Microsoft® Wireless Notebook Optical Mouse 4000

High Definition Technology | Magnifier | Tilt Wheel

Go wireless in style, comfort, and complete control

Travel in comfort and control with the Microsoft® Wireless Notebook Optical Mouse 4000. Get greater control with the Tilt Wheel Technology for 4-way scrolling and Magnifier for enlarging screen details. Plus, prolong battery life* with the Snap-in Receiver that automatically turns off the mouse.

Magnifier

Just point and click to enlarge and edit details in real time with the Magnifier.

4-Way Scrolling

Use the Tilt Wheel to easily and efficiently scroll side to side as well as up and down in spreadsheets, Web pages, photos, and more.

Microsoft High Definition Optical Technology

Experience ultimate performance in the palm of your hand. Microsoft's High Definition mouse products are more precise, more responsive, and deliver smoother tracking.

More Responsive
1000 dpi

More Precise
6000 FPS
85 MOPS
0.18 Microns or smaller

Smoother Tracking
Microsoft Intelligent Tracking System

Snap-in Receiver

Snap-in Receiver automatically turns off your mouse to prolong battery life — battery can last 6+ months.*

Comfort

Get a grip with recessed sides, comfortable shape, and design created for either hand.

* Many users average more than six months of battery life with one AA battery.

System Requirements
