

# B110 Optical USB Mouse

**A precise optical mouse that keeps you comfortable and productive—at a feel-good price.**

### **Comfort in hand**

Left-handed or right, you can work comfortably all day long with this ambidextrous mouse.

### **A smooth mover**

You'll move quickly and easily through your work with smooth optical tracking and side-to-side scrolling plus zoom.

### **Ready in no time**

This plug-and-play mouse is simple to set up—you just plug it in to your USB and get back to business.

## B110 Optical USB Mouse

**A precise optical mouse with side-to-side scrolling plus zoom that keeps you comfortable and productive—at a feel-good price.**

### **Comfortable, ambidextrous design**

The comfortable, lower-profile shape feels good in either hand—even after a long day of work.

### **800 dpi optical precision**

You'll enjoy smooth, precise cursor control that lets you edit documents and navigate the Web more efficiently.

### **Side-to-side scrolling plus zoom**

The power is in your hands. You can scroll side-to-side in documents or zoom in and out of photos and spreadsheets with a flick of your finger.\*

### **Zero setup**

It works right out of the box—you just plug it into your USB port and you're ready for business.

### **Built by Logitech®**

This mouse comes with the quality and design we've built into more than a billion mice, more than any other manufacturer.

*\* Requires setup with Logitech® SetPoint™ software (Windows) or Logitech® Control Center software (Mac OS® X), available for download at [www.logitech.com/downloads](http://www.logitech.com/downloads).*
