Committee on Import Licensing

Original: English

AGREEMENT ON IMPORT LICENSING PROCEDURES

NOTIFICATION UNDER ARTICLE 5.1-5.4 OF THE AGREEMENTⁱ

EUROPEAN UNION

The following notification, dated 2 August 2017, is being circulated at the request of the delegation of the European Union.

1.	<p>(a) Title / number / date of the law or regulation establishing / changing the import licensing procedure:</p> <p>Commission Implementing Regulation (EU) No 2017/1092 of 20 June 2017 amending Implementing Regulation (EU) No 2016/670 introducing prior Union surveillance of imports of certain iron and steel products originating in certain third countries.</p> <p>(b) If the notified measure refers to a change in an already notified import licensing procedure, please indicate the document symbol of the notification to which change(s) has(ve) been introduced. (In this case please also indicate in Section 3, below, the nature of the changes (i.e. inclusion or exclusion of some goods and a list thereof; contact point for information and/or administrative body(ies) for submission of applications, etc.)):</p> <p>G/LIC/N/3/EU/5 (to make the administration of the system more operational, the European Commission increased the exemption threshold for certain products from 2.5 to 5 tons. This will reduce the number of transactions falling under surveillance and remove unnecessary constraints on importers that make many relatively small transactions and often operate based on a just-in-time system. Most imported steel products, usually traded in high volumes, will remain under surveillance. The European Commission will also encourage national authorities to accept handling the procedure in a paperless way)</p>
2. Information concerning the institution / change of import licensing procedure:	<p>(a) List of products subject to the licensing procedure (Exact name of the products and/or whenever possible HS code and indication of the exact HS Nomenclature (i.e. 1996; 2002 or 2007). Abbreviations should be avoided. <u>In the case of a long list of products, please attach the list as an Annex in Microsoft Word or compatible software. Please do not use PDF, or photocopies.</u>)</p> <p>Annex I of Regulation No 2017/1092:</p> <p>7207 11 14; 7208; 7209; 7210; 7211; 7212; 7213; 7214; 7215; 7216; 7217; 7219; 7220; 7221; 7222; 7223; 7225; 7226; 7227; 7228; 7229; 7301; 7302; 7304; 7305; 7306; 7307 19 10; 7307 23; 7307 91 00; 7307 93 11; 7307 93 19; 7307 99 80; 7318 12 90; 7318 14 91; 7318 14 99; 7318 15 42; 7318 15 58; 7318 15 68; 7318 15 82; 7318 15 88; 7318 15 95; 7318 16 40; 7318 16 92; 7318 16 99; 7318 19 00; 7318 21 00; 7318 22 00.</p>

(b) Contact point for information on eligibility

Please refer to Annex II of Regulation 2017/1092, listing the competent authorities for each EU Member State and see also point (c) below).

(c) Administrative body(ies) for submission of applications *(If more than one please include the same information for each body.)*

Annex II of the Regulation No 2017/1092:
