

TomTom PRO 5150 TRUCK LIVE

Reliability is everything in your line of work. And time is your major opponent. Avoid traffic jams, narrow roads and get time on your side with the TomTom PRO 5150 TRUCK LIVE.

Truck-friendly directions, live traffic warnings and easy admin keep jobs running as planned. So you can impress customers with a reliable and truly professional service.

Save time when you're out on the road

Find the best routes for your truck

The PRO 5150 TRUCK LIVE gives you truck-friendly routes right across Europe.

- Avoid narrow streets and sharp turns.
- Get accurate estimated time of arrivals based on a lower average speed.
- Avoid roads with height, weight, width, length and hazmat restrictions.

Be always up-to-date with FREE Lifetime Maps

The PRO 5150 TRUCK LIVE lets you always drive with the latest map. Get to your destination faster with FREE Lifetime Maps.*

- Avoid detours by always driving with the latest truck map.
- Download at least 4 new versions of your truck map every year.
- Get FREE Daily Map Changes from the TomTom Map Share community.

Always know of the traffic ahead

The PRO 5150 TRUCK LIVE comes with one year FREE LIVE Services*, so you can beat the jams with real-time information from HD Traffic.

- Avoid delays and route round traffic.
- Schedule stops smartly around congestion.
- Get accurate estimated time of arrivals that take traffic into account.

Save even more time with WEBFLEET®

The PRO 5150 TRUCK LIVE is WEBFLEET® ready, which means that a simple upgrade will connect it to our online fleet management service.** This is not just for large fleets, it can be a great help to independent drivers too.

Drive down costs on fuel and maintenance

Once you can see your performance, you can improve your driving style to cut costs on fuel and on maintenance.

- Save fuel with Active Driver Feedback.
- Schedule maintenance tasks effectively to prevent breakdowns.

Reduce paperwork and administration

WEBFLEET records information as you drive, so there's a lot less paperwork at the end of the day.

- Get an automatic online logbook of jobs and working hours.
- Keep the most accurate records, with data from your vehicle in real-time.
- Prove your performance with easy-to-use reports

Plan your day more effectively

WEBFLEET helps you organise your work as efficiently as possible and give your customers accurate estimated time of arrivals.

- Get reports on reliability of service, environmental impact and more.
- Send job details through to your TomTom device.
- Work out the most efficient way to order jobs.

** WEBFLEET® subscription required
