed of the following boys and girls: Editor-in-Chief, Frank Stroud Jr. Asst. Editor-in-Chief Irvin Bowles. Business Manager-Dorothy Meroney. Asst. Business Manager-Lonnie Lanier.

Turrentine News

Mrs. T. P. Foster and children, of Mocksville, spent Sunday evening with Mrs. E. C. Lagle. Mr. and Mrs. A. C. Nail and children, spent Saturday and Sunday in Winston-Salem with Mr. and Mrs. E. T. McCulloh. Mr. and Mrs. W. F. Foster and children, of Mocksville, spent Sunday with Mr. and Mrs. Charlie McCulloh. Mr. Henry Spry, of Spencer, spent Sunday night with Mr. R. H. Lytle.

LIBERTY NEWS

Mr. and Mrs. Carl Deal, of Kannapolis visited Mrs. Deal's parents, Mr. and Mrs. J. W. Carter last week end. Mr. J. H. Owens spent several days last week with home folks in Davidson county. Miss Edna Tuttle of near Center, and Miss Zeola Cranson of Mocksville, visited at the home of Mr. Hall Tutterow Saturday night and Sunday. Mr. and Mrs. C. H. Carter and babe, of Kannapolis spent the week end with relatives in this community.

Mr. C. C. McCulloh and sister, Miss Mittie, spent Monday in Salisbury.

One Way To Sell Lambs

Raleigh, Sept. 25--When local butchers are indifferent about buying lambs or if they are unreliable about paying cash for the animals when taken off the farm, then the farmer should canvass his local market and arrange to slaughter the lambs on his farm and deliver the carcasses to consumers who pay cash. In general, selling to first class butchers and stock buyers is the better method, but if the farmers is driven to market his lambs himself and needs information on how to prepare the carcass for market, he can secure this information from G. P. Williams, Sheep Field Agent for the State College and Department of Agriculture. Mr. Williams sometimes visits the farm and gives a demonstration on how to butcher a lamb in such a way as to meet the approval of the consumer.

OAK GROVE NEWS

Picking cotton is the order of the day in our burg. Mrs. Fannie Blalock and daughters, of Cooleemee, spent Sunday with Mr. and Mrs. T. H. Walls. Mr. John Foster's granddaughters, of Washington, spent one day last week with him. Mr. Lee Clement, of Madison, spent the week-end with home folks. Mrs. D. G. Laneir and son, Fred, of Mocksville, spent Sunday with her daughter, Mrs. C. L. Walls. Messrs Jim Williams, Lino Walls, N. S. Williams, J. W. Walls and Miss Evelyn Walls, spent Monday in Winston-Salem. Mr. John Foster is on the sick list, we are sorry to note. Mrs. John Whitaker has been on the sick list, but is able to be out again.

FORK CHURCH NEWS

Quite a large crowd attended the foot washing at Nee Creek church, Sunday. The projected meeting will begin at the Episcopal church the second Sunday in October. Master Peter Hairston, Jr., returned last week from a months visit with his cousin, Master Frank George, of Norfolk, Va. Mr. George Crofts is critically ill at this writing, we are sorry to note. Mrs. Mamie Carter and two daughters, Mary Lee and Mildred, visited Mrs. Marvin Jones, of Mock's last week and took in the big meeting. The big meeting will begin at Fork Baptist church the third Sunday in October. Quite a large crowd attended the singing school here last week and several days this week. Ann Ratts, of near-Winston, is spending some time at the home of Mr. Jim Ratts. Several children are having measles in this community.

FULTON NEWS

There was preaching here last Sunday night. Mr. Varner has not closed his revival meeting at Week's Church yet, so Mr. Tom Mock served in his place here. Mrs. J. P. Darton, who has been sick for some time is much better, we are glad to know. Mr. and Mrs. C. S. Frisette infant is sick at this writing, we hope, for this little one a speedy recovery. Mr. Scott Stewart and sister, Miss Sallie, also Mrs. Harrison Proctor, spent Sunday in Rowan County with relatives. Mr. and Mrs. W. C. Allen visited in Mock's Church settlement last Sunday.

Sunday School Lesson

REVIEW: GREAT MEN AND WOMEN OF THE NEW TESTAMENT

DEVOTIONAL READING - Heb. 11:13-16, 29, 40

PRIMER TOPIC - Favorite Story of the Quarter

JOHN TOPIC - Favorite Heroes and Heroines of the Quarter

With the senior and adult classes, three methods of review may be profitably employed:

- 1. The descriptive word method as presented in Peloubat's Select Notes. 2. The Pith-Pointed Query Method.

Lesson 1. Mary: Glorified Motherhood. Lesson 2. Magdalene: Adoring Gratitude.

Lesson 3. The Summarizing of Contents. Lesson 4. Luke: Double Healer. Lesson 5. Timothy: The Glorious Ministry.

Lesson 6. Mary Magdalene, because she was saved, was steadfast in her devotion to the Lord.

Lesson 7. Timothy: The Glorious Ministry. Lesson 8. Mary Magdalene, because she was saved, was steadfast in her devotion to the Lord.

Lesson 9. Timothy: The Glorious Ministry. Lesson 10. Mary Magdalene, because she was saved, was steadfast in her devotion to the Lord.

Lesson 11. Timothy: The Glorious Ministry. Lesson 12. Mary Magdalene, because she was saved, was steadfast in her devotion to the Lord.

Lesson 13. Timothy: The Glorious Ministry. Lesson 14. Mary Magdalene, because she was saved, was steadfast in her devotion to the Lord.

Lesson 15. Timothy: The Glorious Ministry. Lesson 16. Mary Magdalene, because she was saved, was steadfast in her devotion to the Lord.

NOTICE! Sends Airplane For Automobile Parts.

For the first time in Lenoir, and probably in North Carolina, an airplane was brought into play Saturday to bring parts of an automobile from Charlotte for repairing a car here.

For the first time in Blowing Rock and was returning home when he smashed a rear wheel near Lenoir.

Eighty-five minutes flying time was all the time required for making the round trip of 150 miles.

and I decided to try it, for, as I say, I had tried others for two or more years, but they had no improvement in my health.

Have you tried Theford's Black-Draught? If not, do so!

Over 8 million packages sold, a year. At dealers!

Thanks! Sanford & Gardner desire to express their sincere thanks to all their friends.

LOCAL AND PERSONAL

Golging and Comings of the Populace of Mocksville and Surroundings.

Mr. Jim Coley, of Statesville, spent Sunday with friends here.

Don't forget the ball games at Sunset Park Saturday Sept. 29.

Miss Eva Knox spent the week-end with her parents in Statesville.

Miss Bonnie Brown, of Greensboro, spent the week-end at home.

Miss Mary Heitman is the guest of Mrs. Chase Idol, in High Point.

Misses Edna Horn and Louise Hooper, spent the week-end in Statesville.

Misses Annie Hall and Gilmer Baily spent Saturday in Winston-Salem, shopping.

Misses Bonnie, Kathryn and Clayton Brown spent Saturday in Salisbury, shopping.

Mr. and Mrs. R. G. Seaber, of Clemmons, spent the week-end with Mrs. C. C. Cherry.

Mr. and Mrs. J. F. Hawkins and Miss Edna Horn were visitors in Statesville last week.

Mr. and Mrs. L. G. Horn attended the Made-in-Carolina Exposition in Charlotte this week.

Misses Ossie and Margaret Allison have returned from a visit to Miss Eleanor Adams, in Charlotte.

Dr. and Mrs. A. Z. Taylor have returned from a visit to relatives in eastern Carolina and Virginia.

Mr. and Mrs. J. W. Dickerson announce the birth of a daughter, both babe and mother are doing well.

Mr. and Mrs. R. B. Sanford, Misses Sarah, Jane Haden, and Dorothy Gaither, spent Thursday in Charlotte.

Let's go to Baré Creek next Sunday to the convention. They want us to come. T. I. CAUDELL, County Pres.

Mr. and Mrs. J. F. Hawkins, left Monday for Atlanta, Ga., after spending some time with relatives here.

Mr. and Mrs. Ranier Brenegar, of Winston-Salem, spent Sunday with the former's mother, Mrs. H. T. Brenegar.

Miss Rose Owen, of the Winston-Salem school faculty, spent the week-end with her mother, Mrs. W. A. Owen.

Mrs. E. L. Reed, of Tobaccoville, was the recent guest of Dr. and Mrs. R. P. Anderson, the latter her daughter.

DAVID ACADEMY NEWS

Mr. and Mrs. Hugh Sanford are expected home this week after an extended stay in San Francisco and other points in the West.

Miss Cathryn Brown, who graduated at E. C. T. G., Greenville, left Monday for Duke, where she will teach in the graded school.

Mrs. J. A. Daniel has returned from Long's Sanatorium, Statesville, where she underwent an operation for appendicitis several days ago.

Mrs. J. F. Leach and children returned home Monday after spending several days with her sister, Mrs. R. E. Ballard, in Huntersville.

There will be preaching at Salem Sunday morning at 11 O'clock; at Hardison at 3, and Center at night. Rev. J. W. Fitzgerald, Missionary to Cuba, will preach at Center at night.

Mrs. Fred J. Andrews, of Winston-Salem, who for two years had a fine music class here, has just returned from a visit to her parents at Barrow-in-Furness, England.

Rev. C. H. Whitaker, assisted by Rev. D. A. Braswell, of Concord, have just closed one of the greatest meetings in history of the Dulin's church. Good sermons were delivered at each service, which resulted in a large number of conversions and eight joined the church.

There will be a double header ball game at Sunset Park, Saturday afternoon, Sept. 29. These games will be played by a good team from Winston-Salem and a fast team from Jennings. It will be a good chance to see a real double-header on the above date. Come and enjoy the games.

The admission to the Winston-Salem and Forsyth County Fair Grounds, October 2, 3, 4, 5, 1922 will be 50c for adults and 25c for children. A patron can purchase a ticket in the morning at the opening hour and will have the privilege of remaining in the Fair grounds until 10:30 o'clock at night, thus giving him an opportunity to witness the fireworks without additional general admission.

Mrs. Bettie Etchison Powell, of Texas, and Mrs. Harriet Young, of Florida, visited at Mr. J. W. Etchison's last Friday.

Mr. J. B. Cain and family spent Sunday in Winston-Salem.

Mrs. Mattie McClellan, who has been at Cooleemee for some months has returned home.

Mr. W. H. Howard and family took a trip to the Blue Ridge mountains last week.

Just what you have been looking for—a good double-header ball game—Winston-Salem vs. Jennings, both are good teams and well matched. Don't fail to be at Sunset Park, Saturday afternoon, Sept. 29.

We are now in better position to serve our customers at both stores. We pay the highest market price for country produce. We cordially invite the general public to give us a call when in need of anything in our line.

NOTICE! We do All Kinds of JOB WORK

PINO NEWS

Mrs. William Spainhour of North Wilkesboro, spent the week-end with her parents, Mr. and Mrs. G. B. Harding.

Mr. L. L. Miller is on the sick list at this writing, we are sorry to note.

Mrs. John Latham, who has been sick for some time, is able to be up again, we are glad to note.

"You Spank 'Em, Lady"

(From The Savannah Press.) "Some day" said the careful woman driver out West, I am going to be arrested, assaulted and battered. Some day when a who thinks he is smart jumps out from a bush and yells at me, or when a couple of small boys get out on the pavement and dance in front of my car, just to see how much trouble they can make, I am going to spank them and grab the boy and spank him hard, right there on the street. His parents will undoubtedly arrive and protest, and I will go right on spanking until the police arrive. I will go to jail if I have to, but just once before I die, I am going to spank one of those miserable wretches who flirt with death. They are the kind who rock the boat, the kind who live in untried waters, the kind who send off fire crackers behind other people's ears. I have children of my own and murder isn't my line. But spanking when necessary is, and I've got a good strong arm."

The average annual return from the great developments in this state and South Carolina has been "not more than four per cent."

In his announcement Mr. Duke who expects to leave within a few days to inspect great hydro-electric projects another of his companies is building in Canada, said "I am ready to proceed to spend more money, to build more plants to create more power for further development of the Carolinas, but I am not willing to spend it on the basis of the returns the Southern Power company is now allowed."

Lenoir, Oct. 17.—"Three years ago, Tom Green a farmer of this county bought what I considered one of the poorest farms in Kings Creek township," reports D. W. Roberts, County Agent for Caldwell county. "It contains 180 acres all of which was badly gully eroded and washed. T. A. Andrews, the man from whom Mr. Green made his purchase, declared that he could no longer make a living on the place, sold out and went to Virginia."

On the opening day they present an unusual company in the Victorian-Maids. They will present the same high grade music which you are accustomed to associate with the Chautauqua programs, using, voice, cello, violin, and piano, but part of the program will consist of the old songs and instrumental numbers of the Victorian period and the Victorian atmosphere will be created by the appropriate costumes. Selected readings interspersed throughout the program will satisfy those who delight in clever impersonation and character interpretation.

This company made its reputation on a number of Western Chautauquas, and has even gone to Alaska and Australia with its art.

Helen Grace Sheppard is the director, contralto and cellist; Mabel Ann Pontian, pianist and soprano; Ella Janet Dahl, reader and drummer; and Merle Munson violinist. So they come to you with their team work perfected and each number in their repertoire a proven success.

Read back page of this issue.

Announcement

The new Ford cars are now ready for your inspection, introducing changes that improve the appearance of the various body types and increase their comfort and utility.

They offer you not only economical and dependable transportation, but also a more attractive style and a greater share of motoring convenience—a combination that makes the outstanding value of Ford cars more impressive than ever. See the new Ford models now on display in our showrooms.

These cars can be obtained through the Ford Weekly Purchase Plan.

SOUTHERN POWER IS SEEKING RATE LIFT

Announcement That Comp' Is Through With Development unless get Increase

Charlotte, Oct. 11.—Announcement that Southern Power company is "through" its development of hydroelectric projects in this state unless the state corporation commission "allows an increase in the wholesale price of power to 1.40 as against \$1.25 it now allows," was made here today by J. B. Duke, president of the power company and millionaire New York financier.

Mr. Duke added that "I have put approximately \$60,000,000 of my own money into the Southern Power company so far. I have never taken one cent out of it and never expect to."

He said the record of the company would be laid before the state corporation commission but that his company did not expect to send a representative to Raleigh nor "to engage in a controversy with that official body nor any other about rate increase."

SWARTHMORE CHAUTAUQUA HERE OCT. 31, NOV. 1-2.

People of Mocksville and David county will again have the pleasure of attending the Swarthmore Chautauqua, which will be held here on Oct. 31 to Nov. 2nd. This is a high class entertainment and deserves your whole cooperation and support.

On the opening day they present an unusual company in the Victorian-Maids. They will present the same high grade music which you are accustomed to associate with the Chautauqua programs, using, voice, cello, violin, and piano, but part of the program will consist of the old songs and instrumental numbers of the Victorian period and the Victorian atmosphere will be created by the appropriate costumes.

WEEKLY PRESS EDITORS CLOSE A LIVELY SESSION

Convention was Held at Hotel Albemarle --- Banquet and Speeches in Evening

Albemarle, Oct. 12.—After a most interesting meeting here, the western North Carolina Weekly Publishers association convention closed tonight, marked by an elaborate banquet given to the newspaper folks at the Hotel Albemarle by the Lions club. The number present was not large, but the meeting was certainly up to average in interest.

One new member, J. P. Cook, of Concord, was received last night, most of the time last night and this morning was spent in short talk. At 3 o'clock this afternoon the visitors were taken through the new Wisconsin 'Knitting' mill; after which they were driven to the Morrow's mountains and shown over the 'big aluminum town' of Badin. An elaborate banquet was served tonight at which Sikes gave the address of welcome.

Zeb Green, of Marshville gave the response on behalf of the editors. The toastmaster, W. L. Mann, then called on Attorney R. L. Brown, of the local bar, who made a snappy talk. The main address of the evening was made by J. F. Hurley, of Salisbury.

Tom Green Makes Talk

Lenoir, Oct. 17.—"Three years ago, Tom Green a farmer of this county bought what I considered one of the poorest farms in Kings Creek township," reports D. W. Roberts, County Agent for Caldwell county. "It contains 180 acres all of which was badly gully eroded and washed. T. A. Andrews, the man from whom Mr. Green made his purchase, declared that he could no longer make a living on the place, sold out and went to Virginia."

Yellowly Thinks This State Comparatively 'Dry' and Much More Arid Than East States

Washington, Oct. 13.—Some persons in North Carolina say they have discovered signs of renewed activity of moonshining in the state.

This statement, coming at a time when a citizens' conference is now in session here for the purpose of bracing up the government in the enforcement of the 13th amendment and the Volstead act, caused an inquiry to be made at the office of Prohibition Commissioner Haynes to learn how the law is being enforced in the state.

Mr. Yellowly said that in B. C. Sharp is to be found one of the best state enforcement agents in the country. But Mr. Sharp is backed up by the sentiment of a people who desire to have the Volstead act enforced, and the courts, both federal and state, are among the most responsive to duty in the country.

The percentage of the convictions for violations of the law are as high in the state as are to be found anywhere, and the cooperation between the federal and state authorities is efficient.

BOLL WEEVIL MENACE THREATENING AMERICA

The supremacy of America as the leading cotton producing nation of the world is threatened by the ravages of the boll weevil, which has been largely responsible for the destruction of between 20 and 25 per cent of the cotton crop this year, Edward E. Byrlette, Jr., president of the New York cotton exchange, declared in a statement issued last week.

"The extermination of the boll weevil, in my opinion," he said, "is one of the greatest problems that America has to solve. I believe that with an appropriation of a few million dollars, the government might organize a fight upon the boll weevil which in two or three years would exterminate the pest. Coupled with the economic loss destruction by the weevil each year entails, the money which the government has appropriated so far to fight it is infinitesimal."

"The statement by Lord Derby," he continued, "in time Great Britain would no longer depend upon the United States for its cotton, but would get all its supply from within the empire," analyzes a situation to which I have repeatedly called attention. It is a matter of regret that foreign nations should be quicker to appreciate this situation and take advantage of it than our own government.

"This year, approximately 20 to 25 per cent of the American cotton crop has been destroyed by boll weevil. Drought also has been a contributing figure, but the greatest damage has been done by the weevil. As a result of the short crop, prices have risen to the 30 cent level, and there is a danger of the world being without any cotton reserve in 1924. The high prices for cotton, due to the destruction of so large a part of the crop, places a burden on everyone."

"On one hand millions of dollars are wasted in the planting and cultivation of acreage which the weevil destroys; and on the other hand, the resulting high prices

TWO-DOLLAR NOTE MAY PASS FROM EXISTENCE

Victim of Superstition—Many Reasons Are Found For Its Unpopularity

The fact that the treasury department is still considering the dropping of the \$2 bill from its denominations of paper currency and has omitted it in the preparation of new designs for United States notes, silver certificates and Federal reserve notes will bring cheer to those who look on this form of legal tender as unlucky to its possessor or as a general nuisance because of its unpopularity as a business medium.

There is no doubt of this unpopularity. The paying teller of any bank will confirm it. J. B. Carpenter, assistant cashier of Morris Plan Industrial bank, this city, states that firms making up their payrolls for the month vary seldom request that \$2 bills be included in the currency. The percentage of the convictions for violations of the law are as high in the state as are to be found anywhere, and the cooperation between the federal and state authorities is efficient.

Mr. Yellowly said that in B. C. Sharp is to be found one of the best state enforcement agents in the country. But Mr. Sharp is backed up by the sentiment of a people who desire to have the Volstead act enforced, and the courts, both federal and state, are among the most responsive to duty in the country.

Our Honor Roll

The following have subscribed and pledged:

Radio Helps Highways

A story is told of a farmer in northern Illinois, whose farm is located on a dirt road, which is impassable during the winter if a frost comes when the road is in a rough condition. Last fall, when the road was at its worst, he got a radio warning of an immediate and heavy frost. Calling his neighbors by telephone, they turned out and rolled the road. When the freeze came, it proved to be permanent, and the radio owner and his neighbors had a boulevard to town all winter!

For cotton products due to the short crop take millions of dollars out of the pockets of consumers of cotton. Millions of dollars that might be saved are expended annually by the public due to higher prices of cotton as a result of the ravages of the boll weevil.

"Without a local newspaper, what channel is there for the news of the town and the surrounding country? Be sure to read the back-page this week."

HAVE DAIRY COWS FRESHEN IN FALL

Is Better Plan Than Having Them Freshen in Spring Says Extension Expert

Cows, from which cream is furnished to the creameries
