

annual report 2011-2012

The Montreal Children's
Hospital Foundation

THE CHILDREN'S BY THE NUMBERS

“After 108 years of remarkable achievement, The Children’s is on the threshold of the most significant development in its history – the construction of its new home on the Glen site. I sincerely thank all of those that have shown the leadership and hard work that helped make this exciting project a reality.”

YOU MAKE THE DIFFERENCE

What a year this has been! Our corporate and individual donors, foundations and those who participated in the over 320 community events to benefit The Children's helped raise a record \$20,240,000, an increase of 5% from the previous year. On behalf of The Children's patients, families and staff, thank you from the bottom of our hearts.

We are proud of the faith you have placed in us. We take very seriously our mandate to ensure that your wishes are respected and funds go to where they are needed most. Your donations ensure that The Children's remains a world-class facility. Every dollar helps make a lasting change in the life of a child, as you will find out in this annual report.

Donations save lives. This year, 15-year-old Vincent Lambert made headlines after being kept alive for 267 days at The Children's while awaiting a heart transplant. You will learn how over 200 professionals at The Children's collaborated to make this miracle happen.

Donations transform the future of healthcare. Dr. Nada Jabado and her team of specialists conducted breakthrough research into pediatric brain tumours, transforming our understanding of the treatment of childhood tumours.

Donations train tomorrow's medical innovators. A teaching hospital associated with McGill University, The Children's is deeply rooted in the transfer and sharing of knowledge. The Children's residents and fellowship holders go on to become world-class leaders in their respective fields.

Donations help to build a new home for tomorrow. *The Best Care for Children* Campaign, now in its final stage, has already surpassed its fundraising objective to help build one of North America's most cutting-edge pediatric centres. Our donors are visionaries, people who understand that supporting child health is an investment in our collective future and that today's gifts bring tomorrow's cures.

For that, we thank you.

GREG ROKOS
CHAIRMAN OF THE BOARD

MARIE-JOSÉE GARIÉPY
PRESIDENT

WHERE OUR DONATIONS COME FROM...

Donations to the Montreal Children's Hospital Foundation come from four main sources:

Major Gifts

Donors of major gifts are true visionaries. Whether they are individuals, foundations or corporations, they all share a mission to transform the face of healthcare by supporting specific projects, research or equipment that enable The Children's to offer cutting-edge care. Major gift donors have been instrumental in the success of *The Best Care for Children* Campaign to build a brand-new Children's on the Glen site.

Special Events

The Special Events Department puts the fun in fundraising. It is also a testament to the tremendous support the Hospital enjoys from the community. From backyard BBQs to the most elegant soirées, grassroots fundraisers organize over 300 events each year to benefit the Hospital's young patients. In addition, there are the Foundation's flagship events, including the ABC Ball, Pedal for Kids, and the Golf Tournament, and the activities of our Young Leaders Circle, whose members exemplify the future of philanthropy.

Annual Support

Annual support through direct mailing campaigns allows the Foundation to communicate directly with donors on a regular basis. Appeals like those done for Radiothon, Grateful Parents, Grandparents and Community Members, Leadership Circle and Corporate Leaders are critical to the Hospital as the funds raised often go toward meeting The Children's most urgent needs.

Legacy Giving

Legacy giving provides donors with an opportunity to make a long-term commitment to The Children's. Whether gifts take the form of a tribute in the name of a loved one, an endowment, a bequest, a gift annuity or a life insurance policy, funds raised through the Foundation's Planned Giving Department are essential to helping the Hospital meet its most urgent needs and its long term goals. Legacy donors recognize the importance of creating a lasting commitment that not only leads to today's cures but also transforms the present and the future of child health.

...WHERE DONATIONS GO.

Donations to the Montreal Children's Hospital Foundation are distributed to the Hospital and used to support the following:

Care

A world-renowned leader providing a broad spectrum of highly specialized care to newborns, children, and adolescents, the Montreal Children's Hospital is a place where families rest assured that they are in the best of hands. Your donations are critical to the health and wellbeing of our young patients. Through funding of innovative programs and equipment, our teams of expert doctors, nurses and healthcare professionals are able to deliver child and family-centered care that is second to none.

Research

New discoveries and advancements made through research at The Children's are constantly transforming the field of pediatrics. From Dr. Nada Jabado's groundbreaking research into pediatric brain tumours to Dr. Constantin Polychronakos's discoveries related to the causes of juvenile diabetes, researchers at The Children's are at the top of their

profession. Thanks to the generous support of visionary donors, investigators are making exciting breakthroughs in a vast array of disciplines, delivering precious knowledge from the lab to the bedside and providing new hope for generations of children to come.

Teaching

The Montreal Children's Hospital is the pediatric teaching hospital of the McGill University Health Centre, affiliated with one of the North America's top universities. Young healthcare professionals have the opportunity to learn from the best and brightest in their respective fields and many choose to continue their careers with the hospital. Nurse training programs and fellowships for residents in subspecialty fields are examples of how donations help foster the spirit of learning and skill sharing that are so vital to The Children's.

CARE

FIRST-CLASS CARE,
WORLD-CLASS RESULTS

**“Living in a hospital for so long,
the time goes by really slowly.”**

For 267 days, 15-year-old Vincent Lambert lived in a 20×15 room at The Children’s waiting for the one thing that could save his life: a new heart. His old heart irreparably damaged by a virus, he was forced to live for ten months in the pediatric intensive care unit attached to a Berlin Heart. Cardiac cases like Vincent’s are complicated. For the first few months, it was touch and go, but thanks to the outstanding level of care provided by the interdisciplinary team of doctors, nurses and other health professionals, Vincent’s heart transplant was a resounding success.

Dr. Christo Tchervenkov was part of the team caring for Vincent. He removed Vincent’s diseased heart. A world-renowned cardiac surgeon, Dr. Tchervenkov is a pioneer in his field. The founding president of the World Society for Pediatric and Congenital Heart Surgery and Division Head of Pediatric Cardiac Surgery at The Children’s, he holds the Tony Dobell Chair in Pediatric Surgery. “Donations from the community are crucial in making a success story like Vincent’s happen,” explains Dr. Tchervenkov. “I am forever grateful to donor groups like Andy Collins for Kids, Angela’s Big Hearts For Little Kids, the Heart of Life Fund, and the organizers and participants of the Foundation’s Golf Tournament. They have made a direct impact on my work and ultimately on the quality of care I can offer my patients.”

During his lengthy stay, dozens of donors went out of their way to make Vincent’s life more comfortable. Catered meals, visits from sports celebrities, and Wi-Fi installed by technicians from ESI Technologies in The Children’s Pediatric Intensive Care Unit were among some of the generous contributions from the community that greatly improved the boy’s quality of life.

Thanks to them, and one very precious donation in particular, Vincent has a bright future to look forward to.

DR. CHRISTO TCHERVENKOV

Division Head, Cardiovascular Surgery

“I will always be grateful for the decision my heart donor and his or her family made. They gave me the greatest gift I could ever have asked for: my future.”

- VINCENT LAMBERT, 16 YEARS OLD

“We really don’t know what our son’s future holds, we take things one day at a time. But the work of Dr. Jabado gives us great hope that something positive will happen one day.”

- **NANCY BABALIS**
MOTHER OF 12-YEAR OLD PETER KITSOS

RESEARCH

BRINGS
NEW HOPE

One morning, 11-year-old Peter woke up having suffered a partial seizure. After an emergency visit to The Children's, the cause was determined: a glioblastoma, one of the most common and aggressive malignant brain tumours in humans.

"We were in complete shock," recalls the boy's mother Nancy Babalis. "There weren't any apparent signs that anything was wrong." Two days later, Peter underwent brain surgery to remove as much of the tumour as possible. Radiotherapy followed and one year later, he continues to undergo chemotherapy.

As Peter leads the most courageous fight of his life, Dr. Nada Jabado and her team of researchers at The Children's lead an important battle of their own. Supported by visionary donors like the Foundation of Stars and the Cole Foundation, the team has made a revolutionary breakthrough in the understanding of pediatric brain tumours. "It is clear now that glioblastoma in children is due to different molecular mechanisms than those in adults, and should not be treated in the same way," explains Dr. Jabado. "We now know where to start focusing our efforts and treatments."

As both a clinician on the front lines as well as a researcher, Dr. Jabado sees the enormous challenges faced by families like Peter's. "To accept what's happening on the clinical side, you need to dream. You want to see if you can help in a different way. Research is a way of understanding what you're treating."

DR. NADA JABADO

Oncologist and researcher at The Children's

TRAINING

THE MEDICAL INNOVATORS OF TOMORROW

When Dr. Jacob Pitaro was recruited to The Children's from Israel to complete a clinical and research fellowship alongside The Children's expert Otolaryngology team, he was exposed to a variety of complex and emergency cases that can only be treated at a centre like The Children's. One such case was that of baby Olie Charette.

"Right after she was born, Olie started to turn blue," remembers her mother Geneviève Charette. "She was rushed to the Neonatal Intensive Care Unit at The Children's." At The Children's, Dr. Pitaro assisted on the life-saving surgery that would lead to Olie's recovery. She was suffering from a condition called pyriform aperture stenosis, a rare condition and cause of airway obstruction in newborns. One year later,

Olie is a healthy and happy baby. "She is a miracle," her mother says with pure joy in her voice. "Looking at her now, you would never believe that she spent nearly a month in hospital fighting for her life."

Dr. Jacob Pitaro's fellowship would have been impossible without donor funding. It is one of many examples of how donations are critical to ensure The Children's remains a hub of learning and medical innovation for future generations of specialists. "The opportunity I've had at The Children's is really unique worldwide. It's extremely rare to be able to gain integrated clinical and research experience," explains Dr. Pitaro. "It allowed me to see what challenges exist in practice while looking at how tools can be improved to meet those challenges."

DR. JACOB PITARO

Clinical and Research Fellow in Otolaryngology

“She is a miracle, looking at her now, you would never believe that she spent nearly a month in hospital fighting for her life.”

- **GENEVIÈVE CHARETTE**
MOTHER OF 1-YEAR-OLD
OLIE CHARETTE

opération
enfant
soleil 
25 years

Five-year-old Jade Lagrange from Abitibi-Témiscamingue, treated at The Children's for Tetralogy of Fallot, a congenital heart disease, chose to give back by becoming the Enfant Soleil for her region.

OUR NEW HOME, OUR BIGGEST PRIVATE PARTNER...

OPÉRATION ENFANT SOLEIL, A CRUSADER FOR THE CHILDREN'S SINCE 1989

As Opération Enfant Soleil celebrates its 25th anniversary, there is no better way to mark this occasion than by highlighting the organization's major contribution to building one of the most state-of-the-art pediatric facilities in North America. Opération Enfant Soleil's \$25 million commitment to *The Best Care for Children* Campaign makes it the Hospital's largest private partner.

When the new Montreal Children's Hospital opens its doors to patients in 2015, Opération Enfant Soleil will have much to be proud of! The non-profit's commitment to the new Hospital spans three major projects that will forever transform care at the Hospital. The new Children's Emergency Department, to be named in honour of Opération Enfant Soleil, will feature an innovative expandable design, dramatically improving staff efficiency and affording greater privacy to patients and their families. The future medical imaging department, also to be named in honour of Opération Enfant Soleil, will boast the best diagnostic tools at the service of all ambulatory and hospitalized patients.

In 2009, Opération Enfant Soleil played a leading role in helping The Children's obtain its Intra-Operative MRI suite, a first in a Canadian pediatric hospital. This revolutionary surgical suite allows MRI images to be taken in mid-surgery, reducing the need for patients to undergo multiple brain operations. When this equipment moves to the new Children's in 2015 it will continue to have life-changing effects for patients.

OPÉRATION ENFANT SOLEIL: 25 YEARS OF HELPING QUEBEC'S YOUNGEST

Founded in 1988, Opération Enfant Soleil is a non-profit organization whose mission is to raise funds in support of state-of-the-art pediatric care and social health projects for children all over Quebec. The impact Opération Enfant Soleil has had on The Children's over the years is immeasurable. Congratulations to Opération Enfant Soleil on 25 years of improving children's lives. The Hospital couldn't be prouder to count them among its most loyal partners.

THE CHILDREN'S INTRA-OPERATIVE MRI SUITE

\$20.24 MILLION RAISED FROM 2011-2012

A banner year, thanks to you! The 2011-2012 year was a record one for the Foundation. Revenue from donations exceeded \$20.2 million, representing an increase of 5% over last year. Thanks to the overwhelming generosity of our donors, we are seeing revenue growth from all sources, from major foundations, to corporations, and committed members of the community. I would also like to highlight the work of our countless volunteers and the team of employees at the Foundation, who go above and beyond for our cause.

Unfortunately, we can't say the same of the economy and financial markets. This year we recorded an unrealized loss on our investments of \$1.6 million. Thankfully, our realized investment revenues experienced a \$1 million increase this year, resulting in \$2.2 million of net investment income compared to \$1.2 million in 2010-2011.

This year, the Foundation contributed a total of \$12.3 million to diverse projects at the Hospital, including the purchase of medical equipment, renovation projects, teaching and various research programs – not to mention the Hospital's most urgent needs. Of our total contribution, \$2.3 million will go towards the construction of the Research Institute of the new Children's on the Glen site. In addition, \$3 million was endowed for the creation of the Tony Dobell Chair in Pediatric Surgery.

The coming years will bring their share of challenges to allow the Montreal Children's Hospital to continue to distinguish itself by the outstanding care it gives our children. But we have confidence in the support of all our partners. Together, we can reach new heights.

TIMOTHY E. PRICE
TREASURER

HOSPITAL EQUIPMENT AND SERVICES (\$1,163,240)

- Specialized medical equipment, including a jet ventilator, a blood analyzer, video-gastrosopes, pain management pumps, cardiac monitors and pulmonary function diagnostic equipment
- Cots for parents to spend the night in their child's room
- Help for hundreds of families in need through the Tiny Tim Fund
- Trauma prevention and community outreach program

RESEARCH EQUIPMENT AND SERVICES (\$7,745,974)

- Funding for the construction of the new Children's Research Institute on the Glen site
- Teaching the next generation of physicians
- Cutting-edge research in children's diseases, including cancer, leukemia, Type 1 diabetes, blindness and Crohn's Disease
- Funding for research students
- Seed money for pilot studies
- Laboratory equipment and supplies

SPECIAL PROJECTS (\$3,416,697)

- Insulin pump education, support and follow-up for children, adolescents, adults, and their families
- Implantation of bone anchored hearing aid (BAHA) devices that allow deaf children to hear
- Ultra-specialized craniofacial and cleft palate surgery to treat severe deformities
- Education and support groups for parents whose children have developmental problems
- Child Life programs such as Dr. Clown, pet therapy, music and art therapy
- Psychiatry, psychology and autism clinics
- Multimedia room for adolescents hospitalized on the psychiatric inpatient unit

FINANCIAL STATEMENT OF REVENUES, EXPENSES AND CONTRIBUTIONS (IN \$) FOR THE 12-MONTH PERIOD ENDING MARCH 31, 2012

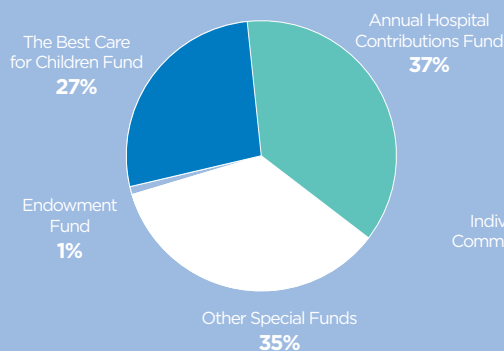

THE FOLLOWING COMMITTEES SHARE FINANCIAL RESPONSIBILITIES:

The Executive Committee, chaired by Mr. Greg Rokos; the Budget Committee, chaired by Mr. Timothy E. Price; the Audit Committee, chaired by Mr. Claude Bédard; and the Investment Committee, chaired by Mr. David M. McEntyre.

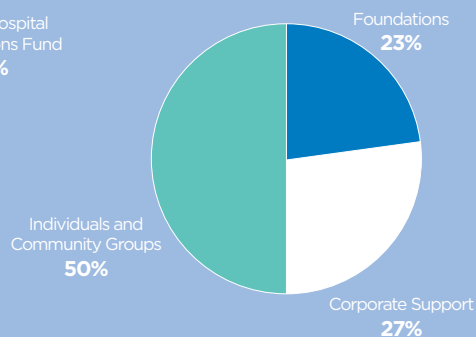

Note: the financial statement has been reformatted to reflect current accounting practices and principles. The complete set of audited financial statements by Samson Bélair/Deloitte & Touche is available on our website.

CERCLE DES BIENFAITEURS / CHILDREN'S CIRCLE OF CARE

Les individus, fondations familiales et entreprises privées qui effectuent un don de 10 000 \$ ou plus à l'Hôpital de Montréal pour enfants deviennent membres du Cercle des bienfaiteurs, un regroupement nord-américain de philanthropes préoccupés par la santé des enfants. En 2011, ce programme a permis de recueillir quelque 396 millions \$ pour les 25 grands centres hospitaliers pédiatriques qui en faisaient partie. Par ailleurs, le Cercle des mécènes honore les donateurs ayant contribué cumulativement 1 million \$ ou plus au bénéfice du Children depuis 1995, date de fondation du Cercle des bienfaiteurs. Individuals, family foundations and privately held corporations who generously donate \$10,000 or more are members of the Children's Circle of Care, a grouping of leading philanthropists in child health throughout North America. In 2011, a total of \$396 million was donated to the 25 prominent children's hospitals that participate in this program. Members of the Royal Circle are honoured for their cumulative contributions of \$1 million or more to The Children's since 1995, when the Children's Circle of Care was established.

CERCLE DES LEADERS / LEADERSHIP CIRCLE

Les besoins d'un grand hôpital pédiatrique universitaire sont à la fois nombreux et variés. Nous tenons à remercier les membres du Cercle des leaders pour leurs dons de 500 \$ à 9 999 \$. Ceux-ci aident l'Hôpital à remplir sa mission de prodiguer des soins pédiatriques spécialisés, d'effectuer des recherches de pointe et de former la prochaine génération de médecins. The needs of a pediatric teaching hospital are numerous and varied. We thank the members of the Leadership Circle for their gifts of \$500 to \$9999, which help the Hospital to fulfill its mission of providing specialized medical care, pursuing cutting-edge research and teaching the next generation of physicians.

Dr. Jean Gervais

« Lorsque la leucémie a emporté la fille unique de mon oncle dans les années 1960, le taux de survie à cette terrible maladie représentait une fraction de ce qu'il est aujourd'hui. La recherche et les progrès accomplis depuis cette époque permettent de sauver de nombreuses vies, même s'il reste encore beaucoup de chemin à parcourir. Voilà pourquoi nous nous sommes engagés à soutenir les chercheurs du Children. Leurs rêves et leur vision sont porteurs d'un avenir meilleur pour les jeunes atteints du cancer. »

– Barry Cole, président, Fondation Cole

“When my uncle lost his only daughter to leukemia in the 1960s, the survival rate for the disease was a fraction of what it is today. Thanks to research and advancements in treatment we have come a long way and saved so many lives. This is why we are committed to supporting the researchers at The Children's, whose dreams and vision pave the way for a better future for young cancer patients.”

– Barry Cole, President, Cole Foundation

« Notre mission   la Fondation « Pour enfants seulement » est de fournir les outils les plus performants aux experts du Children afin qu'ils puissent prodiguer les meilleurs soins qui soient. L'engagement de nos nombreux b n voles et de nos donateurs nous a permis d'accomplir notre mission avec succ s. Nous sommes motiv s   poursuivre encore longtemps le travail amorc  au fil des ann es. »

- Sandra D'Alesio Lanno (centre), pr sidente, Fondation « Pour enfants seulement »

“Providing the experts at The Children’s with the best tools so that they can treat their young patients with the best care possible is the mission of the “Just for Kids” Foundation. Thanks to our many volunteers and generous donors it is a mission we’ve been able to accomplish with great success over the years, and one we will continue to pursue in the future.”

- Sandra D'Alesio Lanno (center), President, Just for Kids Foundation

« Les témoignages de jeunes patients et de leurs familles que l'on entend chaque année lors du Radiothon *Pour la santé des enfants* sur les ondes d'Astral Radio nous rappellent les miracles accomplis par les équipes de l'Hôpital de Montréal pour enfants. À l'aube de la 10e édition de l'événement, je manque de mots pour dire à quel point je suis fier de nos animateurs et, surtout, de nos auditeurs pour la différence qu'ils ont faite dans la vie de ces jeunes malades et de leurs proches. »

- Martin Spalding, vice-président, directeur général, Astral Radio Montréal

"The patient and parent testimonials shared each year on the Astral Radio *Caring for Kids* Radiothon remind us that the Montreal Children's Hospital is a place where miracles happen. As we now enter the event's 10th edition, I couldn't be prouder of all our hosts and especially our listeners for the huge difference they have made in the lives of young patients and their families."

- Martin Spalding, Vice President, General Manager, Astral Radio Montreal

« Chaque jour, les jeunes patients du Children grimpent la plus haute des montagnes. »

- Terry Soucy, chef d'expédition, Kilimandjaro pour le Children, l'escalade annuelle du mont Kilimandjaro au bénéfice de l'Hôpital de Montréal pour enfants

“Every day at The Children’s, young patients climb the highest of mountains.”

- Terry Soucy, expedition leader of Kilimanjaro for The Children’s, an annual trek to the summit of Mount Kilimanjaro in support of The Children’s

FONDACTIONS PRIVÉES ET AUTRES ORGANISMES DE BIENFAISANCE / PRIVATE FOUNDATIONS AND OTHER CHARITIES

Nous sommes particulièrement reconnaissants de pouvoir travailler avec plusieurs organismes philanthropiques et fondations privées ayant pour objectif le bien-être des enfants et adolescents aux prises avec la maladie. Leur engagement continu et leur grande générosité aident le Children's à se maintenir à l'avant-garde de la médecine pédiatrique. We are fortunate to be able to partner with a number of charities and private foundations that are dedicated to the well-being of sick children and adolescents. Their ongoing commitment and generosity help to keep The Children's at the forefront of pediatric care.

« L'ensemble de la communauté a comme responsabilité de soutenir les membres les plus jeunes et les plus vulnérables de la société. Nous sommes persuadés que la meilleure façon de relever ce défi est de s'engager à recueillir des fonds pour une institution comme l'Hôpital de Montréal pour enfants. »

- Megan Melville et Réda Saad, du Cercle de la relève de la Fondation de l'Hôpital de Montréal pour enfants

"Supporting society's youngest and most vulnerable is the collective responsibility of our entire community. We feel there is no better way to get involved than by fundraising for an institution like the Montreal Children's Hospital."

- Megan Melville and Réda Saad of the Young Leaders Circle of The Montreal Children's Hospital Foundation

ÉVÉNEMENTS SPÉCIAUX ET GROUPES COMMUNAUTAIRES

/ SPECIAL EVENTS & COMMUNITY GROUPS

La Fondation de l'Hôpital de Montréal pour enfants vit une situation enviable : elle peut compter sur plus de 320 activités de collecte de fonds organisées en sa faveur dans la communauté. Les efforts combinés de milliers de bénévoles, d'organisateur et de participants permettent de recueillir chaque année des millions de dollars en vue d'acquérir de l'équipement médical vital, de financer des projets particuliers et d'appuyer de nombreux programmes communautaires ou de soutien au développement des enfants. The Montreal Children's Hospital Foundation is privileged to count on the support of more than 320 community fundraising activities. The combined efforts of thousands of volunteers, event organizers and supporters raise millions of dollars each year to acquire life-saving medical equipment, invest in special projects and support community outreach and child advocacy programs.

CERCLE DES DÉCIDEURS / EXECUTIVE CIRCLE

Le Cercle des décideurs souligne le rôle crucial joué par les dirigeants d'entreprises contribuant 25 000 \$ ou plus à la campagne *Les meilleurs soins pour les enfants pour la construction du nouveau Children*, à nos événements majeurs ou à des projets spéciaux de l'Hôpital. The Executive Circle highlights the important role of corporate leaders who contribute \$25,000 or more to *The Best Care for Children* Campaign to build the new Children's, major events, or special hospital projects.

ENTREPRISES / CORPORATE DONORS

Nous voulons exprimer notre profonde gratitude aux centaines de petites, moyennes et grandes entreprises ayant fait de la santé des enfants leur priorité et qui donnent chaque année de 2 500 \$ à 24 999 \$ à notre campagne auprès des entreprises ou à l'occasion de nos événements. Leur générosité fait un monde de différence dans la vie de nos jeunes patients. We thank the hundreds of small, medium and large companies that make children's health a priority through their annual donations of \$2500 to \$24,999 to the Corporate Appeal or one of our special events. Their generosity makes a world of difference in the lives of our young patients.

« Alors que la construction du nouvel hôpital avance à pas de géants, il est essentiel de reconnaître que cette réalisation formidable n'aurait jamais vu le jour sans l'appui d'une collectivité convaincue de son succès. Bell est honorée de faire partie de cette communauté. »

- Tom Little, Président, Bell, Marchés Affaires

“As the construction of the new Children’s nears its end, it is important to recognize that this tremendous accomplishment could not have been achieved without the support of an entire community dedicated to its success. Bell is honoured to be part of that community.”

- Tom Little, President, Bell Business Markets

DONS COMMÉMORATIFS ET EN L'HONNEUR / TRIBUTES

Rendre hommage à un être cher ou perpétuer le souvenir d'une occasion spéciale constitue une excellente façon de permettre aux enfants malades d'espérer vivre plus longtemps et en santé. Nous remercions chaleureusement tous ceux et celles qui ont pensé à nos jeunes patients au cours de la dernière année. Commemorating a loved one or celebrating a special occasion is a meaningful way to give children the gift of longer and healthier lives. We thank everyone who thought of our young patients this past year.

« Durant sa trop courte vie, notre petite Debbie a rempli nos cœurs de joie et de bonheur. Il nous fait plaisir de pouvoir faire ce geste pour honorer sa mémoire et aider les jeunes malades à obtenir les soins d'urgence dont ils ont besoin. »

- Aliki Brintalos et Nick Mataragas, Fonds commémoratif Bébé Debbie Mataragas, en mémoire de leur fille décédée à 15 mois

"During her short life, Debbie filled our hearts with so much joy and happiness. We are pleased to be able to make this gesture in her memory, which will help sick children receiving emergency care."

- Aliki Brintalos and Nick Mataragas, the Baby Debbie Mataragas tribute fund in memory of their 15-month-old daughter

SOCIÉTÉ DR MACKENZIE FORBES / THE DR. MACKENZIE FORBES SOCIETY

Les membres de la Société Dr Mackenzie Forbes ont pu soutenir l'Hôpital grâce à un don planifié, une rente de bienfaisance, un don de police d'assurance vie ou en créant un fonds de dotation. La Société honore également les donateurs ayant prévu un don testamentaire pour le Children. Members of the Dr. Mackenzie Forbes Society have made a legacy gift to the Hospital through a bequest, a charitable annuity, a gift of insurance or by establishing an endowment fund. The Society also honours those donors who have made provisions for a future gift in their will.
