SES AMERICOM ANNOUNCES CHANGE IN EXECUTIVE MANAGEMENT

Princeton, NJ – May 9, 2008 – SES AMERICOM, an SES Company (Euronext Paris and Luxembourg Stock Exchange: SESG), announced that President and CEO, Edward D. Horowitz, has resigned from the company to pursue opportunities with Global Entertainment and Media Holdings Corporation. Romain Bausch, SES Chief Executive and Chairman of the SES AMERICOM Board, together with the members of AMERICOM's Management Committee, will continue to execute the business strategy until a successor is appointed.

Romain Bausch, President and CEO of SES, said, "Ed was instrumental in the further integration of SES AMERICOM into the SES family and in developing new market areas, such as IP-PRIME. We thank Ed for his contribution to SES over the past three years, and wish him continued success in his future endeavors. The company is on track to grow in each of its market sectors, thus maintaining its industry leadership in North America."

About SES AMERICOM

www.ses-amicom.com

As the leading supplier of satellite services in the U.S., SES AMERICOM serves broadcasters, cable programmers, aeronautical and maritime communications integrators, internet service providers, mobile communications networks, government agencies, educational institutions, carriers and secure global data networks with efficient communications and content distribution solutions. The company, recognized as a major innovator of advanced satellite communications services, operates a fleet of 15 spacecraft in orbital positions predominantly providing service throughout the Americas. In addition, AMERICOM Government Services (AGS), a wholly-owned subsidiary, is dedicated to providing satellite-based communications solutions to both civilian and defense agencies of the U.S. Government.

SES AMERICOM is an SES company (Euronext Paris and Luxembourg Stock Exchange: SESG). SES wholly owns three market-leading satellite operators, SES ASTRA in Europe, SES AMERICOM in North America, and SES NEW SKIES which provides global coverage and connectivity. The company also holds 90% of SES SIRIUS in Europe as well as strategic participations in Ciel in Canada and QuetzSat in Mexico. SES provides outstanding satellite communications solutions via a fleet of 38 satellites in 25 orbital positions around the globe. Additional information on SES is available at: www.ses.com
