

High School Science (Physics) Teacher

Knightsbridge Schools International Montenegro

KSI Montenegro is seeking inspiring and dynamic teachers who share the desire to offer our students an opportunity to shape their futures and be all they can be. We are looking to appoint an outstanding High School Science (Physics) Teacher to join our team from August 2021.

Applicants must have solid and demonstrable Physics teaching experience, with exceptional subject knowledge.

Requirements:

- Fully qualified teacher status (local or international) with a qualification recognised by the Montenegrin Ministry of Education
- Experience of working with children.
- A creative and enthusiastic approach to teaching.
- An excellent team player with strong interpersonal and communication skills.
- Excellent command of English language.

What we offer:

- Attractive campus in a beautiful location.
- Wonderful students that are enthusiastic and keen to learn in a positive environment.
- Opportunity to work within a team of highly supportive and creative colleagues.
- Professional development and guidance.
- A school committed to doing the best for students to ensure they become all they can be.
- Annual salary on a local-hire contract (no visa).

KSI Montenegro was founded in 2010 and has established a reputation for its educational programme and unparalleled boarding care. As the first IB World School in Montenegro, and the Adriatic region, the School is part of a global network of international schools, united through a shared ethos and curriculum. KSIM is modelled on the international standards expected of high quality schools across the globe and offers a unique and holistic approach to education in the beautiful Bay of Kotor.

Through their experiences at KSI Montenegro, students are inspired to become lifelong learners, independent problem solvers and contributing global citizens. The critical partnership among students, parents and school is a top priority and provides all KSI 'Knights' with a supportive environment, a love of learning, and opportunities for academic excellence.

To be considered for this post, please submit the documents below to r.ingham@ksi-montenegro.com

- CV (with contacts for at least 3 referees, including most recent supervisor)
- Cover letter, highlighting your related experience and past achievements and accomplishments. You should also include any additional information about your educational philosophies and how your appointment could potentially enrich the KSIM community.

KSI Montenegro is committed to safeguarding and promoting the welfare of all of its students. Applicants will be required to submit a current police criminal clearance check or equivalent from their home country and current country of residence prior to appointment.
