ASSENT TO BILLS

- 963 Letter from the Governor was reported, informing the House that Her Excellency had, in the name of Her Majesty, assented to the following Bills on 24 June 2004—

PETITIONS

- The following paper and E-petition, lodged with the Clerk by the Member indicated, was received—
- 964-965 Ms Nelson-Carr, a Paper Petition from 68 petitioners and an E-Petition from 428 petitioners, requesting the House to review the practices of the Department of Communities and Disabilities, namely, the Adoption of Children Act of 1964 and the Adoption of Children Regulation 1999 to include the biological name of the mother and father on all official birth certificates, particularly in step parent adoptions where the natural parent is deceased.
- The following paper petitions, lodged with the Clerk by the Members indicated, were received—
- 966 Ms Barry from 56 petitioners requesting the House to build noise barriers along the Gateway Motorway for Northwind Estate residents in Bald Hills and/or build a quieter surface on the motorway without further delay.

- 967 Mr Wallace from 118 petitioners requesting the House to not pass any legislation limiting or banning compound hunting bows or crossbows as such legislation would have devastating effects on the sport of archery which provides many families with fun and sport.
- 968 Mr O'Brien from 89 petitioners requesting the House to order the installation of meters at every house and business between the Daintree River and Cape Tribulation in the electorate of Cook; to charge all householders and business owners for their electricity consumption at the same rate as the rest of Queensland; and to reimburse all householders and business owners the full cost of properly received equipment, fuel, maintenance and equipment replacement costs, less subsidies which the amendment has excluded from the distribution authority.
- 969 Mr Reynolds from 1099 petitioners requesting the House to ensure that The Townsville Community Music Centre does not lose funding past 31 December 2004 and to provide the community adequate operational funding for the full three years of this funding round and all the assistance necessary to allow the Townsville Community Music Centre to recover from its recent and anomalous difficulties.
- 970 Mr Mulherin from 47 petitioners requesting the House to relocate a women's shelter from an established up-market residential area to a more appropriate location.
- 971 Mr Wellington from 303 petitioners requesting the House to make provision in the proposed new tenure for Mapleton Forest Reserve to have some of the already existing fire trails (approximately 2% of the forest) set aside as Conservation Park Corridors. By doing so, 98% of Mapleton Forest would become National Park and horse riders will be able to ensure that fire tracks remain open and preserve the safety and livelihood of the surrounding community.
- The following E-petition, sponsored by the Member indicated, was received—
- 972 Mrs Croft from 2 petitioners requesting the House to take immediate action by reducing speed limits and provide right hand only turning lanes along Broadwater Avenue, Hope Island until more funding is made available for a roundabout as a permanent solution to this serious black spot.
