# One For All® Universal Remote Controls

## How does it work?

1. Download the NEVO App from the AppStore or Google Play onto your tablet or smartphone\*
2. Follow the pairing process as shown in the app
3. Place the Smart Zapper close to your home entertainment devices
4. Open the NEVO App, select the devices you want to control and you are ready to go.

\*) For Smart Zapper: works with Bluetooth Low Energy Tablets and Phones only, for example iPhone 4S and higher, iPad 3 and higher, Samsung Galaxy S5, Note S3 etc  
• For Android, 4.3 or higher is required

At One For All® we take pride in combining the latest technology, functionality and design. When designing antennas our priority is to ensure the best possible reception of Terrestrial Digital Video Broadcast (DVB-T/DVB-T2).

One For All® has developed a complete new range of indoor and outdoor antennas that anticipates the 4G LTE deployment. Both our indoor and outdoor antennas have a unique built-in 4G LTE block filter to ensure Crystal Clear Reception now and in the future!

**If you live in a built up area you need to purchase a stronger antenna to receive a good reception.**

Where you live makes a big difference to the type of antenna you need. The further away from a transmitter you live, the weaker TV reception becomes. If you live in a weaker signal area, it is essential to use an amplified model.

# INVISIBLE range by One For All

## Combine - Connect - Conceal

Buying a new TV is exciting. You take great care when installing it, only to find that once you're ready to switch it on, the whole experience is diminished by the many cables and connected devices in plain sight.

One For All® provides an easy answer with INVISIBLE®, a universal product range to combine, connect and conceal to perfection. Organise all your audio/visual devices, cables and other accessories seamlessly with surprising ease and spectacular results.

The INVISIBLE® range consists of five products to be used separately or in combination to deal with the clutter once and for all. Out of sight, out of mind.
