HP All-in-Ones

You get professional results every time you print, fax, scan and copy.

HP All-in-Ones

Photo-quality printing, walk-up colour copying and a whole lot more.

Check out the latest generation of HP All-in-Ones and you'll see that, from the smallest, most affordable models, through a full range of HP Photosmarts to high performance, wired or wireless networkable HP Officejets, there's an HP All-in-One that will do whatever you need it to do.

Want to be able to print photos without switching on your computer? Slot in your memory card and use the built-in LCD and on-board controls to view, edit and print, or just print directly from your PictBridge-enabled camera. Want convenient, PC-free photocopying as well? Need quick, simple scanning and the ability to send and receive faxes? There's an HP All-in-One that's right for you.

There are models that enable you to view and listen to video clips, freeze the action and print high quality stills; you can scan slides and negatives as well as photos and documents; and you can create beautiful, borderless panoramic prints in vivid colour or striking black & white.

If your needs are more business-related, there are HP Officejets which come with built-in automatic document feed (ADF) and optional duplex printing and scanning.

And remember, HP ink cartridges are designed for efficient ink use to save you ink and money. So you're assured of economical operation as well as professional results every time you print, fax, scan and copy.

HP Smart Printing Features
Innovation, control and creativity at your fingertips

HP Smart Printing Features are designed to ensure you get the very most from your HP All-in-One, helping you to achieve great results every time you print, fax, scan or copy. HP-pioneered features benefit every stage of the printing process, from start to finish, and the intelligence that´s built into HP All-in-Ones puts real creativity at your fingertips.

HP automatic red-eye removal
Never see red-eyes on your photos again with your HP All-in-One. Remove red-eyes with HP automatic red-eye removal. This unique, easy-to-use and highly effective feature automatically recognises red eyes on your photos produced by a flash.

HP adaptive lighting technology
Get the light, right. This ground-breaking technology automatically adjusts high contrast photos to reveal the detail that would otherwise be lost in the shadows. Ideal for images with extreme light/shadow contrast or after using a flash.

before   after   without   with

HP panorama printing
Print those perfect landscapes with your HP All-in-One. Your HP All-in-One gives you the option of printing a collection of single shots as one complete panorama photo in formats of 10 x 30 cm or even a large 21 x 61 cm image.

HP Smart Printing Features
Innovation, control and creativity at your fingertips

HP automatic paper type sensor
Your HP All-in-One automatically recognises the type of paper you are using and adapts it's ink usage accordingly. Not only do you get the best print results every time but you also optimise on your ink consumption too.

| 10x15cm | A4 | → automatic sensor → | → automatic paper selection + printing |

HP proof sheet function
Print an overview of your photos with the touch of a button. Mark your favourites and your HP All-in-One will print them in the size and format you want.

HP direct printing
Enjoy the freedom of direct printing without using a computer. Print your photos directly from your digital camera via PictBridge or memory cards. These features are dependant on your HP All-in-One type. Just get the most out of your HP All-in-One.

HP Inkjet All-in-Ones

HP Accessories

To obtain further compatibility information about the following HP Accessories, please refer to the accessories compatibility chart in this leaflet or visit our website on www.hp.com/eur/hpoptions

New

HP Two-Sided Printing Accessory

Add this duplexer to your HP Printer/All-in-One and gain the ability to print double-sided documents without having to turn papers over manually. Ideal for producing professional-looking documents and to save on paper costs.

Product number: Q5582A

HP Auto
Two-Sided Printing Accessory

Add this duplexer to your HP All-in-One, HP Deskjet or HP Photosmart Printer and gain the ability to print double-sided documents without having to turn papers over manually. Ideal for producing professional-looking documents and to save on paper costs.

Product number: Q5712A

HP Two-Sided Printing Accessory with Small Paper Tray

Enhance your HP All-in-One, HP Deskjet or HP Photosmart Printer – and save paper – with this snap-on duplexer. As well as enabling you to print double-sided documents, its small-size paper tray also allows two-sided printing of 10 x 15 cm photos.

Product number: Q3032A

HP Accessories

To obtain further compatibility information about the following HP Accessories, please refer to the accessories compatibility chart in this leaflet or visit our website on www.hp.com/eur/hpoptions

HP 250-sheet Plain Paper Tray

Add this 250-sheet paper tray to your HP All-in-One and boost paper capacity to 400 sheets for less frequent interruptions. Alternatively, use this tray for plain paper and free up your standard tray for premium or photo papers.

Product number: Q6211A

HP bt300/bt450 Bluetooth Wireless Printer Adapter

Enjoy the fun of true mobile printing from camera phones, PDAs, or other Bluetooth wireless technology enabled devices. The HP bt300/bt450, Bluetooth wireless printer adapter connects to select HP printers via front USB port.

Product number: Q3395A/Q6398A
