Irrigation Technical Note No. 5

June 3, 2010

To: All Colorado Area, Field and SCD Offices

From: Jason W. Peel
Irrigation Water Management Specialist

Colorado Supplemental Information to NEH-652, National Irrigation Guide

Colorado NRCS has prepared a series of supplemental documents to the National Engineering Handbook, Part 652, National Irrigation Guide. These documents provide detailed information specific to Colorado for use in the planning and management of irrigation systems.

The following supplements when used in conjunction with NEH-652, National Irrigation Guide, will serve as the Colorado Irrigation Guide.

[Chapter 3 – Crops](#)

[Chapter 4 – Water Requirements](#)

[Chapter 5 – Irrigation Method Selection](#)

[Chapter 6 – Irrigation System Design](#)

[Chapter 9 – Irrigation Water Management](#)

[Chapter 10 – Conservation Management Systems](#)

[Chapter 12 – Energy Use and Conservation](#)
