

The form can be used when:

- a person applies for a surname that is used by their spouse and the applicant needs their consent.
- a person applies for a surname that is used by the applicant's child or sibling, and the applicant needs consent from all the persons with that surname registered in the Population Information System.
- a person applies for the surname of their foster parent and needs their consent.
- a person applies for a new surname, which is the same as a protected identifier, and the applicant needs consent from the holder of the identifier.
