

Controladora de Servicios de Telecomunicaciones, S.A. de C.V. – Foreign Carrier
Notification
Attachment 1

Question 12(b)

By this filing, Controladora de Servicios de Telecomunicaciones, S.A. de C.V. (“Consertel”) is notifying the Commission of its affiliation with Digicel Honduras S.A. de C.V. (“Digicel Honduras”), a provider of wireless telecommunications and value added services in Honduras. Digicel Honduras is a foreign carrier, as defined in Section 63.09(d), and owns facilities in its destination market.

Question 12(c)

Digicel Honduras is authorized to operate in Honduras, which is a WTO member country. Digicel Honduras is not included on the Commission’s list of foreign carriers that are presumed to possess “market power” in its markets, and thus, is entitled to the presumption of non-dominance.¹ Moreover, Digicel Honduras lacks fifty percent market share in the international transport and local access market on the foreign end of the U.S.-Honduras route. Pursuant to Section 63.10(a)(3), therefore, Consertel will be entitled to non-dominant status on the Honduran route.

Question 16

Consertel requests continued regulation as a non-dominant international carrier on the U.S.-Honduras route pursuant to Section 63.10 of the Commission’s rules. As indicated in the

¹ See Public Notice, *List of Foreign Telecommunications Carriers that Are Presumed to Possess Market Power in Foreign Telecommunications Markets*, DA 04-1584 (rel. May 28, 2004).

response to Question 12(c)(1), Digicel Honduras does not possess market power in the Honduran market. In addition, the Commission has determined that mobile wireless service providers lack sufficient market power to affect competition adversely in the U.S. market.² Consertel, therefore, will be entitled to non-dominant classification on this affiliated route.

Question 17

Through acquisitions by América Móvil, S.A.B. de C.V. (“América Móvil”), a Mexican holding company for telecommunications-related investments that ultimately controls Consertel, and subsidiaries of América Móvil, Consertel³ became affiliated with Digicel Honduras on November 30, 2011.⁴ Digicel Honduras is a telecommunications carrier providing wireless and value added services in Honduras, as specified in response to Question 12(b) above.
