Establishment of rental hunting areas in Viljandi county

Adopted on 22.04.2002 No. 26

RTL 2002, 53, 750

Entry into force 05.05.2002

The regulation is established on the basis of subsection 6 (1) of the Hunting Management Act and on the proposal of the Viljandi County Hunting Council.

§ 1. Number and areas of rental hunting areas in Viljandi county

The number and areas of rental hunting areas in Viljandi County are:

1) Abja rental hunting area	11,900 ha
2) [Repealed - RT I 29.07.2011, 1 - entry into force. 01.08.2011]	
3) [Repealed - RT I 2010, 59, 401 - entered into force. 28.08.2010]	
4) Holstre rental hunting area	7 130 ha
5) Karksi rental hunting area	11,410 ha
6) [Repealed - RT I, 22.12.2015, 29 - entered into force. 12/25/2015]	
7) Kõo rental hunting area	14 550 ha
8) Kärstna rental hunting area	9 110 ha
9) Lahmuse rental hunting area	9,500 ha
10) [Repealed - RT I 2010, 59, 401 - entered into force. 28.08.2010]	
11) Lembitu rental hunting area	11,370 ha
12) Lille rental hunting area	11 010 ha
13) [Repealed - RTL 2009, 52, 755 - entered into force. 05.07.2009]	
14) Nuija rental hunting area	11,510 ha
15) Paistu rental hunting area	10,500 ha
16) Polli rental hunting area	6 060 ha
17) [Repealed - RTL 2007, 22, 375 - entered into force 18.03.2007]	
18) [Repealed - RTL 2009, 52, 755 - entered into force. 05.07.2009]	
19) Suislepa rental hunting area	6,780 ha
20) Suure-Jaani rental hunting area	10 130 ha
21) Sürgavere rental hunting area	8 650 ha
22) Tarvastu rental hunting area	12,390 ha
23) Tännassilma rental hunting area	9,630 ha
24) Here is a rental hunting area	10,770 ha
25) Vambola rental hunting area	9 910 ha
26) [Repealed - RT I, 22.12.2015, 29 - entered into force. 12/25/2015]	

§ 2. Border descriptions of rental hunting areas of Viljandi county

The boundary descriptions of the rental hunting areas of Viljandi county are as follows:

1) **Abja rental hunting area** the border runs from the confluence of the Enu stream to the Halliste river, along the Halliste river to the mouth of the Pöögle stream, thence along the Pöögle stream to the Reiu – Valga highway; then along the Reiu – Valga highway to Lopa – Äriküla; from the crossroads along the Lopa – Äriküla road to the border of Abja municipality, along the border of Abja municipality to the border ditch north of Uuejaani new land and along the border ditch to the service of Lopa – Penuja; then along the Lopa-Penuja road on the Abja-Ruhja road in Penuja; From Penuja along the Abja – Ruhja highway to the border of the Republic of Estonia and along the border of the Republic of Estonia to Ludri Uusimaa; thence along the Ludri Uusimaa road to the Laatre – Veelikse – Vana-Kariste service and along the Laatre – Veelikse – Vana-Kariste road to Sarja; From the series along Tõlla road to Töötsimõisa recreation base, continuing along the road of Töötsimäe recreation base to Enu stream and along Enu stream to Halliste river.

(2) [Repealed - RT I, 29.07.2011, 1 - entry into force 01.08.2011]

3) [Repealed - RT I 2010, 59, 401 - entered into force. 28.08.2010] 4) **Holstre rental hunting area** the border runs from Orika on the Viljandi ring road along the ring road to the Viljandi – Pikassilla road; further along the Viljandi – Pikassilla road to the border of Paistu municipality and along the border of Paistu municipality to the Viljandi – Männaste – Mustla road; thence along the Viljandi – Männaste – Mustla highway to the Männaste – Holstre service; from the crossroads along the Männaste – Holstre road to the Äрма river and along the Äрма river to the border of Paistu municipality; further along the border of Paistu municipality to the Viljandi – Pikassilla road; thence along the road to Varastu stream and along the stream to Paistu – Holstre; hence along the Paistu – Holstre road to the Mustla high-voltage line route and along the high-voltage line route to the border of Viiratsi municipality; thence along the border of Viiratsi municipality to Everti stream; further along the Everti stream to the Viljandi – Nuija highway and along the Viljandi – Nuija highway to the Viljandi ring road in Orika.

5) **Karksi rental hunting area** the border runs from the intersection of the Abja – Sultsi road and the Õisu – Morna road along the Abja –

Sultsi road to the gas pipeline, along the gas route to the Nuia – Viljandi road and along the Nuia – Viljandi road to the Ahimäe – Suuga – Kärstna road in Ahimäe; From Ahimäki, the border runs along the Suuga – Kärstna road to the border of Tarvastu municipality and along the border of Tarvastu municipality to Nuia – Anikatsi; thence along the Nuia – Anikatsi road to the Anikatsi – Veisjärve service and along the Anikatsi – Veisjärve road to the Anikatsi main ditch; thence along the Anikatsi main ditch to Veisjärvi; then as an imaginary extension of the main ditch to the mouth of the Veisjärve ditch; thence along the border of Karksi forest district to the Mäeküla – Küti service and along the Mäeküla – Küti road to the border of Karksi forest district; thence along the forest district boundary to the Vanause stream and along the stream to the Kurimetsa – Sudiste service; further along the Kurimetsa – Sudiste road to Sudisten. The border runs along the Anikatsi – Karksi-Nuia road to the Viljandi – Karksi-Nuia road and along the Viljandi – Karksi-Nuia road to the Oti – Poll road; from the crossroads along the Oti – Polli road to the Polli – Ülemõisa road and along the Polli – Ülemõisa road to the Enu farm; then along the road of Enu farm to Kutsiku stream and along Kutsiku stream to the border of Karksi municipality, continuing along the border of Karksi municipality to Kõpu river (Ülemõisa) and along Kõpu river to the border of Paanikse forest district; thence along the forest district border to Õisu – Morna and along the Õisu – Morna road to Abja – Sultsi. continuing along the border of Karksi municipality to the Kõpu River (Ülemõisa) and along the Kõpu River to the border of the Panic Forest District; thence along the forest district border to Õisu – Morna and along the Õisu – Morna road to Abja – Sultsi. continuing along the border of Karksi municipality to the Kõpu River (Ülemõisa) and along the Kõpu River to the border of the Panic Forest District; thence along the forest district border to Õisu – Morna and along the Õisu – Morna road to Abja – Sultsi.

6) [Repealed RT I, 22.12.2015, 29 - entry into force. 25.12.2015] 7) **Kõo rental hunting area**

the border runs from the intersection of Viljandi – Imavere road and Viljandi county border along the Viljandi county border to Lebavere road, from there along Lebavere road to Kõo – Kolga-Jaani road; from the crossroads along the Kõo – Kolga-Jaani highway to Kõo main ditch and along Kõo main ditch to Käparumbi main ditch; further along the Käparumbi main ditch to the Venevere – Olustvere highway and along the highway to the Parika stream; then along the Parika stream to the Navesti river; From the confluence of the Parika stream along the Navesti River along the Navesti River (at Imavere – Viljandi highway, the border runs along the old riverbed) to the Suure-Jaani – Võhma highway, continuing along the Suure-Jaani – Võhma highway to Tõrvaaugu and along the Tõrvaaugu road to definama oja; thence along the stream to the ditch of the limestone bog; further along the ditch of the Lubjaahju bog to the border of Viljandi county; further along the county border to the border of the city of Võhma and along the south-western,

8) **Kärstna rental hunting area** the border goes from the border of Tarvastu municipality and the Anikatsi – Paistu road along the border of Tarvastu municipality to Ojastu farm, along Ojastu farm road to Pahuvere bog and along Pahuvere bog road to Pahuvere – Mustla road; further along the Pahuvere – Mustla road to the Raasilla – Kärstna road; from the crossroads along the Raasilla – Kärstna road to Purgi stream and along Purgi stream to Nahkle stream; thence along the Nahkle stream to the Kärstna – Suislepa power line route and along the power line route to the eastern border of Laugi New Zealand; further along the eastern border of Laugi Newland to the border of Viljandi County and along the county border to the Õhne River; then along the Õhne River to Veisjärvi, continuing as an imaginary extension of the Õhne River across Veisjärve to the mouth of the Anikatsi main ditch; further along the Anikatsi main ditch to the Karuli – Anikatsi service and along the Karuli – Anikatsi road to Anikatsi; From Anikatsi along the Anikatsi – Nuia road to the border of Tarvastu municipality,

9) **Lahmuse rental hunting area** the boundary runs from the intersection of Viljandi County border and jälevere – Tõrvaaugu road along Viljandi county border to Lubjaahju swamp ditch, continuing along Lubjaahju swamp ditch to Specify stream and along Determine stream to Tõrvaaugu road; further along the Tõrvaaugu road to the Suure-Jaani – Võhma highway and along the highway to the Navesti River; thence along the Navesti River to the Imavere – Viljandi highway and along the Imavere – Viljandi highway to the Viljandi – Suure-Jaani – Vändra highway; from the crossroads along the Viljandi – Suure-Jaani – Vändra highway to the Suure-Jaani city border, continuing along the northern border of the city to the Suure-Jaani – Võlli highway and along the Suure-Jaani – Võlli highway to Saareküla; thence along Saareküla road to Keesi farm, further along the power line route to Muuti farm and along Muuti road to Arjandi stream; thence following the Arjandi stream to Labida, along the Labida road to the Ojaküla – Vihiküla road and along the Ojaküla – Vihiküla road to the Suure-Jaani – Vändra road; from the crossroads along the Suure-Jaani – Vändra highway to the Navesti river, along the Navesti river to the Seurevere bridge and along the jälevere – Tõrvaaugu road to the border of Viljandi county.

10) [Repealed - RT I 2010, 59, 401 - entered into force. 28.08.2010] 11) **Lembitu rental hunting area**

the border runs from the intersection of Viljandi – Tallinn railway and Viljandi city border along the railway to Auksi road, along Auksi road to Imavere – Viljandi road; from the crossroads along the Imavere – Viljandi highway to the Võivaku – Kuhjaverre road and along the Võivaku – Kuhjaverre road to the Aimla – Tuudevere road; further along the Aimla – Tuudevere road to the service of Suti farm and along the road of Suti farm to Suti farm; thence along the forest road to Aimla – Saarepeed and along the Aimla – Saarepeed road to Aimla – Tääksi; from the crossroads along the Aimla – Tääksi road to the Viljandi – Kolga-Jaani highway and along the Viljandi – Kolga-Jaani highway to the border of Viiratsi municipality; further along the border of Viiratsi municipality to Kuudeküla service, continuing along Kuudeküla road to Tännassilma river; thence along the Tännassilma River to the border of the city of Viljandi and along the northern border of the city of Viljandi to the Viljandi – Tallinn railway.

12) **Lilli rental hunting area** the border runs from the intersection of the Karksi-Nuia – Viljandi road and the Karksi – Anikatsi road along the Karksi – Anikatsi road to Sudisten, continuing along the Sudiste – Kurimetsa road to the Vanause stream and along the Vanause stream to the border of the Karksi forest district; further along the border of Karksi forest district to the Küti – Mäeküla service and along the Küti – Mäeküla road to the Mäeküla quarry; thence along the border of the Karksi forest district to the Veisjärve ditch and along the Veisjärve ditch to Veisjärvi, continuing from the confluence of the Veisjärve ditch as an imaginary extension of the ditch over the center of Lake Veisjärve; from there turns the starting point of the Õhne River in Veisjärvi; runs along the Õhne River to the border of Viljandi County and along the border of Viljandi County to the border of the Republic of Estonia; hence along the border of the Republic of Estonia to the Ruhja – Karksi-Nuia highway and along the highway to Äriküla; From Äriküla along the Äriküla – Sinijärve road to the Valga – Uulu road, continuing along the Valga – Uulu highway to Karksi-Nuia – Viljandi highway in Karksi-Nuia; thence along the Karksi-Nuia – Viljandi highway to the Karksi – Anikatsi service.

13) [Repealed - RTL 2009, 52, 755 - entered into force. 05.07.2009] 14) **Nuia rental hunting area**

the border runs from the confluence of the Pöogle stream to the Halliste River along the Halliste River to the Karksi dam lake; thence along the Polli – Karksi-Nuia road to the Karksi-Nuia – Viljandi highway, continuing along the Karksi-Nuia – Viljandi highway to the Uulu – Valga highway in Karksi-Nuia; the border continues along the Uulu – Valga highway in the direction of Valga to Sinijärve; at the crossroads along the Sinijärve – Äriküla road in Äriküla on the Karksi-Nuia – Ruhja road; From Äriküla along the Karksi-Nuia – Ruhja highway to the border of the Republic of Estonia, continuing along the border of the Republic of Estonia to the Ruhja – Abja highway; then along the Ruhja-Abja road to Penuja-Lopa; along the Penuja – Lopa road to the northern boundary ditch of Uuejaani new land and along the new land boundary ditch to the border of Karksi municipality; thence along the border of Karksi municipality to Äriküla – Lopa; along the Äriküla – Lopa road to Loppan; Finally along the Valga – Uulu highway to Pöogle stream and along Pöogle stream to Halliste river.

15) **Bake in the rental hunting area** the border runs from the confluence of the Column of the Column to the Raudna River along the border of the Column of the Column to the border of Paistu municipality, continuing along the border of Paistu municipality to the route of the Viljandi – Mustla high voltage line; further along the high-voltage line Holstre-Paistu and along the Holstre-Paistu road to Varastu stream; thence along the Varastu stream to the border of Paistu municipality and along the border of Paistu municipality to the Paistu – Kärstna service, continuing along the Paistu – Kärstna road to the Suuga service and along the Suuga road to the Viljandi – Karksi-Nuia road in Ahimäe. From Ahimäki, the border runs along the Viljandi – Karksi-Nuia highway to the gas pipeline, along the gas pipeline to the Abja – Sultsi service; thence along the Abja – Sultsi road to Vidva stream and along Vidva stream to Öisu lake; further as an imaginary extension of the Vidva stream from the mouth of the stream across Lake Öisu to the mouth of the Kõpu River; thence along the Kõpu River to the border of Halliste municipality and along the border of Halliste municipality to the destination of Mägramäe; then along the Mägramäe destination to the service of the Päidre bog and along the road of the Päidre bog to the service of Päidre – Heimtali; further along the Päidre – Heimtali road to the Päidre – Loodi service; continuing from the crossroads along the Päidre – Loodi road to the old railway dam and along the railway dam to the Siniälliku stream; thence along the Siniälliku stream to the Raudna river and along the Raudna river to the mouth of the Colonel stream.

16) **Polli rental hunting area** the border runs from the intersection of the Luusi – Araku and Kaarli – Niguli roads along the Kaarli – Niguli road to the Luusi ditch, along the Luusi ditch to the Rebase destination, along the destination to the Erulang service; further along Erulang Road to the border of Rimmu forest district (northwest corner of block 128); thence along the border of the Rimmu forest district to the Kõpu River and along the Kõpu River to Lake Öisu; further from the mouth of the Kõpu River as an imaginary extension of the river across Lake Öisu to the mouth of the Vidva stream, continuing along the Vidva stream to the Abja – Sultsi service and along the road to the Öisu – Morna service; from the crossroads along the Öisu – Morna road to the border of Öisu forest district, from there along the border of Öisu forest district to the Kõpu river and along the river to the border of Karksi municipality in Ülemõisa; thence along the border of Karksi municipality to Kutsiku stream and along the stream to the service of Enu farm, continuing along the road of Enu farm to the service of Polli – Ülemõisa; from the crossroads along the Polli – Ülemõisa road to the Oti – Polli service; further along the Oti – Poll road to the Viljandi – Karksi-Nuia road and along the Viljandi – Karksi-Nuia road to the Karksi-Nuia – Poll road; thence along the Karksi-Nuia – Polli road to the Halliste River and along the Halliste River to the border of Karksi Parish, continuing along the border of Karksi Parish to the Polli – Halliste Road; thence along the Polli-Halliste road to Earn; from the crossroads Raise the road to the Halliste landfill and along the road to the Raadi; further along Raadi road to Abja – Sultsi, then along Abja – Sultsi road to Raadi stream and along Raadi stream to the former Mõisaküla – Viljandi railway dam; thence along the former railway dam to the eastern boundary ditch of Luusi Uusimaa, continuing along the eastern border ditch of Luusi – Araku and along the Luusi – Araku road to Kaarli – Niguli. thence along the Karksi-Nuia – Polli road to the Halliste River and along the Halliste River to the border of Karksi Parish, continuing along the border of Karksi Parish to the Polli – Halliste Road; thence along the Polli-Halliste road to Earn; from the crossroads Raise the road to the Halliste landfill and along the road to the Raadi; further along Raadi road to Abja – Sultsi, then along Abja – Sultsi road to Raadi stream and along Raadi stream to the former Mõisaküla – Viljandi railway dam; thence along the former railway dam to the eastern boundary ditch of Luusi Uusimaa, continuing along the eastern border ditch of Luusi – Araku and along the Luusi – Araku road to Kaarli – Niguli. thence along the Karksi-Nuia – Polli road to the Halliste River and along the Halliste River to the border of Karksi Parish, continuing along the border of Karksi Parish to the Polli – Halliste Road; thence along the Polli-Halliste road to Earn; from the crossroads Raise the road to the Halliste landfill and along the road to the Raadi; further along Raadi road to Abja – Sultsi, then along Abja – Sultsi road to Raadi stream and along Raadi stream to the former Mõisaküla – Viljandi railway dam; thence along the former railway dam to the eastern boundary ditch of Luusi Uusimaa, continuing along the eastern border ditch of Luusi – Araku and along the Luusi – Araku road to Kaarli – Niguli. from the crossroads Raise the road to the Halliste landfill and along the road to the Raadi; further along Raadi road to Abja – Sultsi, then along Abja – Sultsi road to Raadi stream and along Raadi stream to the former Mõisaküla – Viljandi railway dam; thence along the former railway dam to the eastern boundary ditch of Luusi Uusimaa, continuing along the eastern border ditch of Luusi – Araku and along the Luusi – Araku road to Kaarli – Niguli. from the crossroads Raise the road to the Halliste landfill and along the road to the Raadi; further along Raadi road to Abja – Sultsi, then along Abja – Sultsi road to Raadi stream and along Raadi stream to the former Mõisaküla – Viljandi railway dam; thence along the former railway dam to the eastern boundary ditch of Luusi Uusimaa, continuing along the eastern border ditch of Luusi – Araku and along the Luusi – Araku road to Kaarli – Niguli.

17) [Repealed - RTL 2007, 22, 375 - entered into force. 18.03.2007] 18) [Repealed - RTL 2009, 52, 755 - entered into force. 05.07.2009]

19) **Suislepa rental hunting area**

the border runs from the intersection of the Armese – Kurtuse ditch and the Roosilla – Nuki road along the Armese – Kurtuse ditch to the Armese farm, continuing along the Armese – Moori – Paabu road to the Viljandi – Pikassilla road; from the crossroads along the Viljandi – Pikassilla highway to Annioja and along the Annioja Paabu – Järveküla service in Järveküla; thence along the Järveküla – Kivilõppe road to the forest guard service, continuing along the forest guard road to the Suislepa – Kivilõppe road and along the Suislepa – Kivilõppe road to the Lohu-1 farm; further along the harbor road of Lohu-1 farm to Lake Võrtsjärv; thence along the western shore of Lake Võrtsjärv in a southerly direction to the border of Viljandi County, continuing along the border of Viljandi County to the main ditch of Koguli and along the main ditch of Koguli to Rähma; thence along Rähma road to Kurtsu service and along Kurtsu road to Roosilla – Nuki service and along Roosilla – Nuki road to Armese – Kurtuse ditch.

20) **Suure-Jaani rendijahiirkonna** the border goes from the south-eastern corner of the 14th quarter of the Soomaa forest district along the forest road to the Kibaru road, along the Kibaru road to the Võlli – Suure-Jaani road; continue along the Võlli – Suure-Jaani highway to Labida service and along Labida road to Muuti service; at the crossroads along Muuti road to Muuti farm; hence along the electricity line route to Saareküla road and along Saareküla road to Suure-Jaani – Võlli road; thence along the Suure-Jaani – Võlli highway to the Oru – Kuusiku main ditch and along the main ditch to the Lesti stream, continuing along the Lesti stream to the Suure-Jaani – Kildu highway; further along the Suure-Jaani – Kildu highway to Lemmjõgi and along Lemmjõgi to the Suure-Jaani – Vastsemõisa highway; thence along the Suure-Jaani – Vastsemõisa highway to the Ilbaku – Ivaski – Vastsemõisa highway; from the crossroads along the Ilbaku – Ivaski – Vastsemõisa highway to the Mulgi – Käära – Lubjassaare road and along the Mulgi – Käära – Lubjassaare road to the border of the Soomaa National Park,

21) **Sürgavere rental hunting area** the border passes from the intersection of the Suure-Jaani city border and the Suure-Jaani – Mudiste road along the Suure-Jaani – Mudiste highway to the Imavere – Viljandi highway, continuing along the Imavere – Viljandi highway to the Auksi – Sürgavere highway; from the crossroads along the Auksi – Sürgavere road to the Tallinn – Viljandi railway and along the railway to the new land of the Karuse bog; further along the Karuse swamp newland road to Pärsti – Sürgavere; thence along the Pärsti – Sürgavere road to the Hussari – Vanamõisa service; from the crossroads along the Hussari – Vanamõisa road to the Söödi road, continuing along the

Söödi road to the Pärsti – Savikoti road and along the Pärsti – Savikoti road to the Suure-Jaani – Viljandi road. From here, the border runs along the Suure-Jaani – Viljandi highway to Lemmjõgi and along Lemmjõgi to the Suure-Jaani – Kildu highway, along the Suure-Jaani – Kildu highway to the Lesti stream; thence along the Lesti stream to the Oru – Kuusiku main ditch and along the main ditch to the Suure-Jaani – Völli highway; further along the Suure-Jaani – Völli highway to the Suure-Jaani city border and along the city border to the Suure-Jaani – Mudiste highway.

22) **Tarvastu rental hunting area** the border runs from the Mustla – Mõnnaste – Viljandi highway from the Väluste crossroads along Väluste road to Kõksi road, along Kõksi road to Villemuse road and along Villemuse road to Valma – Väluste road; further along the Valma – Väluste road to the ditch of Mulgi new land and along the ditch of Mulgi new land to Lake Võrtsjärv; thence along the shore of Lake Võrtsjärv to the mouth of the Tarvastu River, continuing along the Tarvastu River to the eastern main ditch of Laurimaa New Zealand and along the main ditch to the Laurimaa service; thence along Laurimaa road to Warm service; from the crossroads along the Warm Road to the Tarvastu River, continuing along the Tarvastu River to the Pikasilla – Viljandi highway and along the highway to the Mustla – Pahuvere highway; from the crossroads along the Mustla – Pahuvere road to the Pahuvere bog and along the Pahuvere bog road to the Orjatu farm; hence along the road of Orjatu farm to the border of Tarvastu municipality and along the border of Tarvastu municipality to Varastu stream and along the stream to the Viljandi – Pikasilla highway; thence along the Viljandi – Pikasilla highway to the border of Tarvastu municipality at the Jürimatsi crossroads. From the Jürimatsi crossroads, the border continues along the Tarvastu municipality border to Mõnnaste – Holstre service and along Mõnnaste – Holstre road to Mustla – Mõnnaste – Viljandi highway and along Mustla – Mõnnaste – Viljandi highway to Väluste crossroads.

23) **Tänassilma rental hunting area** the border runs from Oja – Tusti road at the Kanavari ditch bridge along Kүүraku road to Lillissaare main ditch, along Lillissaare main ditch to Tänassilma river and along the river to Võrtsjärv; further along the shore of Lake Võrtsjärv to the Mulgi ditch and along the Mulgi ditch to the Valma – Väluste service and along the Valma – Väluste road to the Villemuse service; from the crossroads along Villemuse road to Kõksi route and along Kõksi route in Ruudiaru pasture to Tarvastu municipality border; thence along the border of Tarvastu municipality to the high voltage line and along the high voltage line Naela – Saareküla – Raabe; hence along the Naela – Saareküla – Raabe road to the Tartu – Viljandi road and along the Tartu – Viljandi road to the Tusti – Parika road; from the crossroads along the Tusti – Parika road to the Tusti bridge, continuing along the Tänassilma river to Tammeoja and along the Tammeoja to Tammeoja bridge; thence along the road to Metsa Farm; further along the road to the Kurdish farm and along the forest target to the Erkla forest guard's house; thence along the road to Oja – Tusti and along the Oja – Tusti road to the Kanavari ditch bridge.

24) **Here's a rental hunting area** the border runs from the intersection of the Navesti River and the Imavere – Viljandi highway along the Navesti River to the Parika stream, continuing along the Parika stream to the Särgla – Aimla service and along the Särgla – Aimla road to the eastern directions of blocks 130 and 131 of the Aimla forest district; thence along the eastern destinations of quarters 130 and 131 to Lake Parika, continuing as a notional extension of the destination across Lake Parika to Piduli stream; further along the Piduli stream to the Viljandi – Kolga-Jaani highway and along the Viljandi – Kolga-Jaani highway to the Aimla – Tääksi road; from the crossroads along the Aimla – Tääksi road to the Aimla – Tuudevere service; thence along the Aimla – Tuudevere road to the service of Suti farm and along the road of Suti farm to Suti farm; thence along the agricultural road Aimla – Tuudevere, continuing along the Aimla – Tuudevere road to Võivaku – Kuhjaverre; from the crossroads along the Võivaku – Kuhjaverre road to the Imavere – Viljandi highway, continuing along the Imavere – Viljandi highway to the Navesti river.

25) **Vambola rental hunting area** the border runs from the intersection of Kärstna – Raasilla road and Pahuvere – Mustla road along Pahuvere – Mustla road to Mustla; Gypsy along the Viljandi – Pikasilla highway to the Tarvastu river and along the river Soe – Väluste; continue along the Soe – Väluste road to the newland of Laurimaa, continuing along the road of the newland to the Tarvastu River and along the river to Lake Võrtsjärv; thence along the shore of Lake Võrtsjärv to the port road of Lohu-1 farm and along the port road to the service of Kivilõppe – Järveküla; hence along the Kivilõppe – Järveküla road to the Paabu – Järveküla service and along the Paabu – Järveküla road to Annioja; continue along the Annioja Viljandi – Pikasilla highway and along the highway to the Paabu – Moori – Armes road, continuing along the Armes road to the Armes farm; thence along the Armes – Kurtuse ditch to Roosilla – Nuki and along the Roosilla – Nuki road to Rähma; from the crossroads along Rähma road to Koguli main ditch and along the main ditch to the border of Viljandi county, continuing along the border of Viljandi county to the eastern edge of Laugi field; thence along the eastern edge of Laugi field to the Suislepa – Kärstna power line route, continuing along the power line route to Nahke stream and along Nahke stream to Purgi stream; then along the Purgi stream to the Kärstna – Raasilla road and along the Kärstna – Raasilla road to the Pahuvere – Mustla road.

26) [Repealed RT I, 22.12.2015, 29 - entry into force. 12/25/2015]

§ 3. [Omitted from this text.]
