

TRIA Resources Database

[Return to publication table of contents](#)

Published Works

The listings below, in bibliographic format, are intended to provide the reader or researcher interested in a broader and more in-depth examination of the issues raised and discussed in *The Future of Terrorism Risk Insurance* compendium with appropriate guidance. These listings go well beyond the sources cited in the 16 White Papers in the compendium.

The listing of published works, websites, and other resources in this database is a tool to assist those who wish to inquire further into the subjects discussed in the compendium. It is provided here for educational and research purposes only. DRI neither intends nor makes any expressed or implied endorsement of any resource listed here, or the viewpoints or opinions expressed in any of the resources.

1. TRIA—General Information

Articles

- “A TRIA Update,” *Financing Risk and Reinsurance* newsletter, International Risk Management Institute (2004)
- Bragg, Jeffrey, Presentation by Vermont Terrorism Risk Insurance Program Director to Vermont Captive Insurance Association (August 11, 2003)
- Brostoff, Steven, “Congress still going through motions; Prospects for actual movement remain dim on issues important to insurers,” *Capital Insights*, National Underwriter Company (July 5, 2004)
- “Counterpoint,” *Financing Risk and Reinsurance* newsletter, International Risk Management Institute (2004)
