## Acknowledgements

Thanks to F. Etl, C. Priemer and J. Schinnerl (all University of Vienna) for company during fieldwork in Costa Rica, and to the La Gamba Field Station, Puntarenas, Costa Rica (University of Vienna, <https://www.lagamba.at>) for logistic support. Further thanks go to M. Kiehn (University of Vienna) and C. M. Taylor (Missouri Botanical Garden) for taxonomic advice and numerous fruitful discussions on Rubiaceae, to L. Álvarez-Alcázar (Osa Conservation) for helpful suggestions for fieldwork, and to all people, institutions and databases for publishing photos under a Creative Commons copyright license, or for granting permission to use them: iNaturalist (<https://www.inaturalist.org>), Wikimedia Commons (<https://commons.wikimedia.org>), J. L. Trusty, the Flórla Digital de la Estación Biológica La Selva (OTS, O. Vargas Ramírez; <https://sura.ots.ac.cr/florula4>), Missouri Botanical Garden (MO, J. Solomon; <https://www.tropicos.org>) and The Field Museum of Natural History (F; <https://www.fieldmuseum.org>).
