SPRING 2020 COMMENCEMENT

Ashford
UNIVERSITY®

Congratulations,
graduates!

THE HISTORY OF ASHFORD UNIVERSITY

FOUNDING

The history of Ashford University begins in 1891, when Father John Murray invited the Sisters of St. Francis to help him teach students in Clinton, Iowa. By 1893, the Sisters were able to purchase some land in Clinton, on which they established their mother house and the Mount St. Clare Academy, a prep school for girls. The Academy and mother house quickly outgrew their old building. In 1910, the mother house and the academy moved into the newly constructed Mount St. Clare building.

Seeing a need for teachers in Clinton County and the surrounding area, the Sisters founded Mount St. Clare College, the predecessor to Ashford University, in 1918. At that time, the Mount St. Clare Academy, College, and Convent were all housed in the same building.

in CLINTON, IOWA

EXPANSION

In 1950, the North Central Association of Colleges and Schools first accredited Mount St. Clare College. Following the accreditation, the school quickly began to expand. The sisters moved into an adjoining convent building in 1956. A new library and gym were opened a few years later. During the '60s, the Science Hall was opened. And in 1967, the college became coeducational.

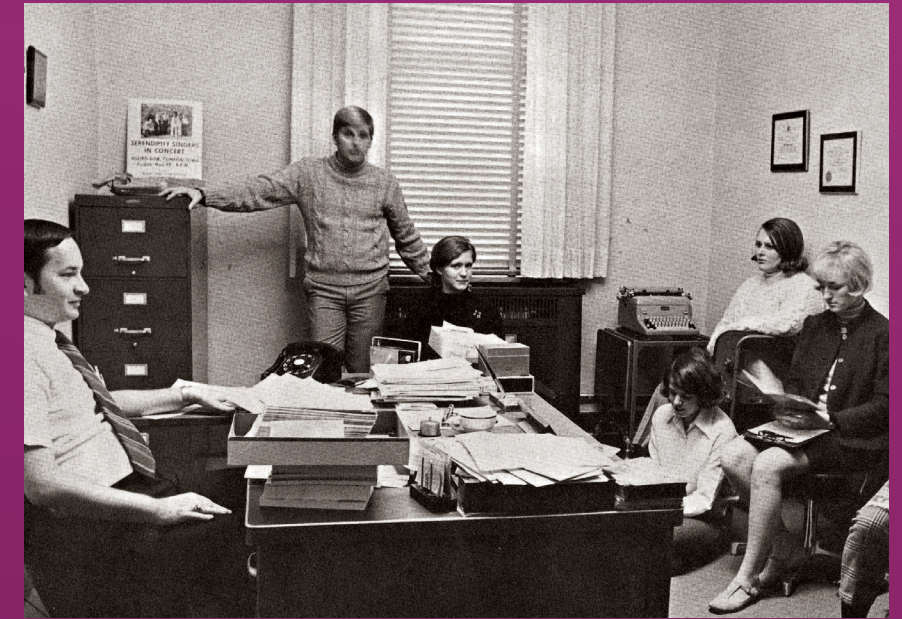

For the 1979-1980 school year, the college received approval for its first four-year degree, a Bachelor's program in business administration. The following year, the Mount St. Clare Academy merged with St. Mary's High School in Clinton, forming Mater Dei High School (now known as Prince of Peace Academy). With the space freed by the academy's merger, the school began to offer additional four year programs.

In 1997, the sisters moved off campus into their new mother house, The Canticle. In 1998, the Durgin Educational Center was opened, which included new athletic facilities, including Kehl Arena.

BECOMING A UNIVERSITY

In 2002, Mount St. Clare College began to offer a Master's program over the internet. In conjunction with the expanded course offerings, the school changed its name to The Franciscan University, and the name of the athletic teams were changed from "The Mounties" to "The Saints." In September 2004, the school modified its name to The Franciscan University of the Prairies, in order to avoid confusion with similarly named schools.

In March 2005, the University was purchased by Bridgepoint Education, Inc. After the completion of the sale, the institution's name was changed to Ashford University. The school also dropped its affiliation with the Roman Catholic Church and became a for-profit institution.
