Fairchild Gardens' Plant Sale Now On!

APRIL 24, 2020 · BY KAREN ESCALERA

Welcome good news! The show is going on as you read this. We're talking Fairchild Tropical Botanic Gardens' plant sale. 'Safer From Home' Spring Plant Sale edition is on from now to April 25, 2020. And better yet, they'll deliver your plants right to your front door!

Plant delivery varieties — 50 in all — include *Clusia orthoneura*, *Rosmarinus officinalis*, *Salvia caymanensis*, *Justicia brandegeana*, *Begonia dichroa* 'Honeysuckle,' *Brownea macrophylla*, *Portlandia proctorii*, and *Plectranthus scutellarioides* 'Beckwith's Gem,' among many others. Note that when you go online it may show a plant or plants are sold out. I was told that the selection is refreshed daily.

Members receive 10% off their total sale by using promo code "member" at checkout. Deliveries are limited to 15 miles from Fairchild Garden.

Fairchild Members must present their membership card upon delivery (from window or from a safe social distance of six feet). Delivery rates apply. Orders over \$500 qualify for free delivery. No pickup.
