**Istara:** Istara has a smooth, slightly oily texture and a wonderfully sweet flavor with hints of olive, hazelnut and fig.

One of the reasons for the immediate success of Le Roulé is the originality of the product combined with the fresh and distinctive taste. This hand-rolled cheese has the subtle infusion of G&H or cranberries in every bite.

## Camembert La Petite Reine

French for “Little Queen”, this cheese certainly lives up to its name. With earthy tones and a creamy mushroom flavor, La Petite Reine shows off a traditional rustic palette. If Brie is the “King’s Cheese”, then this Camembert is truly worthy of being its counterpart.

# les 3 Comtois

EQ-902	Handee Pair Of Handles Cheese Cutter 90 cm	1x1 oz	Uk

**Cheese paper** is specifically designed to keep cheese fresh and delicious. Careful handling and proper storage can mean the difference between eating vibrant and delicious cheese or dead 'over the hill' cheese. This 2-ply cheese paper maintains proper humidity and allows adequate oxygen exchange to keep cheese alive and tasty. The perfect item to wrap your cheeses in for the holidays!

It is the passion of the Von Muhlenen Family to select the best cheese in Switzerland from artisan cheese makers, matured to perfection. For the maturation we choose for each cheese special cellars with an appropriate climate and cheese ripening cultures. You can trust the quality of Affineur Walo.
