### Master Gardener - Seed Library Collaboration

The Crimson Clover Master Gardeners are working with local libraries in their three-county area to facilitate seed libraries. The process is simple: You ‘checkout’ seeds, plant them, enjoy them, and when those plants produce seeds, gather some up and ‘check them back in’. The Franklin Co. Library will be hosting their seed library with the Master Gardeners on Feb. 23th & 24th. Click the link below for the Crimson Clover Master Gardener Facebook page.
