

Logitech®

PC headset 120

- Behind-the-head, stereo headset for PC-to-PC calling
- Comfortable, low-profile, behind-the-head style
- Noise-cancelling microphone filters out unwanted background noise
- Adjustable microphone boom provides optimal clarity
- 2-year guarantee
- Full product support

The Logitech PC Headset 120 is designed for PC-to-PC calling, online voice chat, multi-player gaming, listening to music and watching movies. The headset features a sleek and comfortable behind-the-head style which also makes it ideal for use with webcams. Its adjustable, noise-cancelling microphone filters out unwanted background noise and provides optimal clarity. 2-year guarantee. Full product support.
