Customer Info

Please read this before calling with questions.

HI!

Welcome to our year **2001 Sealed Cassette Catalog**.

We had no 1999/2000 Cassette catalog (sorry) so this is our 1st cassette catalog since our 1998 one, which is now void. This catalog will be good until the end of 2001. We have packed about 10,000 out of print (cutout) and budget titles into this catalog. Cutouts have small holes or cuts in the case to mark it as out of print. This does not affect its' playability and is not a defect. The cassettes we sell are guaranteed against defects. See the returns section on this page in you have a problem. All expired credit slips are now valid until Dec. 31, 2000.

Our Table of Contents of music categories are on the back cover to help you find your favorite artists. A \$50 or higher *cassette only* order will qualify you for **free shipping** on that order (US customers only).

We do not sell CD's.

\$2.00 will keep you on our mailing list if you do not place an order at least once a year.

Thank you for your support in the past and look forward to serving you in the future. For hard to find music in vinyl, see our web site LPnow.com.

All Cassettes in this catalog are available in limited quantities. They can and will sell out completely, even before you get the catalog. Everything is subject to prior sale. Due to the overall scarcity of out of print cassettes, you should order as soon as you can and list as many alternate selections as you like. Listing alternates saves you money on future shipping costs. Alternates should be listed with the original order on the back of the order form. We ship your order when it is as complete as we can make it. Shipping charges are added to every shipment under \$50 (US customers only). Alternate selections are not required but do help us process your order sooner.

Assume:

- ✓ Everything we offer for sale is New and/or Sealed, not used.
- ✓ All U.S. Cassettes are factory sealed cutouts or In-print Budget lines.
- ✓ Some Cassettes are imports and are not sealed.
- ✓ We have reliable sources for the 1,000's of cassettes listed but some titles will sell out, even before you get the catalog.
- ✓ Some Titles will and do sell out completely.
- ✓ You can order from this catalog until December 2001. This catalog was released in October 2000. Continue to order until December 31, 2001.

There are exceptions to the above assumptions. Some cassettes are not cut. Please do not request uncut cassettes. Order the titles you want and assume that they are marked as a cutout. We have no control over this.

PAYMENTS No minimum order required.

US CUSTOMERS

Make out your Check or Money Order to HARVARD SQUARE RECORDS INC. and use the order form provided. VISA, MASTERCARD & DISCOVER are accepted also.

Orders shipped to Massachusetts addresses must add 5% sales tax.

FOREIGN CUSTOMERS

DELIVERY TIME

PLEASE ALLOW 4-8 WEEKS FOR YOUR ORDER TO BE PROCESSED AND DELIVERED TO YOU. The average order takes 3-6 weeks, so expect that. Orders are shipped as soon as they are as complete as possible, so it could take less time. This has nothing to do with your check clearing your bank or whether you use a credit card or not.

Special Note on Reserving Stock and Song Titles:

We do not reserve any stock nor do we have the song titles of any title available to us. Please do not call or email to see if something is in stock or what songs are on any title. Everything in this catalog is available to us at press time, but we cannot **guarantee** the availability of any title on the phone. Placing an order is the best and fastest way to insure you get the titles you want. Orders begin only when payment or credit card # is received. The sooner you order, the sooner you will get your order.

We have many sources for most of the titles listed, but some titles have no source and are limited to the stock on hand.

HARVARD SQUARE RECORDS is a MAIL ORDER/WEB COMPANY with no retail outlet. Our sealed vinyl is on the web at LPnow.com.
